6.2 Except in the case in which Sections 10.3 or 10.4 hereof or Article 14 hereof (Condemnation) is applicable, if substitute or additional structural support is required in any portion of the Improvements in which the structural support shall have been reduced or the structural safety of any portion of the Improvements is endangered, then the following provisions shall apply:

UNOFFICIAL COPY

(a) In the event the Owner or Owners responsible for the reduction or endangerment cannot be determined, which determination shall be made by the Architect, then the Owner or Owners benefited by the structural support shall be responsible for construction in accordance with plans and specifications approved by (except insofar as the provisions of Article 20 (Alterations) would not require such approval) the Owners of the portions of the Total Property affected thereby, the Architect and Mortgagees under any Mortgage encumbering the portions of the Total Property affected thereby. The costs and expenses incurred in connection with the construction of such substitute or additional support shall be allocated to the Owner or Owners benefited thereby in proportion to the relative benefits to be derived by such Owner(s) from such substitute or additional support, as determined by the Architect and expressed as a percentage for each such Owner.

(b) In the event the Owner or Owners responsible for the reduction or endangerment can be determined, either by the agreement of the Owners or the determination of the Architect, then the responsible Owner or Owners shall perform such construction in accordance with plans and specifications approved by (except insofar as the provisions of Article 20 (Alterations) would not require such approval) the Owners of the portions of the Total Property affected thereby, the Architect and the Mortgagees under any Mortgage encumbering the portions of the Total Property affected thereby. The costs and expenses incurred in connection with the construction of such substitute or additional support shall be allocated to the Owner or Owners responsible for the reduction or endangerment in proportion to the relative degree of culpability of such Owner(s) in causing the reduction or endangerment, as determined by the Architect and expressed as a percentage for each such Owner.

6.3 The responsible Owner or Owners shall commence, within a reasonable time under the circumstances, the construction of such substitute or additional support, and having commenced such construction, shall proceed diligently to cause the completion of such construction free of all mechanics lien claims.

6.4 If delay in constructing substitute or additional support would endanger the structural safety or integrity of any portions of the Improvements, then, with regard to which Owner or Owners shall be determined as responsible for such construction, either Owner may, upon not less than thirty (30) days advance written notice to the other Owner (except that such advance written notice shall not be required in an Emergency Situation), provide substitute or additional structural support as and wherever may be required, or the Owners may jointly undertake to provide substitute or additional structural support; provided, however, the responsible Owner or Owners shall be liable for and pay all costs and expenses incurred as a result of any Owner's providing any required substitute or additional support. If the Owners cannot within thirty (30) days agree on the allocation of responsibility among the Owners for substitute or additional support, then the dispute shall be submitted to the Architect for a determination. Notwithstanding anything herein to the contrary, no Owner shall be responsible for nor have any liability in connection with the loss of use of any portion of the Total Property during any period of reconstruction.

COMPLIANCE WITH LAWS; REMOVAL OF LIENS; ZONING

7.1 The Owners:

(a) Shall each comply with all laws, statutes, codes, rules, orders, decrees, ordinances, regulations and requirements now or hereafter enacted or promulgated by the United States of America, State of Illinois, County of Cook, City of Chicago and any other entity or agency now or hereafter having jurisdiction of the Total Property or any portion thereof, if non-compliance by it with respect to its portion of the Total Property or any part thereof would subject the other Owner to civil or criminal liability, or would jeopardize the full force or effect of any certificate of occupancy issued to the other Owner or for the Improvements themselves, or would jeopardize the other Owner's right to occupy or utilize beneficially its portion of the Total Property or any part thereof, or would result in the imposition of a lien against any of the property of the other Owner or would increase costs of insurance of the other Owner or would impose any threat or danger to any person or property; and

(b) Shall each comply with all rules, regulations and requirements of any insurance rating bureau having jurisdiction of the Total Property or any portion thereof or the requirements of any insurance policy affecting insurance coverage on the other Owner's portion of the Total Property if non-compliance by it with respect to its portion of the Total Property or any portion thereof would (i) increase the premiums of any policy of insurance maintained by the other Owner or the premiums of any policy of insurance maintained by both Owners, or (ii) render the other Owner's portion of the Total Property uninsurable, or (iii) create a valid defense to the other Owner's right to collect insurance proceeds under policies insuring the Total Property or the other Owner's portion of the Total Property; provided, however, that if such compliance is hereafter required solely because of the nature of the use, possession or management of or activities in either Owner's portion of the Total Property, such Owner shall be liable for the cost and expense of such compliance. If at any time an Owner so obligated to comply shall not proceed diligently with any such compliance and such failure to proceed shall adversely and materially affect the other Owner, then the Creditor Owner may give written notice to the Defaulting Owner specifying the respect or respects in which the cure of such non-compliance is not proceeding diligently and if upon expiration of ten (10) days after the receipt of such notice, any such cure of the non-compliance is still not proceeding diligently, then the Creditor Owner may cause such compliance to occur by taking all appropriate steps to carry out the same. The Creditor Owner shall be entitled to reimbursement upon demand from the Defaulting Owner for all costs and expenses incurred by the Creditor Owner in connection with causing any such compliance to occur, together with interest at the Default Rate from the date of payment of such costs and expenses by Creditor Owner to the date of reimbursement to the Creditor Owner as described in Section 11.3 hereof, and the Creditor Owner shall obtain a lien against that portion of the Total Property owned by the Defaulting Owner to the extent of such unpaid costs and expenses and interest, subject to and in accordance with Section 11.1 hereof.

7.2 An Owner shall remove, within thirty (30) days after the filing thereof, any mechanics, material men or any other like lien arising by reason of its acts or any work or materials which it has ordered, on the other Owner's portion of the Total Property, or on its

UNOFFICIAL COPY

portion of the Total Property if the existence or foreclosure of such lien on its portion of the Total Property would adversely affect any Easement hereunder or services to be furnished pursuant to Article 5 (Services) hereof. Notice of the filing of any such lien shall be served upon the Mortgagee under any Mortgage encumbering the portion of the Total Property subject to such lien. An Owner which has caused such a lien to be filed shall be deemed a Defaulting Owner hereunder. In the event a Defaulting Owner fails to remove any such lien within such thirty (30) day period, the Creditor Owner may (but is not required to) take such action as the Creditor Owner may deem necessary to remove, insure or bond over such lien. The Creditor Owner shall be entitled to reimbursement from the Defaulting Owner for all costs and expenses reasonably incurred by the Creditor Owner in removing or attempting to remove such lien, plus interest at the Default Rate from the date after payment of such costs and expenses by the Creditor Owner to the date of reimbursement to the Creditor Owner as described in Section 11.3 hereof, and the Creditor Owner shall obtain a lien against that portion of the Total Property owned by the Defaulting Owner to the extent of such unpaid costs and expenses and interest, subject to and in accordance with Section 11.1 hereof. However, the Defaulting Owner shall not be required to remove such lien within thirty (30) days after the filing thereof (and the Creditor Owner shall not be entitled to remove such lien), if (i) the continuance of such lien shall not constitute a default under any Mortgage encumbering the portion of the Total Property subject to such lien; (ii) within said thirty (30) day period, foreclosure proceedings relating to such lien cannot be completed; and (iii) the Defaulting Owner (A) shall in good faith diligently proceed to contest the same by appropriate proceedings and shall give written notice to the Creditor Owner and to the Creditor Owner's Mortgagees, if required by applicable loan documents, of its intention to contest the validity or amount of such lien and (B) shall deliver to the Creditor Owner or, if the applicable loan documents so provide, to the Creditor Owner's Mortgagees, either: (1) cash or a surety bond from a responsible surety company acceptable to the Creditor Owner and the Mortgagees, if applicable, in an amount equal to one hundred fifty percent (150%) of the lien claim and all interest and penalties then accrued thereon or such greater amount as may reasonably be required to assure payment in full of the amount claimed, plus all penalties, interest and costs which may thereafter accrue by reason of such lien claim or (2) other security reasonably acceptable to the Creditor Owner and the Mortgagees, if applicable. The rights of the Defaulting Owner under the preceding sentence to contest such lien without discharging the same shall terminate if (i) the Defaulting Owner fails to contest diligently and continuously, (ii) final judgment is entered on behalf of the lien claimant or (iii) the existence of such liens shall constitute a default under any Mortgage encumbering the portion of the Total Property subject to such lien, and in such event the Defaulting Owner shall cause such lien to be discharged or removed within ten (10) days after the occurrence of any of the events in clauses (i), (ii) or (iii) in this sentence and the Creditor Owner shall have the right (but not the obligation) at any time after the end of said 10-day period to remove such lien and in such event be entitled to reimbursement in accordance with the applicable provisions hereunder.

7.3 Each Owner (hereinafter in this Section 7.3, the "Indemnifying Owner") covenants and agrees, at its sole cost and expense, to indemnify and hold harmless the other Owner (hereinafter in this Section 7.3, the "Indemnitee") from and against any and all claims against the Indemnitee for losses, liabilities, damages, judgments, costs and expenses and any actions or proceedings arising therefrom, by or on behalf of any person, firm, corporation or governmental authority arising from: (i) the Indemnifying Owner's use, possession or

UNOFFICIAL COPY

management of the Indemnifying Owner's portion of the Total Property or activities therein, or (ii) the use, exercise or enjoyment of an Easement by the Indemnifying Owner or its tenants, guests or invitees, and from and against all costs, reasonable attorneys' fees, expenses and liabilities incurred with respect to any such claim, action or proceeding arising therefrom. In case any action or proceeding is brought against the Indemnitee by reason of any such claim, the Indemnifying Owner, upon notice from the Indemnitee, covenants to resist or defend such action or proceeding with attorneys reasonably satisfactory to the Indemnitee and to pay all reasonable fees and expenses of such counsel. Any counsel for the insurance company providing insurance against such claim, action or proceeding shall be presumed reasonably satisfactory to Indemnitee. Indemnitee shall have the right to employ separate counsel in any such actions brought against Indemnitee, and the fees and expenses of such counsel shall be paid by Indemnitee.

7.4 Without limiting the provisions of Section 7.1(a), neither the Owner of the Residential Property nor the Owner of the Commercial Property shall make any Alterations (as that term is herein below defined in Section 20.1) or allow any use of their respective portions of the Total Property or take or fail to take any action which would violate the provisions of the Chicago Zoning Ordinance as said ordinance may be amended from time to time (including, without limitation, that certain planned development ordinance dated January 14, 2004), or any similar or successor ordinance in effect from time to time hereafter and applicable to the Total Property or any portion thereof. The Total Property shall continue to be treated as one zoning lot for the purposes of complying with the Chicago Zoning Ordinance. No Owner shall have the right to request or obtain any amendment to the Chicago Zoning Ordinance as applicable to any portions of the Total Property without the consent of the other Owner, which consent shall not be unreasonably withheld.

ARTICLE 3

REAL ESTATE TAXES

8.1 The Owners shall make good faith efforts and cooperate with each other so that the Residential Property and the Commercial Property shall, as soon as possible, be assigned separate real estate tax index numbers and receive separate real estate tax bills from the Assessor ("Assessor") of Cook County, Illinois. From and after the recordation of this Declaration, the Declarant, on behalf of the Owner of the Residential Property and the Owner of the Commercial Property, may file a petition for tax division with, and consequently obtain from, the Assessor, separate real estate tax bills and real estate tax index numbers for each of the Commercial Property and the Residential Property. From and after the time that the Residential Property and the Commercial Property have been assigned separate real estate tax index numbers and received separate real estate tax bills from the Assessor, the Owner of the Residential Property shall pay the real estate tax bills for the Residential Property and the Owner of the Commercial Property shall pay the real estate tax bill for the Commercial Property.

8.2 Until such time as the Residential Property and the Commercial Property have been assigned separate real estate tax index numbers and received separate real estate tax bills from the Assessor, the Owner of the Residential Property shall be responsible for seventy-four

UNOFFICIAL COPY

percent (74%) of the real estate tax bills for the Total Property, and the Owner of the Commercial Property shall be responsible for twenty-six percent (26%) of the real estate tax bills for the Total Property. The Owner of the Residential Property shall pay the combined tax bills for the Total Property prior to their due date. The Owner of the Commercial Property shall be responsible for and shall pay or reimburse the Owner of the Residential Property (within thirty (30) days after the demand of the Owner of the Residential Property therefore whether or not the Owner of the Residential Property has theretofore paid such bill) for twenty-six percent (26%) of the total real estate taxes levied in the combined tax bill or bills for the Total Property.

8.3 If an Owner shall fail to pay any tax or other charge, or share thereof, which is due and which such Defaulting Owner is obligated to pay pursuant to Section 8.2 hereof, then the Creditor Owner may, after at least thirty (30) days written notice to the Defaulting Owner, pay such tax or charge, or share thereof, together with any interest and penalties thereon, and the Defaulting Owner shall, upon demand, reimburse the Creditor Owner for the amount of such payment, including the amount of any interest or penalty payments thereon, plus interest thereon as provided in Section 11.3 hereof, and shall also have a lien against the portion of the Total Property owned by the Defaulting Owner in accordance with Article 11 (Liens, Rights and Remedies) hereof.

8.4 An Owner may, if it shall so desire, endeavor at any time or times to obtain a lowering of the assessed valuation upon the Total Property for the purpose of reducing taxes thereon ("Protesting Owner"); provided, however, that all taxes must be paid when due, although such payment may be made under protest. In the event such protest shall be made by a Protesting Owner prior to the time that the Residential Property and the Commercial Property are separately assessed and taxed, the Protesting Owner shall be required to serve written notice to the other Owner at least ten (10) days prior to the filing of the objection. Any non-Protesting Owner may elect within ten (10) days after receipt of the notice described above to join the Protesting Owner in effecting such a reduction. In the event the other Owner fails to join the Protesting Owner in obtaining the reduction, the Protesting Owner shall be authorized to collect any tax refund payable as a result of any proceeding Protesting Owner may institute for that purpose, and any such tax refund shall be the property of the Protesting Owner. If the other Owner joins the Protesting Owner in seeking a lowering of the assessed valuation and shares in the legal fees incurred in proportion to its share of the real estate taxes reflecting the reduction in or refund of such taxes, the Owners shall apportion the tax refund in accordance with their respective portions of such real estate taxes. If the other Owner joins the Protesting Owner in seeking a lowering of the assessed valuation and such Owner receives a reduction in taxes for future years, such Owner shall be and remain liable for its proportionate share of the legal fees incurred in connection therewith in accordance with the immediately preceding sentence.

ARTICLE 9

INSURANCE

- 9.1 The Owners shall procure and maintain the following insurance:
- (a) The Owners shall jointly keep the Building (including without limitation the

foundation) insured under a single insurance policy under an "all risk" or "special form" property policy for an amount not less than one hundred percent (100%) of the insurable replacement cost thereof. Such policy shall be endorsed with a replacement coverage endorsement and an agreed amount clause and a "joint loss" clause, and no co-insurance penalty shall be applicable.

(b) The Owners shall maintain separate Commercial General Liability Insurance policies, covering claims for personal and bodily injury or property damage occurring in, on, under, within, upon or about its portion of the Total Property, or as a result of operations thereon, in such amounts as may be required by law and as from time to time shall be carried by prudent owners of similar mixed-use buildings in the City of Chicago, but in all events for limits of not less than \$1,000,000 combined single limit per occurrence with a general policy aggregate of \$2,000,000.00 for personal and bodily injury or property damage, and shall also include non-owned and hired automobile liability insurance for limits of not less than \$1,000,000.

9.2 The Owner of the Residential Property shall be responsible for seventy-four percent (74%) of the premium on the insurance policy described in Section 9.1(a). The Owner of the Commercial Property shall be responsible for twenty-six percent (26%) of the premium on the insurance policy described in Section 9.1(a). In the event the Owners cannot agree upon the insurance companies to provide the insurance required under Section 9.1(a) hereof, the question of selection of an insurance company or apportionment of premium shall be submitted to arbitration as provided in Article 12 (Arbitration) hereof. Notwithstanding anything contained in this Article 9 to the contrary, as long as the Declarant or any of its affiliates owns the Residential Property or any portion thereof, the Declarant or such affiliate shall: (i) select the insurance companies to provide the insurance required under Section 9.1(a), (ii) select the insurance agent or consultant described in Section 9.4 hereof, and (iii) make the decisions and determinations described in Section 9.4 hereof; provided, however, that the insurance companies selected by the Declarant or such affiliate and the insurance policies issued by such companies shall at all times comply with the requirements of this Article 9. Insurance policies required by Section 9.1 hereof shall be purchased from insurance companies authorized and licensed to transact business in the State of Illinois who shall hold a current Policyholder's Alphabetic and Financial Size Category Rating of not less than A-XII according to Best's Insurance Reports or a substantially equivalent rating from a nationally-recognized insurance rating service. Each of the Owners agrees to cooperate to procure and maintain the insurance policies described in Section 9.1 hereof. The Owner of the Residential Property shall pay the bill(s) for the insurance policies described in Section 9.1(a) hereof, provided that the Owner of the Commercial Property shall be responsible for and shall pay or reimburse the Owner of the Residential Property (within thirty (30) days after the demand of the Owner of the Residential Property therefore whether or not the Owner of the Residential Property has theretofore paid such bill) for the Owner of the Commercial Property's applicable portion of such bill(s) as determined in accordance with this Section 9.2.

9.3 Each policy described in Section 9.1 hereof: (i) shall provide, if available, that the knowledge or acts or omissions of any insured party shall not invalidate the policy as against any other insured party or otherwise adversely affect the rights of any other insured party under any such policy; (ii) shall provide, except for liability insurance described in Section 9.1(b) by endorsement or otherwise, that the insurance shall not be invalidated should any of the insureds under the policy waive in writing prior to a loss any or all rights of recovery against any party for

UNOFFICIAL COPY

loss occurring to the property insured under the policy, if such provisions or endorsements are available and provided that such waiver by the insureds does not invalidate the policy or diminish or impair the insured's ability to collect under the policy, or unreasonably increase the premiums for such policy unless the party to be benefited by such endorsement or provision pays such increase; (iii) shall provide for a minimum of thirty (30) days' advance written notice of cancellation, non-renewal or material modification thereof to all named insureds and additional insureds thereunder, unless such cancellation is for non-payment of premium, in which case only ten (10) days' advance written notice shall be sufficient and (iv) shall, if available, provide, except for the liability insurance required under Section 9.1(b) hereof, that all amounts payable thereunder shall be paid to the Depository in accordance with Articles 16 (Depository) and 11 (Alterations) hereof. Nothing contained in this Section 9.3 shall prevent the naming of any person as an additional insured in any policy or as prohibiting the inclusion in any policy of a usual and customary form of mortgage clause; provided, however, that a Mortgagee receiving any proceeds of any insurance policy described in Section 9.1(a) shall deposit the insurance proceeds with the Depository in accordance with Articles 16 (Depository) and 17 (Disbursements of Funds By Depository) to the extent that the Owner of the portion of the Total Property subject to such Mortgage receiving such proceeds would be required to do so, except that such obligation for such deposit by a Mortgagee shall be subject to the following conditions: (a) that at the time of deposit there shall be no then-uncured default under the applicable Mortgage; (b) that at the time of such deposit, there shall be in the hands of the Depository a sufficient amount, which when added to the proceeds to be deposited by the Mortgagee, will be at least equal to the cost, as estimated by the Mortgagee, to complete the work; and (c) the insurers do not deny liability as to the insureds.

9.4 Limits of liability or types of insurance shall be reasonable and prudent for an Owner of a mixed-use development similar to the Building and shall be in such amounts as required by any Mortgagee and by the Ground Lessors pursuant to the terms of the Ground Leases. Subject to the Declarant's rights under Section 9.2 hereof, the limits of liability or types of insurance specified in Section 9.1 shall be jointly reviewed by the Owners at least annually to determine if such limits, deductible amounts and types of insurance are reasonable and prudent in view of the type, place and amount of risk to be transferred, and to determine whether such limits, deductible amounts and types of insurance comply with the requirements of all applicable statutes, laws, ordinances, codes, rules, regulations or orders and whether on a risk management basis, additional types of insurance or endorsements against special risks should be carried or whether required coverage or endorsements should be deleted. Deductible amounts for insurance required under Section 9.1 shall be in such amounts as are customary or prevalent for an Owner of a mixed-use development similar to the Building. Such limits shall be increased or decreased, deductible amounts increased or decreased or types of insurance shall be modified, if justified, based upon said annual review, and upon any such increase, decrease or modification, the Owners shall, if mutually agreeable, execute an instrument in recordable form evidencing such increase, decrease or modification, which either Owner may record with the Recorder as a supplement to this Declaration. The Owners shall employ an insurance agent or consultant to perform such review periodically on their behalf and the cost of employing any such agent or consultant shall be shared by the Owners in the ratio their annual insurance premiums for insurance required hereunder bear to each other. Such consultant may be the same insurance broker, or any employee thereof, through which the insurance policies are obtained hereunder.

UNOFFICIAL COPY

9.5 Certificates delineating all forms of coverage and endorsements required hereunder shall be delivered to each Owner, to the Ground Lessor, and to the Mortgagees, at least thirty (30) days prior to the expiration date of any such expiring insurance policy. Copies of such policies shall be delivered upon request. Should an Owner fail to pay its share of the premiums or other costs for any joint policies, then such Owner shall be a Defaulting Owner and the other Owner may pay the Defaulting Owner's share of such premiums or costs and the Defaulting Owner shall reimburse the Creditor Owner for any such amounts paid by the Creditor Owner upon the Creditor Owner's written demand therefor plus interest at the Default Rate from the date of payment by the Creditor Owner to the date of reimbursement to the Creditor Owner as described in Section 11.3 hereof, and the Creditor Owner shall obtain a lien against that portion of the Total Property owned by the Defaulting Owner to the extent of such unpaid costs and expenses and interest, subject to and in accordance with Section 11.1 hereof.

9.6 Provided that such a waiver does not invalidate the respective policy or policies or diminish or impair the insured's ability to collect under such policy or policies or unreasonably increase the premiums for such policy or policies unless the party to be benefited by such waiver pays such increase, and without limiting any release or waiver of liability or recovery contained elsewhere in this Declaration, each Owner hereby waives all claims for recovery from the other Owner for any loss or damage to any of its property insured under valid and collectible insurance policies to the extent of any recovery actually collected under such insurance policies, plus deductible amounts.

9.7 In the event an Owner is subject to any loads, including, without limitation, any restaurant load, general liability load or umbrella liability load as a result of any use or operation of the other Owner's portion of the Total Property in connection with any insurance policy maintained pursuant to this Section 9.1, then the Owner whose use or operation results in such loads shall be liable for the reimbursement to the Owner subject to such loads for such increased amounts.

ARTICLE 10

MAINTENANCE AND REPAIR; DAMAGE TO THE IMPROVEMENTS

10.1 Subject to Article 6 (Structural Support) and Section 5.3 hereof, the Owner of the Residential Property, at its sole cost and expense (except to the extent of Shared Expenses required to be paid by the Owner of the Commercial Property pursuant to this Declaration), shall keep the Residential Property and all Facilities located therein or thereon (other than the Rooftop Equipment) or for which the Owner of the Residential Property is assigned Maintenance responsibility in this Declaration (including, without limitation, the Shared Facilities and Improvements) in good and safe order and condition and shall make all repairs or replacements of, in, on, under, within, upon or about such property, whether said repairs or replacements are to the interior or exterior thereof, or structural or non-structural components thereof, or involve ordinary or extraordinary repairs or replacements, necessary to keep the same in good and safe order and condition, howsoever the necessity or desirability thereof may arise, and whether or not necessitated by wear, tear, obsolescence, defects or otherwise. The Owner of the Residential

Property further agrees that it shall not suffer or commit, and shall use all reasonable precaution to prevent, waste to such property. Except as otherwise expressly provided in this Declaration, any such costs incurred in accordance with this Section 10.1 shall be paid for by the Owner of the Residential Property.

10.2 Subject to Article 6 (Structural Support) hereof, the Owner of the Commercial Property, at its sole cost and expense, shall keep (a) the Commercial Property and all Facilities located therein or for which the Owner of the Commercial Property is assigned Maintenance responsibility in this Declaration, (b) the Rooftop Equipment, (c) the Waste Removal Easement Area, and (d) the items described in Section 5.3 hereof, in good and safe order and condition, and shall make all repairs or replacements of, in, on, under, within, upon or about such property, whether said repairs or replacements are to the interior and exterior thereof, or structural and non-structural components thereof, or involve ordinary or extraordinary repairs or replacements, necessary to keep the same in good and safe order and condition, howsoever the necessity or desirability thereof may arise, and whether or not necessitated by wear, tear, obsolescence, defects or otherwise. The Owner of the Commercial Property further agrees that it shall not suffer or commit, and shall use all reasonable precautions to prevent, waste to such property. Except as otherwise expressly provided in this Declaration, any such costs incurred in accordance with this Section 10.2 shall be paid for by the Owner of the Commercial Property.

10.3 If the Improvements are damaged by fire or other casualty and (a) to the extent such damage occurs in, on, under, within, upon or about the Residential Improvements only, or (b) to the extent such damage occurs in, on, under, within, upon or about the Commercial Improvements only, any such damage shall be repaired and restored by the Owner of the portion of the Improvements in which any such damage occurs in as timely a manner as practicable under the circumstances (subject to the availability of insurance proceeds pursuant to the terms of any Mortgages on the Damaged Parcels), and such Owner shall, in accordance with the provisions of Article 17 (Disbursements Of Funds By Depositary) hereof, be entitled to withdraw any insurance proceeds held by the Depositary by reason of any such damage, for application to the cost and expense of the repair and restoration of any such damage. If at any time any Owner so obligated to repair and restore such damage shall not proceed diligently with any repair or restoration of damage adversely and materially affecting an Easement in favor of the other Owner or services to be furnished the other Owner under Article 5 (Services) hereof, then (i) the Creditor Owner may give written notice to the Defaulting Owner specifying the respect or respects in which such repair or restoration is not proceeding diligently and, if, upon expiration of thirty (30) days after the receipt of such notice, any such repair or restoration work is still not proceeding diligently, then the Creditor Owner may perform such repair and restoration and may take all appropriate steps to carry out the same; or (ii) in an Emergency Situation the Creditor Owner may immediately perform such repair or restoration and may take all appropriate steps to carry out the same. The Creditor Owner in so performing such repair and restoration shall, in accordance with Article 17 (Disbursements Of Funds By Depositary) hereof, be entitled to withdraw any insurance proceeds and any other monies held by the Depositary as a result of any such damage for application to the cost and expense of any such repair or restoration and shall also be entitled to reimbursement upon demand from the Defaulting Owner for all costs and expenses incurred by the Creditor Owner in excess of said insurance proceeds, plus interest at the Default Rate from the date of payment by the Creditor Owner of the costs and expenses to the

UNOFFICIAL COPY

date of reimbursement to the Creditor Owner as described in Section 11.3 hereof, and the Creditor Owner shall obtain a lien to the extent of such unpaid costs and expenses and interest, subject to and in accordance with Section 11.1 hereof.

10.4 If the Improvements are damaged by fire or other casualty and if the provisions of Section 10.3 are not applicable because the nature of the damage is such that it does not fall within either of the categories set forth in clauses (a) or (b) of Section 10.3, then the repair and restoration of such damage to Residential Property shall be the responsibility of the Owner of the Residential Property (subject to the availability of insurance proceeds pursuant to the terms of any Mortgages on the Residential Property) and, upon completion of the repair and restoration of the Residential Property, the repair and restoration of such damage to the Commercial Property shall be the responsibility of the Owner of the Commercial Property. Repair and restoration shall be commenced and pursued to completion in as timely a manner as practicable. The plans and specifications for said repair and restoration shall be prepared on behalf of each Owner for its portion of the repair and restoration work. Said repair and restoration shall be performed on behalf of each Owner by a contractor or contractors of its choice. The plans and specifications for such repair and reconstruction shall provide for the Improvements to be rebuilt as nearly as commercially practicable to the Improvements as constructed prior to the damage unless prohibited by law or unless the Owners otherwise agree, subject to the approval of the Mortgagees or Ground Lessor, if required, pursuant to the terms of the Mortgages or Ground Leases, respectively.

10.5 If the cost and expense of performing any repair and restoration to any Improvements provided for in Section 10.4 hereof shall exceed the amount of insurance proceeds, if any, paid by reason of the damage to such Improvements, then such excess cost and expense shall be paid by each Owner for the cost and expense of repairing and restoring such Owner's portion of the Total Property; provided, however, that any cost and expense of repairing and restoring any Shared Facilities and Improvements shall be a Shared Expense.

10.6 Upon completion of the repair and restoration of any damage to the Improvements, any remaining insurance proceeds paid by reason of such damage and attributable to a particular portion of the Improvements shall be refunded to the respective Owner or, if applicable, to the Mortgagee holding a Mortgage encumbering such Owner's portion of the Improvements in accordance with the terms of such encumbrance.

10.7 If any or all of the Improvements are destroyed or substantially damaged and the Owners agree not to rebuild, repair or restore the Improvements, subject to the written approval of the Mortgagees and Ground Lessor, if required, then the Improvements shall be demolished to the extent necessary to comply with all applicable laws, statutes, ordinances, codes, rules, regulations, orders or requirements of any governmental entity or agency thereof having jurisdiction of the Improvements. In such event, the available insurance proceeds allocated to each respective Owner's Improvements, other than insurance proceeds used to cause said demolition to be performed, shall be refunded to such Owner, or, if applicable, to the Mortgagee holding a Mortgage encumbering such Owner's respective portion of the Total Property in accordance with the terms of such encumbrance. Such demolition shall be deemed to be a "repair or restoration" to which the provisions of Sections 10.3-10.6 hereof are applicable except that

UNOFFICIAL COPY

demolition, and not construction, shall be performed. Each Owner shall restore his portion of the Total Property after demolition to a slightly and safe condition (including weatherproofing any exposed portions thereof) and in such manner as to safeguard the other portions of the Total Property, to preserve the use of the Easements granted hereunder and to prevent any violations of the applicable ordinances of the City of Chicago caused by the other party's failure to rebuild.

10.8 For purposes of this Article 10, architects' and engineers' fees, attorneys' fees, consultants' fees, insurance fees, reasonable costs and expenses of institutional lenders incurred in connection with financing repairs or restoration of Improvements for a term of not more than one year, title insurance premiums and other similar construction expenses relating to repair or restoration shall be included in the costs and expenses of any such repair or restoration.

10.9 Notwithstanding the foregoing, so long as any part of the Total Property is subject to the terms of that certain Mixed-Finance Amendment to Consolidated Annual Contributions Contract, dated as of even date herewith, by and between the Chicago Housing Authority and the United States of America, Secretary of Housing and Urban Development (the "ACC Amendment), the provisions of Section 11 of the ACC Amendment shall control.

ARTICLE 11

LIENS, RIGHTS AND REMEDIES

11.1 If, at any time, any Owner fails within thirty (30) days after notice or demand to pay any sum of money due the other Owner, as Creditor Owner, under or pursuant to the provisions of this Declaration, then, in addition to any other rights or remedies the Creditor Owner may have, the Creditor Owner shall have (i) in the event of a default under Articles 10 (Maintenance And Repair; Damage To The Improvements) or 14 (Condemnation), a lien against any condemnation award or insurance proceeds payable to the Defaulting Owner for loss or damage to such portion of the Total Property or otherwise under insurance policies carried pursuant to Article 9 (Insurance) hereof, or (ii) in the event of a default under any other Section of this Declaration, a lien against the portion of the Total Property owned by the Defaulting Owner, to secure the repayment of such sum of money and all interest on such sum accruing pursuant to the provisions of this Article 11 or to secure performance of a covenant or obligation. Any such lien shall arise immediately upon the recording of a notice thereof by the Creditor Owner with the Recorder stating that it is a lien created by this Section of the Declaration. Any such lien shall continue in full force and effect until such sum of money and any accrued interest thereon shall have been paid in full or the performance has been completed. The liens provided for in this Section 11.1 shall be superior to and take precedence over any mortgage, trust deed or other encumbrance constituting a lien on a portion of the Total Property or other interest of the Defaulting Owner, other than a bona fide mortgage or trust deed which is a mortgage or trust deed in favor of an institutional lender, commercial bank, HUD-approved lender, or governmental agency (including, without limitation, the Chicago Housing Authority), against such portion of the Total Property at the time of the recording of the notice of lien described above. Any lien arising under this Section 11.1 may be enforced by a proceeding in equity to foreclose such lien in like manner as a mortgage of real property in the State of Illinois or by any other remedy available by statute or at law or in equity.

UNOFFICIAL COPY

11.2 No conveyance or other divestiture of title (other than foreclosure of a lien which shall then be and remain superior) shall in any way affect or diminish any lien arising pursuant to this Article 11 and any lien which would have arisen against any property pursuant to this Article 11 had there been no conveyance or divestiture of title (other than foreclosure of a lien which shall then be and remain superior) shall not be defeated or otherwise diminished or affected by reason of such conveyance or divestiture of title.

11.3 Interest shall accrue on any sums owed by a Defaulting Owner to a Creditor Owner pursuant to this Declaration, and shall be payable from the date any such sum first is due hereunder until paid in full, at a rate of interest (the "Default Rate") equal to the lesser of (i) the floating rate which is equal to four percent (4%) per annum in excess of the annual rate of interest from time to time announced by LaSalle Bank National Association at Chicago, Illinois (or other major bank in the City of Chicago if LaSalle Bank National Association ceases to exist) as its "prime rate" or "corporate base rate" of interest or a reasonable substitute therefor in the event a "prime rate" or "corporate base rate" is no longer announced, or (b) the then maximum lawful rate of interest in Illinois applicable to the Defaulting Owner and the nature of the debt.

11.4 The rights and remedies of an Owner provided for in this Article 11 or elsewhere in this Declaration are cumulative and not intended to be exclusive of any other remedies to which such Owner may be entitled at law or in equity or by statute. An Owner may enforce, by a proceeding in equity for mandatory injunction, the other Owner's obligation to execute or record any document which such other Owner is required to execute under or pursuant to this Declaration. The exercise by such Owner of any right or remedy to which it is entitled hereunder shall not preclude or restrict the exercise of any other right or remedy provided hereunder.

11.5 Each claim of an Owner arising under this Declaration shall be separate and distinct, and no defense, setoff, offset or counterclaim arising against the enforcement of any lien or other claim of an Owner shall thereby be or become a defense, setoff, offset or counterclaim against the enforcement of any other lien or claim.

11.6 Actions to enforce any right, claim or lien under this Declaration shall be commenced within three (3) years immediately following the date the cause of action accrued, or such other shorter period as may be provided by law.

11.7 A Defaulting Owner shall pay the reasonable attorneys' fees and court costs paid or incurred by a Creditor Owner in successfully enforcing its rights against the Defaulting Owner under this Declaration, and such fees and costs shall be added to the amount of any applicable lien created under this Article 11.

ARTICLE 12

ARBITRATION

12.1 The following matters shall be submitted for arbitration to the American

UNOFFICIAL COPY

Arbitration Association (the "AAA") pursuant and subject to the provisions of this Article 12:

(a) All disputes, claims or controversies arising under this Declaration involving an amount not exceeding \$100,000, which \$100,000 shall mean \$100,000 in 2004 equivalent dollars, which shall not be resolved within sixty (60) days after same has arisen; and

(b) All other matters which are required under this Declaration to be submitted for, or determined by, arbitration.

Any such dispute, claim, controversy or matter is referred to herein as a "Matter". Arbitration of any Matter shall be initiated by an Owner making a written demand therefor by giving written notice thereof to the other Owner and by filing a copy of such demand with the AAA. The AAA shall have jurisdiction upon the giving of such notice and the filing of such demand. Any such arbitration shall be held in Chicago, Illinois, and shall be conducted and completed in an expeditious manner and without delay. The applicable Mortgagees shall be parties to any arbitration of a Matter involving a matter which requires the consent or approval of the Mortgagees hereunder.

12.2 Unless otherwise agreed to in writing by the parties to the arbitration within twenty (20) business days after the notice demanding arbitration has been given, the parties shall jointly designate three (3) arbitrators to resolve the Matter. If the parties fail to designate the arbitrators within such time period, arbitrators shall be appointed in accordance with the procedures set forth in the applicable AAA rules, provided, however, that in any event such arbitrators shall be experienced as to the design, construction and/or operation, as the Matter requires, of developments similar to the Total Property. Except where contrary to the provisions set forth in this Declaration, the AAA Commercial Arbitration Rules shall apply to the arbitration of any Matter. During the twenty (20) business-day time period referenced above, the parties may agree in writing to any additions, deletions or changes to the applicable arbitration rules.

12.3 The arbitrators shall commence hearings within sixty (60) days of selection, unless the Owners and the arbitrators agree upon an expedited or delayed schedule of hearings. Prior to the hearings, either Owner may send out requests to compel document production from the other Owner. Disputes concerning the scope of document production and enforcement of the document requests shall be subject to agreement by the Owners or may be ordered by the arbitrators to the extent reasonable. The arbitrators may obtain independent legal counsel or other professional consultants to aid in resolution of legal or other questions presented in the course of arbitration to the extent reasonably necessary to the fair resolution of the Matter and to the extent that it is economical to do so considering the financial consequences of the Matter. The arbitrators in rendering a decision may base such decision only on the facts presented in the course of arbitration and shall not modify or amend the provisions of this Declaration. Subject to the other terms hereof, if an Owner fails or refuses to appear at and participate in an arbitration hearing after due notice, the arbitration panel may hear and determine the Matter upon evidence produced by the appearing Owner. The arbitration costs shall be borne equally by the Owners, except that each Owner shall be responsible for its own expenses.

12.4 Unless otherwise agreed in writing, the Owners shall continue to perform all obligations and make all payments due under this Declaration in accordance with this Declaration during the course of any arbitration constituted or conducted under the provisions of this Article 12. The obligation of the Owners to continue performance and make payments despite the existence of an arbitration hereunder shall be enforceable by application to any court of competent jurisdiction for an injunctive order requiring the immediate performance of such obligations as provided in the preceding sentence until such time as any Matter is resolved as provided in this Article 12.

12.5 With respect to any Matter subject to arbitration under this Article 12, it is agreed that the arbitration provisions of this Article 12 shall be the sole remedy of the Owners under this Declaration. Notwithstanding any other provisions of this Declaration, the foregoing agreement to arbitrate shall be specifically enforceable under prevailing arbitration law. The foregoing agreement to arbitrate shall not constitute any agreement or consent to arbitration of any dispute, claim, controversy or matter not described in this Article 12 or with any person not named or described herein, provided that any arbitration proceeding initiated under the terms of this Article 12 may, at the request of either Owner, be joined or consolidated with other arbitration proceedings involving additional parties if the Matter and the subject of such other proceedings arise out of common or interrelated factual occurrences. Any award of the arbitrators shall be final and binding upon the Owners and the Mortgagees and judgment thereon shall be entered by any court having jurisdiction.

12.6 For purposes of this Article 12, "2004 equivalent dollars" means the equivalent purchasing power at any time of the value of One Dollar (\$1.00) in calendar year 2004. The 2004 equivalent dollars of any amount shall be determined by multiplying said amount by one (1) plus a fraction, the numerator of which is the difference between (x) the monthly Consumer Price Index (as hereinafter defined) last published prior to the date of such determination and (y) the Consumer Price Index for September, 2004, and the denominator of which is the Consumer Price Index for September, 2004. As used herein, the term "Consumer Price Index" shall mean the Consumer Price Index for Urban Wage Earners and the Clerical Workers, City of Chicago, All Items (Base Year 1982-84 = 100) for the applicable month published by the Bureau of Labor Statistics of the United States Department of Labor or similar index agreed to by the Owners if such index is no longer available.

ARTICLE 13

UNAVOIDABLE DELAYS

13.1 No Owner shall be deemed to be in default in the performance of any obligation created under or pursuant to this Declaration, other than an obligation requiring the payment of a sum of money, if and so long as non-performance of such obligation shall be caused by fire or other casualty, national emergency, governmental or municipal laws or restrictions, enemy action, civil commotion, strikes, lockouts, inability to obtain labor or materials, war or national defense preemptions, acts of God, energy shortages or similar causes beyond the reasonable control of such Owner (other than inability to make payment of money) ("Unavoidable Delay"), and the time limit for such performance shall be extended for a period equal to the period of any

UNOFFICIAL COPY

such Unavoidable Delay. The Owner unable to perform (hereafter in this Article the "Non-Performing Owner") shall notify the other Owner in writing of the existence and nature of any Unavoidable Delay within a reasonable time after the onset of any such Unavoidable Delay. The Non-Performing Owner shall, from time to time upon written request of the other Owner, keep the other Owner fully informed, in writing, of all further developments concerning any such Unavoidable Delay.

ARTICLE 14

CONDEMNATION

14.1 In the event of a taking by the exercise of the power of eminent domain or deed in lieu of condemnation of all or any part of the Residential Property or the Commercial Property by any competent authority for any public or quasi-public use, the award, damages or just compensation (hereinafter in this Article 14, the "Award") resulting from any such taking shall be allocated and disbursed, and any repair and restoration of the Improvements thereon shall be performed, in accordance with the requirements of this Article 14.

14.2 All Awards resulting from the taking of all or any part of the Residential Property or the Commercial Property, other than damages resulting from a taking of the temporary use of space as hereinafter described, shall be paid to the Depository and disbursed by the Depository as hereinafter provided. In the event of a taking of a temporary use of any space not affecting services described in Article 5 (Services) hereof, each Owner shall be entitled to receive directly from the taking authority any Award resulting from such temporary taking within its respective portion of the Total Property.

14.3 In the event of (a) a taking (other than a temporary taking) of a part of the Residential Property only (not affecting services described in Article 5 (Services) hereof, except those having minimal or incidental effect), or (b) a taking (other than a temporary taking) of a part of the Commercial Property only (not affecting services described in Article 5 (Services) hereof, except those having minimal or incidental effect), then the Owner of the portion of the Total Property in which the taking occurred shall repair and restore the remainder of its portion of the Improvements to form an architectural and functional whole. Such repair and restoration shall be commenced and pursued to completion in as timely a manner as practicable under the circumstances and shall be at the sole cost and expense of the Owner of the portion of the Total Property in which the taking occurred. Such Owner shall be entitled to withdraw any Award paid to the Depository by reason of such taking for application to the cost of said repair and restoration in accordance with the provisions of Article 17 (Disbursements Of Funds By Depository) hereof and to retain any excess not required for such repair and restoration.

14.4 In the event of a taking other than (a) a temporary taking described in Section 14.2 hereof, (b) a taking described in Section 14.3 hereof, or (c) a taking of all or substantially all of the Total Property, then the Owners shall cooperate to repair and restore the remainder of the Improvements in accordance with plans and specifications (hereinafter described) jointly approved by the Owners and the Mortgagees, if required by the terms of the Mortgages. The plans and specifications for such repair and restoration shall be prepared by the Architect. Such

UNOFFICIAL COPY

plans and specifications shall provide for repair and restoration of the remainder of the Improvements to form an architectural and functional whole with such changes in the Improvements as shall be required by reason of such taking. Such repair and restoration shall be commenced and pursued to completion in as timely a manner as practicable under the circumstances and the costs of such work shall be paid by the Owners in such shares as the Owners may agree between themselves and shall be performed on behalf of the Owners by a contractor jointly selected by the Owners. The selection of such contractors shall be subject to the approval of the Mortgagees, if required. In the event the Owners and the Mortgagees, if required, fail to agree upon the selection of a contractor, then the selection shall be made by arbitration pursuant to Article 12 (Arbitration) hereof. If such repair and restoration is to be performed solely in the portion of the Total Property owned by one of the Owners, then, provided that the plans and specifications do not require an Alteration, as such term is hereinafter defined in Article 20 (Alterations), the approval of the Owner of, and any Mortgagees with respect to, the other portions of the Total Property shall not be required with respect to the plans and specifications therefor, nor shall the consent of the Owner of, and any Mortgagees with respect to, the other portions of the Total Property be required with respect to selection of a contractor therefor. If as a result of such taking, any Easements or covenants under this Declaration are extinguished or materially impaired, then changes shall be made to provide for Easements of access, ingress and egress and use of Shared Facilities and Improvements and for furnishing of services comparable to the extent commercially practicable, to Easements created under Articles 3 and 4 hereof and for the furnishing of services under Article 5 (Services) hereof.

14.5 The Award for any taking described in Section 14.4 shall first be used to pay for the repair and restoration. Each portion of the Award attributable to the Residential Property or the Commercial Property alone shall only be utilized to repair and restore that portion of the Total Property to which it is attributed. Any excess of the Award attributed to a particular portion of the Total Property over the cost of repair and restoration to that portion of the Total Property shall then be allocated to the Owner of that portion of the Total Property, or, if applicable, to the Mortgagee of a Mortgage encumbering such Owner's portion of the Total Property in accordance with the terms of such encumbrance.

14.6 In the event of a taking of all or substantially all of the Total Property, the Award for such taking shall be allocated to the Owners in accordance with the apportionment made in any final judicial or administrative proceedings in connection with the taking and paid to such Owners in accordance with said apportionment, or, if applicable, to the Mortgagee of a Mortgage encumbering such Owner's respective portions of the Total Property in accordance with the terms of such encumbrance.

14.7 Notwithstanding the foregoing, so long as any part of the Total Property is subject to the terms of that certain Mixed-Finance Amendment to Consolidated Annual Contributions Contract, dated as of even date herewith, by and between the Chicago Housing Authority and the United States of America, Secretary of Housing and Urban Development (the "ACC Amendment), the provisions of Section 11 of the ACC Amendment shall control.

ARCHITECT

15.1 The appointment of an architect in accordance with this Article 15 shall be for the purpose of resolving disputes and other differences arising under this Declaration during the operation of the Total Property. The Owners shall jointly appoint a firm consisting of both architects and engineers (or a firm of architects and a firm of engineers agreeing to act jointly hereunder) experienced in the design and operation of structures similar to the Improvements to serve under and pursuant to the terms and provisions of this Declaration (the "Architect"). In the event the Owners cannot agree upon the appointment of the Architect, the matter shall be submitted to arbitration in accordance with the provisions of Article 12 (Arbitration). The Architect shall, upon its appointment, execute an agreement (the "Owner-Architect Agreement") with the Owners substantially in the form of or comparable to The American Institute of Architects ("AIA"), AIA Document B141 (the then current edition), entitled "Standard Form Agreement between Owner and Architect." An Owner may cause any Architect to be replaced if it demonstrates to the other Owner that such then-serving Architect has failed to perform its duties hereunder fairly, diligently or competently in accordance with the Owner-Architect Agreement. In such event, the Owner desiring replacement of the Architect shall serve notice upon the other Owner requesting the removal of the then serving Architect, which notice shall set forth with specificity the respect or respects in which such Architect shall have failed to perform diligently or competently in accordance with the Owner-Architect Agreement. If, in the opinion of an Owner receiving such notice, the Owner desiring to replace the Architect is not entitled to require the appointment of a new Architect pursuant to this Section 15.1, the Owner receiving such notice and objecting to the appointment of a new Architect shall notify the other Owner of its objection in writing within fifteen (15) days after receipt of such notice from the other Owner. If, within ten (10) days after receipt by the Owner desiring to replace the Architect of such objection, the Owners do not resolve their differences, then the dispute shall be settled by arbitration pursuant to Article 12 (Arbitration) hereof.

15.2 In any instance when the Architect serving pursuant to Section 15.1 hereof is authorized by this Declaration to advise the Owners concerning any dispute or matter, either Owner may submit the same to the Architect. The Owner submitting such dispute or matter shall simultaneously give written notice of the submission of such dispute or matter to the other Owner. The Architect shall, except in an Emergency Situation, afford each Owner, and any attorney or other representative designated by such Owner an opportunity to furnish information or data or to present such party's views.

15.3 The Architect shall be paid a reasonable fee for any services rendered hereunder and shall be reimbursed for reasonable and necessary expenses incurred in connection therewith, and the Owners shall each pay their equitable share of such fees. In any instance when the Architect shall, in accordance with any of the provisions of this Declaration, render services in connection with the preparation of plans and specifications or the supervision of repair, restoration or demolition of the Improvements or any part thereof, the fees and expenses of the Architect shall be considered as costs and expenses of said repair, restoration or demolition, as the case may be, and shall be paid in the same manner as other costs and expenses of repair, restoration and demolition under the provisions of this Declaration pursuant to which the Architect is performing such services. If either Owner shall fail to pay its allocable share of any

UNOFFICIAL COPY

fees or expenses of the Architect within ten (10) days after receipt of any invoice therefor from the Architect, then the other Owner may pay the same and the Defaulting Owner shall, within ten (10) days after written demand for reimbursement, reimburse the Creditor Owner for any such payment, plus interest at the Default Rate from the date of payment by the Creditor Owner to the date of reimbursement to the Creditor Owner as described in Section 11.3 hereof, and the Creditor Owner shall obtain a lien against that portion of the Total Property owned by the Defaulting Owner to the extent of such unpaid costs and expenses and interest, subject to and in accordance with Section 11.1 hereof.

ARTICLE 16

DEPOSITARY

16.1 Subject to the rights of any Mortgagees of the Damaged Parcels, a depositary (the "Depositary") shall be appointed in the manner hereinafter provided to receive from the payor or payee thereof insurance proceeds and Awards, to disburse such monies and to act otherwise in accordance with the terms and provisions of this Declaration. Except as otherwise provided hereunder, all insurance proceeds under the insurance policy required to be carried pursuant to Section 9.1(a) hereof and Awards arising in connection with this Declaration shall be paid to the Depositary. Except as otherwise provided herein, the Depositary appointed hereunder shall be one of the then five (5) largest banks or trust companies (measured in terms of capital funds) with principal offices in Chicago, Illinois.

16.2 As used hereinafter in this Article, the phrase "Damaged Parcel" shall refer to either the Residential Property or the Commercial Property or any combination thereof, if applicable, as to which a casualty loss shall have occurred. In the event of any casualty loss which affects only the Residential Property or the Commercial Property, then the Mortgagee of a Mortgage applicable to the Damaged Parcel shall have the right, within thirty (30) days after such casualty loss has been finally adjusted, to elect either to act as Depositary or to appoint the Depositary with regard to such funds. If such right of election is not exercised within said thirty (30) day period, then the Owner of the Damaged Parcel shall have the right to appoint the Depositary with regard to such funds.

16.3 In the event of any casualty loss which affects more than one portion of the Total Property and if each Damaged Parcel is subject to a Mortgage, then the Mortgagees of the Damaged Parcels shall have the right, within thirty (30) days after such casualty loss has been finally adjusted, acting jointly, to appoint the Depositary with regard to such funds.

16.4 In the event of any casualty loss which affects more than one portion of the Total Property and if one but not both of the Damaged Parcels is encumbered by a Mortgage, then the Mortgagee of such Mortgage and the Owner of the unencumbered Damaged Parcel shall have the right, within thirty (30) days after such casualty loss, acting jointly, to appoint the Depositary with regard to such funds.

16.5 If none of the provisions of Sections 16.3 or 16.4 are applicable, or if none of the rights of election or appointment conferred by said Sections are exercised within thirty (30) days

UNOFFICIAL COPY

after the casualty loss has been finally adjusted, then the Owners of the Damaged Parcels shall mutually appoint the Depository. Upon the failure of such Owners to appoint the Depository within thirty (30) days after the casualty loss has been finally adjusted, then the matter shall be submitted to arbitration in accordance with Article 12 (Arbitration) hereof and the arbitrators shall appoint the Depository.

16.6 Each Owner whose portion of the Total Property is the subject of any such casualty loss or condemnation shall be obligated to pay the reasonable fees and expenses of the Depository in proportion to their respective insurance proceeds or respective Awards, as the case may be. Any Depository appointed to act hereunder shall execute an agreement with the Owners whose portion of the Total Property is the subject of any such casualty loss or condemnation accepting said appointment in form and content acceptable to such Owners and in accordance with the provisions of this Declaration.

16.7 The Depository shall have no affirmative obligation to prosecute a determination of the amount of, or to effect the collection of, any insurance proceeds or Award or Awards unless the Depository shall have been given an express written authorization from the Owners, provided that, if only one Owner claims said insurance proceeds or Award or Awards, then said Owner alone may authorize the Depository to so proceed; provided further, however, that if the Residential Property or the Commercial Property is in any material way affected by the disbursement of any such insurance proceeds or Award or Awards, then the consent of the Mortgagee of the appropriate Mortgage shall be required.

16.8 The monies on deposit shall be held in an interest-bearing account pursuant to an agreement among the Depository and the Owners whose portion of the Total Property has been the subject of any casualty loss or condemnation. The Depository shall, at the direction of the Owners whose portion of the Total Property is the subject of any casualty loss or condemnation, purchase with such monies, to the extent feasible, United States Government securities payable to bearer and maturing within one (1) year from the date of purchase thereof, except insofar as it would, in the good faith judgment of the Depository, be impracticable to invest in such securities by reason of any disbursement of such monies which the Depository expects to make shortly thereafter, and the Depository shall hold such securities in trust in accordance with the terms and provisions of this Declaration. Any interest paid or received by the Depository on monies or securities held in trust, and any gain on the redemption or sale of any securities, shall be added to the monies or securities so held in trust by the Depository. Unless the Depository shall have undertaken to pay interest thereon, monies received by the Depository pursuant to any of the provisions of this Declaration shall not be mingled with the Depository's own funds and shall be held by the Depository in trust for the uses and purposes herein provided.

16.9 The Depository may resign by serving written notice on the Owners. Within thirty (30) days after receipt of such notice or in case of failure or inability to act, the Owners shall jointly, with the consent of the Mortgagees, if required, appoint a substitute who qualifies under Section 16.1 hereof, and the Depository shall transfer all funds, together with copies of all records held by it as Depository, to such substitute, at which time its duties as Depository shall cease. If the Owners shall fail to appoint a substitute within said thirty (30) days, then the Mortgagees shall appoint a substitute who qualifies under Section 16.1 hereof within thirty (30)

UNOFFICIAL COPY

days thereafter, and the Depository shall transfer all funds, together with copies of all records held by it as Depository, to such substitute, at which time its duties as Depository shall cease. If the Mortgagees shall fail to appoint a substitute within said additional thirty (30) day period, then the Depository may deposit such funds with either a court of competent jurisdiction or with a bank or trust company in Chicago, Illinois, who qualifies under Section 16.1 hereof.

16.10 Notwithstanding anything contained herein to the contrary, any insurance proceeds arising out of the policy required to be carried pursuant to Section 9.1(a) hereof of less than \$50,000 or Awards of less than \$50,000 shall be paid directly to the party so entitled rather than to the Depository.

ARTICLE 17

DISBURSEMENTS OF FUNDS BY DEPOSITARY

17.1 (a) Each request by an Owner or the Architect acting pursuant to the provisions of this Declaration for disbursement of insurance proceeds, any Award or other funds for application to the cost of repair, restoration or demolition (the "Work") shall be accompanied by a certificate of the applicable Owner or Architect, and with respect to the information described in Section 17.1(a)(ii) below, verified by the Architect, dated not more than ten (10) days prior to the date of the request for any such disbursement, setting forth the following:

- (i) That the sum requested has either (a) been paid by or on behalf of one of the Owners (in which event the certificate shall name such Owner) or by or on behalf of both Owners (in which event the certificate shall specify the amount paid by each respective Owner), or (b) is justly due to contractors, subcontractors, material men, engineers, architects or other persons (whose names and addresses shall be stated) who have rendered or furnished certain services or materials for the Work; such certificate shall also give a brief description of such services and materials and the principal subdivisions or categories thereof, the respective amounts so paid or due to each of said persons in respect thereof and shall state the progress of the Work up to the date of said certificate and any other information required by the Mechanics Lien Act set forth in 770 ILCS 60/0.01 *et seq.* (the "Mechanics lien Act") and any title insurer affording coverage against mechanics liens;
- (ii) That the sum requested, plus all sums previously disbursed, does not exceed the cost of the Work actually in place up to the date of such certificate, plus the cost of materials supplied and actually stored on site (which materials shall be adequately insured against fire, theft and other casualties);
- (iii) That no part of the cost of the services and materials described in the certificate has been the basis of the withdrawal of any funds pursuant to any previous request or is the basis of any other pending request for funds;

and

- (iv) That the cost to complete the unfinished Work will not exceed the funds or security therefor held by the Depository after payment of the then-current request.
- (b) Upon compliance with the provisions of Section 17.1(a) (but not more frequently than once in any thirty (30) day period); and
 - (i) upon receipt of contractors' and subcontractors' sworn statements required under the Mechanics Lien Act accompanied by partial or final waivers of lien as appropriate, and any other information required by any title insurer affording coverage against mechanics liens from the persons named in the sworn statement; and
 - (ii) approval by the title insurer, the Owner or Owners requesting disbursement, the Mortgagees of the Mortgages on portions of the Total Property on which or for the benefit of which Work has been or will be performed, of the lien waivers and other documentation, and the willingness of the title insurer to issue an endorsement (satisfactory to such parties) insuring over possible mechanics lien claims relating to Work in place and the continued priority of the lien of the Mortgages securing the Mortgagees whose approval is required above;

the Depository shall, out of the monies so held by the Depository and subject to such reasonable retention as may be reasonably required in the circumstances and is customary in similar construction matters, pay or cause to be paid to the Owners, contractors, subcontractors, material men, engineers, architects and other persons named in the owner's certificate and contractors' and subcontractors' sworn statements the respective amounts stated in said certificate and statements due them. Notwithstanding the foregoing, either or both of the Owners requesting disbursement or the Mortgagees or the Depository may require that disbursements be made through the usual form of construction escrow then in use in Chicago, Illinois, with such changes as may be required to conform to the requirements or provisions of this Declaration. The Depository may rely conclusively, with respect to the information contained therein, on any certificate furnished by the Owner or the Architect to the Depository in accordance with the provisions of Section 17.1(a) hereof and shall not be liable or accountable for any disbursement of funds made by it in reliance upon such certificate or authorization.

17.2 No contractor, subcontractor, material men, engineer, architect or any other person whatsoever, other than the Owners and the Mortgagees, shall have any interest in or right to any funds held by the Depository; provided, that such funds shall only be used for repair, restoration or demolition as required by this Declaration, except as hereinafter set forth. The Owners with the written consent of the Mortgagees, may jointly at any time provide for a different disposition of funds than that provided for in this Declaration, without the necessity of

obtaining the consent of any contractor, subcontractor, material man, engineer, architect or any other person whatsoever. If at any time the Owners with the written consent of the Mortgagees, shall jointly instruct the Depository in writing with regard to the disbursement of any funds held by the Depository, then the Depository shall disburse such funds in accordance with said instructions and the Depository shall have no liability to anyone by reason of having so disbursed said funds in accordance with said instructions.

AMENDMENTS TO DECLARATION

Declarant reserves for itself the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time. A Special Amendment shall mean an amendment to: (i) correct clerical or typographical errors; (ii) revise and/or add to the exhibits attached to this Declaration to reflect "as built" conditions; (iii) grant additional Easements, as may be necessary, in order to effectuate Maintenance, operation and administration of the Total Property or any portion thereof, so long as such additional Easement does not impose additional financial obligations or undue burdens on the Owner of the Residential Property; or (iv) provide for additional services to be furnished by one Owner to the other Owner, so long as such additional services do not impose additional financial obligations or undue burdens on the Owner of the Residential Property and provided that the percentages set forth in this Declaration for each Owner's share of the costs for such services shall not be modified without the consent of the Mortgagees. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to vote in favor of, make, or consent to a Special Amendment on behalf of each Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting any portion of the Total Property, and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to vote in favor of, make, execute and record Special Amendments. Each Special Amendment shall be recorded with the Recorder and shall be effective from and after the date of recording. The right of the Declarant to act pursuant to rights reserved or granted under this Section 19.1 shall terminate at such time as Declarant nor any of its affiliates holds or controls title to any portion of the Total Property.

ARTICLE 20

ALTERATIONS

20.1 (a) The Owner of the Residential Property may, at any time, at its sole cost and expense, make additional improvements or alterations (hereinafter in this Article 20, "Alterations") to the Residential Improvements, provided that such Alterations comply with the balance of this Section 20.1 and all of the other provisions of this Article 20 and the provisions

UNOFFICIAL COPY

of the Mixed-Use Residential Ground Lease. Any plans and specifications for any restoration of the Residential Improvements which contain substantially the same architectural features as the Residential Improvements which existed prior to the necessity of restoration and any plans and specifications for any improvements, modifications, or restoration that are necessary to comply with any law or regulatory scheme governing the Residential Property or the provisions of the Mixed-Use Residential Ground Lease shall not be deemed to be Alterations within the meaning of this Article 20.

(b) Unless otherwise provided in Section 20.1(a) and this Section 20.1(b), Alterations shall not be made to the Residential Property without the prior written consent of the Owner of the Commercial Property, if such Alterations will:

- (i) materially diminish the benefits afforded to the Owner of the Commercial Property by any Easement or interrupt the Owner of the Commercial Property's use or enjoyment of any Easement;
- (ii) materially alter the facade or exterior appearance of the Improvements;
- (iii) impair the structural integrity of the Improvements (or any portion thereof) or necessitate the erection of additional columns, bearing walls, or other structures upon or within the Total Property;
- (iv) materially adversely affect the Rooftop Equipment, the Waste Removal Easement Area, or any Shared Facilities and Improvements benefiting the Owner of the Commercial Property; or
- (v) materially impair or otherwise materially adversely affect the traffic pattern for ingress and egress to and from any entrances to the Building.

(c) If, at any time, the Owner of the Residential Property proposes to make any Alterations which require the consent of the Owner of the Commercial Property, then before commencing or proceeding with such Alterations, the Owner of the Residential Property shall deliver to the Owner of the Commercial Property and the Owner of the Commercial Property's Mortgagee, a copy of the plans and specifications showing the proposed Alterations and a reference to this Section 20.1. If the Owner of the Commercial Property and its Mortgagee consent to such Alterations or state that their consents are not required, the Owner of the Residential Property may proceed to make its Alterations substantially in accordance with said plans and specifications. If the Owner of the Residential Property has not requested the Owner of the Commercial Property's consent to the proposed Alterations, and if, in the reasonable and good faith opinion of the Owner of the Commercial Property or its Mortgagee, the Owner of the Residential Property has violated or will violate the provisions of Section 20.1(a) or (b), the Owner of the Commercial Property or its Mortgagee (an "Objecting Party") shall notify the Owner of the Residential Property of its reasonable and good faith opinion that the Alterations or proposed Alterations violate or will violate the provisions of Section 20.1(a) or (b) hereof, and shall specify the respect or respects in which its provisions are or will be violated. If an Objecting Party reasonably and in good faith asserts a violation of Section 20.1(a) or (b), then the

UNOFFICIAL COPY

Owner of the Residential Property shall not commence with the Alterations or proceed with the Alterations, if already commenced, until the matter has been resolved. In addition to any other legal or equitable rights or remedies to which the Objecting Party may be entitled by reason of the Owner of the Residential Property's violation or imminent violation of the provisions of this Section 20.1(c), the Objecting Party shall be entitled to seek and obtain injunctive relief to enjoin any such violation.

(d) If any matter arises between the Owners with respect to whether any Alterations or proposed Alterations by the Owner of the Residential Property violate the provisions of Section 20.1(a) or (b) then either Owner may submit such matter to the Architect for its advice, and the Architect shall render its opinion whether the Alterations or proposed Alterations violate the provisions of Section 20.1(a) or (b) hereof.

(e) The Owner of the Residential Property, in making Alterations, shall (i) perform all Work in a good and workmanlike manner and in accordance with good construction practices, (ii) comply with all applicable federal, state and local laws, statutes, ordinances, codes, rules, regulations and orders, including, without limitation, the City of Chicago Building Code and Zoning Ordinance, and (iii) comply with all of the applicable provisions of this Declaration. The Owner of the Residential Property shall make Alterations in such a manner as to minimize any noise, vibration, particulate and dust infiltration or other interference or disturbance which would interfere with or disturb an occupant or occupants of the Commercial Property.

20.2 Applications for building permits to make Alterations shall be filed and processed by the Owner of the Residential Property without the joinder of the Owner of the Commercial Property in such application, unless the City of Chicago or other government agency having jurisdiction thereof requires joinder of the Owner of the Commercial Property. If joinder by the Owner of the Commercial Property is so required, the Owner of the Commercial Property shall cooperate in executing such application or other instruments as may be necessary to obtain the building permit; provided, however, the Owner of the Residential Property shall indemnify and hold harmless the Owner of the Commercial Property from and against any and all losses, liabilities, claims, judgments, costs and expenses arising out of the Owner of the Commercial Property's execution of the application, permit or other instrument.

20.3 The Owner of the Residential Property shall include in any construction contract relating to Alterations or Work a provision pursuant to which the contractor (i) recognizes the separate ownership of the various parcels which comprise the Total Property and agrees that any lien rights which the contractor or subcontractors have under the Mechanics Lien Act shall only be enforceable against the Residential Property, and (ii) agrees that no lien or claim may be filed or maintained by such contractor or any subcontractors against any portion of the Commercial Property or the Ground Lessor's interest in the Total Parcel or the Total Property, or any portion thereof, and agrees to comply with the provisions of Section 21 of the Mechanics Lien Act in connection with giving notice of such "no lien" provision.

20.4 (a) The Owner of the Commercial Property may, at any time, at its sole cost and expense, make additional improvements or alterations (hereinafter in this Article 20, "Alterations") to the Commercial Improvements, provided that such Alterations comply with the

UNOFFICIAL COPY

balance of this Section 20.4 and all of the other provisions of this Article 20 and the provisions of the Commercial Ground Lease. Any plans and specifications for any restoration of the Commercial Improvements which contain substantially the same architectural features as the Commercial Improvements which existed prior to the necessity of restoration, any plans and specifications for any improvements, modifications, restoration, construction, fixturing, equipping or furnishing on or within the walls of the Commercial Property (i.e. tenant build-out), and any plans and specifications for any improvements, modifications, or restoration that are necessary to comply with any law or regulatory scheme governing the Commercial Property or the provisions of the Commercial Ground Lease shall not be deemed to be Alterations within the meaning of this Article 20.

(b) Unless otherwise provided in Section 20.4(a) and this Section 20.4(b), Alterations shall not be made to the Commercial Property without the prior written consent of the Owner of the Residential Property, if such Alterations will:

- (i) materially diminish the benefits afforded to the Owner of the Residential Property by any Easement or interrupt the Owner of the Residential Property's use or enjoyment of any Easement;
- (ii) impair the structural integrity of the Improvements (or any portion thereof) or necessitate the erection of additional columns, bearing walls, or other structures upon or within the Total Property;
- (iii) materially adversely affect any Shared Facilities and Improvements benefiting the Owner of the Residential Property; or
- (iv) materially impair or otherwise materially adversely affect the traffic pattern for ingress and egress to and from any entrances to the Building.

(c) If, at any time, the Owner of the Commercial Property proposes to make any Alterations which require the consent of the Owner of the Residential Property, then before commencing or proceeding with such Alterations, the Owner of the Commercial Property shall deliver to the Owner of the Residential Property and the Owner of the Residential Property's Mortgagee, a copy of the plans and specifications showing the proposed Alterations and a reference to this Section 20.4. If the Owner of the Residential Property and its Mortgagee consent to such Alterations or state that their consents are not required, the Owner of the Commercial Property may proceed to make its Alterations substantially in accordance with said plans and specifications. If the Owner of the Commercial Property has not requested the Owner of the Residential Property's consent to the proposed Alterations, and if, in the reasonable and good faith opinion of the Owner of the Residential Property or its Mortgagee, the Owner of the Commercial Property has violated or will violate the provisions of Section 20.4(a) or (b), the Owner of the Residential Property or its Mortgagee (an "Objecting Party") shall notify the Owner of the Commercial Property of its reasonable and good faith opinion that the Alterations or proposed Alterations violate or will violate the provisions of Section 20.4(a) or (b) hereof, and shall specify the respect or respects in which its provisions are or will be violated. If an Objecting Party reasonably and in good faith asserts a violation of Section 20.4(a) or (b), then the

UNOFFICIAL COPY

Owner of the Commercial Property shall not commence with the Alterations or proceed with the Alterations, if already commenced, until the matter has been resolved. In addition to any other legal or equitable rights or remedies to which the Objecting Party may be entitled by reason of the Owner of the Commercial Property's violation or imminent violation of the provisions of this Section 20.4(c), the Objecting Party shall be entitled to seek and obtain injunctive relief to enjoin any such violation.

(d) If any matter arises between the Owners with respect to whether any Alterations or proposed Alterations by the Owner of the Commercial Property violate the provisions of Section 20.4(a) or (b) then either Owner may submit such matter to the Architect for its advice, and the Architect shall render its opinion whether the Alterations or proposed Alterations violate the provisions of Section 20.4(a) or (b) hereof.

(e) The Owner of the Commercial Property, in making Alterations, shall (i) perform all Work in a good and workmanlike manner and in accordance with good construction practices, (ii) comply with all applicable federal, state and local laws, statutes, ordinances, codes, rules, regulations and orders, including, without limitation, the City of Chicago Building Code and Zoning Ordinance, and (iii) comply with all of the applicable provisions of this Declaration. The Owner of the Commercial Property shall make Alterations in such a manner as to minimize any noise, vibration, particulate and dust infiltration or other interference or disturbance which would interfere with or disturb an occupant or occupants of the Residential Property.

(f) Notwithstanding anything contained in this Declaration to the contrary, the terms, provisions and restrictions set forth in this Article 20 shall not apply to the construction, installation and Maintenance of any signs and/or awnings (including, without limitation, advertising and identification signs and awnings) now or hereafter constructed, installed or located on Total Property and shall instead be governed by Section 23.11 hereof.

20.5 Applications for building permits to make Alterations shall be filed and processed by the Owner of the Commercial Property without the joinder of the Owner of the Residential Property in such application, unless the City of Chicago or other government agency having jurisdiction thereof requires joinder of the Owner of the Residential Property. If joinder by the Owner of the Residential Property is so required, the Owner of the Residential Property shall cooperate in executing such application or other instruments as may be necessary to obtain the building permit; provided, however, the Owner of the Commercial Property shall indemnify and hold harmless the Owner of the Residential Property from and against any and all losses, liabilities, claims, judgments, costs and expenses arising out of the Owner of the Residential Property's execution of the application, permit or other instrument.

20.6 The Owner of the Commercial Property shall include in any construction contract relating to Alterations or Work a provision pursuant to which the contractor (i) recognizes the separate ownership of the various parcels which comprise the Total Property and agrees that any lien rights which the contractor or subcontractors have under the Mechanics Lien Act shall only be enforceable against the Commercial Property, and (ii) agrees that no lien or claim may be filed or maintained by such contractor or any subcontractors against any portion of the Residential Property or the Ground Lessor's interest in the Total Parcel or the Total Property, or

any portion thereof, and agrees to comply with the provisions of Section 21 of the Mechanics Lien Act in connection with giving notice of such "no lien" provision.

ARTICLE 22

LIMITATION OF LIABILITY

22.1 Each Owner shall use reasonable diligence in performing the services required of such Owner, but shall not be liable for interruption or inadequacy of service, or for loss or damage to property or injury (including death) to any person as a result of interruption or inadequacy of service other than in the case of gross negligence or wilful misconduct. Each Owner obligated to furnish services hereunder is reserved the right to curtail or halt the performance of any services hereunder at any time in reasonable respects for a reasonable period to time to make necessary repairs or in the case of an Emergency Situation.

22.2 In the event of any conveyance or divestiture of title to any portion of or interest in any portion of the Total Property: (i) the Owner who is divested of title shall be entirely freed and relieved of all covenants and obligations thereafter accruing hereunder but only with respect to any such portion or interest conveyed or divested, and (ii) the grantee or the person or persons or other entity or entities who succeed to title shall be deemed to have assumed all of the covenants and obligations of the Owner of such portion or interest thereafter accruing hereunder, until such grantee or successor is itself freed and relieved therefrom as hereinabove provided in this Section, and then any such grantee's or successor's grantee or successor shall thereafter be so bound.

23.1 In fulfilling obligations and exercising rights under this Declaration, each Owner shall cooperate with the other Owner to promote the efficient operation of each respective portion of the Total Property and the harmonious relationship between the Owners and to protect the value of each Owner's respective portion, estate or interest in the Total Property. To that end, each Owner shall share information which it possesses relating to matters which are the subject of this Declaration, except such information as such Owner may reasonably deem confidential or which may be the subject of litigation and which such Owner is prohibited from revealing pursuant to court order. From time to time after the date hereof, each Owner shall furnish, execute and acknowledge, without charge (except where elsewhere provided herein) (i) such other instruments, documents, materials and information as the other Owner may reasonably request in order to confirm to such requesting Owner the benefits contemplated hereby, but only so long as any such request does not restrict or abridge the benefits granted the other Owner hereunder or increase such Owner's burdens hereunder; and (ii) such grants of easements to and agreements with utility companies as the other Owner may reasonably request in order to enable such utility company to furnish utility services as required by such Owner, provided that the Mortgagee which holds any Mortgage on the portions of the Total Property on which such easements are to be granted and each Ground Lessor (to the extent required by the Ground Leases) has first consented in writing to such easements.

UNOFFICIAL COPY

23.2 The illegality, invalidity or unenforceability under law of any covenant, restriction or condition or any other provision of this Declaration shall not impair or affect in any manner the validity, enforceability or effect of the remaining provisions of this Declaration.

23.3 The headings of Articles in this Declaration are for convenience of reference only and shall not in any way limit or define the content, substance or effect of the Articles.

23.4 Except as otherwise provided herein (including, without limitation, Article 19 hereof [Amendments To Declaration]), this Declaration may be amended or terminated only by an instrument signed by the Owners and the Mortgagees. Any amendment to or termination of this Declaration shall be recorded with the Recorder.

23.5 The covenants, conditions and restrictions contained in this Declaration shall be enforceable by the Owners and their respective successors and assigns for a term of ninety-nine (99) years from the date this Declaration is recorded, subject to amendment or termination as hereinabove set forth in Article 19 (Amendments To Declaration) or Section 23.4; provided, however, that this Declaration, and all Easements, covenants, conditions and restrictions contained herein, shall terminate and be deemed abrogated upon the demolition or destruction of all of the Improvements and the failure to restore or rebuild the same within five (5) years after such demolition or destruction. If and to the extent that any of the covenants would otherwise be unlawful or void for violation of (a) the rule against perpetuities, (b) the rule restricting restraints on alienation, or (c) any other applicable statute or common law rule analogous thereto or otherwise imposing limitations upon the time for which such covenants may be valid, then the provision concerned shall continue and endure only until the expiration of a period of twenty-one (21) years after the date of the last to survive of the class of persons consisting of all of the lawful descendants of Richard M. 23.7 The parties hereto acknowledge that this Declaration and all other instruments in connection herewith, have been negotiated, executed and delivered in the City of Chicago, County of Cook and State of Illinois. This Declaration and said other instruments shall, in all respects, be governed, construed, applied and enforced in accordance with the laws of Illinois including, without limitation, matters affecting title to all real property described herein.

23.8 This Declaration is not intended to give or confer any benefits, rights, privileges, claims, actions or remedies to any person or entity as a third-party beneficiary (except the Mortgagees and the Ground Lessors) under any statutes, laws, codes, ordinances, rules, regulations, orders, decrees or otherwise.

23.9 Each provision of the Recitals to this Declaration and each exhibit attached hereto is hereby incorporated in this Declaration and is an integral part hereof.

23.10 No charges shall be made for any Easements or rights granted hereunder or for any services provided hereunder unless otherwise provided or permitted under the terms of this Declaration.

23.11 (a) The Owner of the Residential Property shall have the right to install and maintain signs and/or awnings (including, without limitation, marketing and identification signs and awnings) on the Residential Property, without the consent of the Owner of the Commercial Property provided, that all signs and/or awnings (i) are installed in a good and workmanlike manner in compliance with all applicable law and ordinances and in a manner as to cause minimal noise, vibration and dust, (ii) are of quality and content consistent with the signage of a mixed-use development similar to the Building, and (iii) do not illuminate in such a manner as to unreasonably interfere with the use and enjoyment of the Commercial Property.

(b) The Owner of the Commercial Property shall have the right to install and maintain signs and/or awnings (including, without limitation, marketing and identification signs and awnings) on the Commercial Property and on portions of the Residential Property as follows:
