The Lender is the owner and holder of a promissory note of even date herewith (the "Note"), at interest and payable as stated therein, evidencing the joint and several indebtedness of the Borrower to the Lender under an acquisition/construction loan in the principal amount of **Nine Million Nine Hundred Thousand Dollars (\$9,900,000.00)**, the "Loan" and with a scheduled maturity of **May 1, 2006**, such interest being at a variable per annum rate based upon the Lender's "prime rate" from time to time.

**For Value Received**, and to secure the due and timely payment and performance of the indebtedness and obligations owed to the Lender with respect to the Loan and under the Note and any modifications, extensions, renewals or replacements thereof, and under the "Loan Documents", as that term is used and defined in the Note:

M.G.R. TITLE

**UNOFFICIAL COPY**

**THE BORROWER HEREBY CONVEYS AND MORTGAGES AND WARRANTS** to the Lender the parcel(s) of real estate described in attached Exhibit A (the "**real estate**") and all of the Borrower's existing and hereafter acquired right, title and interest therein including any after-acquired title or reversions or remainders, together with the following properties and interests with respect to the real estate: (a) all buildings and other improvements (collectively, the "**improvements**"), and all materials for the construction or repair thereof, now or hereafter erected, placed or located thereon; (b) all fixtures of any kind now or hereafter located thereon; (c) all easements, rights-of-way and rights used in connection therewith or with a means of access thereto, and appurtenances thereto, including without limitation any abutting road, street, highway or alley opened or hereafter vacated; (d) all existing and future leases (and all security given by tenants thereunder, including the right to proceeds under any letter of credit given as security), rents, issues, proceeds and profits thereof, with full and complete authority and right in the Lender in case of a default hereunder to demand, collect, receive and receipt for same; (e) ) all items of tangible personal property of any kind or character now or hereafter located thereon, including without limitation "equipment" and "inventory" as those terms are used and defined in the Illinois Uniform Commercial Code as in effect from time to time (the "**UCC**"), and used or useful in connection therewith or the leasing thereof or the operation of any business or other activity conducted thereat, but excluding any such items owned by any tenant thereof; (f) all items of intangible personal property, including without limitation "accounts", "chattel paper", "deposit accounts", "documents", general intangibles (including without limitation "payment intangibles" and "software"), "instruments", "letter of credit rights" and "supporting obligations" (as those terms are used and defined in the UCC), related to or in connection with or arising from said real estate or the operation thereof; and (g) all additions, accessions, substitutions, replacements and proceeds of, for or to any of such items, all of which are collectively referred to hereinafter as the "**Personalty**". Notwithstanding its designation as Personalty, each of the foregoing "tangible" items is hereby deemed to be and remain and form a part of the real estate parcel to which it relates and to be covered by the lien hereof; and (i) as to any such item which does not form a part and parcel of the real estate or does not constitute a "fixture" under the UCC, and (ii) as to all of the foregoing "intangibles", the Borrower hereby grants the Lender a security interest therein and this Mortgage shall also constitute a UCC "security agreement", with the Lender as the "secured party" and the Borrower as the "debtor" hereunder.

As used hereinafter and unless context requires otherwise, the term "**Mortgaged Premises**" shall mean and include the real estate and the aforesaid properties and interests.

**Construction Mortgage.** The proceeds of the Loan shall be utilized for the construction and completion of certain improvements on or to, the subject real estate (the "**Project**"), pursuant to and as provided in that certain "Construction Loan Agreement" of even date herewith (the "**Loan Agreement**"), being one of the aforesaid Loan Documents; this Mortgage constitutes a "construction mortgage" within the meaning of Section 9-334(h) of the UCC.

**Incorporation of Documents.** The Note and the Loan Documents are hereby incorporated herein by reference.

**THE BORROWER HEREBY REPRESENTS AND WARRANTS TO AND COVENANTS AND AGREES WITH THE LENDER AS FOLLOWS:**

1. **Payment and Performance.** All indebtedness and obligations owed to the Lender hereunder and under the Note and the Loan Documents shall be duly and timely paid and performed.

2. **Title to the Mortgaged Premises.** The Borrower owns and holds a fee simple title to the Mortgaged Premises free and clear of all liens, encumbrances and other adverse title or survey matters other than the "**Permitted Exceptions**" described in Paragraph 21 below, and has legal power and the authority to mortgage and convey the Mortgaged Premises and to execute and deliver this Mortgage.

3. **Priority, Maintenance and Further Assurances of Lender's Lien; After-acquired Property.**

A. This Mortgage is now and will at all times hereafter be maintained as a first and paramount lien on the Mortgaged Premises. The Borrower will not directly or indirectly create, or permit or suffer to stand against the Mortgaged Premises or any part thereof (including without limitation rents, issues and profits), any lien, security interest, encumbrance or charge (including without limitation any tax or mechanic's lien) which is or could become superior to or on a parity with the lien of this Mortgage; if and when any of the foregoing is filed or claimed against the Mortgaged Premises, the Borrower shall promptly cause the same to be discharged or released of record, or "insured over" by a title insurer acceptable to the Lender, or, at Borrower's option and if appropriate under the circumstances, contested by means of a "**Permitted Contest**" described in Paragraph 4 below.

B. If any action or proceeding (including without limitation actions for condemnation or for building [or other] code violations) is threatened or instituted to recover possession of the Mortgaged Premises or to accomplish any other purpose which could adversely affect this Mortgage, or the Mortgaged Premises or the Borrower's title thereto, the Borrower will immediately upon its receipt thereof deliver to the Lender true copies of all notices, process, pleadings or other papers regarding such action or proceeding.

C. In no event shall the Borrower do, or permit to be done or omit to do or permit the omission of, any act or thing the doing of which, or omission to do which, would impair the security of this Mortgage. The Borrower shall not initiate, join in or consent to any change in any private restrictive covenant, zoning ordinance or other public or private restriction or agreement materially changing the uses which may be made of the Mortgaged Premises or any part thereof without the Lender's prior written consent.

D. All property of every kind acquired by the Borrower after the date hereof and which by the terms hereof is required or intended to be subjected to the lien hereof shall, automatically upon such acquisition and without the requirement of any further documentation or action, become subject to the lien and security of this Mortgage. Nevertheless, and in any event, the Borrower at its own expense will do such further acts and execute, acknowledge and deliver such further conveyances, mortgages, security agreements, financing statements and assurances (including without limitation "estoppel certificates") as the Lender shall reasonably require from time to time to accomplish the purpose, or to effect an assignment or transfer, of this Mortgage.

4. **Permitted Contests.** The Borrower may, at its own expense and upon advance written notice to the Lender, by means of an appropriate legal or administrative proceeding that is commenced and diligently prosecuted in good faith (a "**Permitted Contest**"), contest the amount, validity or application of any of the "**Impositions**" described in Paragraph 5 below, or any lien or other instrument of record adversely affecting the Mortgaged Premises, **provided that:** (a) neither the Mortgaged Premises nor any part thereof or interest therein would be in any danger of being sold, forfeited or lost during the pendency of such Permitted Contest, (b) neither the Borrower nor the Lender would be in any danger of any civil or criminal liability for failure to comply therewith, and (c) the Borrower shall have set aside on its books adequate reserves with respect thereto and shall

have furnished such security as may be required in the proceedings or as may be reasonably required by the Lender.

5. **Tax and Insurance Payments and Reserves.** The Borrower shall timely pay all general and special taxes, assessments and any other charges (collectively, the "**Impositions**") levied, assessed, placed or made on or against the Mortgaged Premises (subject to its rights to assert a Permitted Contest), and all "insurance premiums" described in Paragraph 9 below, and shall immediately thereafter deliver to the Lender satisfactory evidence that the same have been paid.

A. Unless the Lender agrees otherwise in writing, the Borrower shall pay the Lender monthly such sums (the "**Deposits**") as the Lender shall from time to time require for the purpose of accumulating at least sixty (60) days in advance of the respective due dates thereof amounts sufficient for the full payment of the insurance premiums and the Impositions as they fall due. The Deposits are hereby pledged for the further security of this Mortgage, shall earn no interest, and may, at the Lender's option upon the occurrence of an Event of Default (hereinafter defined), be applied toward the indebtedness secured hereby, and no third party shall have any rights therein or as to the application thereof.

B. The Lender shall have no duty or responsibility to apply the Deposits toward, or to inquire as to the validity or accuracy of, any Impositions or insurance premiums; however, if the Borrower is not then in default under this Mortgage, and upon its request and presentation of the proper bills or invoices therefor, the Lender shall cause the same to be paid from and to the extent of the Deposits then on hand.

6. **Maintenance and Operation of the Mortgaged Premises.**

A. The Borrower shall keep the Mortgaged Premises in good condition, repair and working order and make all repairs, renewals and replacements as and when necessary. The Borrower shall not cause, permit or suffer any impairment or diminishment of the value of or the commission of waste to the Mortgaged Premises, or, without the Lender's prior written consent, change the structural character of or remove or add to any improvements now or hereafter permitted on the Mortgaged Premises. The Borrower in its reasonable discretion and without the Lender's consent may from time to time make nonstructural changes in or to the Mortgaged Premises, provided the changes are suitable thereto and do not impair or diminish the value thereof, and may remove and dispose of any items of the aforesaid Personalty (with the right to retain any proceeds resulting therefrom) which become obsolete, worn-out, or no longer useful in the operation of the

Mortgaged Premises or any business conducted thereon, provided the Borrower promptly replaces such items where appropriate, and that title to such replacements is held by the Borrower free and clear of all liens and encumbrances.

B. The Mortgaged Premises and the uses and operations thereof are now and shall at all times hereafter be in full compliance with all applicable laws, rules, codes and regulations of all local, state and federal authorities having jurisdiction with respect thereto, and including without limitation the "Environmental Laws" described in Paragraph 27 below, and the provisions of and regulations related to the "Americans with Disabilities" Act and the "Environmental Barriers" Act.

7. **Lender's Inspection.** The Lender or its agents or representatives may from time to time conduct such inspections of the Mortgaged Premises as the Lender at any time deems appropriate.

8. **Books and Records, etc.** The Borrower shall cause to be kept and maintained at all times books of record and account and the data in support thereof pertaining to the Mortgaged Premises and the use and operation thereof (collectively, the "**Books**"), which shall at all reasonable times be open to the inspection of the Lender or its designee. The Books shall contain full, true and correct entries made in accordance with generally accepted accounting principles consistently applied.

The Borrower shall cause the following to be prepared and delivered to the Lender, all in reasonable detail and certified by an appropriate accounting officer as being complete and correct: operating statements for the Mortgaged Premises, and personal financial statements for each of the makers and any guarantors of the Note, all within ten (10) days after the Lender's written request therefor from time to time, and, in any event, within ninety (90) days after the end of each calendar year.

9. **Insurance.**

A. The Borrower shall continuously maintain the following insurance coverages with respect to the Mortgaged Premises and under, in and with such amounts, form, terms, and companies as are reasonably required or approved by the Lender from time to time, and shall timely pay all premiums therefor ("**insurance premiums**"):

(1) Casualty insurance against loss of or damage to the improvements by fire and such other risks as are customarily insured against in the area in which the Mortgaged Premises are located, and including without limitation risks insured against under extended coverage policies with "all risks" endorsements, in each case in amounts at all times sufficient to prevent the Lender from becoming a coinsurer under the terms of the applicable policies, but, in any event, in amounts not less than the greater of (a) the principal amount of the Loan, or (b) 100% of the full insurable value of the Mortgaged Premises as reasonably determined by the Lender from time to time; as used herein, the term "full insurable value" means actual replacement cost (exclusive of costs of excavation, foundation and footings) without deduction for physical depreciation;

(2) Commercial general liability insurance, and with the Lender as an additional insured thereunder, against any and all claims (and the costs and expenses of defending the same) for personal (including bodily) injury, death and property damage occurring upon or in or about the Mortgaged Premises or resulting from any activity thereat; in any event, the limit of such insurance shall be, per occurrence and in the aggregate, not less than \$2,000,000/2,000,000, and with an additional \$2,000,000 "umbrella".

(3) Flood insurance, as and when available and if the area of the Mortgaged Premises has been designated as a special flood hazard area by the Federal Insurance Administration, or successor agency;

(4) Such other insurance as the Lender may reasonably require from time to time, and, in any event, as and when any construction work for any part of the Mortgaged Premises commences, coverages for Builder's Risk (including "time element" losses), Worker's Compensation and Contractual Liability.

B. Any insurance obtained by the Borrower pertaining to the Mortgaged Premises in addition to the foregoing shall be for the benefit of the Lender and the Borrower as their interests may appear, and shall conform to the applicable provisions of this Paragraph 9, and the Borrower shall immediately furnish the Lender with each policy thereof.

C. All insurance policies shall include a provision requiring that the coverages evidenced thereby shall not become terminated (whether because of cancellation, expiration of stated term, failure to renew, or otherwise) or materially modified without thirty (30) days prior written notice thereof to the Lender. None of such insurance may be provided for under any "blanket" policy carried by the Borrower, unless the Lender is furnished with satisfactory proof that such policy complies in all respects with the provisions of this Paragraph, and that the coverage provided thereunder will not be reduced or diminished by the use thereof and is at least equal to the coverage which would be provided under a separate policy covering only the Mortgaged Premises.

D. The Borrower shall deliver to the Lender the originals (or certified copies with a "material change" endorsement) of all insurance policies, or certificates of coverage under blanket policies, including renewal or replacement policies and, in the case of insurance about to expire, shall deliver renewal or replacement policies, or certificates in case of blanket policies, not less than thirty (30) days prior to their respective dates of expiration.

6. In each policy of the character described in clauses (1), (3) and (4) of subparagraph A above, the Lender shall be named as the secured party in a "Lender-Secured Party Loss Payable" endorsement thereto, and as an additional payee where appropriate, and such insurance shall be for the benefit of the Borrower and the Lender as their interests may appear. Any loss covered by such policies and not exceeding \$25,000 may be adjusted with the insurer by the Borrower alone; any loss which exceeds that amount shall be adjusted by both the Borrower and the Lender; in any event, the insurance proceeds for all losses shall be paid over to the Lender only (and not to the Borrower and the Lender jointly), to be held by the Lender without interest and applied or disbursed in accordance with Paragraph 10 below.

10. **Damage or Destruction.**

A. In the event of any loss or damage to the Mortgaged Premises from any cause, the Borrower shall immediately give the Lender written notice thereof, and, subject to the provisions of subparagraph 10D below, shall promptly commence and diligently complete the restoration or rebuilding of the Mortgaged Premises to substantially the same value, condition and character as existed prior to such loss. The work for such restoration or rebuilding (the "**Restoration Work**") shall be performed pursuant to written contracts, plans and specifications subject to the reasonable approval of the Lender.

Lalonde - 3000 North LLC's Mortgage vF

B. Subject to the provisions of subparagraph 10E below, all net insurance proceeds received by the Lender pursuant to subparagraph 9E above shall be made available for the Restoration Work. If at any time such proceeds shall, in the Lender's reasonable judgment, be deemed insufficient to pay the entire cost of the Restoration Work, the Borrower shall pay the cost of such Work from its own funds until such deficiency has been satisfied. All payments for or toward the Restoration Work shall at the Lender's option be disbursed under procedures and documentation similar to a "construction loan" escrow, and subject to the approval of an inspecting architect engaged by the Lender at the Borrower's cost, without interest.

C. After completion of the Restoration Work, any excess insurance proceeds shall be paid over to the Borrower, without interest.

D. The Borrower shall have the option in case of damage or destruction to all, or substantially all, of the Mortgaged Premises, to pay the remaining balance of the Loan, and with the same prepayment premium, if any, as provided in the Note; in that event, any insurance proceeds received and held by the Lender pursuant to Paragraph 9 above shall be applied by the Lender toward such payment. To exercise this option the Borrower shall give written notice to the Lender of its intent to do so within ninety (90) days after any such damage or destruction.

E. If any "Event of Default" (as hereinafter defined) then exists, any insurance proceeds received by the Lender or to which it is entitled may be retained by the Lender and, at its option, applied toward payment of the indebtedness secured hereby. Any amount remaining, following such application, shall be paid over to the Borrower, without interest.

F. In any event and notwithstanding any such damage or destruction, the Borrower shall continue to timely pay all scheduled payments falling due hereunder and under the Note.

## 11. Condemnation.

A. As used herein, "Taking" shall mean a taking of all or part of the Mortgaged Premises under the power of condemnation or eminent domain. The Lender may but shall not be required to appear and participate in any proceeding or action for any Taking. The Borrower shall not adjust or compromise any claim for award or other proceeds of a Taking without first giving at least thirty (30) days' advance written notice to the Lender of the proposed basis thereof and without first receiving the Lender's written consent thereto which shall not be unreasonably withheld. Any such award or other proceeds, after allowance for expenses incurred in connection therewith, are hereinafter referred to as the "Condemnation Proceeds".

**UNOFFICIAL COPY**

Lafayette 3000 North LLC's Mortgage vF

B. In the event of a Taking of all (or substantially all, hereinafter, "all") of the Mortgaged Premises, or a Taking of less than all of the Mortgaged Premises and if the same are not susceptible to restoration, the Condemnation Proceeds shall be paid to the Lender and applied, at its option, toward payment of the remaining balance of the Note, in which event no prepayment premium (if any) shall be imposed.

C. Subject to subparagraph 11D below, in the event of a Taking of less than all of the Mortgaged Premises which leaves the same susceptible and suitable to restoration, the Condemnation Proceeds shall be applied as follows: if \$25,000 or less, the Condemnation Proceeds shall be paid to and applied by the Borrower to the repair or restoration, to the extent practicable, for any resulting damage to the Mortgaged Premises; if more than the aforesaid amount, the Condemnation Proceeds shall be paid over to the Lender, to be held without interest and applied toward such repair or restoration in conformity with and subject to the conditions specified in Paragraph 10 above regarding damage or destruction. In either event and whether or not the Condemnation Proceeds applicable thereto shall be sufficient for the purpose, the Borrower shall promptly repair or restore the Mortgaged Premises as nearly as practicable to substantially the same value, condition and character as existed prior to the Taking, with such changes and alterations as may be made at the Borrower's election in conformity with and subject to Paragraph 6 above and as may be required by such Taking.

D. If any Event of Default then exists, any Condemnation Proceeds received by the Lender or to which it is entitled may be retained by the Lender and, at its option, applied toward payment of the indebtedness secured hereby. Any amount remaining, following such application, shall be paid over to the Borrower, without interest.

12. **Prohibited Transfer or Financing.** The Borrower shall not, without the prior written consent of the Lender and whether voluntarily or by operation of law (except when resulting from the death of any interested party), cause, attempt or agree to cause, suffer or permit any of the following (hereinafter, a "**Prohibited Transfer**") to occur with respect to all or any portion of (a) the Mortgaged Premises (including without limitation the aforesaid rents, issues, proceeds and profits) or the legal or equitable title thereto, (b) the beneficial interest in any trust the trustee of which becomes

**a sale, installment sale, conveyance, assignment, collateral assignment, mortgage, pledge, hypothecation or other encumbrance or transfer, and including any leasing or similar transaction that is the functional equivalent of a real estate sale as subject to a mortgage.**

13. **Events of Default.** Any of the following acts, events or conditions shall constitute an "Event of Default" hereunder:

A. A default in the full and timely payment of any amount (1) falling due under the Note and which remains uncured for the applicable "cure" period, if any, provided for therein, or (2) falling due hereunder or that is required by the terms hereof to be paid (including without limitation any Imposition) and which remains uncured for a period of fifteen (15) days, except that there shall be no cure period for any such default that in the Lender's reasonable judgment constitutes an immediate threat to the Mortgaged Premises or the lien hereof, and the Lender shall be entitled to cure or take such other action regarding the same as it deems reasonable;

B. A Prohibited Transfer;

C. Any other occurrence that is expressly defined or designated in the Note or in any other Paragraph hereof as an "Event of Default";

C. Any other occurrence that constitutes a default in the due and timely performance or observance of any other obligation, covenant or agreement contained in this Mortgage and which remains uncured or continues for a period of thirty (30) days after the Lender gives the Borrower written notice thereof.

14. **Lender's Remedies upon an Event of Default; Borrower's Waivers.**

A. Upon the occurrence of any Event of Default, the Lender may at its election and without any notice to or demand upon the Borrower exercise any one or more of the following remedies:

# UNOFFICIAL COPY

Lakeside 3000 North LLC's Mortgage vF

(1) Accelerate the maturity of the indebtedness secured hereby, in which event the unpaid principal and accrued interest under the Note and all other sums due thereunder or hereunder or secured hereby, including amounts payable under the Loan Documents, shall become immediately (and, whether or not such Event of Default is subsequently remedied by the Borrower, shall thereafter remain) due and payable in full and, until paid, shall bear interest at the per annum rate which is described in the Note as its (and which is hereinafter referred to as the) "**Default Rate**". Whether or not the Lender exercises the foregoing right of (or thereafter rescinds any such) acceleration, all reasonable costs, expenses and attorneys' fees incurred by or on behalf of the Lender with respect to any Event of Default shall be due and payable by the Borrower upon demand and with interest thereafter at the Default Rate, and shall constitute additional indebtedness secured hereby;

(2) Enter upon and take possession of the Mortgaged Premises or any part thereof, and exclude the Borrower and all other persons and any and all property therefrom, and may hold, operate, manage, and lease the same and receive all earnings, income, rents, issues, and proceeds accruing with respect thereto. The Lender shall be under no liability for or by reason of such entry, taking of possession, removal, holding, operation or management, except that any amounts so received shall be applied as hereinafter provided in this Paragraph.

While in possession of the Mortgaged Premises, the Lender shall have the following powers: (a) to collect the rents and manage, lease, alter and repair the Mortgaged Premises, obtain insurance and in general have all powers and rights customarily incident to absolute ownership; and (b) to pay out of the rents so collected, and in such order as the Lender may determine, the management and repair charges, taxes, insurance, commissions, fees and all other expenses and, after creating reasonable reserves, apply any balance on account of the indebtedness secured hereby; and The Lender may remain in such possession of the Mortgaged Premises after the commencement of any foreclosure proceedings. The Lender shall incur no liability for, nor shall the Borrower assert any claim, setoff or recoupment as a result of, any action taken while the Lender is in such possession, except only for the Lender's own gross negligence or willful misconduct. If no foreclosure proceedings are commenced, the Lender may remain in such possession as long as an Event of Default is not remedied in full;

(3) Commence foreclosure proceedings as to the lien of this Mortgage, in accordance with applicable law;

(4) Apply for the appointment of the Lender or another as the receiver for the Mortgaged Premises, whether or not foreclosure proceedings have been commenced, or, if commenced, apply for the appointment of the Lender as "mortgagee in possession". The Borrower hereby consents (and covenants not to object) to any such appointment, and acknowledges that the same may be made without regard to the then value of the Mortgaged Premises or the then solvency or insolvency of the Borrower; and

(5) Exercise any and all other rights, powers and remedies now or hereafter existing under the Loan Documents or at law or in equity.

B. (1) To all reasonable costs and expenses of the sale of the Mortgaged Premises or any part thereof or any interest therein, or entering upon, taking possession of, removal from, holding, operating and managing the Mortgaged Premises or any part thereof, as the case may be, together with (a) the costs and expenses of any receiver of the Mortgaged Premises or any part thereof appointed pursuant hereto and (b) any taxes, assessments or other charges, prior to the lien of this Mortgage, which the Lender may consider necessary or desirable to pay; then

16. **No Waiver by Lender.** No delay or failure by the Lender to insist upon the strict performance of any provision hereof or of the Note or to exercise any right, power or remedy provided for herein or therein as a consequence of any default hereunder or thereunder, and no acceptance of any payment of the principal, interest or prepayment premium, if any, on the Note during the continuance of any such default, shall constitute a waiver of any such provision, such default or such right, power or remedy or shall preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No waiver of any default hereunder shall affect or alter this Mortgage, which shall continue in full force and effect with respect to any other then existing or subsequent default.

23. **Defeasance.** As and when the Borrower has made full payment of all sums due under the Note in accordance with the terms thereof, and all other sums payable hereunder, and has complied with all other terms hereof and the terms of the Note and the Loan Documents, this Mortgage and the estate and the rights hereby created in favor of the Lender, and, except as to its duty to indemnify the Lender under Paragraphs 22 (Indemnification) and 27 (Environmental Matters) hereof, the liabilities hereby imposed upon the Borrower, shall cease, terminate and become released, and thereupon the Lender, upon the written request and at the expense of the Borrower, shall execute and deliver to the Borrower (and upon payment of a reasonable "preparation" fee) such instruments as shall be required to evidence of record the satisfaction of this Mortgage and the lien hereof, and any sums at the time held by the Lender for the account of the Borrower pursuant hereto shall be paid over as the Borrower may direct.

24. **Taxes on Mortgage or Note.** In the event of the passage of any law which, for the purposes of taxation, deducts from the value of the Mortgaged Premises any lien thereon and which, in turn, imposes a tax, whether directly or indirectly, on this Mortgage or on the Note, the Borrower shall immediately pay same when due; but if the Borrower is prohibited by law from paying such tax, or reimbursing the Lender for the payment thereof, then, at the option of the Lender and upon sixty (60) days notice thereof, such event shall be treated as if it were an additional "Event of Default" under Paragraph 13 above, except that no prepayment premium (if any) shall become due, nor shall the maturity be accelerated, by reason thereof.

25. **Disclaimer by Lender.** The Lender shall not be liable to any party for services performed or obligations due in connection with the Loan. The Lender shall not be liable for any debts or claims accruing in favor of any parties against the Borrower or against the Mortgaged Premises. The Borrower is not nor shall be an agent of the Lender for any purposes, and the Lender is not a venture partner with the Borrower in any manner whatsoever. Approvals granted by the Lender for any matters covered under this Mortgage shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be deemed solely for the benefit of the Borrower.

26. **Maximum Indebtedness Secured Hereby.** This Mortgage does and shall secure the proceeds of the Loan and all other amounts due the Lender hereunder and under the Note and the Loan Documents as well as any nonobligatory future advances made by the Lender to or for the Borrower; however, at no time shall the total indebtedness secured hereby (excluding accrued interest, advances that are obligatory upon the Lender, or made by the Lender to preserve or restore the Mortgaged Premises, or to preserve the lien or priority of, or to enforce, this Mortgage) exceed an amount equal to 500% of the aforesaid principal amount of the Loan.

27. **Environmental Matters.**

A. The Borrower will not, nor will it allow any other person to, use, generate, manufacture, produce, store, release, discharge, or dispose of on, under or about the Mortgaged Premises, or transport to or from the Mortgaged Premises, any "**Hazardous Substance**" (as defined herein) in violation of an "**Environmental Law**" (as defined herein);

B. The Mortgaged Premises are now, and will hereafter be kept and maintained, in compliance with Environmental Laws;

C. The Borrower will give written notice to the Lender immediately upon Borrower's discovery of any of the following:

(1) any proceeding or inquiry by a governmental authority, whether local, state or federal, with respect to the presence of any Hazardous Substance on the Mortgaged Premises or the migration thereof from or to other property;

(2) any claim made or threatened against the Borrower or the Mortgaged Premises relating to any loss or injury resulting from any Hazardous Substance; and

(3) any release on any real property adjoining or in the vicinity of the Mortgaged Premises that could cause the Mortgaged Premises or any part thereof to become contaminated with, or adversely affected with respect to, any Hazardous Substance;

C. The Lender shall have the right to join and participate in, and as a party if it so elects, any legal proceedings or actions initiated in connection with any Environmental Law and the Borrower shall pay all reasonable attorneys' fees thereby incurred by the Lender in connection therewith;

D. The Borrower will protect, indemnify, defend and hold harmless the Lender, its directors, officers, employees, agents, contractors, attorneys, other representatives, successors and assigns from and against any and all loss, damage, cost, expense or liability, including without limitation court costs and reasonable attorneys' fees, directly arising out of or attributable to the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of any Hazardous Substance on, under or about the Mortgaged Premises in violation of any Environmental Law, including without limitation (1) all foreseeable damages, and (2) the costs of any required or necessary repair, cleanup or remediation of the Mortgaged Premises required by any Environmental Law, and the preparation and implementation of any closure, remedial or other plans required thereby. The obligations of the Borrower under this Paragraph shall survive any release, satisfaction, termination or extinguishment (and whether by foreclosure or otherwise) of this Mortgage and/or the lien hereof, and notwithstanding the "defeasance" provisions hereof.

E. In the event that any investigation, site monitoring, containment, cleanup, removal, restoration or other remedial work of any kind or nature whatsoever (the "**Remedial Work**") is necessary under any Environmental Law as mandated by any judicial or administrative order, because of, or in connection with, the presence, suspected presence, release or suspected release of a Hazardous Substance in or into the air, soil, ground water, surface water or soil vapor at, on, about, under or within the Mortgaged Premises, or any portion thereof, the Borrower shall within a reasonable time after written demand for performance thereof by the Lender or under such order, commence and thereafter diligently prosecute to completion all such Remedial Work, failing which without a justification based in law the Lender may but shall not be required to cause the Remedial Work to be performed, and all costs and expenses thereof incurred in connection therewith shall become part of the indebtedness secured hereby. All Remedial Work shall be performed by one or more contractors, approved in advance in writing by the Lender, and under the supervision of a consulting engineer approved in advance in writing by the Lender. All costs and expenses of such Remedial Work shall be paid by the Borrower, including, without limitation, the charges of such contractor and the consulting engineer, and the Lender's reasonable costs, expenses and attorneys' fees incurred in connection with the monitoring or review of such Remedial Work.

29. **Property Manager.** Any property management agreement for the Mortgaged

At the Lender's request, such property management agreement or a memorandum thereof shall be recorded with the Office of the Recorder of Deeds for each county in which the Mortgaged Premises are located. In addition, the Borrower shall cause the property manager to enter into a subordination agreement with the Lender, in recordable form, whereby the property manager subordinates, to the extent permitted by law, its present and future lien rights and those of any party claiming by, through or under it, to the lien of this Mortgage. The Borrower's failure to require the aforesaid "no lien" provision or subordination agreement shall constitute an Event of Default hereunder.

B. If the time for payment of part or all of the indebtedness secured hereby be extended at any time or times, if the Note be renewed, modified or replaced, or if any security for the Note be released, the Borrower and all other parties now or hereafter liable for payment of part or all of such indebtedness or interested in the Mortgaged Premises shall be held to consent to such extensions, renewals, modifications, replacements and releases, and their liability and the lien hereof and the Lender's rights hereunder and thereunder shall continue in full force, the right of recourse against all such parties being reserved by the Lender.

If the party to receive such notice fails or refuses to accept delivery thereof, or if the bearer thereof is unable to complete such delivery because of an address change for which no notice was given, such notice shall be deemed given as of the date its delivery is first attempted. Personal service upon the Lender shall be valid only if made upon one of its officers.

32. **Single Asset Entity.** The Borrower shall not hold or acquire, directly or indirectly, any ownership interest (legal or equitable) in any real or personal property other than the Mortgaged Premises, or become a shareholder of or a member or partner in any entity which acquires any property other than the Mortgaged Premises, until such time as the obligations and indebtedness under this Mortgage and the Loan Documents have been fully paid performed. maintained in such a manner that it will not be costly or difficult to segregate, ascertain or identify its individual assets from those of any of its constituent parties or of any other person; and (i) that the Borrower does not now nor will it hereafter have any debts or obligations other than with respect to this Mortgage, the Loan Documents and the Loan, and normal accounts payable in the ordinary course of business, and that any other debt or obligation of the Borrower has been paid in full, or will be so paid prior to, or from the proceeds of, the initial disbursement of the Loan.

33. **Consent to Jurisdiction; Service of Process.** TO INDUCE THE LENDER TO ACCEPT THE NOTE, THE BORROWER HEREBY IRREVOCABLY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY COURT HAVING SITUS WITHIN CHICAGO, ILLINOIS, OR THE STATE OF ILLINOIS, AND WAIVES PERSONAL SERVICE OF PROCESS UPON THE BORROWER, AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL DIRECTED TO THE BORROWER AT THE ADDRESS STATED HEREIN AND SERVICE SO MADE WILL BE DEEMED TO BE COMPLETED UPON ACTUAL RECEIPT.
