Further, this quitclaim deed ("Deed") is made and executed upon, and is subject to certain express conditions and covenants hereinafter contained, said conditions and covenants being a part of the consideration for the Property and are to be taken and construed as running with the land, which covenants and conditions are as follows:

FIRST: Grantee shall pay when due any real estate taxes and assessments on the Property or any part thereof accruing after the date of delivery of this Deed to Grantee. Prior to the issuance by Grantor of the Certificate as defined in the hereinafter defined Agreement, Grantee shall not encumber the Property, except as permitted by that certain Agreement for the Sale and Redevelopment of Land entered into by Grantor and Grantee on Sept. 29, 2004 and recorded with the Cook County Recorder of Deeds Office on 10-1-04, as document # 0427503014 ("Agreement"). Grantee shall not suffer or permit any levy or attachment to be made or any other encumbrance or lien to attach to the Property except as permitted by the Agreement, until Grantor issues the Certificate

SECOND: Grantee shall promptly commence the construction of the Project (as defined in the Agreement) in accordance with the Drawings (as defined in the Agreement) and the terms of the Agreement, and shall diligently proceed with the construction of the Project to completion; provided, that, in any event, construction of the Project shall commence within 45 days after the occurrence of (i) the conveyance of the Property to the Grantee and (ii) the issuance of building permits necessary to commence construction of the Project, and shall be completed within eighteen (18) months after commencement of construction of the Project. THIRD: Until Grantor delivers the Certificate to Grantee, Grantee shall have no right to convey any right, title or interest in the Property except as permitted by the terms of this Deed and the Agreement. For purposes of this section, the term convey includes the assignment of a beneficial interest in a land trust. To the extent that the provisions of this paragraph Third conflict with the provisions contained in the Agreement, the provisions of the Agreement shall govern.

FOURTH: Grantee agrees for itself and any successor in interest not, in violation of applicable law, to discriminate based upon race, religion, color, sex, national origin or ancestry, handicap, sexual orientation, military status or source of income in the sale, lease, or rental of the Property or any part thereof or of any improvements erected or to be erected thereon or any part thereof.

The covenants and agreements contained in the covenants numbered **FIRST**, **SECOND** and **THIRD** shall terminate on the date Grantor issues the Certificate as herein provided except only that the termination of the covenant numbered **FIRST** shall in no way be construed to release Grantee from its obligation to pay any real estate taxes and assessments on the Property or any part thereof accruing after the date of the delivery of this Deed to Grantee. The covenant numbered **FOURTH** shall remain in effect without any limitation as to time.

In the event that subsequent to the conveyance of the Property and prior to delivery of the Certificate by Grantor, Grantee defaults in or breaches any of the terms or conditions of the Agreement which have not been cured or remedied within the period and in the manner provided for in the Agreement, Grantor may re-enter and take possession of the Property and terminate the estate conveyed by this Deed, and such title, right and interest of Grantee, or any assigns or successors in interest, to and in the Property shall revert to Grantor. Said right of re-entry by Grantor shall terminate upon the issuance of the Certificate by Grantor.

Notwithstanding any of the provisions of this Deed, including but not limited to those which are intended to be covenants running with the land, the holder of any mortgage or trust deed or a holder who obtains title to the Property or any part thereof, as a result of foreclosure of such mortgage or trust deed shall not be obligated by the provisions of this Deed or the Agreement to construct or complete the construction of the Project or to guarantee such construction or completion; nor shall any covenant or any other provision in this Deed or the Agreement be construed to so obligate such holder.

Promptly after the completion of the Project, in accordance with the Drawings and consistent with the terms of the Agreement, Grantor shall furnish Grantee with a Certificate as outlined in Section 9 of the Agreement. The Certificate shall be a conclusive determination of satisfaction and termination of the agreements and covenants contained in the Agreement and in this Deed with respect to the construction of the Project.

The Certificate shall be in such form as will enable it to be recorded in the proper office for the recordation of deeds and other instruments pertaining to the Property. Once the Certificate is recorded, the Agreement shall no longer be deemed to be a title encumbrance on the Property.
