(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. If, for any reason, the previous year's insurance coverage required by Lender ceases to be available from the mortgage insurer that substantially qualifies for Mortgage Insurance, Borrower shall pay the premium required to obtain coverage substantially equivalent to the previous year's coverage. The cost to Borrower of the Mortgage Insurance previously in effect, from an alternative mortgage insurer selected by Lender, if it absorbs initially the cost of the Mortgage Insurance previously in effect, shall be non-refundable. Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration occurs, restore as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, prejudices Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration of repair of the property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the such repair, if the restoration or repair is economically feasible and Lennder's security is not lessened. During such repair and restoration period, Lennder shall have the right to hold such Miscellaneous Proceeds until Lennder has had an opportunity to inspect such Property to ensure the work has been completed to Lennder's satisfaction, provided that such inspection shall be undertaken promptly. Lennder may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lennder shall not be required to pay Borrower any interest on earnings on such Miscellaneous Proceeds. If the restoration of repair is not economically feasible or Lennder's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the remainder of the proceeds to be paid to Lennder.

APPENDIX # : 0000932105

006 #323160

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under Note or by making a partial payment without any prepaymenet charge (whether or not a prepayment is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorney's fees, property inspection and valuation fees, in regard to any other fees, the absence of express authority in this Security Instrument to charge fees to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees to Borrower prohibited by this Security Instrument or by Applicable Law.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall retain all of Borrower's obligations and liabilities under this Security Instrument unless Lender agrees to such release in writing. The provisions and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

13. **Joint and Several Liability; Co-signers; Successors and Assigns Bound.** Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer") (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forgive or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

The Note or a portion of interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. This Security Instrument is transferable. If there is a change in the name and address of the new Loan Servicer, the given written notice of the change will state the name and address of the new Loan Servicer, the new name and address of the new Loan Servicer, and any other information required by RESPA relating to communication with a Borrower.

Those conditions are that Borrower: (a) pays all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other agreements or arrangements; (c) pays all expenses incurred in the enforcement of this Security Instrument, including, but not limited to, reasonable attorney fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged unless Borrower's obligation to pay the sums secured by this Security Instrument, shall terminate.

20. **Lender's Right to Remitiate After Acceleration.** Upon reinstatement by a general agency, instrument and obligations secured hereby shall transfer. The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(F) Notice of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payments again.

(E) Effective Date of Changes

Interest I have been paying for the preceding six months. My interest rate will never be increased or decreased on any single Change Date by more than 10.500 %.
 One percentage point(s) (1.000 %) from the rate of
 interest I have been paying for the preceding six months. My interest rate will never be increased or decreased to pay at the first Change Date by more than 10.500 % or less than 2.250 %. Thereafter, my interest rate will be greater than 10.500 % or less than

(D) Limits on Interest Rate Changes

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and One Quarter percentage point(s) (2.250 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

(C) Calculation of Changes

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

Begaining with the first Change Date, my interest rate will be based on an Index. The "Index" is the six month London Interbank Offered Rate ("LIBOR") which is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market, as published in The Wall Street Journal. The most recent Index figure available as of the first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If within which Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument which further notice or demand on Borrower.

To the extent permitted by applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the imended transferee, if it is a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impacted by the loan assumption and that the risk of a breach of any covenant or agreement in this loan is minimal.

As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a third party.
