Dear Property Owner:

You have applied for a permit with the Village of Glenview (Village) for installing a fence within a 6' wide public utility easement at the following property:

Lot 7 in Block 8 in Glenview Park Manor, Unit No. 5, a subdivision of part of the north 1/2 of section 12, township 41 north, range 12, east of the third principal meridian, in Cook County, Illinois.

Please be advised that the Village will allow construction of the fence within the easement, however this is not a release or waiver of any rights the Village, or other utility companies, may have in or to the easement. Also, this letter also does not waive any zoning or building permit requirements for this or future construction within the easement.

In closing, please be aware that the Village **will not** be responsible for the replacement of, or any damages to, the fence within the easement, or for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

Sincerely,

Joseph P. Kenney, P.E.
Engineer
