- a) Marathon Oil Company, its successors and assigns ("Grantor") reserves the right to enter upon the premises, at no cost to Grantor, at reasonable times to conduct any Corrective Action only as and when required by the governmental agency with jurisdiction (the "Agency") in connection with a release of petroleum hydrocarbons at the premises. As used herein, the term, "Corrective Action", shall refer to one or more of the following activities: investigation, assessment, monitoring, sampling, analysis, cleanup, removal, disposal, on-site treatment, off-site treatment, active remediation, passive remediation, remediation alternatives including but not limited to risk-based corrective action ("RBCA"), if applicable, and/or other activities approved, concurred in or required by the Agency. In performing any Corrective Action at the premises, Grantor will have the right to rely on and use any current, future or revised or amended state cleanup/remediation standards, guidelines or criteria or revised federal cleanup/remediation standards, if applicable, including without limitation any site-specific risk-based soil and groundwater cleanup objectives or other similar RBCA policies administered by the Agency. In performing any Corrective Action at the premises, Grantor may also rely on and implement institutional controls as provided for in applicable laws, regulations and policies to ensure the protection of public health, safety or welfare and the environment. Grantee acknowledges that such institutional controls may require deed recordation running with the land at the premises. Such deed recordation would contain certain restrictions based on site-specific exposure such as prohibiting the use of groundwater at the premises, requiring that the use of the premises remain commercial/industrial, or requiring the premises, or a portion of the premises, to be paved or that existing pavement remain in place and be properly maintained. Grantee agrees to permit reasonable institutional controls regarding the premises in connection with Grantor's performance of any Corrective Action thereon. Grantee agrees to provide Grantor, at no cost to Grantor, with Grantee's written consent and signature as needed in connection with the preparation, execution and recording of any necessary documents relating to any institutional controls which are to be recorded on the premises as part of Grantor's performance of Corrective Action. Such institutional controls, if necessary, would not prohibit the use of the premises for industrial/commercial purposes. Grantor reserves its legal appeal rights with respect to any orders, directives or requests of the Agency concerning but not limited to Corrective Action at the premises. Grantee agrees that, without prior written approval from Grantor, Grantee will not engage in any activity which would interfere with Grantor's performance of any Corrective Action at the premises. Such approval shall not be unreasonably withheld by Grantor. In the event that Grantee interferes with Grantor's performance of Corrective Action, Grantee agrees to pay Grantor for the reasonable costs incurred by Grantor as a result of any such interference, including, but not limited to, costs to replace monitoring wells that are damaged or destroyed by Grantee's activities.

- b) The use of the premises shall be restricted solely to industrial/commercial use.
- c) The installation and/or existence of potable wells on the premises is prohibited. The groundwater underneath the premises shall not be used for any purpose whatsoever.

- f) Grantee hereby agrees to defend (with counsel reasonably acceptable to the Released Parties), indemnify and hold the Released Parties (as defined above) harmless from and against any and all liabilities, claims, losses, suits, actions, judgments, damages, costs (including reasonable attorneys' fees) or penalties that result from, arise out of or relate in any way to any violation of the reservations, restrictions and/or conditions contained in this deed.
- g) In case any one or more of the reservations, restrictions or conditions (or portions thereof) contained in this deed shall, for any reason, be held to be invalid, illegal or legally unenforceable, in any respect, such invalidity, illegality or unenforceability shall not affect any other portion of that provision or any other provision hereof (whether or not clearly divisible from such provision or portion thereof), and the above reservations, restrictions and conditions shall be construed and interpreted in the manner which is valid, legal and legally enforceable, and which is most nearly consistent with the intention of Grantor and Grantee as evidenced by the above reservations, restrictions and conditions.

AND THE GRANTOR does for itself, its successors and assigns covenant with the said GRANTEE, its successors and assigns, the GRANTOR has not made, done, executed, or suffered any act or thing whereby the above-described premises or any part thereof now are or at any time hereafter shall or may be imperiled, charged, or encumbered in any manner whatsoever; and the title to the above-granted premises against all persons lawfully claiming the same by, through or under the GRANTOR, said GRANTOR will forever warrant and defend.
