UNOFFICIAL COPY

B. Each of the owners of the Townhomes sharing a party wall may use said party wall in any manner which shall not materially interfere with the use and enjoyment thereof by the other.

C. Any and all costs and expenses necessary for the maintenance and preservation of the party wall in good condition and repair shall be borne equally between the Townhome owners who share said party wall; provided, however, that if at any time, the Townhome on one side of the party wall has been removed, the owner of the Townhome that shared said wall which remains shall bear the sole cost of so maintaining and preserving the party wall after the owner of the Townhome which was removed has performed the necessary construction to allow said remaining wall to be a proper exterior wall in accordance with the material and quality and design of other exterior walls on the Townhomes.

D. Declarant hereby sets forth that if it shall hereafter become necessary or desirable to repair or replace the whole or any portion of a party wall, the expense of such repairing or rebuilding shall be shared equally by the Townhome owners who share said party wall, and whenever the party wall or such portion thereof shall be rebuilt, it shall be erected in the same location and on the same line, and be of the same size, and the same or similar material, and of like quality with the present party wall, except where said party wall shall no longer be a shared party wall, but become an exterior wall, then in that case, the material and quality shall be similar to the material and design of other exterior walls on the Townhomes.

Notwithstanding anything herein contained to the contrary, it is further agreed that in the event of damage or destruction of a party wall from any cause, other than the negligence of either of the Townhome owners sharing said party wall, and other than on account of fire or other casualty to one of the Townhomes sharing said party wall, either of the parties sharing said party wall shall have the right to repair or rebuild the party wall, and (i) the expense thereof shall be apportioned as herein above provided, and (ii) each Townhome owner shall have the full use of the party wall so repaired or rebuilt. If damage to or destruction of the party wall shall have been caused by loss by fire or other casualty to the property of, or by the negligence of one party sharing said party wall, such party shall bear the entire cost of repair or rebuilding. If either party sharing said party wall shall neglect or refuses to pay his share as aforesaid, the other party may have the party wall repaired or rebuilt and, in addition to any other remedy available to him by law, shall be entitled to have a mechanics lien on the premises of the party so failing to pay in the amount of such defaulting party's share of the repair or rebuilding cost. Any repairing or rebuilding done hereunder shall be performed timely and in a good and workmanlike manner, and to the extent possible, accomplished without interruption to the normal usage of the Townhomes which share said party wall.

E. Each Townhome owner sharing a party wall is licensed by the other Townhome owner who shares said wall, upon reasonable notice and proof of need, to enter upon the other party's premises for the limited and expressed purpose of erecting, repairing or rebuilding the party wall as herein above provided; provided, however, that no such erecting, repairing or rebuilding shall impair or diminish the then existing structural integrity of the other Townhome or the Townhomes.

F. All references to party walls contained herein shall also apply to the scuppers and drains which may run along, upon or within said party walls, and the portion of this Declaration relating to party walls shall also relate to said scuppers and drains as well.

G. In the event the Townhome of one party is no longer connected to the party wall, the other owner, at such time as it removes and disconnects its Townhome from the party wall, shall demolish and remove the party wall at its sole cost and expense, leaving said wall in a suitable condition to remain as an exterior wall, and then and thereafter this Party Wall Agreement shall terminate as to such Townhome and neither party shall have any right, duty or obligation hereunder (except to fulfill his obligation hereunder) which shall have accrued up to and including the date of such termination.

H. The benefits and burdens of the covenants herein contained shall annex to and be construed as covenants running with the aforesaid parcels herein described and shall bind the respective parties hereto and their respective heirs, legal representatives, successors and assigns. Nothing herein contained, however, shall be construed to be a conveyance by either party of his respective rights in the fee of the real estate on which the party wall shall stand.

I. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to neglect or willful acts or omissions shall apply thereto.

UNOFFICIAL COPY**3.3 COMMON ROOFS:**

A. Six (6) roofs separated by parapet walls have been or will be constructed in each of the three (3) Townhome groupings covering the total of eighteen (18) Townhomes which occupy the tract of land. It is hereby declared that it is the obligation of the owner of each Townhome to maintain its roof covering its Townhome. Said obligation to maintain the roof shall extend to and include the obligation to prevent leakage or penetration into adjacent Townhomes. In the event that maintenance of the roof shall require repairing, servicing or replacement of the roof covering a Townhome, for any reason, then in that event, the owner of the Townhome that has its roof area repaired, serviced, or replaced, shall pay any and all costs and expenses thereof where such repair, service or replacement has occurred.

B. In the event it is ever necessary to construct a common roof over any grouping of six (6) Townhomes, then all costs relative to the maintenance, repair and replacement of that roof shall be shared equally by the Owners of each townhome in any group of the affected six (6) Townhomes. All decisions relative to the maintenance, repair and replacement of any such common roof shall be determined by the Homeowner's Association as set out in its by-laws. If any Owner shall neglect or refuse to pay its share of the costs of any maintenance, repair and replacement of that roof, then the Homeowners Association may have the roof repaired or rebuilt and, in addition to any other remedy available to Homeowners association by law they shall be entitled to have a mechanics lien on the Townhome of the owner so failing to pay the amount of such maintenance, repair or replacement cost. Any repairing or rebuilding done hereunder shall be performed timely and in a good and workmanlike manner, and to the extent possible, accomplished without interruption to the normal usage of the Owners.

C. Notwithstanding anything herein contained to the contrary, it is further agreed that in the event of damage or destruction to a roof from any cause, other than the negligence of a Townhome Owner, and other than on account of fire or other casualty to one of the Townhome, then the Owner(s) of said roof shall have the right to repair or rebuild the roof, and the expense thereof shall be paid as herein above provided. If damage to or destruction of a roof shall have been caused by loss or fire or other casualty to the property, or by the negligence of one Owner, such Owner shall bear the entire cost of repair or rebuilding. If any Owner shall neglect or refuse to make repairs to or replace its roof as may be needed so as to cause damage to another Townhome Owner's townhome then the innocent Owners may have the roof repaired or rebuilt and, in addition to any other remedy available to him by law or through the Homeowner's Association, shall be entitled to have a mechanic's Lien on the premises of the Owner so failing to pay the amount of such repair or rebuilding cost. Any repairing or rebuilding done hereunder shall be performed timely and in a good and workmanlike manner, and to the extent possible, accomplished without interruption to the normal usage of the Townhomes which share said roof.

D. The Townhome owners or Homeowners Association is licensed by the Townhome Owners, upon reasonable notice and proof of need, to enter upon the other owners premises for the limited and express purpose of repairing or rebuilding any roof as herein above provided, provided, how ever, that no such repair or rebuilding shall impair or diminish the then existing structural integrity of the other Townhome or impair any owners access to their Townhome.

E. The benefits and burdens of the covenants herein contained shall annex to and be construed as covenants running with the aforesaid Townhomes or parcels herein described and shall bind the respective owners hereto and their respective heirs, legal representatives, successors and assigns. Nothing herein contained, however, shall be construed to be a conveyance by any party of their respective rights in the fee of the real property on which the roof is located.

F. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls or roof maintenance obligations and liability for property damage due to neglect or willful acts or omissions, shall apply thereto.

If such day be a Sunday or a legal holiday, the meeting shall be held at the same hour on the next succeeding business day.

Place of Meeting: The Board of Directors may designate any location as the place of meeting for any annual or regular meeting or for any special meeting called by the Board of Directors. If no designation is made or if a special meeting be otherwise called, the place of meeting shall be the registered office of the corporation in the State of Illinois.

Notice of Meeting: Written notice stating the place, date, and hour of any meeting of members shall be delivered to each member not less than seven (7) nor more than sixty (60) days before the date of such meeting, or, in the case of a removal of one or more directors, a merger, consolidation, dissolution or sale, lease or exchange of assets, not less than twenty (20) nor more than sixty (60) days before the date of the meeting. However, each Owner shall receive written notice mailed or delivered no less than ten (10) and no more than thirty (30) days prior to any meeting of the Board concerning the adoption of the proposed annual budget or any increase, or establishment of a budget. In case of a special meeting or when required by statute or by these By-Laws, the purpose for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed delivered when deposited in the United States mail addressed to the member at his or her address as it appears on the records of the corporation, with postage thereon prepaid. When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken.

Informal Action by Members: Any action required to be taken at any annual or special meeting of the members entitled to vote, or any other action which may be taken at a meeting of members entitled to vote, may be taken without a meeting and without a vote, if a consent in writing, setting forth the action so taken, shall be signed either (i) by all of the members entitled to vote with respect to the subject matter thereof, or (ii) by the members having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all members entitled to vote thereon were present and voting.

If such consent is signed by less than all of the members entitled to vote, then such consent shall become effective only: (1) if, at least five (5) days prior to the effective date of such consent, a notice in writing of the proposed action is delivered to all of the members entitled to vote with respect to the subject matter thereof, and (2) if, after the effective date of such consent, prompt notice in writing of the taking of the corporate action without a meeting is delivered to those members entitled to vote who have not consented in writing.

SECTION 7: Board of Directors.

A Board of Directors shall manage the affairs of the Homeowners Association. At the initial meeting of the voting members, a Board of at least three (3) Directors shall be elected. Members of the Board elected at the initial meeting shall serve until the first annual meeting. The By-laws of the Homeowners Association shall set forth the general powers of the Board, the number, tenure and qualification of Directors, their term of office, manner of election and removal and method of operation of the Board.

If less than a quorum is present at said meeting, a majority of the directors present may adjourn the meeting to another time without further notice.

UNOFFICIAL COPY

The voting members having at least sixty-six percent (66%) of the total votes may from time to time increase or decrease such number of persons on the Board or may increase the term of office of the Board members, provided that such number shall be not less than three and that the terms of at least one-third of the persons on the Board shall expire annually.

Members of the Board shall receive no compensation for their services, unless expressly allowed by the Board at the direction of the voting members having sixty-six percent (66%) of the total votes.

The Board shall elect from among its members the following officers:

- a. A president who shall preside over both its meetings and those of the voting members and who shall be the chief executive officer of the Board.
- b. One or more vice-presidents who shall assume the duties of the president if the president is unable to fulfill his duties.
- c. A secretary who shall keep the minutes of all meetings of the Board and of the voting members and who shall perform all the duties incident to the office of secretary.
- d. A treasurer who shall keep the financial records and books of account

The Board may elect such other officers, as it deems necessary. The officers shall exercise their functions according to the By-laws of the Homeowners Association. The members of the Board and the officers thereof shall not be liable to the Homeowners Association for any mistake of judgment or actions or omissions made in good faith while acting in their capacity as directors or officers. The Homeowners Association shall indemnify and hold harmless the members of the Board and the officers thereof against all contractual liability to others arising out of contracts made by them.

In the event of any disagreement between any members of the Homeowners Association relating to the use or operation of the common property or any question of interpretation of application of the provisions of this Declaration or the By-laws of the Homeowners Association, the determination thereof by the Board shall be final and binding on each and all such members of the Homeowners Association.

Removal: Any officer elected or appointed by the Board of Directors may be removed by the Board of Directors, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer or agent shall not itself create any contract rights.

SECTION 8: Contracts.

The Board of Directors may authorize any officer or officers, agent or agents of the corporation, in addition to the officers so authorized by these By-Laws, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the corporation and such authority may be general or confined to specific instances.

SECTION 9: Checks, Drafts, etc.

All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the corporation shall be signed by such officer or officers, agent or agents of the corporation and in such manner as shall from time to time be determined by resolution of the Board of Directors. In the absence of such determination by the Board of Directors, such instruments shall be signed by the treasurer and countersigned by the president or a vice-president of the corporation.

SECTION 10: Deposits.

All funds of the corporation shall be deposited from time to time to the credit of the corporation in such banks, trust companies, or other depositories as the Board of Directors may select.

SECTION 11: Gifts.

UNOFFICIAL COPY

The Board of Directors may accept on behalf of the homeowner association any contribution, gift, bequest or devise for the general purposes or for any special purpose of the homeowner association.

SECTION 12: Finances.

Each parcel Owner shall receive, at least 30 days prior to the adoption thereof by the Board of Directors, a copy of the proposed annual budget. The Board of Directors shall annually supply to all Parcel Owners an itemized accounting of the common expenses for the preceding year actually incurred or paid, together with a tabulation of the amounts collected pursuant to the budget or assessment, and showing the net excess or deficit of income over expenditures plus reserves. Each parcel Owner shall receive written notice mailed or delivered no less than 10 and not more than 30 days prior to any meeting of the Board of Directors concerning the adoption of the proposed annual budget or any increase in the budget or established of an assessment.

SECTION 13: Books and Records.

The Board of Association shall maintain the following records of the Association available for examination and copying at convenient hours of weekdays by any Parcel Owners or their mortgagees and their duly authorized agents or attorneys.

- i. Copies of the Declaration, other duly recorded covenants and bylaws and any amendments, articles of incorporation of the Association, annual reports and any rules and regulations adopted by the Association or its Board shall be available.
- ii. Detailed accurate records in chronological order of the receipts and expenditures affecting the common areas, specifying and itemizing the maintenance and repair expenses of the common areas and any other expenses incurred, and copies of all contracts, leases, or other agreements entered into by the Association shall be maintained.
- iii. The minutes of all meetings of the Association and the Board of the Association shall be maintained. The Association shall maintain these minutes for a period of not less than Seven (7) years.
- iv. Ballots and proxies related thereto, if any, for any election held for the Board of the Association and for any other matters voted on by the Parcel Owners shall be maintained for a period of not less than One (1) year.
- v. Such other records of the Association as are available for inspection by members of a not-for-profit corporation pursuant to Section 107.75 of the General Not For Profit Corporation Act of 1986 shall be maintained.

SECTION 14: Creation of the Lien and Personal Obligation of Assessments.

That each Townhome owner, by acceptance of a deed or other document of conveyance therefor, whether or not it shall be so expressed in any deed or other document of conveyance, shall be deemed to covenant and agree to pay to the Homeowners Association regular assessments or charges and special assessments for capital improvements as provided herein. Such assessments shall be fixed, established and collected from time to time as hereinafter provided, and shall be a charge against and a continuing lien upon the parcel against which such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge against and a continuing lien upon the parcel against which such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who is the owner of such parcel at the time when the assessment falls due.

SECTION 15: Purpose of Assessments.

The assessments levied by the Homeowners Association shall be used for the purpose of promoting the recreation, health, safety and welfare of the Townhome Owners and in particular for the operation, maintenance and repair of the common easement areas.

SECTION 16: Basis of Regular Assessments.

UNOFFICIAL COPY

There shall be initial monthly assessments set out in the Developer Budget, thereafter and only as determined by a vote of the Board of Directors of the Homeowners Association, as hereinafter provided, for the next succeeding year and at the end of that year for each succeeding year. The Board of Directors of the Homeowners Association may, at any time, after consideration of current maintenance costs and future needs of the Homeowners Association, fix the actual assessment for any year at an amount less than that previously set for that year.

SECTION 17: Special Assessments for Capital Improvements.

In addition to the regular assessments authorized by Section 12 hereof, the Homeowners Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction or unexpected repair or replacement of the subdivision provided that any such assessment shall have the approval and consent of sixty-six percent (66%) of all members of the Board of Directors, at a meeting duly called for this purpose.

The Homeowners Association shall have standing to enforce any and all of the covenants and restrictions set forth herein and any subsequently recorded Restrictive Covenants which when recorded shall apply to Townhomes. Each Townhome owner hereby consents to said standing and acknowledges that the Homeowners Association may enforce said covenants and restrictions by an action in its own name in law or equity. Each parcel owner further agrees that, in the event the Homeowners Association is required to bring suit or other legal action, or defend any action, in connection with the enforcement of these covenants and restrictions, if the Homeowners Association is the successful party in such suit or action, the Homeowners Association shall recover all its costs, including reasonable attorneys' fees, and other costs and expenses of litigation and discovery, from the persons or entity against whom such action is commenced or defended. This provision shall not, however, give any right of recovery of attorneys' fees or costs to any member.

SECTION 18: Change in Basis of Regular Assessments.

Subject to the limitation of Section 12 hereof and for the periods therein specified, the Homeowners Association may change the maximum and basis of the regular assessments fixed by Section 12 hereof prospectively for any such annual period, provided that any such change shall have the approval of two thirds of the vote of the members of the Board of Directors, at a meeting duly called for this purpose.

SECTION 19: Quorum for Any Action Authorized under Sections 11 and 12.

The Quorum required for any action authorized by Sections 11 and 12 hereof shall be the presence in person at the meeting of the Board of Directors, that number of directors having sixty-six percent (66%) of the total votes that could be cast by the Board. If the required quorum is not forthcoming at any meeting, another meeting may be called, and the required quorum at any such subsequent meeting shall be the same number, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 20: Date of Commencement of Regular Assessments.

The regular assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Homeowners Association to be the date of commencement.

SECTION 21: Duties of the Board of Directors.

The Board of Directors of the Homeowners Association shall fix the date of "commencement and the amount of the assessment against each parcel for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Homeowners Association and shall be open to inspection by any owner. Written notice of the assessment shall thereupon be sent to every owner subject thereto. The Homeowners Association shall upon demand at any time furnish to any owner liable of said assessment a certificate in writing, signed by an officer of the Homeowners Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

UNOFFICIAL COPY**SECTION 22: Maintenance of Easement Areas Homeowners Association**

The Common Easement Areas shall be maintained by the Homeowners Association. All decisions relative to maintenance shall be made by the directors of the Homeowners Association.

Notwithstanding the foregoing, each Townhome Owner shall be obligated to insure that the portions of the walk way located on such Owner's parcel shall be maintained and kept free of all debris and that such walkway area is passable and free from obstruction for purposes of ingress and egress to the Townhome or any Townhome.

SECTION 23: Effect of Non-payment of an Assessment.

If the assessments are not paid on the date when due (being the date specified in Section 14 hereof), then such assessments shall become delinquent and shall, together with such interest thereon and costs of collection including reasonable attorney fees thereof as hereinafter provided, thereupon become a continuing lien on the property and an equitable charge running with the land touching and concerning it, which shall bind the property in the hands of the then owner, his heirs, devisees, personal representatives, assigns, successors and grantees. The personal obligation of the then owner to pay such assessment, however, shall remain his personal obligation to his successors in title, unless expressly assumed by them. If title to a Townhome is held by an Illinois Land Trust, the trustee shall not have any personal liability for the assessment, but all beneficiaries of the trust shall be jointly and severally so liable. In the event title to a parcel is held by more than one owner, all owners shall be jointly and severally liable. The lien shall attach to rents due from parties in possession to the record owners, provided that it shall be subordinate to an Assignment of Rents held by a mortgage lender delivered in connection with a first mortgage loan to purchase the property.

If the assessment is not paid within thirty (30) days after the delinquency date the assessment shall bear interest from the date of delinquency at the maximum rate of interest per annum permitted by the usury laws of the State of Illinois, and the Homeowners Association may bring an action at law against the owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment all the costs of preparing and filing the complaint and maintaining and concluding such action, including: the cost of title reports, and in the event a personal judgment of decree of foreclosure is obtained, such judgment or decree shall include interest on the assessment as above provided, and a reasonable attorney's fee to be fixed by the court, together with all costs of the action. The venue for all actions at law shall be in The Circuit Court of Cook County, Illinois. The persons in possession shall be authorized to accept summons for the owners of the parcel.

In the event that title to any parcel is conveyed to a land trustee, upon the demand of the Homeowners Association the trustee shall furnish the Homeowners Association with a certified copy of the trust agreement and a disclosure of the then beneficial owners of that trust, so that the Homeowners Association shall be advised of the beneficiaries entitled to vote and who will be personally liable for the regular and special assessments.

SECTION 24: Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein may for any reason be subordinated by the Homeowners Association by written document executed by its duly authorized officers and shall without any writing be subordinate to the lien of any mortgage placed upon the properties subject to assessments for the purchasing of the subject parcel or parcels; provided, however, that such automatic subordination shall apply only to the assessments which arise subsequent to the lien of the mortgage or mortgages; and provided further that such subordination shall apply only to the assessments which have become due and payable prior to sale or transfer of such property pursuant to a decree of foreclosure, or any other proceedings in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. The owners agree upon accepting title that the lien of the assessments shall be prior to the homestead rights of the owners, since it runs with the land and is in existence before commencement of ownership interests.

SECTION 25: Exempt Property.

UNOFFICIAL COPY

The following described property subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

- a. all property to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- b. all property exempted from taxation by the laws of the State of Illinois, upon the terms and to the extent of such legal exemption;
- c. all vacant, unimproved parcels and parcels;
- d. all property or parcels owned by the Declarant, Cole Taylor Bank as trustee of 111 W. Washington Street, Chicago, Illinois, not individually but as Trustee under Trust No. 02-9553.

SECTION 26: Amendments.

The power to alter, amend, or repeal the By-Laws or adopt new By-Laws shall be vested in the Board of Directors after first obtaining approval and consent of sixty-six percent (66%) of the owners. Such action may be taken at a regular or special meeting for which written notice of the purpose shall be given. The By-Laws may contain any provisions for the regulation and management of the affairs of the corporation not inconsistent with law, the articles of incorporation, or the Declaration.

SECTION 27: Enforcement.

Any violation on the part of an owner of any of the restrictions, covenants, terms or conditions of this Declaration to be kept, observed or performed by him and which will or is likely to result in damages which are irreparable or impossible of ascertainment, then any other owner is hereby granted the right to prevent or remedy any such threatened or actual violation on the part of any owner, or the further continuation of any such violation, as the case may be, by means of injunction proceedings or other legal remedies. The various rights and remedies herein granted shall be in addition to all other rights and remedies which may be available. All said rights and remedies may be exercised either currently or consecutively or partly concurrently and partly consecutively as the case may be.

SECTION 28. Exterior.

The Board of Directors shall preserve the architectural design and style reflecting continuity of the Townhomes with each other and the neighborhood in general. Accordingly, any structural or physical alterations or modifications to the exterior or structure of the Townhomes including without limitation color changes are expressly prohibited. This prohibition includes, but is not limited to, the masonry and wooden partitions, if any, as well as doors, windows, roof lines and fences.

SECTION 29. Noise and Noxious Use.

Nothing shall be done in any Townhome of a noxious or offensive nature, nor shall any outside lighting or loudspeakers or other sound producing devices be used which will interfere with the quiet use and enjoyment of other adjacent Townhome owners. Townhome owners shall be prohibited from using the open areas of the Townhomes for open fires or other unsafe flammable uses except barbecues are permitted in the first floor garden areas of each of the Townhomes, subject to any laws, statutes or ordinances that may be adopted from time to time by the City of Chicago. The interior and exterior of the Townhomes shall be maintained by the owner in a clean, sanitary and attractive condition. The Homeowner's Association shall maintain, cultivate and keep in good condition all trees, grass, shrubs and other landscaping and keep all waste and refuse in covered sanitary containers.

SECTION 30. Fences, Parkways, Planting, Patio and Exterior Areas.

Any fence, planting and patio areas along or adjacent to the entrance of each Townhome, which lies on any Townhome Owners property shall be maintained by such owner. Further, each owner of a Townhome shall be charged with the obligation of the maintenance of the exterior of said Townhome. A reciprocal easement exists between the Homeowner Association to facilitate said maintenance in the event a Townhome owner fails to properly maintain said fence, parkway,

patio or exterior areas.

SECTION 31: General.

To the extent these By-Laws or the General Not For Profit Corporation Act are silent, the meetings of the Board of Directors and the membership shall be governed by the then most recent edition of Robert's Rules of Order.
