WHEREAS, it is a condition precedent to Assignee's willingness to take such actions set forth in the Fourth Modification that Assignor execute and deliver to Assignee this Modification.

NOW, THEREFORE, in consideration of the promises herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the parties hereby agree as follows:

1. **Definitions.** Capitalized terms used in this Modification and not otherwise defined herein are used with the meanings given such terms in the Credit Agreement, as amended.

2. **Modification.** The Assignment of Rents is hereby modified and amended to reflect the terms contained in the Fourth Modification, including, without limitation, the following:

(a) All references made to \$20,000,000 as the amount of the Loan or the "Commitment Amount" shall mean \$30,000,000;

(b) The maturity date of the Loan shall be March 1, 2005 and all references made to May 1, 2003 as the maturity date of the Loan shall mean in March 1, 2005; and

(c) All references made to the Note shall mean the Replacement Note.

3. **Mortgage Lien.** The conveyance provided for in the Assignment of Rents, as modified and amended, shall be deemed to be a grant by Assignors to Assignee of a mortgage lien, interest in real estate, and security interest in all of Assignor's rights, title and interest in and to the rents, revenues, issues, profits, proceeds, receipts, income, accounts and other receivables arising out of or from the Premises, it being understood that Assignors hereby mortgage and warrant and grant a security interest in each such property to Assignee to secure the Loan. The collection of rents, revenues, issues, profits, proceeds, receipts, income, accounts and other receivables arising out of or from the Premises by Assignee shall in no way waive the right of Assignee to foreclose the mortgage lien created hereby upon an Event of Default by Assignors. Notwithstanding anything contained in the Assignment of Rents, as modified and amended, to the contrary, at any time upon or following the occurrence of any Event of Default, Assignee, at its option, may exercise any of its rights and remedies (without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on Assignors, without regard to the adequacy of the security for the obligations secured hereby, without releasing Borrower, Guarantor or any other guarantor of the Replacement Note from any obligation, with or without bringing any action or proceeding to foreclose on any lien or security interest granted and with or without any action or proceeding to foreclose the mortgage on the Premises having been brought by any Person), including, without limitation:

(a) enter upon and take possession of the Premises, either in person or by agent, by an equitable receiver or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem necessary or proper, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee, to make, enforce,

modify and accept the surrender of the leases, to obtain and evict tenants, to fix or modify rents, and to do any other act which Assignee deems necessary or proper; and

(b) either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the leases and all the lessor's rights therein and thereunder. This Modification shall constitute an authorization and direction to the tenants under the leases to pay all rents and other amounts payable under the leases to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the leases to be observed or performed by the tenants thereunder, and Assignors shall facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the leases to thereafter pay all such rents and other amounts to Assignee.

4. **Counterparts.** This Modification may be executed in any number of counterparts, each of which shall be effective only upon delivery and thereafter shall be deemed an original, and all of which shall be taken to be one and the same instrument, for the same effect as if all parties hereto had signed one and the same signature page.

5. **Representations and Warranties.** Assignors hereby renew, remake and affirm the representations and warranties contained in the Assignment of Rents, as modified and amended.

6. **Payment of Fees and Expenses.** Assignors hereby agree to pay all of Assignee's expenses arising out of and in connection with this Modification including, but not limited to, attorneys' fees, title insurance premiums and recording fees.

7. **Further Assurances.** Assignors shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by the Assignment of Rents, as modified and amended hereby.

8. **Severability.** If any provision of this Modification is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, Assignee and Assignors shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of the Assignment of Rents and this Modification and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.

9. **Ratification.** Except as otherwise specifically amended and modified hereby, the Assignment of Rents, as modified and amended hereby, remains in full force and effect.
