Grantor presently assigns to Lender all of Grantor's right, title, and interest in and to all leases of the Property and all Rents from the Property. In addition, Grantor grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents.

DEFINITIONS. The following words shall have the following meanings when used in this Mortgage. Terms not otherwise defined in this Mortgage shall have the meanings attributed to such terms in the Uniform Commercial Code. All references to dollar amounts shall mean amounts in lawful money of the United States of America.

Borrower. The word "Borrower" means each and every person or entity signing the Note, including without limitation MICHAEL MORRISSEY.

Credit Agreement. The words "Credit Agreement" mean the revolving line of credit agreement dated November 7, 1994, between Lender and Borrower with a credit limit of \$15,000.00, together with all renewals of, extensions of, modifications of, refinancings of, consolidations of, and substitutions for the Credit Agreement. The interest rate under the Credit Agreement is a variable interest rate based upon an index. The index currently is 8.500% per annum. The Credit Agreement has tiered rates and the rate that applies to Borrower depends on Borrower's outstanding account balance. The interest rate to be applied to the outstanding account balance shall be at a rate 2.000 percentage points above the index for balances of \$25,000.00 and under and at a rate 1.000 percentage points above the index for balances of \$25,000.01 and above, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 15.000% per annum or the maximum rate allowed by applicable law.

Existing Indebtedness. The words "Existing Indebtedness" mean the indebtedness described below in the Existing Indebtedness section of this Mortgage.

Grantor. The word "Grantor" means any and all persons and entities executing this Mortgage, including without limitation all Grantors named above. The Grantor is the mortgagor under this Mortgage. Any Grantor who signs this Mortgage, but does not sign the Credit Agreement, is signing this Mortgage only to grant and convey that Grantor's interest in the Real Property and to grant a security interest in Grantor's interest in the Rents and Personal Property to Lender and is not personally liable under the Credit Agreement, except as otherwise provided by contract or law.

Guarantor. The word "Guarantor" means and includes without limitation each and all of the guarantors, sureties, and accommodation parties in connection with the indebtedness.

Improvements. The word "Improvements" means and includes without limitation all existing and future improvements, fixtures, buildings, structures, mobile homes affixed on the Real Property, facilities, additions, replacements and other construction on the Real Property.

The word "Indebtedness" means all principal and interest payable under the Credit Agreement and any amounts expended or advanced by Lender to discharge obligations of Grantor or expenses incurred by Lender to enforce obligations of Grantor under this Mortgage together with interest on such amounts as provided in this Mortgage. Specifically, without limitation, this Mortgage secures a revolving line of credit and shall secure not only the amount which Lender has presently advanced to Borrower under the Credit Agreement, but also any future amounts which Lender may advance to Borrower under the Credit Agreement within twenty (20) years from the date of this Mortgage to the same extent as if such future advance were made as of the date of the execution of this Mortgage. The revolving line of credit obligates Lender to make advances to Borrower so long as Borrower complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. It is the intention of Grantor and Lender that this Mortgage secure the balance outstanding under the Credit Agreement from time to time from zero up to the Credit Limit as provided above and any intermediate balance. At no time shall the principal amount of Indebtedness secured by the Mortgage, not including sums advanced to protect the security of the Mortgage, exceed the Credit Limit of \$15,000.00.

coinsurance clause, and with a standard mortgagee clause in favor of Lender. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance, to the extent such insurance is required by Lender and is or becomes available, for the term of the loan and for the full unpaid principal balance of the loan, or the maximum limit of coverage that is available, whichever is less.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$1,000.00. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at its election, apply the proceeds to the reduction of the Indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default hereunder. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to prepay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor.

Unexpired Insurance at Sale. Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Mortgage at any trustee's sale or other sale held under the provisions of this Mortgage, or at any foreclosure sale of such Property.

Compliance with Existing Indebtedness. During the period in which any Existing Indebtedness described below is in effect, compliance with the insurance provisions contained in the instrument evidencing such Existing Indebtedness shall constitute compliance with the insurance provisions under this Mortgage, to the extent compliance with the terms of this Mortgage would constitute a duplication of insurance requirement. If any proceeds from the insurance become payable on loss, the provisions in this Mortgage for division of proceeds shall apply only to that portion of the proceeds not payable to the holder of the Existing Indebtedness.

EXPENDITURES BY LENDER. If Grantor fails to comply with any provision of this Mortgage, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate charged under the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option will: (a) be payable on demand; (b) be added to the balance of the credit line and be apportioned among and be payable with any installment payment to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Credit Agreement; or (c) be treated as a balloon payment which will be due and payable at the Credit Agreement's maturity. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Mortgage.

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under this Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Compliance With Laws. Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

No Modification. Grantor shall not enter into any agreement with the holder of any mortgage, deed of trust, or other security agreement which has priority over this Mortgage by which that agreement is modified, amended, extended, or renewed without the prior written consent of Lender. Grantor shall neither request nor accept any future advances under any such security agreement without the prior written consent of Lender.

CONDAMNATION. The following provisions relating to condemnation of the Property are a part of this Mortgage.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award shall be applied to the Indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Lender shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments as may be requested by it from time to time to permit such participation.
