Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. 10. Mortgage insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower thall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Murigage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the an ount of the separately designated payments that were con when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notw that anding the fact that the Loan is ultimately paid in full, and Linder shall not be required to pay Borrower any interest or earnings on such loss reserve. Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in a cordance with any written agreement between Borrower and Lender providing for such terminatic a or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insu ance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the

Mortgage Insurance

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available

(which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any othe entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Morti age Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or re lucing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often terme "capti e reinsurance." Further:
(a) Any such agreements will not affect the amounts that Borrower has agreed to

pay for Moregare Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle

Borrower to any infrad,

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Montgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights my include the right to receive certain disclosures, to request and obtain cancel ation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, at do to receive a refund of any Mortgage Insurance premiums that we e unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds, Forfeiture, All Miscellaneous Proceeds are

hereby assigned to as d shall be paid to Leader.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Propert, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proce ds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfact or, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and estoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings or such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this recurity Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscelleneous Proceeds shall be applied in the order provided for in Section 2.

In the event of 1 total taking, destruction, or loss in value of the Property the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then

due, with the excess, f any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the I roperty immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument into distely before the partial taking, destruction, or loss in value, unless Borrower and Lender other vive agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair
