Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Cyment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may held such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reaso table period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. These items are co'ted "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Excess Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when are where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a coverage and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current day and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by fed all agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured), of in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the end of count, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law negatives Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RFSPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower

any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower:

(a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument,

This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender nay 1 equire Borrower to pay, in connection with this Loan, either: (a) a onetime charge for flood zone determination, pertification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or cer'if ation. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower

If Borrower falls to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but raight or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any use, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower sectived by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Leria as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certifica e. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an inditional loss

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender my make payee. proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to resocration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund

of unear red r emiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

- 6. Occupy icy Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the 30 ecution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreas one oby withheld, or unless extenuating circumstances exist which are beyond Borrower's control.
- 7. Preservation, Mainter and early and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Parrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condendates proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for epairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proce as for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Ler der shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

- 8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Loan were's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (a) hiled to provide Lender with material information) in connection with the Loan. Material representations include but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.
- 9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a ura which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage

Insurance, Porrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in e fec, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were que when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for ne period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mor gage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage In urance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance et ds 'n accordance with any written agreement between Borrower and Lender providing for such termination or until terms asion is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate previded in the Note.

Mortgage Insurance reimburses Lender (or any en. to that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower i no a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any course of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance) remiums).

As a result of these agreements, Lender, any purchaser of the Note, another issurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) arounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrang ment is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to I ay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Fior gage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to

and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the Property is damaged, such Miscellaneous Proceeds and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender of lerwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscelle neous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the paruri taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, dest uct m, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds sha i be ar plied to the sums secured by this Security Instrument whether

or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes porrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairmer, on Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed vail a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the

order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borre wer or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors ir in erest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security

Lender may choose to make this refund by .edu cing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces princ pal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. ADJUSTABLE RATE RIDER (5 Year Fixed Pay/1 Month LIBOR Index/Payment and Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 19th day of MARCH 2004 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrove") to secure the Borrower's Adjustable Rate Note (the "Note") to FIRST MAGNUS (the "Lender") of FINANCIAL CORPORATION the same date and covering the Property described in the Security Instrument and located at:

> 9942 S. BELL AVE, CHICAGO, ILLINOIS 60620 [Property Address]

THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. MY MONTHLY PAYMENT INCREASES AND DECREASES MAY BE LIMITED AND MY INTEREST RATE INCREASES ARE LIMITED. THE PRINCIPAL AMOUNT TO REPAY COULD BE GREATER THAN THE AMOUNT ORIGINALLY BORROWED, BUT NOT MORE THAN THE LIMIT STATED IN THE NOTE.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

INTEREST 1.

(A) Interest Rate

Interest will be charged on unpaid principal until the full another of principal has been paid. I will 1.950 %. The interest cate I will pay may change. pay interest at the yearly rate of

The interest rate required by this Section 1 is the rate I will pay both before and after any default described in Section 7(B) of the Note.

(B) Interest Rate Change Dates

day of MAY 2004 The interest rate I will pay may change on the 1st and on that day every month thereafter. Each date on which my interest rate could change is called an "Interest Rate Change Date." The new rate of interest will become effective on each Inc. est Rate Change Date.

(C) Interest Rate Limit

My interest rate will never be greater than

19.900 %.

(D) The Index

Beginning with the first Interest Rate Change Date, my interest rate will be based on an Index. The "Index" is the one month London Interbank Offered Rate (LIBOR) as published in The Wall Street Journal. The most recent Index figure available as of the first business day after the twenty-fifth day of the month immediately preceding the month in which the Interest Rate Change Date occurs is called the "Current Index."

0426649177 Page: 16 of 19

UNOFFICIAL COPY

If the Index or any Index previously substituted under this Section 1(D) is no longer available, or is otherwise unpublished, the Note Holder may choose a new Index and a new Margin to result in a rate similar to the rate in effect at that time which is based upon comparable information. The Note Holder will give me notice of the choice.

(E) Calculation of Interest Rate Changes

Before each Interest Rate Change Date, the Note Holder will calculate my new interest rate by adding %) (the 3.050 percentage points (THREE AND 050/1000 "Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the interest rate limit stated in Section 1(C), the rounded amount will be my new interest rate until the next Interest Rate Change Date.

PAYMENTS 2.

(A) Zin e and Place of Payments

I will pay principal and interest by making payments every month. I will make my monthly payments, day of each month beginning on as described in Subsections (B) through (F), below, on the 1st . I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under the Note. My monthly payments will be applied to racrest before principal. If, on APRIL 1, 2034 owe amounts under the Note, I will pay those amounts in full on that date, which is called the "Maturity Date." I will make my monthly payments at 5285 E. WILLIAMS CIRCLE, SUITE 2000, TUCSON, ARIZONA 95711

, or at a different place if required by the Note Holder.

(B) Minimum Payment

As of the date of the Note, my "Minin um Payment" of principal and interest is \$1,255.56 This amount will remain the same for the first 60 monthly payments due under the Note. Thereafter, my Minimum Payment is subject to change as described in detail, below. I must make at least the Minimum Payment each month.

(C) Additions/Reductions to My Unpaid Principal

My Minimum Payment may be less than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe in ful on the Maturity Date in substantially equal payments. If this occurs, each month that my Minimum Payment is less than the interest portion, the Note Holder will subtract the amount of that payment from the amount of the interest portion and will add the difference to my unpaid principal. The Note Holder also will add interest on the amount of this difference to my unpaid principal each month. The interest rate on the interest added to principal will be the rate set forth in Section 1 above.

(D) Payment Changes

My Minimum Payment will change under the following circumstances:

Payment Change Dates. My monthly Minimum Payment may change on the 1st day of , and on that same day every 12th run th thereafter. Each of these dates is called a "Payment Change Date." Before each Payment Change Date, the Note Holder will calculate the amount of the monthly payment that would be sufficient to repay my unpaid principal in full on the Maturity Date in substantially equal installments at my new interest rate calculated pursuant to paragraph 1(E) above. My new monthly Minimum Payment will be set equal to the recalculated amount except that my new Minimum Payment will not be more than 7.500% greater or less than the amount of the last monthly payment that was due before the applicable Payment Change Date.

0426649177 Page: 17 of 19

UNOFFICIAL COPY

- Adjustment Dates. Notwithstanding Subsection 1, above, on the 5th Payment Change Date and on each succeeding 5th Payment Change Date thereafter, my Minimum Payment will be adjusted as explained above, except that the described 7.500% limitation will not apply.
- Other Changes. My monthly payment may also change as described in Section (F), below.

(E) Payment Options

Additional payment options, such as: (i) a fully-amortizing payment (i.e., a payment that would be sufficient to repay the unpaid principal balance in full on the Maturity Date in substantially equal installments at the current Fully Indexed Rate); (ii) an interest-only payment (i.e., a payment equal to the interest accrued on the principal balance at the Fully Indexed Rate); and, (iii) a 15-year amortization option, may, at the Note Holder's discretion, be shown on my monthly statement. These payment options are shown for my convenience and may change each month based on changes in the Index (as described in Section 1(D)) and changes in the amount of my principal balance. Although none of these optional payments is required, a timely payment made in accordance with any payment option shown on my monthly statement will be deemed to be in compliance with the terms of the Note. In all events, a payment option offered on my monthly statement will never be less than my Minimum Payment.

(F) Payment Limitations

In all events, my unpaid principal balance can never exceed 110 percent of the principal amount I originally borrowed ("Original balance"). If on any monthly statement any payment would cause my principal balance to exceed that mount, my Minimum Payment on that statement will be adjusted to an amount that would cause my unpaid principal balance to equal 110 percent of my Original Balance. Thereafter, until otherwise changed in accordance with the terms of the Note, my Minimum Payment will be adjusted to an amount which would be afficient to repay my then unpaid principal balance in full on the Maturity Date at my current interest rate in substantially equal payments.

NOTICES OF CHANGES 3.

The Note Holder will deliver or mail to me a rotice of any changes in the amount of my Minimum Payment at least 25 days before the effective date of any change. The notice will contain the interest rate or rates applicable to my loan for each month since the prior, patice or, for the first notice, since the date of the Note, and the payment amount applicable to the loan. The notice will also include information required by law to be given to me, and also the title and telephone number of a person who will answer any question I may have regarding the notice.

BORROWER'S RIGHT TO PREPAY 4.

I have the right to make payments of principal at any time before they are are. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note riclder in writing that I am doing so. I may make a full prepayment or partial prepayments, without paying any reconsument charge (subject to any Prepayment Penalty Addendum included in the Loan Documents). The Note Holder will use all of my prepayments to reduce the amount of principal that I owe under the Note. A partial prepayment, will not result in a change in the amount or due dates of any of my monthly payment options ur less the Note Holder agrees in writing to those changes. My partial prepayment may reduce the amount of some of my payment options after the first Payment Change Date following my partial prepayment. However, any reduction due to my partial prepayment could be offset by an interest rate increase. My partial prepayment will not affect the amount of my Minimum Payment following my partial prepayment unless I comply with the following: (1) notify the Note Holder in writing of my desire to have the Minimum Payment recalculated prior to the next scheduled Payment Change Date; (2) execute the loan modification documents required by the Note Holder to effectuate said recalculation; and (3) pay to the Note Holder a \$500.00 modification fee.
