Dear Taxpayer,

On the reverse side of this letter, you will find your **"Notice of Proposed Assessed Valuation."** Our office is required, by law, to reassess your property every three years, and this is your triennial reassessment notice. This is the first step in determining your share of local property taxes. Please carefully review the information in this notice. Keep in mind that the change in value reflected on this notice will impact the second installment tax bill next year.

Several factors contribute to determining the value of your property. These factors include: recent sales, construction costs, market rents and income of similar properties in your commercial area.

We consistently strive for fairness and accuracy in the work we do. However, if for any reason you believe we have made an error in your assessment, you should consider filing an Assessment Appeal. Supporting documentation may include, but is not restricted to, an appraisal, rental income, a recent purchase, and/or evidence of substantial vacancy. If you have any questions or need assistance in filing your Appeal, please contact our Taxpayer Services Department at (312) 443-7550.

It is my firm belief that no taxpayer should ever pay more than his or her fair share.

Sincerely,

James M. Houlihan  
Cook County Assessor
