## NOTES

- The registered office may, but need not be the same as the principal office of the corporation. However, the registered office and the office address of the registered agent must be the same.
- The registered office must include a street or road address; a post office box number alone is not acceptable.
- A corporation cannot act as its own registered agent.
- If the registered office is changed from one county to another, then the corporation must file with the recorder of deeds of the new county a certified copy of the articles of incorporation and a certified copy of the statement of change of registered office. Such certified copies may be obtained ONLY from the Secretary of State.
- Any change of *registered agent* must be by resolution adopted by the board of directors. This statement must then be signed by a duly authorized officer.
- The registered agent may report a change of the *registered office* of the corporation for which he or she is registered agent. When the agent reports such a change, this statement must be signed by the registered agent.
