1. 3. The Bank has agreed to modify the terms of the Note and Mortgage.

4. Said principal balance together with interest is hereby modified to be repayable as follows:

I will make my monthly payment on the first day of each month beginning on January 1995. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. This Note shall be due on the 1st day of December 2004, or in the event of a default, upon demand by the Note Holder ("Maturity date").

My initial monthly payments will be in the amount of U.S. \$587.02. This amount may change to reflect changes in the interest rate that I must pay. The Note Holder will determine my monthly payment in accordance with Section 5 of this modification agreement.

5. (A) The interest rate I will pay may change on the 1st day of January 1995, and on the 1st day of every month thereafter. Each date on which my interest rate could change is called a "Change Date." Beginning with the first Change Date, my interest rate will be based on an Index. The Index is the highest prime rate published in the Money Rates section of the New York Times each business day. (The most recent available Index figure as of 30 days before each Change Date is called the "Current Index.")

My interest rate will be equal to the Index Plus 1.0%.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of its choice.

(B) Monthly Payment Changes

The Note Holder will determine the amount of the monthly payment that would be sufficient to repay in full the unpaid principal that I am expected to owe on the Change Date in substantially equal payments by the maturity date at my new interest rate, based on a 10 year amortization from the date of the Note. The result of this calculation will be the new amount of my monthly payment.

(C) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(D) Notice of Changes

The Note Holder will mail or deliver to me a notice at least 25 days prior to each Change Date. The notice will advise me of: (i) the new and prior interest rate of my loan; (ii) the amount of my monthly payment following the Change Date; (iii) any additional matters which the Note Holder is required to disclose; and (iv) the title and telephone number of a person who will answer any questions I may have regarding the notice.

6. This Agreement is supplementary to said Mortgage and Assignment of Rents and said Mortgage and said Assignment of Rents shall continue as a good and valid lien on the real estate. Neither the Adjustable Rate Note, the Mortgage, nor the Assignment of Rents shall in any way be prejudiced by the Agreement.

7. All of the provisions of the Adjustable Rate Note, Mortgage and Assignment of Rents shall remain in full force and effect and be binding on the parties hereto except as herein expressly modified.

8. Exculpatory language

This adjustable rate note is executed by me, not personally but as Trustee under the terms of the Trust Agreement designated below, solely in the exercise of the power and authority conferred upon and vested in me as Trustee (and I hereby represent that I possess full power and authority to execute this Note), and it is expressly understood and agreed that nothing herein or in the Security Instrument contained shall be construed as creating any liability on me personally to pay this Note or any interest that may accrue hereon, all such personal liability being expressly waived by the Note Holder, and that so far as I and my successors in trust personally are concerned, the Note Holder shall look solely to the property mortgaged by the Security Instrument securing this Note and to the income, proceeds and avails of said mortgaged property for the payment of this Note. It is the intention to make this Note enforceable only against and payable only out of that portion of the property or properties constituting said Trust and the income, proceeds and avails thereof specifically described in and encumbered by said Security Instrument. This shall not, however, affect any action to enforce the personal liability of any guarantor hereon. No duty shall rest upon me to sequester the rents, issues and profits arising from the property described in said Security Instrument or the proceeds arising from the sale or other disposition thereof.

IN WITNESS WHEREOF, the Parties herein have signed, sealed and delivered this Agreement on the date first above written.
