3.3 **Authorization to Tenants.** Assignor does further specifically authorize and instruct each and every present and future tenant or purchaser of all or any portion of the Project to pay all unpaid rentals or deposits agreed upon in any Lease or other Agreement pertaining to the Project to Mortgagee upon receipt of demand from Mortgagee to pay the same, without any further notice or authorization by Assignor, and Assignor hereby waives any rights or claims it may have against any tenant by reason of such payments to Mortgagee.

3.4 **Right of Possession.** In the event Mortgagee is authorized under **Paragraph 3.1** of this Assignment to exercise its rights hereunder (whether before or after declaration of the entire principal amount secured hereby to be immediately due, before or after institution of legal proceedings to foreclosure the lien of the Mortgage, or before or after sale thereunder), Assignor agrees, immediately upon demand of Mortgagee, to surrender to Mortgagee and Mortgagee (personally or by its agents or attorneys) shall be entitled to take actual possession of the Project or any portion thereof, and in any such case Mortgagee in its sole discretion may enter upon and take and maintain possession of all or any portion of the Project, together with all the documents, books, records, papers and accounts of Assignor or the then owner of the Project relating thereto, may exclude Assignor and its employees and agents wholly therefrom and may, as attorney-in-fact or agent of Assignor, or in its own name as Mortgagee and under the powers herein granted, hold, operate, manage and control the Project and conduct business thereon, either personally or by its agents, with full power to use such measures, legal or equitable, as in its sole discretion may be deemed proper or necessary to enforce the payment of the Rents and the other provisions of the Leases and other Agreements (including without limitation actions for the recovery of rent, actions in forcible detainer and actions in distress for rent). Assignor hereby grants to Mortgagee full power and authority to exercise each and every one of the rights, privileges and powers herein granted at any and all times hereafter, without notice to Assignor, and with full power to cancel or terminate any Lease or other Agreement pertaining to the Project, or any portion thereof, for any cause or on any ground that would entitle Assignor to cancel the same, to elect to disaffirm any Lease or other Agreement made subsequent to the Mortgage or subordinated to the lien thereof, to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Project that Mortgagee in its sole discretion deems appropriate, to insure (an reinsure) the same for all risks incidental to Mortgagee's possession, operation and management thereof, and to receive all the Rents. Assignor further agrees to cooperate and facilitate Mortgagee's collection of the Rents and, upon Mortgagee's request, shall promptly execute written notice to all tenants to make all rental payments to Mortgagee.

3.5 **Indemnity.** Mortgagee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligations, duty or liability under any Leases or other Agreements, and Assignor shall and does hereby agree to indemnify and hold Mortgagee harmless from and against any and all liability, loss and damage that Mortgagee may or might incur under any Leases or other Agreements or under or by reason of the assignment thereof (except for liability, expense, cost, loss or damage resulting from the gross negligence or willful misconduct of Mortgagee), as well as any and all claims and demands whatsoever which may be asserted against Mortgagee by reason of any alleged obligations or undertakings on Mortgagee's part to perform or discharge any of the terms, covenants or conditions contained in the Leases or other Agreements. Should Mortgagee incur any such liability, loss or damage under any Lease or other Agreement, or under or by reason of the assignment thereof, or in the defense of any claims or demands relating thereto, Assignor shall reimburse Mortgagee for the amount thereof (including without limitation reasonable attorneys' fees and expenses and court costs) immediately upon demand.

3.6 **Limitation of Liability.** Nothing herein contained shall be construed as making or constituting Mortgagee a “mortgagee in possession” in the absence of the taking of actual possession of the Project by Mortgagee pursuant to the provisions set forth herein. In the exercise of the powers herein granted Mortgagee, no liability shall be asserted or enforced against Mortgagee, all such liability being expressly waived and released by Assignor.

3.7 **Nature of Remedies.** It is understood and agreed that the provisions set forth in this Assignment shall be deemed a special remedy given to Mortgagee and shall not be deemed exclusive of any of the remedies granted in the Note, the Mortgage or any of the other Loan Documents, but shall be deemed an additional remedy and shall be cumulative with the remedies therein granted.

3.8 **Continual Effectiveness.** It is expressly understood that no judgment or decree entered on any debt secured or intended to be secured by any of the other Loan Documents shall operate to abrogate or lessen the effect of this Assignment, but that the same shall continue in full force and effect until the payment and discharge of any and all indebtedness secured thereby, in whatever form such indebtedness may be, and until the indebtedness secured thereby shall have been paid in full and all bills incurred by virtue of the authority contained herein have been fully paid out of the rents, issues, deposits, profits and avails of the Project, by Assignor, or by any guarantor of payment of the Note, or until such time as this Assignment may be voluntarily released.
