1. Recitals and Exhibits. The Recitals set forth above and the Exhibits attached hereto are true and correct and are incorporated into this Agreement by this reference as if they were fully set forth herein.

3. Definitions. All capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings ascribed to them in the Loan Documents.

4. Modification of Mortgage. The terms of the Mortgage are hereby modified in the following respects:

4.1 The following is added to Section 13 of the Mortgage:

Cross Default. Upon (a) the occurrence of an Event of Default under the Mortgage or any of the other Loan Documents, or (b) the occurrence of an Event of Default under any of the Other Loan Documents, then in any such event, the Lender may declare all of the principal, interest and other sums which may be outstanding under the Note and with respect to the other Loans (collectively, the "**Indebtedness**") to be immediately due and payable without further demand, and the Lender may exercise any and all rights and remedies provided in any of the Mortgage, the Loan Documents, or any Other Loan Document, whether or not the Lender exercises its right to accelerate the Indebtedness secured by the Mortgage and the Loan Documents, or the Indebtedness secured to the Lender by any of the Other Loan Documents.

4.2 Marshalling of Assets. The following is added at the end of Section 12 of the Mortgage:

Lender shall have the right to determine the order in which any or all of the Total Property shall be subjected to the remedies provided in the Mortgage, any of the Loan Documents and the Other Loan Documents or applicable law. Lender shall have the right to determine the order in which any of the Indebtedness is satisfied from the proceeds realized upon the exercise of such remedies. Borrower and any party who now has or may in the future have a security or other interest in any of the Total Property waives any and all right to require the marshaling of assets or to require that any of the Total Property be sold in the inverse order of alienation, or that any of the Total Property be sold in parcels, or as an entirety, or in any combination, in connection with the exercise of any of the remedies permitted by applicable law, this Mortgage, any of the Loan Documents or any of the Other Loan Documents.

4.3 Partial Release. The following is added at the end of Section 20 of the Mortgage:

Upon written request of Borrower, Lender shall release the Mortgage as a lien against the Property as security for the Loans other than the Loan (the "**Other Loans**"); provided that: (a) at the time of such payment there is no Event of Default under any of the Loan Documents or the Other Loan Documents, and there is no circumstance which with the passage of time, the giving of notice, or both would become an Event of Default under any of the Loan Documents or the Other Loan Documents; and (b) the Borrower shall pay all costs and expenses incurred by Lender in connection with the giving of such release and the gathering and evaluation of the information required or requested by Lender to determine if it is obligated to give such release; and (c) upon the giving of such release, the part of the Total Property that shall remain as security for the Other Loans shall, in the sole determination of the Lender, be then maintaining and be capable of continuing to maintain a debt service coverage ratio of not less than 1.20:1.0, and have a loan-to-value ratio of not more than seventy-five percent (75.0%) based upon the then outstanding balances of principal, interest and other sums payable in connection with the Other Loans and the then values of such parts of the Total Property remaining as security for the Other Loans. Notwithstanding the foregoing, if the indebtedness relating to the Loan is not paid in full, including the payment of any applicable prepayment premium, then in addition to the above conditions, as a condition precedent to Lender's obligation to release the lien of the Mortgage as a lien against the Property as security for the Other Loans, the Property standing alone shall be then maintaining and be capable of continuing to maintain a debt service coverage ratio of not less than 1.20:1.0, and have a loan-to-value ratio of not more than seventy-five percent (75.0%) based upon the then outstanding balance of principal, interest and other sums payable in connection with the Loan and the then value of the Property. Lender shall not be obligated to release the lien of the Loan Documents as security for the Loan unless it receives payment in full of the Indebtedness relating to the Loan, including without limitation any applicable prepayment premium, nor shall Lender be obligated to release any parcel of the Total Property unless and until Borrower has strictly complied with the provisions of this Section. As used in this Section: "**debt service coverage ratio**" shall mean the ratio by which the revenues

net of expenses of the part of the Property or Total Property, as the case may be, that shall remain encumbered by the Loan Documents or any Other Loan Documents, as the case may be, after such release exceeds the aggregate of the annual amounts which Borrower must expend to make all of the payments that are to be made to the Lender under the Loan Documents or Other Loan Documents, as the case may be, as they become due and payable without penalty or additional interest; "**revenues**" shall mean all of the rent, revenue, proceeds, profits and avails of a parcel of the Property or a parcel of the Total Property, as the case may be, that shall remain encumbered by the Loan Documents or any Other Loan Documents, as the case may be, after such release from any source, but excluding the gross proceeds of any insurance coverages available to Borrower and any award for the condemnation or any conveyance in lieu thereof; and "**expenses**" shall mean the total of the costs and expenses of operating, maintaining, protecting, and repairing a parcel of the Property or a parcel of the Total Property that shall remain encumbered by any Other Loan Documents after such release, as the case may be. Both expenses and revenue shall be determined on a cash rather than accrual basis.

Any release of this Mortgage with respect to any one parcel of the Total Property shall not in any event prevent or impair the Lender from enforcing all of its rights and remedies with respect to any other parcel of the Total Property.

- 4.4 The following is added as new Section 36 of the Mortgage:

Cross-Collateral. The Total Property shall secure to Lender the payment of the Indebtedness and the performance of the covenants and agreements set forth in the Mortgage, the Loan Documents and the Other Loan Documents (collectively, the "**Obligations**"), all of which are secured to Lender by the Mortgage without apportionment or allocation of any part or portion of the Property and without apportionment or allocation of any part or portion of the Total Property.

- 4.5 The following is added as new Section 37 of the Mortgage:

Selection of Remedies. In addition to the rights and remedies provided to Lender elsewhere in the Mortgage, upon the breach of any covenant or agreement of the

Mortgage, the Loan Documents or the Other Loan Documents, Lender shall be allowed to enforce the payment of the Indebtedness and performance of the Obligations, and to exercise all of the rights, remedies and powers provided under the Mortgage or any of the Loan Documents, or the Other Loan Documents, or any of them, or under any provision of law, in one or more proceedings, whether contemporaneous, consecutive or both, to be determined by Lender in its sole and absolute discretion. Lender may enforce its rights against any one or more parcel of the Total Property in such order and manner as the Lender may elect in its sole and absolute discretion. The enforcement of the Mortgage, any of the Loan Documents, or any of the Other Loan Documents against any one or more parcel of the Total Property, whether by court action or otherwise, shall not constitute an election of remedies, and shall not prejudice or in any way limit or preclude the enforcement of the Mortgage, the Loan Documents, or the Other Loan Documents, or any of them, through one or more additional proceedings. No judgment obtained by Lender in any one or more enforcement proceedings shall merge the debt secured hereby into such judgment, and all of such debt that shall remain unpaid shall be a continuing obligation of Borrower, not merged into any such judgment. The Mortgage shall secure to Lender the repayment of any amount that Borrower may owe to Lender, including without limitation the amount of any judgment, together with any interest thereon, which may be rendered in connection with the enforcement of the Note or the Loan Documents, or any of the Other Loan Documents. Borrower waives and relinquishes any and all rights it may have, whether at law or equity, to require Lender to proceed to enforce or exercise any rights, powers, or remedies Lender may have under the Mortgage, the Loan Documents, or the Other Loan Documents in any particular manner or order. Lender may bring any action or proceeding, including without limitation foreclosure through judicial proceedings in state or federal courts, and such proceeding may relate to all or any part of the Total Property without regard to the fact that any one or more prior or contemporaneous proceedings have been commenced elsewhere with respect to the same or any other part of the Total Property.

4.6 Application of Proceeds. The following is added as new Section 38 of the Mortgage:

UNOFFICIAL COPY

In the event of the enforcement or foreclosure of the Mortgage, the proceeds of such enforcement or foreclosure shall be applied first to the repayment of the Indebtedness relating to the Note in the manner and in the order set forth in Section 24 of the Mortgage. If Lender forecloses against some but not all of the Total Property, the proceeds of any resulting foreclosure shall be applied prorata against the Loans primarily described in the mortgages that are the subject matter of such foreclosures on the basis of the then outstanding principal balance of such Loans. Any funds thereafter remaining shall be applied to the payment of the indebtedness relating to the other Loans in such order as the Lender may determine.

5. Acknowledgments of the Borrower. In order to induce the Lender to forbear in the manner set forth herein and to modify the Loan Documents, the Borrower hereby acknowledges, confirms and agrees that:

5.1 After application of all payments due and owing under the Loan Documents through January 1, 2014, the principal amount of Nine Hundred Thirty-Three Thousand Two Hundred Eighty-One and 30/100 Dollars U.S. (\$933,281.30) remains outstanding;

5.2 The Lender is under no obligation to make any additional loan advances to the Borrower under and pursuant to the Loan Documents;

5.3 Any and all prior obligations to be performed by the Lender with respect to the Loan Documents have been and remain fully and faithfully satisfied by the Lender; and

5.4 Except as expressly set forth herein, all of the respective representations, warranties and agreements made by the Borrower in the Loan Documents remain in full force and effect, without any defense or right of setoff available thereunder for or on behalf of the Borrower, and the Loan Documents are and continue in full force and effect as the binding obligation of the Borrower with the same validity, priority and effect that they had at the time of their execution and recordation.

6. Representations and Warranties.

6.1 The Borrower hereby represents and warrants to the Lender that:

6.1.1 The Borrower owns the Property in fee simple absolute subject only to those matters set forth in the Mortgage Policy of title insurance delivered to Lender at the time that the Loan was made;

UNOFFICIAL COPY

6.1.3 That there is no threatened or pending litigation regarding the Borrower or the Property.

6.2 The Lender hereby represents and warrants to the Borrower that the Lender has not sold, assigned or transferred the Loan Documents.
