All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged Property. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Date

The interest rate may change on the first day of **April**, 1996, and on that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

(B) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary. A new interest rate calculated in accordance with paragraphs (C) and (D) of this Rider will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 25 days after Lender has given Borrower the notice of changes required by paragraph (F) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment if this Rider decreases, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount calculated in accordance with paragraph (E) of this Rider has given the required notice. If the monthly payment amount due accruing less than 25 days after calculated in accordance with paragraph (E) of this Rider for any payment due accruing less than 25 days after Lender has given the required notice, the monthly payment amount due will be the monthly payment (F) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment if this Rider increases at least 25 days after Lender has given Borrower the notice of changes required by paragraph (E) of this Rider. (F) Notice of Changes

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be owed on the Change Date if there had been no default in payment of principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.
