**1. Payment of Principal and Interest; Prepayment and Late Charges.** Grantor shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraph 1 shall be applied: first, to any prepayment charges due under the Note; second, to interest due; third, to principal due; and last, to any late charges due under this Note.

**3. Charges; Liens.** Grantor shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Grantor shall promptly furnish to Lender receipts evidencing the payments.

Grantor shall promptly discharge any lien which has priority over this Security Instrument unless Grantor: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument.

**4. Hazard or Property Insurance.** Grantor shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Grantor subject to Lender's approval which shall not be unreasonably withheld. If Grantor fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Grantor shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Grantor shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Grantor.

Unless Lender and Grantor otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Grantor. If Grantor abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Grantor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of the payments. If the Property is acquired by Lender, Grantor's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**5. Preservation, Maintenance and Protection of the Property; Leaseholds.** Grantor shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Grantor shall be in default if any forfeiture action or proceedings, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Grantor may cure such a default and reinstate, as provided in this Mortgage by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Grantor's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest.

**6. Protection of Lender's Rights in the Property.** If Grantor fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering

on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph shall become additional debt of Grantor secured by this Security Instrument. Unless Grantor and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Grantor requesting payment.

**7. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Grantor notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**8. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Grantor. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Grantor and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Grantor. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Grantor and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Grantor, or if, after notice by Lender to Grantor that the condemnor offers to make an award or settle a claim for damages, Grantor fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Grantor otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of such payments.

**9. Grantor Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Grantor shall not operate to release the liability of the original Grantor or Grantor's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Grantor or Grantor's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**10. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Grantor. Grantor's covenants and agreements shall be joint and several. Any Grantor who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Grantor's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Grantor may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Grantor's consent.

**11. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then; (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Grantor which exceeded permitted limits will be refunded to Grantor. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Grantor. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under this Note.

**12. Notices.** Any notice to Grantor provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Grantor designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Grantor. Any notice provided for in this Security Instrument shall be deemed to have been given to Grantor or Lender when given as provided in this paragraph.

**13. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provision of this Security Instrument and the Note are declared to be severable.

**14. Grantor's Copy.** Grantor shall be given one conformed copy of the Note and of this Security Instrument.

**15. Transfer of the Property or a Beneficial Interest in Grantor.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Grantor is sold or transferred and Grantor is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Grantor notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Grantor must pay all sums secured by this Security Instrument. If Grantor fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Grantor.

**16. Grantor's Right to Reinstate.** If Grantor meets certain conditions, Grantor shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Grantor: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any defaults of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Grantor's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Grantor, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**17. Hazardous Substances.** Grantor shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Grantor shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Grantor shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Grantor has actual knowledge. If Grantor learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Grantor shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Grantor and Lender further covenant and agree as follows:

**18. Acceleration; Remedies.** Lender shall give notice to Grantor prior to acceleration following Grantor's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 15 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Grantor, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Grantor of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Grantor to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, If Grantor breaches any covenant or agreement in this instrument or in the Promissory Note of the same date, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph, including, but not limited to, reasonable attorneys' fees and costs of title evidence. Lender shall have all other remedies available under law in addition to those stated herein if Grantor breaches this instrument including the right to take possession of the Property and the right to collect the Rents from the tenants or those occupying space in the Property.

**19. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument to Grantor. Grantor shall pay any recordation costs. Lender may charge Grantor a reasonable fee for releasing this Security Instrument.

BY SIGNING BELOW, Grantor accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Grantor and recorded with it.
