### RECITALS:

A. Assignee has agreed to loan to Assignor the principal amount of Three Million and 00/100 Dollars (\$3,000,000.00) ("**Loan**"). Assignor is executing a certain Promissory Note dated this date (as the same may be amended, modified, replaced or restated from time to time, "**Note**") payable to the order of Assignee to evidence the Loan.

B. A condition precedent to Assignee's making of the Loan to Assignor is the execution and delivery by Assignor of this Assignment.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties mutually agree as follows:

1. **Definitions.** All capitalized terms that are not defined in this Assignment will have the meanings ascribed in the Mortgage, Security Agreement, Assignment of Leases and Rents and Fixture Filing dated this date from Assignor for the benefit of Assignee (as amended, modified, replaced or restated from time to time, "**Mortgage**") given as security for the Loan.

2. **Grant of Security Interest.** Assignor grants, transfers, sets over and assigns to Assignee, all of the right, title and interest of Assignor in and to (i) all of the rents, revenues, issues, profits, proceeds, receipts, income, accounts and other receivables arising out of or from the land legally described in Exhibit A and all buildings and other improvements located thereon (the land and improvements are collectively referred to as the "**Premises**"), including, without limitation, lease termination fees, purchase option fees and other fees and expenses payable under any lease; (ii) all leases and subleases (collectively, "**Leases**"), now or later existing, of all or any part of the Premises together with all guaranties of any of such Leases and all security deposits delivered by tenants, whether in cash or letter of credit; (iii) all rights and claims for damage against tenants arising out of defaults under the Leases, including rights to termination fees and compensation with respect to rejected Leases pursuant to Section 365(a) of the Federal Bankruptcy Code or any replacement Section thereof; and (iv) all tenant improvements and fixtures located on the Premises. This Assignment is an absolute transfer and assignment of the foregoing interests to Assignee given to secure:

- (a) Payment by Assignor when due of (i) the indebtedness evidenced by the Note and any and all renewals, extensions, replacements, amendments, modifications and refinancings;
- (ii) any and all other indebtedness and obligations that may be due and owing to Assignee by

(c) there is no other existing assignment of Assignor's entire or any part of its interest in or to any of the Leases, or any of the rents, issues, income or profits assigned hereunder, nor has either Assignor entered into any agreement to subordinate any of the Leases or such Assignor's right to receive any of the rents, issues, income or profits assigned under this Agreement;

(d) Assignor has not executed any instrument or performed any act that may prevent Assignee from operating under any of the terms and provisions of this Assignment or which would limit Assignee in such operation; and

(e) there are no defaults by the landlord and, to Assignee's knowledge, there are no material defaults by tenants under any Lease.

4. **Covenants of Assignor.** Assignor covenants and agrees that so long as this Assignment is in effect:

(b) Assignor must observe and perform all of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the landlord under the lease, and Assignor must not do or suffer to be done anything to impair the security thereof. Assignor must not (i) release the liability of any tenant under any Lease, (ii) consent to any tenant's withholding of rent or making monetary advances and off-setting the same against future rentals, (iii) consent to any tenant's claim of a total or partial eviction, (iv) consent to a tenant termination or cancellation of any Lease, except as specifically provided in the Lease, or (v) enter into any oral leases with respect to all or any portion of the Premises;

(e) Assignor must not modify the terms and provisions of any Lease, nor shall Assignor give any consent (including, but not limited to, any consent to any assignment of, or subletting under, any Lease, except as expressly permitted thereby) or approval, required or permitted by such terms and provisions or cancel or terminate any Lease, without Assignee's prior

written consent; but Assignor may cancel or terminate any Lease as a result of a material default by the tenant and failure of such tenant to cure the default within the applicable time periods set forth in the Lease;

(f) Assignor must not accept a surrender of any Lease or convey or transfer, or suffer or permit a conveyance or transfer, of the premises demised under any Lease or of any interest in any Lease so as to effect, directly or indirectly, proximately or remotely, a merger of the estates and rights of, or a termination or diminution of the obligations of, any tenant thereunder; any termination fees payable under a Lease for the early termination or surrender of this Assignment is paid jointly to Assignor and Assignee;

(g) Assignor must not alter, modify or change the terms of any guaranty of any Lease, or cancel or terminate any such guaranty or do or permit to be done anything that could terminate any such guaranty as a matter of law;

(h) Assignor must not waive or excuse the obligation to pay rent under any Lease;

(i) Assignor, at its sole cost and expense, must appear in and defend any and all actions and proceedings arising under, relating to or in any manner connected with any Lease or the obligations, duties or liabilities of the landlord or any tenant or guarantor, and must pay all costs and expenses of Assignee, including court costs and reasonable attorneys' fees, in any such action or proceeding in which Assignee may appear;

(l) Assignor must not permit any of the Leases to become subordinate to any lien or liens other than liens securing the secured indebtedness or liens for general real estate taxes not delinquent;

(m) Assignor must not execute later any Lease unless there is included in this Assignment a provision providing that the tenant under this Assignment acknowledges that such Lease has been assigned pursuant to this Assignment and agrees not to look to Assignee as mortgagee, mortgagee in possession or successor in title to the Premises for accountability for any security deposit required by landlord under such Lease unless such sums have actually been received in cash by Assignee as security for tenant's performance under such Lease;

(n) If any tenant under any Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned, Assignor covenants and agrees that if any such Lease is so terminated or rejected, no settlement for damages is made without the prior written consent of Assignee, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to Assignor and Assignee. Assignor assigns any such payment to Assignee and further covenants and agrees that upon the request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which is applied in accordance with the provisions of Paragraph 8 below; and

6. **Events of Default.** An "Event of Default" will occur under this Assignment upon the occurrence of (a) a breach by Assignor of any of the covenants, agreements, representations, warranties or other provisions of this Assignment that is not cured or waived within the applicable grace or cure period, if any, set forth in the Mortgage or (b) any other Event of Default described in the Note, Mortgage or the other Loan Documents.

7. **Rights and Remedies Upon Default.** At any time upon or following the occurrence of any Event of Default, Assignee, at its option, may exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the secured obligations, without releasing Assignor or any guarantor of the Note from any obligation, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien or security interest granted by the Loan Documents.

(d) Make any payment or do any act required in this Assignment of Assignor in such manner and to such extent as Assignee may deem necessary, and any amount so paid by Assignee shall become immediately due and payable by Assignor with interest thereon until paid at the Default Rate and is secured by this Assignment.

Assignee may take or release any other security for the performance of the obligations secured, may release any party primarily or secondarily liable, and may apply any other security held by it for the satisfaction of the obligations secured without prejudice to any of its rights and powers hereunder.

11. **Further Assurances.** Assignor must execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by this Assignment.
