Assignor the right to enter the Premises for the purpose of enforcing its interest in the Leases and the Rents, this Assignment constituting a present, absolute and unconditional assignment of the Leases and Rents. Nevertheless, subject to the terms of this paragraph, Lender grants to Assignor a revocable license to use, operate, maintain and manage the Premises and to collect the Rents so long as no Event of Default exists. Assignor shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Obligations, for use in the payment of such sums. Upon an Event of Default, the license granted to Assignor herein shall automatically be revoked, and Lender shall immediately be entitled to receive and apply all Rents, whether or not Lender enters upon and takes control of the Premises. Assignor hereby grants and assigns to Lender the right, at its option, upon the revocation of the license granted herein to enter upon the Premises in person, by agent or by court-appointed receiver to collect the Rents. Any Rents collected after the revocation of the license herein granted may be applied toward payment of the Obligations, subject to the terms of the Loan Agreement, in such priority and proportion as Lender, in its discretion, shall deem proper.

2. Remedies of Lender. During the existence of an Event of Default, Lender may, at its option, and to the extent permitted by applicable law, without waiving such Event of Default, without notice and without regard to the adequacy of the security for the Obligations, either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, take possession of the Premises and have, hold, manage, lease and operate the Premises on such terms and for such period of time as Lender may deem proper and either with or without taking possession of the Premises in its own name, demand, sue for or otherwise collect and receive all Rents, including those past due and unpaid with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Lender and may apply the Rents to the payment of the following, in such order and proportion as Lender in its sole discretion may determine: (a) all expenses of managing and securing the Premises, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Lender may deem necessary or desirable and all expenses of operating and maintaining the Premises, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, premiums for all insurance which Lender may deem necessary or desirable, the cost of all alterations, renovations, repairs or replacements and all expenses incident to taking and retaining possession of the Premises and (b) the Obligations (including all reasonable costs and attorneys' fees). For purposes of Paragraphs 1 and 2 hereof, Assignor grants to Lender its irrevocable power of attorney, coupled with an interest, to take any and all of the aforementioned actions and any or all other actions designated by Lender for the proper management and preservation of the Premises. The exercise by Lender of the option granted it in this paragraph and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver of any Event of Default under any of the Loan Documents.

3. No Liability of Lender or Indemnified Parties. The Administrative Agent, each Lender, their respective successors, assigns and their respective shareholders, directors, officers, employees, and agents are each an "Indemnified Party" and are collectively referred to herein as the "Indemnified Parties." Neither Lender nor any other Indemnified Party shall be liable for any loss sustained by Assignor resulting from the failure of Lender or any other Indemnified Party to let the Premises after an Event of Default or from any other act or omission of Lender or any

other Indemnified Party in managing the Premises after an Event of Default, except to the extent resulting from the fraud, willful misconduct or gross negligence of an Indemnified Party. Neither Lender nor any other Indemnified Party shall be obligated to perform or discharge any obligation, duty or liability under the Leases or under or by reason of this Assignment, and Assignor shall, and hereby agrees to, indemnify the Indemnified Parties for, and to hold the Indemnified Parties harmless from, any and all liability, loss or damage which may or might be incurred under the Leases or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against any Indemnified Party by reason of any alleged obligations and undertakings on its part to be performed or discharged with respect to any of the terms, covenants or agreements contained in the Leases (except to the extent same are caused by the fraud, gross negligence, or willful misconduct of any Indemnified Party or activities or events that occur after Lender has foreclosed, accepted a deed in lieu of foreclosure or otherwise acquired title to the Property or occur after such Borrower has been released from the Loan). Should any Indemnified Party incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby and by the Loan Documents, and Assignor shall reimburse such Indemnified Party therefor immediately upon demand. Upon Assignor's failure to do so, such Indemnified Party may, at its option, exercise any and all remedies available to such Indemnified Party hereunder and under the other Loan Documents. This Assignment shall not operate to place any obligation or liability upon any Indemnified Party for the control, care, management or repair of the Premises or for the carrying out of any of the terms and conditions of the Leases, nor shall it operate to make any Indemnified Party responsible or liable for any waste committed on the Premises, including without limitation the presence of any Hazardous Substances, (as defined in the Environmental Agreement, which is defined in the Note) or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, licensee, employee or stranger, other than in respect of fraud, gross negligence or willful misconduct.

4. Notice to Lessees. Assignor hereby authorizes and directs the Project Company, upon receipt from Lender of written notice to the effect that Lender is then the holder of the Note and that an Event of Default exists thereunder or under the other Loan Documents, to pay over directly to Lender all Rents and to continue so to do until otherwise notified by Lender, without further notice or consent of Assignor and regardless of whether Lender has taken possession of the Premises, and Lessees may rely upon any written statement delivered by Lender to Lessees without any obligation or right to inquire as to whether such default actually exists and notwithstanding any notice from or claim of Assignor to the contrary. Assignor further agrees that it shall have no right to claim against any of Lessees for any such Rents so paid by Lessees to Lender and that Lender shall be entitled to collect, receive and retain all Rents regardless of when and to whom such Rents are and have been paid and regardless of the form or location of such Rents. Any such payment to Lender shall constitute payment to Assignor under the Leases, and Assignor appoints Lender as Assignor's lawful attorney-in-fact for giving, and Lender is hereby empowered to give, acquittances to any Lessee for such payment to Lender after an Event of Default. Any Rents held or received by Assignor after a written request from Lender to Lessees for the payment of Rents shall be held or received by Assignor as trustee for the benefit of Lender and the other Persons entitled thereto.

5. Other Security. Lender may take or release other security for the payment of the Obligations, may release any party primarily or secondarily liable therefor and may apply any other security held by it to the reduction or satisfaction of the Obligations without prejudice to any of its rights under this Assignment.

6. Other Remedies. Nothing contained in this Assignment and no act done or omitted by Lender pursuant to the power and rights granted to Lender hereunder shall be deemed to be a waiver by Lender of its rights and remedies under the other Loan Documents, and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Lender under the terms thereof. The right of Lender to collect the Obligations and to enforce any other security therefor held by it may be exercised by Lender either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

7. No Mortgagee in Possession. Nothing herein contained shall be construed as constituting Lender a "mortgagee in possession" in the absence of the taking of actual possession of the Premises by Lender. In the exercise of the powers herein granted Lender, no liability shall be asserted or enforced against Lender other than in respect of the fraud, gross negligence or willful misconduct of the Administrative Agent or Lender and other than activities or event that occur after Lender has foreclosed, accepted a deed in lieu of foreclosure or otherwise acquired title to the Property, all such liability being expressly waived and released by Assignor.

8. No Oral Change. This Assignment may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Assignor or Lender, and all of the foregoing may be accomplished only by an agreement in writing signed by the party against whom the enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

9. Certain Definitions. Unless the context clearly indicates a contrary intent or unless otherwise specifically provided herein, words used in this Assignment may be used interchangeable in singular or plural form and the word "Assignor" shall mean "each Assignor and any subsequent owner or owners of the Premises or any part thereof or any interest therein," the word "Lender" shall mean "Lender and any subsequent holder of the Note permitted by the Loan Agreement," the word "person" shall include an individual, corporation, partnership, trust, unincorporated association, government, governmental authority, and any other entity and the words "Premises" shall include any portion of the Premises and any interest of Assignor therein.

10. Non-Waiver. The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Except to the extent that the same constitutes payment or performance of the Obligations, Assignor shall not be relieved of Assignor's obligations hereunder by reason of (a) failure of Lender to comply with any request of Assignor or any other party to take any action to enforce any of the provisions hereof or of the other Loan Documents, (b) the release, regardless of consideration, of the whole or any part of the Premises or (c) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of this Assignment or the other Loan Documents. Lender may resort for the payment of the Obligations to any other security held by Lender in such order and manner as Lender in its discretion may elect. Lender may take any action to recover the Obligations or any portion thereof or to enforce any covenant hereof

without prejudice to the right of Lender thereafter to enforce its rights under this Assignment. The rights of Lender under this Assignment shall be separate, distinct and cumulative, and none shall be given effect to the exclusion of the others. 11. Inapplicable Provisions. If any term, covenant or condition of this Assignment is held to be invalid, illegal or unenforceable in any respect, this Assignment shall be construed without such provision.

12. Counterparts. This Assignment may be executed in any number of counterparts each of which shall be deemed to be an original but all of which when taken together shall constitute one agreement.

Subject to the foregoing, this Assignment shall be binding upon, and shall inure to the benefit of, Assignor and Lender and their respective successors and assigns.

15. Termination of Assignment. Upon payment in full of the Obligations without further act or deed, this Assignment shall become and be void and of no effect. Notwithstanding the foregoing, Lender, agrees to execute and deliver such satisfaction, release or discharge and to record such satisfaction, release or discharge (at Assignor's sole cost and expense) as the Assignor may reasonably request.

16. Waiver of Right to Trial by Jury.
