any person who by contract, agreement, or otherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous substances, controlled or processed by such person at a facility there is a release or substantial threat of a release of such hazardous substances; and  
(4) Any person who accepts or accepted any hazardous substances for transport (A disposal), storage or treatment facilities or sites from which there is a release or a substantial threat of a release of a hazardous substance.

- 2. Section 41q) of the Act states:  
"The Agency shall have the authority to provide notice to any person who may be liable pursuant to Section 22 2(f) of this Act for a release or a substantial threat of a release of a hazardous substance. Such notice shall include the identified response action and an opportunity for such person to perform the response action."
- 3. Section 22'2(k) of the Act states:  
"If any person who is liable for a release or substantial threat of release of a hazardous substance fails without sufficient cause to provide removal or remedial action upon or in accordance with a notice and request by the agency or upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages in an amount at least equal to, and not more than 3 times, the amount of any costs incurred by the State of Illinois as result of such failure to take such removal or remedial action. The punitive damage imposed by the Board shall be in addition to any costs recovered from such person pursuant in this Section and in addition to any other penalty or relief provided by this Act or any other law."
- 4. Section 22.18(a) of the Act states:  
"Notwithstanding any other provision or rule or law, except as provided otherwise in subsection (b), the owner or operator, or both, of an underground storage tank shall be liable for all costs of preventive action, corrective action and enforcement action incurred by the State of Illinois as a result of a release or a substantial threat of release of petroleum from an underground storage tank."
- 5. The text of the statutes set out above is subject to change by amendment. Persons using this form may update it to reflect changes in the text of the statutes cited, but no disclosure statement shall be invalid merely because it sets forth an obsolete or superseded version of such text.
