Existing Reimbursement Agreement is being modified by the Fifth Amendment to Assumption Agreement, Mortgage and Other Credit Agreements entered into between Assignor and Assignee.

D. This Supplemental Assignment of Rents is being delivered pursuant to that certain Omnibus Modification Agreement ("Omnibus Agreement") dated as of October 19, 2004 executed among, *inter alia*, Assignee, Assignor, and BLC-Devonshire of Hoffman Estates, LLC, a Delaware limited liability company ("Operator") as an inducement to Assignee to grant the consents therein contained relating to certain corporate restructurings involving Assignor.

E. Assignor has entered into a certain Property Lease with Operator dated as of October 19, 2004 relating to the operation of the senior housing facilities located on the Premises (the "Operator Lease").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto mutually agree as follows:

1. **Definitions.** All capitalized terms which are not defined herein shall have the meanings ascribed thereto in that certain Loan Agreement dated May 11, 2004 from Assignor for the benefit of Assignee (as amended, modified, replaced or restated from time to time), "Loan Agreement". The Loan Documents and all documents evidencing or securing the obligations arising under the Existing Reimbursement Agreement, the Mortgage and the Assignment of Rents shall be collectively referred to as the "Property Loan Documents".

2. **Grant of Security Interest.** Assignor hereby grants, transfers, sets over and assigns to Assignee, all of the right, title and interest of Assignor in and to (i) all of the rents, revenues, issues, profits, proceeds, receipts, income, accounts and other receivables arising out of the Operator Lease affecting the land legally described in Exhibit A attached hereto and made a part hereof and all buildings and other improvements located thereon (said land and improvements being hereinafter referred to collectively as the "Premises"), including, without limitation, lease termination fees, purchase option fees and other fees, and expenses payable thereunder; (ii) the Operator Lease together with all guaranties of the Operator Lease and all security deposits delivered by Operator thereunder, whether in cash or letter of credit (the "Lease"); (iii) all rights and claims for damage against the tenant arising out of defaults under the Lease, including rights to termination fees and compensation with respect to rejected Leases pursuant to Section 365(a) of the Federal Bankruptcy Code or any replacement Section thereof; and (iv) all tenant improvements and fixtures located on the Premises. This Assignment is an absolute transfer and assignment of the foregoing interests to Assignee given to secure:

(a) Payment by Assignor when due of (i) all the Obligations and any and all renewals, extensions, replacements, amendments, modifications and refinancings thereof; (ii) any and all other indebtedness and obligations that may be due and owing to Assignee by Assignor under or with respect to the Property Loan Documents; and (iii) all costs and expenses paid or incurred by Assignee in enforcing its rights hereunder, including without limitation, court costs and reasonable attorneys' fees; and

(b) Observance and performance by Assignor of the covenants, conditions, agreements, representations, warranties and other liabilities and obligations of Assignor or any other obligor to or benefiting Assignee which are evidenced or secured by or otherwise provided in the Property Loan Documents, together with all amendments and modifications thereof.

3. **Representations and Warranties of Assignor.** Assignor represents and warrants to Assignee that:

(a) this Assignment, as executed by Assignor, constitutes the legal and binding obligation of Assignor enforceable in accordance with its terms and provisions;

(b) Assignor is the lessor under the Lease;

(c) there is no other existing assignment of Assignor's entire or any part of its interest in or to the Lease, or any of the rents, issues, income or profits assigned hereunder, nor has either Assignor entered into any agreement to subordinate the Lease or such Assignor's right to receive any of the rents, issues, income or profits assigned hereunder;

(d) Assignor has not executed any instrument or performed any act which may prevent Assignee from operating under any of the terms and provisions hereof or which would limit Assignee in such operation; and

(e) there are no defaults by the landlord and, to Assignee's knowledge, there are no material defaults by tenants under the Lease.

4. **Covenants of Assignor.** Assignor covenants and agrees that so long as this Assignment shall be in effect:

(a) Other than pursuant to the Operator Lease, Assignor shall lease not the whole of the Premises without Assignee's prior written consent to all aspects of such lease.

(b) Assignor shall observe and perform all of the covenants, terms, conditions and agreements contained in the Lease to be observed or performed by the lessor thereunder, and Assignor shall not do or suffer to be done anything to impair the security thereof. Without obtaining Assignee's prior written consent or except as may be permitted in the Loan agreement, Assignor shall not (i) release the liability of tenant under the Lease, (ii) consent to tenant's withholding of rent or making monetary advances and off-setting the same against future rentals, (iii) consent to tenant's claim of a total or partial eviction, (iv) consent to a tenant termination or cancellation of the Lease, except as specifically provided therein, or (v) enter into any oral leases with respect to all or any portion of the Premises;

(c) Assignor shall not collect any of the rents, issues, income or profits assigned hereunder more than thirty days in advance of the time when the same shall become due, except for security or similar deposits;

(d) Assignor shall not make any other assignment of its entire or any part of its interest in or to the Lease, or any or all rents, issues, income or profits assigned hereunder, except as specifically permitted by the Property Loan Documents;

(e) Without Assignee's prior written consent or except as may be permitted by the Loan Agreement, Assignor shall not (i) modify the terms and provisions of the Lease, to modify the rent or otherwise, (ii) exercise any rights Assignor may have to consent to any transfer or assignment of the Lease or any transfer of an ownership interest in tenant, or (iii) cancel or terminate the Lease, without Assignee's prior written consent.

(f) Without Assignee's prior written consent or except as may be permitted by the Loan Agreement, Assignor shall not accept a surrender of the Lease or convey or transfer, or suffer or permit a conveyance or transfer, of the premises demised under the Lease or of any interest in the Lease so as to effect, directly or indirectly, proximately or remotely, a merger of the estates and rights of, or a termination or diminution of the obligations of, the tenant thereunder. Any termination fees payable under the Lease for the early termination or surrender thereof shall be paid jointly to Assignor and Assignee;

(g) Assignor shall not alter, modify or change the terms of any guaranty of the Lease, or cancel or terminate any such guaranty or do or permit to be done anything which would terminate any such guaranty as a matter of law;

(h) Assignor shall not waive or excuse the obligation to pay rent under the Lease;

(i) Assignor shall, at its sole cost and expense, appear in and defend any and all actions and proceedings arising under, relating to or in any manner connected with the Lease or the obligations, duties or liabilities of the lessor or any tenant or guarantor thereunder, and shall pay all costs and expenses of Assignee, including court costs and reasonable attorneys' fees, in any such action or proceeding in which Assignee may appear;

(j) Assignor shall give prompt notice to Assignee of any notice of any default by the lessor under the Lease received from any tenant or guarantor thereunder;

(k) Assignor shall enforce the observance and performance of each covenant, term, condition and agreement contained in the Lease to be observed and performed by the tenants and guarantors thereunder in the exercise of good business judgment and shall immediately notify Assignee of any material breach by the tenant or guarantor under Lease;

(l) Assignor shall not permit the Lease to become subordinate to any lien or liens other than liens securing the indebtedness secured hereby or liens for general real estate taxes not delinquent;

(m) Assignor shall not execute hereafter any lease unless there shall be included therein a provision providing that the tenant thereunder acknowledges that such

lease has been assigned pursuant to this Assignment and agrees not to look to Assignee as mortgagee, mortgagee in possession or successor in title to the Premises for accountability for any security deposit required by lessor under such lease unless such sums have actually been received in cash by Assignee as security for tenant's performance under such lease; and

(n) If the tenant under the Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state or local statute which provides for the possible termination or rejection of the Lease assigned hereby, Assignor covenants and agrees that if the Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any check in payment of damages for termination or rejection of the Lease will be made payable both to Assignor and Assignee. Assignor hereby assigns any such payment to Assignee and further covenants and agrees that upon the request of Assignee, it will duly endorse to the order of Assignee any such check, the proceeds of which shall be applied in accordance with the provisions of Paragraph 8 below.

5. **Rights Prior to Default.** Unless or until an Event of Default (as defined in Paragraph 6) shall occur, Assignor shall have the right to collect, at the time (but in no event more than thirty days in advance) provided for the payment thereof, all rents, issues, income and profits assigned hereunder, and to retain use and enjoy the same. Upon the occurrence of an Event of Default, Assignor's right to collect such rents, issues, income and profits shall immediately terminate without further notice thereof to Assignor. Assignee shall have the right to notify the tenants under the Lease of the existence of this Assignment at any time.

6. **Events of Default.** An "Event of Default" shall occur under this Assignment upon the occurrence of (a) a breach by Assignor of any of the covenants, agreements, representations, warranties or other provisions hereof which is not cured or waived within the applicable grace or cure period, if any, set forth in the Mortgage or the Loan Agreement or (b) any other Event of Default described in the Property Loan Documents.

7. **Rights and Remedies Upon Default.** At any time upon or following the occurrence of any Event of Default, Assignee, at its option, may exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing Assignor or any guarantor of the Note from any obligation, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien or security interest granted by the Property Loan Documents:

(a) Declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(b) Enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem necessary or proper, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee, to make, enforce,

modify and accept the surrender of the Lease, to obtain and evict tenants, to fix or modify rents, and to do any other act which Assignee deems necessary or proper;

(c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Lease and all the lessor's rights therein and thereunder. This Assignment shall constitute an authorization and direction to the tenants under the Lease to pay all rents and other amounts payable under the Lease to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Lease to be observed or performed by the tenants thereunder, and Assignor shall facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Lease to thereafter pay all such rents and other amounts to Assignee; and

(d) Make any payment or do any act required herein of Assignor in such manner and to such extent as Assignee may deem necessary, and any amount so paid by Assignee shall become immediately due and payable by Assignor with interest thereon until paid at the Default Rate and shall be secured by this Assignment.

8. **Application of Proceeds.** All sums collected and received by Assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more Events of Default shall be applied in accordance with the Illinois Mortgage Foreclosure Law (Chapter 735, Sections 5/15-1101 et seq., Illinois Compiled Statutes) and, unless otherwise specified in such act, in such order as Assignee shall elect in its sole and absolute discretion.

9. **Limitation of Assignee's Liability.** Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises or from any other act or omission of Assignee in managing, operating or maintaining the Premises following the occurrence of an Event of Default. Assignee shall not be obligated to observe, perform or discharge, nor does Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in the Lease to be observed or performed by the lessor thereunder, or any obligation, duty or liability of Assignor under or by reason of this Assignment. Assignor shall and does hereby agree to indemnify, defend (using counsel satisfactory to Assignee) and hold Assignee harmless from and against any and all liability, loss or damage which Assignee may incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in the Lease; provided, however, in no event shall Assignor be liable for any liability, loss or damage which Assignor incurs as a result of Assignee's gross negligence or willful misconduct. Should Assignee incur any such liability, loss or damage under the Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall become immediately due and payable by Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not

operate to place responsibility upon Assignee for the care, control, management or repair of the Premises or for the carrying out of any of the covenants, terms, conditions and agreements contained in the Lease, nor shall it operate to make Assignee responsible or liable for any waste committed upon the Premises by any tenant, occupant or other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, occupant, licensee, employee or stranger. Nothing set forth herein or in the Mortgage, and no exercise by Assignee of any of the rights set forth herein or in the Mortgage shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to the provisions hereof or of the Mortgage.

10. **No Waiver.** Nothing contained in this Assignment and no act done or omitted to be done by Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under any of the Property Loan Documents. This Assignment is made and accepted without prejudice to any of the rights and remedies of Assignee under the terms and provisions of such instruments, and Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.
11. **Further Assurances.** Assignor shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of the Lease as Assignee may designate) and shall do or cause to be done such further acts, as Assignee may request, in order to permit Assignee to perfect, protect, preserve and maintain the assignment made to Assignee by this Assignment.
12. **Security Deposits.** Assignor acknowledges that Assignee has not received for its own account any security deposited by the tenant pursuant to the terms of the Lease and that Assignee assumes no responsibility or liability for any security so deposited.
13. **Severability.** If any provision of this Assignment is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, Assignee and Assignor shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of this Assignment and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.
14. **Successors and Assigns.** This Assignment is binding upon Assignor and its legal representatives, successors and assigns, and the rights, powers and remedies of Assignee under this Assignment shall inure to the benefit of Assignee and its successors and assigns.

15. **Written Modifications.** This Assignment shall not be amended, modified or supplemented without the written agreement of Assignor and Assignee at the time of such amendment, modification or supplement.

16. **Duration.** This Assignment shall become null and void at such time as Assignor shall have paid the principal sum of the Note, together with all interest thereon, and shall have fully paid and performed all of the other obligations secured hereby and by the other Property Loan Documents.

17. **Governing Law.** This Assignment shall be governed by and construed in accordance with the laws of the State of Illinois.

18. **Notices.** All notices, demands, requests and other correspondence which are required or permitted to be given hereunder shall be deemed sufficiently given when delivered or mailed in the manner set forth in the Loan Agreement and to the addresses of Assignor and Assignee, as the case may be, as follows:
