2. The Borrower promises to pay the New Unpaid Principal Balance, plus the interest, to the order of the Lender. Interest will be charged on the Unpaid Principal Balance at the annual rate of 7.000% from June 1, 2005, and Borrower promises to pay monthly payments of principal and interest in the amount of \$600.80 (this figure does not include escrow), beginning July 1, 2005, and on the same day of each month thereafter until the entire amount due and payable under the terms of the Note, Security Instrument and this Agreement are paid in full. If on May 1, 2029, ("Maturity Date"), Borrower still owes amounts under the Note, Security Instrument and this Agreement, the Borrower shall pay these amounts in full on the Maturity Date.

Borrower shall send the monthly payments described herein to Aurora Loan Services LLC, 601 Fifth Avenue, P. O. Box 1706, Scottsbluff, NE 69363-1706, or at such other place that Lender may designate hereinafter in writing.

3. As consideration for Lender entering into this Agreement, Borrower hereby remises, releases and forever discharges Lender, its subsidiaries, affiliates, assigns and successors, and Lender's agents, servants, officers, principals, trustees and employees, from any and all manner of actions, causes of action, suits, debts, judgments, dues, accounts, covenants, claims and demands whatsoever, in law or equity, that the Borrower or Borrower's heirs or executors had, has or may have for any cause or thing whatsoever relating to this Agreement or the extension or credit to Borrower evidenced by the original Note and Security Instrument. Borrower understands that this is a full and final release of all claims which Borrower may have against Lender and nothing in this Agreement shall be deemed or otherwise construed as an admission of liability of any kind on the part of Lender, all such liability being expressly denied. Borrower acknowledges that he/she has had the opportunity to consult with counsel of his/her own choosing prior to executing this agreement.

4. If all or any part of the Property or any interest therein is sold or transferred without Lender's prior written consent, the Lender may, at its option, require immediate payment in full of all sums due under the Note, Security Instrument and this Agreement.

If Lender exercises this option, the Lender shall give the Borrower notice of acceleration. The notice shall provide a period of not less than thirty (30) days from the date the notice is delivered or mailed within which the Borrower must pay all sums due under the Note, Security Instrument and this Agreement. If Borrower fails to pay these sums prior to the expiration of this period, the Lender may invoke any remedies permitted by the Note, Security Instrument and/or this Agreement without further notice or demand on the Borrower, unless required by state law.

5. Borrower will also comply with all other covenants, agreements, terms, conditions, and requirements of the Note and Security Instrument, including, without limitation, the Borrower's agreement to make all payments of ad valorem property taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that the Borrower is obligated to pay under the terms of the Note and Security Instrument. In the event that the Borrower is not obligated under the terms of the original Note and Security Instrument to make payments of ad valorem property taxes, insurance premiums and/or escrow items, in consideration for this Loan Modification, Lender may require that the Borrower makes monthly payments that include ad valorem property taxes, insurance premiums and/or additional escrow items. However, the following terms and provisions of the original Note and Security Instrument are forever canceled, null and void, as of the date specified in paragraph one above:

- (a) all terms and provisions of the Note and Security Instrument (if any) providing for or relating to any change or adjustment in the rate of interest payable under the note; and
- (b) all terms and provisions of any adjustable rate rider or other instrument or document that is affixed to or wholly or partially incorporated into, or is a part of, the Note or Security Instrument and that contains any such terms or provision as those referred to in (a) above.

6. Notwithstanding anything to the contrary contained in the Loan Modification Agreement, the parties hereto acknowledge the effect of a discharge in bankruptcy that may have been granted to the Borrower prior to the execution hereof and that the Lender may not pursue the Borrower for personal liability. However, the parties acknowledge that the Lender retains certain rights, including but not limited to the right to foreclose its lien under appropriate circumstances. The parties agree that the consideration for this agreement is the Lender's forbearance from presently exercising its rights and pursuing its remedies under the Security Instrument as a result of the Borrower's default of its obligations thereunder. Nothing herein shall be construed to be an attempt to collect against the Borrower personally or an attempt to revive personal liability, if the Borrower has obtained a discharge of that liability from a United States Bankruptcy Court.

7. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and/or Security Instrument. Except as expressly provided in this Agreement, the Note and Security Instrument will remain unchanged and the Borrower and Lender will be bound by, and comply with, all of the terms and provisions of the Note and/or Security Instrument, as amended by this Agreement.

8. The parties hereto acknowledge that the New Unpaid Principal Balance may not be fully covered under any existing optional insurance policy and any shortages fall upon the Borrower to remedy.

This Agreement is in effect upon execution by the Borrower and will be treated as such. If, however, corrections and/or amendments are needed for this Agreement(s) to correctly reflect the intent of all parties, the Borrower will perform reasonable requests and return the document(s) as necessary to the Lender.
