FOR VALUE RECEIVED, the undersigned, CIRCUIT SERVICE, INC., an Illinois corporation ("Borrower"), hereby promises to pay to the order of JPMORGAN CHASE BANK, N.A. successor by merger to BANK ONE NA (Chicago Office), successor by merger to AMERICAN NATIONAL BANK AND TRUST COMPANY OF CHICAGO and hereafter referred to as "Lender", with its principal office and place of business located at 120 South LaSalle Street, Chicago, Illinois 60603, or any successor holder of this Note (the "Note"), at Lender's principal place of business, or such other place or places as Lender from time to time may designate in writing, the principal sum of THREE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$3,500,000.00), or such lesser amount as may be advanced and not repaid pursuant to the terms of the hereafter defined Loan Agreement, in lawful money of the United States of America, together with interest calculated in arrears at the Interest Rates as herein set forth (the "Interest Rates") on the unpaid principal balance hereof from time to time outstanding, and payable in installments of principal and interest, as follows:

(a) Commencing on March 31, 2005 and on the last day of each month thereafter, to and including February 28, 2006 monthly payments of interest computed at the Interest Rates as set forth in Paragraph 4 hereof; and

(b) A final payment of the full remaining principal balance hereof together with all remaining accrued interest shall be due and payable on March 31, 2006 (the "Maturity Date").

This Note is executed and delivered by Borrower to Lender in connection with that certain Loan Agreement dated May 29, 1997 executed by Borrower and Bank One, Illinois, NA, Lender's predecessor in interest and as thereafter amended and modified (the "Loan Agreement"). Unless otherwise defined herein or the context otherwise requires, capitalized terms used in this Note have the meanings in the Loan Agreement. All interest due hereunder shall be computed for the actual number of days elapsed on the basis of a year consisting of three hundred sixty (360) days. Monthly interest installments will change to reflect changes in the Interest Rates, and changes in the principal balance from time to time as provided herein. To the extent the term "prime rate" is used herein, Borrower acknowledges and agrees that the term is not intended to reflect nor does said term imply that said rate of interest is a preferred rate of interest or one offered by Lender to only its most credit-worthy customers.

Receipt of a check shall not constitute payment hereunder until such check is fully and finally honored by the bank upon which it is drawn, and any wire transfer of funds shall not constitute payment until actually credited to such bank account of Lender as Lender may from time to time designate. If Lender receives any payment due hereunder more than five (5) days after the due

UNOFFICIAL COPY

date thereof, then, upon Lender's request, all payments thereafter shall be made by wire transfer, cashier's or certified check.

1. Definitions. As used in this Note, the following terms shall be defined as follows:

(i) "Prime Rate" shall mean, with respect to the portion of the principal balance hereof (the "Prime Rate Portion") which accrues interest by reference to the Prime Rate, the rate of interest announced from time to time by Lender at its principal office as its Prime Rate. Any change in the Prime Rate of Interest shall be effective as of the date announced.

(ii) "Eurocurrency Reserve Requirement" means, during any Interest Period, the daily average of the stated maximum rate (expressed as a decimal) at which reserves (including any marginal, supplemental, or emergency reserves) are required to be maintained during such Interest Period under Regulation D by the Lender against "Eurocurrency Liabilities" (as such term is used in Regulation D) but without benefit or credit of proration, exemptions, or offsets that might otherwise be available to the Lender from time to time under Regulation D. Without limiting the effect of the foregoing, the Eurocurrency Reserve Requirement shall reflect any other reserves required to be maintained by the Lender against (1) any category of liabilities that includes deposits by reference to which the LIBOR Interest Rate is to be determined; or (2) any category of extensions of credit or other assets that include loans which bear interest at the LIBOR Interest Rate.

(iii) "Interest Period" means the period commencing on the date, as the Borrower may select, pursuant to Paragraph 4, and ending on the numerically corresponding day in the first, second, or third calendar month thereafter during which portions of the principal balance hereof (the "LIBOR Rate Portions") shall accrue interest by reference to the LIBOR Interest Rate, except that each such Interest Period that commences on the last business day of a calendar month (or on any day for which there is no numerically corresponding day in the appropriate subsequent calendar month) shall end on the last business day of the appropriate subsequent calendar month provided that no Interest Period may extend beyond the Maturity Date.

(iv) "LIBOR Interest Rate" means, with respect to each Interest Period, and LIBOR Rate Portion the rate of interest per annum determined by the Lender by dividing (a) the British Banker's Association LIBOR Rate for such Interest Period as published by said association on the day which is two London banking days preceding the beginning of such Interest Period by (b) a percentage equal to 100 (100%) percent minus the stated maximum rate (expressed as a percentage) as prescribed by the Federal Reserve Board after the date hereof of all reserve requirements (including, without limitation, any Eurocurrency Reserve Requirements, any marginal, emergency, supplemental, special or other reserves) applicable on the first day of such Interest Period to any member bank of the Federal Reserve System in respect of Eurodollar funding or liabilities.

(v) "Regulation D" means Regulation D of the Board of Governors of the Federal Reserve System as amended or supplemented from time to time.

2. Revolving Credit. The loan evidenced by this Note is a revolving loan, and so long as no Default or Event of Default exists, Borrower may borrow, repay and reborrow amounts hereunder provided, however, that the outstanding principal balance hereof shall never exceed the Committed Sum. The Borrower shall give written notice executed by a duly authorized officer of any requested advance, whether said advance is to be a Prime Rate Portion or LIBOR Rate Portion, and if a LIBOR Rate Portion, the Interest Period therefore. Not later than 1:00 P.M. C.S.T. on the second business day following receipt of said notice, the Lender will make such requested advance to Borrower in immediately available funds.

3. Security for Note. The payment of this Note is secured by all security interests, liens, pledges, assignments and encumbrances concurrently herewith and/or from time to time hereafter granted by or for Borrower to Lender in connection with this Note, including, but not limited to, the liens evidenced by the Related Documents and such other instruments, documents and agreements evidencing and/or securing the payment of this Note as Borrower or any other person executes and delivers to Lender now and from time to time hereafter. (This Note, the Related Documents, the Loan Agreement and all other documents defined as the "Related Documents" in the Loan Agreement are all collectively referred to herein as the "Financing Agreements").

4. Calculation of Interest. Contemporaneously with the execution of this Note, Borrower shall give written notice to Lender as to what amount of the then outstanding principal balance hereof shall be a LIBOR Rate Portion and what amount of the then outstanding principal balance hereof shall be a Prime Rate Portion and in connection with the LIBOR Rate Portion the duration of the Interest Period. The Borrower may elect from time to time thereafter to convert all or part of any LIBOR Rate Portion hereof into a Prime Rate Portion, to convert all or any part of any Prime Rate Portion into a LIBOR Rate Portion or to renew all or any part of a LIBOR Rate Portion by giving Lender notice at least two business days prior to the effective date of said election and in connection with said notice, specifying: (a) the amount of the outstanding LIBOR Rate Portion to be converted into a Prime Rate Portion; and (b) in the case of renewals of a LIBOR Rate Portion or a conversion of a Prime Rate Portion into a LIBOR Rate Portion, the duration of the Interest Period applicable thereto, provided that (i) the minimum principal amount of each LIBOR Rate Portion outstanding after a renewal or conversion shall be no less than \$500,000.00; (ii) LIBOR Rate Portions can be converted into Prime Rate Portions only on the last day of the Interest Period of the applicable LIBOR Rate Portion; and (iii) at any one time there can be outstanding only three (3) LIBOR Rate Portions and all LIBOR Rate Portions must be in multiples of \$500,000.00. All notices given under this paragraph shall be irrevocable and shall be given not later than 10:00 a.m. CST on the day which is not less than the number of business days specified above for such notice. If the Borrower shall fail to give the Lender the notices specified above for the renewal or conversion of any LIBOR Rate Portion prior to the end of the Interest Period with respect thereto, such LIBOR Rate Portion shall automatically be converted into a Prime Rate Portion on the last day of the Interest Period for such LIBOR Rate Portion;

The Borrower shall pay interest to the Lender on the outstanding and unpaid principal amount hereof at a rate per annum (the "Interest Rates") as follows:

UNOFFICIAL COPY

- (a) For each LIBOR Rate Portion of the outstanding principal balance hereof during the Interest Period relating thereto, at a rate equal to the LIBOR Interest Rate plus two hundred twenty-five (225) basis points.
- (b) For each Prime Rate Portion of the outstanding principal balance hereof, at a rate equal to the Prime Rate.

5. Acceleration on Default; Waivers. If any payment due under this Note or any other monies owing from Borrower to Lender hereunder or under the Financing Agreements is not paid when due or if a Default or Event of Default occurs under any of the Financing Agreements (after the expiration of any applicable grace or cure periods specifically provided for therein) (collectively referred to herein as a "Default"), then all indebtedness evidenced by this Note, together with all other monies owing hereunder by Borrower to Lender, will, at the option of Lender, be immediately due and payable in full. The acceptance by Lender of any payment, partial or otherwise, made hereunder after the time when it becomes due as herein set forth will not establish a custom or constitute a waiver by Lender of any right to enforce prompt payment thereof or a waiver of any other Default or the same Default on another occasion. **BORROWER HEREBY WAIVES THE APPLICATION OF ANY AND ALL OF ITS RIGHTS AND POWERS UNDER ALL STATUTES OF LIMITATION AND SIMILAR STATUTES AND LAWS AS TO THIS NOTE. DEMAND, PRESENTMENT FOR PAYMENT, PROTEST AND NOTICE OF NON-PAYMENT AND PROTEST HEREBY ARE WAIVED BY BORROWER AND EVERY ENDORSER AND/OR GUARANTOR HEREOF.**

6. Illegality. Notwithstanding any other provision in this Note, if the Lender determines that any change (subsequent to the date hereof) in any applicable law, rule, or regulation, or any change (subsequent to the date hereof) in the interpretation or administration thereof by any governmental authority, central bank, or comparable agency charged with the interpretation or administration thereof, or compliance by the Lender with any such changed request or directive (whether or not having the force of law) of any such authority, central bank, or comparable agency shall make it unlawful or impossible for the Lender to maintain or fund loans bearing interest with reference to the LIBOR Interest Rate, then upon notice to the Borrower by the Lender the outstanding principal amount of the Note, together with interest accrued hereon, shall thereafter bear interest with reference to the Prime Rate.

7. Increased Cost. The Borrower shall pay to the Lender from time to time such amounts as the Lender may determine to be necessary to compensate the Lender for any costs incurred by the Lender which the Lender determines are attributable to its making or maintaining any LIBOR Interest Rate hereunder, or any reduction in any amount receivable by the Lender under this Note in respect of any such loans or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), resulting from any change after the date of this Note in U.S. federal, state, municipal, or foreign laws or regulations (including Regulation D and any Eurocurrency Reserve Requirements), or the adoption or making after such date of any interpretations, directives, or requirements applying to a class of banks including the Lender or under any U.S. federal, state, municipal, or any foreign laws or regulations (whether or not having the force of law) by any court or governmental or monetary authority charged with the interpretation or administration thereof ("Regulatory Change"), which: (1) changes the basis of taxation of any amounts payable to the Lender under this Note (other than taxes imposed on the overall net income

of the Lender by the jurisdiction where the principal office is located); or (2) imposes new or modifies any reserve, special deposit, compulsory loan, or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, the Lender (including any of such loans or any deposits referred to in the definition of Eurocurrency Reserve Requirements); or (3) imposes any other new conditions affecting this Note (or any of such extensions of credit or liabilities). The Lender will notify the Borrower in writing of any event occurring after the date of this Note which will entitle the Lender to compensation pursuant to this Paragraph 7 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation. Determinations by the Lender for purposes of this Paragraph 7 of the effect of any Regulatory Change on its costs of making or maintaining amounts receivable by it and of the additional amounts required to compensate the Lender in respect of any Additional Costs, shall be conclusive, provided that such determinations are made on a reasonable basis, are not subject to manifest error and the written basis for said determinations are given to Borrower.

8. Risk-Based Capital. In the event the Lender determines that by reason of any changes subsequent to the date hereof in laws, regulations or the interpretation thereof, applicable to Lender, (1) compliance with any judicial, administrative, or other governmental interpretation of any law or regulation or (2) compliance by the Lender or any corporation controlling the Lender with any guideline or request from any central bank or other governmental authority (whether or not having the force of law) has the effect of requiring an increase in the amount of capital required or expected to be maintained by the Lender or any corporation controlling the Lender, and the Lender determines that such increase is based upon its obligations hereunder, the Borrower shall pay to the Lender such additional amount as shall be certified by the Lender to be the amount allocable to the Lender's obligations to the Borrower hereunder. The Lender will notify the Borrower in writing of any event occurring after the date of this Note that will entitle the Lender to compensation pursuant to this Paragraph 8 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation. Determinations by the Lender for purposes of this Paragraph 8 of the effect of any increase in the amount of capital required to be maintained by the Lender and of the amount allocable to the Lender's obligations to the Borrower hereunder shall be conclusive, provided that such determinations are made on a reasonable basis, are not subject to manifest error and the written basis for said determinations are given to Borrower.

9. Funding Loss Indemnification. The Borrower shall pay to the Lender upon the request of the Lender, such amount or amounts as shall be sufficient (in the reasonable opinion of the Lender) to compensate it for (a) any loss, cost or expense incurred as a result of any principal prepayment of any LIBOR Rate Portion of this Note on a date other than the last day of an Interest Period including, but not limited to, acceleration of this Note by the Lender pursuant to Paragraph 5 hereunder; and (b) any failure by the Borrower to borrow or convert, as the case may be any LIBOR Rate Portion specified in the relevant notice under Paragraph 2 and Paragraph 4 hereof.

10. Other Provisions Relating to LIBOR Rate Portions. Notwithstanding any other provision of this Note, if prior to the commencement of any Interest Period, the Lender shall determine in good faith deposits in the amount of any LIBOR Rate Portion scheduled to be outstanding during such Interest Period are not readily available to the Lender in the relevant market or, by reasons or circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the LIBOR Interest Rate, then Lender shall promptly give notice thereof to the Borrower and the obligations of the Lender to create, continue or affect by conversion any such

LIBOR Rate Portion in such amount and for such Interest Period shall terminate until deposits in such amounts and for the Interest Period selected by the Borrower shall again be readily available in the relevant market and reasonable means exist for ascertaining the LIBOR Interest Rate. In addition, notwithstanding any other provision of this Note to the contrary, the Lender shall be entitled to fund and maintain its funding of all or any part of this Note in any manner it sees fit, it being understood, however that for the purpose of this Note, all the determinations hereunder (including without limitation determinations under Paragraphs 8, 9 and 10 hereof) shall be made as if the Lender had actually funded and maintained each LIBOR Rate Portion during each Interest Period applicable thereto by the purchase of deposits in the relevant market in the amount of such LIBOR Rate Portion, having a maturity corresponding to such Interest Period, and in the case of any LIBOR Rate Portion, bearing an interest rate equal to the LIBOR Interest Rate for such Interest Period.

11. Default Rate of Interest. Upon Default, including failure to pay upon the Maturity Date, Lender, at its option, may also, if permitted under applicable law, do one or both of the following: (a) increase the applicable Interest Rate on this Note 3.00 percentage points (the "Default Rate"), and (b) add any unpaid accrued interest to principal and such sum will bear interest therefrom until paid at the Interest Rate provided in this Note (including any increased rate). The Interest Rate will not exceed the maximum rate permitted by applicable law as provided in Paragraph 15 hereof.

12. Late Payment Provision. If payment is 10 days or more late, Borrower will be charged five percent (5.0%) of the regularly scheduled payment or Ten Dollars (\$10.00), whichever is greater, up to the maximum amount of Two Hundred Fifty Dollars (\$250.00) per late charge.

13. Application of Payments. Unless otherwise agreed to, in writing, or otherwise required by applicable law, payments will be applied first to accrued, unpaid interest, then to principal, and any remaining amount to any unpaid collection costs, late charges and other charges; provided, however, upon delinquency or other Default, Lender reserves the right to apply payments among principal, interest, late charges, collection costs and other charges at its discretion. All prepayments shall be applied to the indebtedness owing hereunder in such order and manner as Lender may from time to time determine in its sole discretion.

14. Fees and Expenses. If Lender employs counsel for advice with respect to the Financing Agreements to respond to any request of Borrower, including but not limited to, a request for a consent, waiver, amendment or interpretation of the Financing Agreements or to intervene, file a petition, answer, motion or other pleading in any suit or proceeding (bankruptcy or otherwise) relating to the Financing Agreements, or to attempt to collect this Note or said other monies from, or to enforce the Financing Agreements, against Borrower or any other party, then, in any such event, to the extent permitted by law all of the reasonable attorneys' paralegal fees, and expenses arising from such services, and all expenses, court costs and charges relating thereto, shall be an additional liability owing hereunder by Borrower to Lender, and bearing interest at the Default Rate, until paid in full to Lender and shall be secured by the lien evidenced by the Financing Agreements.

15. Interest Limitation. All agreements between Borrower and Lender expressly are limited so that in no contingency or event whatsoever, whether by reason of disbursement of the proceeds hereof or otherwise, shall the amount paid or agreed to be paid by Borrower to Lender for the use, detention or forbearance of the amounts to be disbursed hereunder exceed the highest lawful rate of interest permissible under the law which a court of competent jurisdiction, by a final non-appealable order, determines is applicable hereto ("Highest Lawful Rate"). If fulfillment of any provision herein contained at the time performance of such provision becomes due involves exceeding the Highest Lawful Rate, then ipso facto, the obligation to fulfill the same shall be reduced to such Highest Lawful Rate. If by any circumstance Lender shall ever receive as interest an amount which would exceed the Highest Lawful Rate, the amount which may be deemed excessive interest shall be applied to the principal and not to interest, or, if such excessive interest exceeds the unpaid principal under this Note, such excess shall be refunded to Borrower. All interest paid or agreed to be paid to Lender under this Note or any instrument executed in connection with this Note shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full period until payment in full of the principal (including the period of any renewal or extension of this Note) so that the interest on this Note for such full period shall not exceed interest computed at the Highest Lawful Rate. It is Lender's intention that the performance of any provision herein never result in any payments due or paid which involve exceeding the Highest Lawful Rate. The terms and provisions of this Paragraph shall control all other terms and provisions contained herein and in the other Financing Agreements.

16. Waivers; Continued Liability. It is agreed that the granting to Borrower or any other party of an extension or extensions of time for the payment of any sum or sums due under this Note or the other Financing Agreements or for the performance of any term, provision, covenant or agreement of this Note or the other Financing Agreements, or the taking or releasing of security or Collateral for the payment of this Note or the exercising or failure to exercise of any right or power under this Note or the other Financing Agreements shall not in any way release or affect the liability of Borrower evidenced by this Note.

17. Amendments and Modifications. This Note may not be amended or modified, nor shall any revision hereof be effective, except by an instrument in writing expressing such intention executed by Lender and directed to Borrower.

18. Confession of Judgment. Borrower hereby irrevocably authorizes and empowers any attorney-at-law to appear in any court of record and to confess judgment against Borrower for the unpaid amount of this Note as evidenced by an affidavit signed by an officer of Lender setting forth the amount then due, plus attorneys' fees as provided in this Note, plus costs of suit, and to release all errors, and waive all rights of appeal. If a copy of this Note, verified by an affidavit, shall have been filed in the proceeding, it will not be necessary to file the original as a warranty of attorney. Borrower waives the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect. No single exercise of the foregoing warrant and power to confess judgment will be deemed to exhaust the power, whether or not any such exercise shall be held by any court to be invalid, voidable, or void; but the power will continue undiminished and may be exercised from time to time as Lender may elect until all amounts owing on this Note have been paid in full.

19. Dishonored Item Fee. Borrower will pay a fee to Lender of \$20.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

20. Right of Setoff. Unless a lien would be prohibited by law or would render a nontaxable account taxable, Borrower grants to Lender a contractual possessory security interest in, and hereby assigns, conveys, delivers, pledges, and transfers to Lender all Borrower's right, title and interest in and to, Borrower's accounts with Lender (whether checking, savings, or any other account), including without limitation all accounts held jointly with someone else and all accounts Borrower may open in the future. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on this Note against any and all such accounts.

21. Possession of Collateral. In addition to any other collateral that may secure this Note, Borrower hereby assigns and grants a security interest in any and all other property of Borrower of every kind or description now or hereafter in possession or control of Lender, whether as collateral security or any other purpose, including, without limitation, all cash, deposits, securities, dividends, distributions, negotiable instruments and documents.

22. Choice of Law, Submission to Jurisdiction, Waiver of Venue and Consent to Service. THIS NOTE SHALL BE CONSTRUED IN ALL RESPECTS IN ACCORDANCE WITH AND GOVERNED BY THE LAWS AND DECISIONS (WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAW PRINCIPLES THEREOF) OF THE STATE OF ILLINOIS. THE BORROWER (A) HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY ILLINOIS STATE OR FEDERAL COURT SITTING IN CHICAGO, ILLINOIS OVER ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE, AND THE BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH ILLINOIS STATE OR FEDERAL COURT, AND (B) AGREES NOT TO INSTITUTE ANY LEGAL ACTION OR PROCEEDING AGAINST THE LENDER OR THE DIRECTORS, OFFICERS, OR EMPLOYEES OF LENDER OR PROPERTY OF THE LENDER, ARISING OUT OF OR RELATING TO THIS NOTE, IN ANY COURT OTHER THAN AS HEREINABOVE SPECIFIED IN THIS SECTION. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE IN ANY ACTION OR PROCEEDING (WHETHER BROUGHT BY THE BORROWER, THE LENDER OR OTHERWISE) IN ANY COURT HEREINABOVE SPECIFIED AS WELL AS ANY RIGHT IT MAY NOW OR HEREAFTER HAVE TO REMOVE ANY SUCH ACTION OR PROCEEDING, ONCE COMMENCED, TO ANOTHER COURT ON THE GROUNDS OF FORUM NON CONVENIENS OR OTHERWISE. THE BORROWER AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. THE UNDERSIGNED AND LENDER (BY ITS ACCEPTANCE HEREOF) HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) BETWEEN OR AMONG THE UNDERSIGNED AND LENDER ARISING OUT OF OR IN ANY WAY RELATED TO THIS NOTE OR ANY OTHER FINANCING AGREEMENTS. THIS PROVISION IS A MATERIAL INDUCEMENT TO LENDER TO PROVIDE THE FINANCING DESCRIBED HEREIN OR IN THE OTHER FINANCING AGREEMENTS.

24. Binding Effect. Wherever the term "Borrower" is used in this Note, the term shall include (unless otherwise expressly indicated) all of Borrower's successors, and assigns, as the case may be. This Note shall be binding upon Borrower and shall inure to the benefit of Lender and its successors and assigns.

25. Severability. Any provision of this Note which is unenforceable or contrary to applicable law, the inclusion of which would affect the validity, legality or enforcement of this Note, shall be of no effect, to the extent of such prohibition or invalidity, and in such case all the remaining terms and provisions of this Note shall be fully effective, the same as though no such invalid provision had ever been included in this Note.

26. No Novation. The indebtedness evidenced by the Existing Note is continuing indebtedness, and nothing herein shall be deemed to constitute a payment, settlement or novation of the Existing Note, or release or otherwise adversely affect any lien, mortgage or security interest securing such indebtedness or any rights of the Lender against any party.
