**RE: SINGLE-LOT SUBDIVISION HOLD HARMLESS AGREEMENT
AT 620 WINDSOR ROAD - P. I. N. # 04-36-314-033**

Dear Mrs. Reardon:

In order not to delay the issuance of your building permit, such permit will be issued prior to completion of the Single-lot Subdivision Approval conditions required by the Plan Commission and the Board of Trustees. Your signature below acknowledges your agreement to comply with any and all subdivision requirements. Failure to comply will result in the following:

A stop work order may be placed on your permit until your agreement is secured regarding any conditions that may be required by the Plan Commission or Board of Trustees. These conditions might include additional easements, covenant requirements or public improvements in conjunction with the proposed subdivision of the above address.

Please be advised that the Village of Glenview **will not** be responsible for any construction delays in conjunction with any stop work order placed on your building permit and that you are proceeding at your own risk.

Note: The Jack and Michael Playlot Subdivision plat is supposed to be delivered to Mrs. Reardon by B.H. Suhr & Company, Inc. by April 22, 2005. Allowing for three weeks for owner's and mortgagee's signature blocks to be completed, the original, fully executed plat should be returned to Village of Glenview on or May 13, 2005.

Sincerely,

Sean M. Gascoigne
