LUST Incident No. 20050755
LUST Technical File

Dear Mr. Sliwa:

The Illinois Environmental Protection Agency (Illinois EPA) has reviewed the 45 Report/ Corrective Action Completion Report submitted for the above-referenced incident. This information was dated July 26, 2005 and was received by the Illinois EPA on July 27, 2005. Citations in this letter are from the Environmental Protection Act (Act), as amended by Public Act 92-0554 on June 24, 2002, and 35 Illinois Administrative Code (35 Ill. Adm. Code).

The Corrective Action Completion Report and the Professional Engineer Certification submitted pursuant to Section 57.6 of the Act indicate the remediation objectives have been met.

Based upon the certification by Daniel Krzeczowski, a Licensed Professional Engineer, and pursuant to Section 57.10 of the Act (415 ILCS 5/57.10), your request for a no further remediation determination is granted under the conditions and terms specified in this letter.

Issuance of this No Further Remediation Letter (Letter), based on the certification of the Licensed Professional Engineer, signifies that: (1) all statutory and regulatory corrective action requirements applicable to the occurrence have been complied with; (2) all corrective action concerning the remediation of the occurrence has been completed; and (3) no further corrective action concerning the occurrence is necessary for the protection of human health, safety, and the environment. Pursuant to Section 57.10(d) of the Act, this Letter shall apply in favor of the following parties:

1. Loyola University, the owner or operator of the underground storage tank system(s).
2. Any parent corporation or subsidiary of such owner or operator.
3. Any co-owner or co-operator, either by joint tenancy, right-of-survivorship, or any other party sharing a legal relationship with the owner or operator to whom the Letter is issued.

4. Any holder of a beneficial interest of a land trust or inter vivos trust whether revocable or irrevocable.
5. Any mortgagee or trustee of a deed of trust of such owner or operator.
6. Any successor-in-interest of such owner or operator.
7. Any transferee of such owner or operator whether the transfer was by sale, bankruptcy proceeding, partition, dissolution of marriage, settlement or adjudication of any civil action, charitable gift, or bequest.
8. Any heir or devisee of such owner or operator.

This Letter and all attachments, including but not limited to the Leaking Underground Storage Tank Environmental Notice, must be filed within 45 days of receipt as a single instrument with the Office of the Recorder or Registrar of Titles in the county in which the above-referenced site is located. In addition, the Groundwater Ordinance (photocopy attached) must be filed as an attachment of this Letter with the Office of the Recorder or Registrar of Titles of the applicable county. This Letter shall not be effective until officially recorded by the Office of the Recorder or Registrar of Titles of the applicable county in accordance with Illinois law so it forms a permanent part of the chain of title for the above-referenced property. Within 30 days of this Letter being recorded, an accurate and official copy of this Letter, as recorded, shall be obtained and submitted to the Illinois EPA. For recording purposes, it is recommended that the Leaking Underground Storage Tank Environmental Notice of this Letter be the first page of the instrument filed.

CONDITIONS AND TERMS OF APPROVAL

LEVEL OF REMEDIATION AND LAND USE LIMITATIONS

1. The remediation objectives for the above-referenced site, more particularly described in the Leaking Underground Storage Tank Environmental Notice of this Letter, were established in accordance with the requirements of the Tiered Approach to Corrective Action Objectives (35 Ill. Adm. Code 742) rules.
2. As a result of the release from the underground storage tank system(s) associated with the above-referenced incident, the above-referenced site, more particularly described in the attached Leaking Underground Storage Tank Environmental Notice of this Letter, shall not be used in a manner inconsistent with the following land use limitation: There are no land use limitations.
3. The land use limitation specified in this Letter may be revised if:
 - a. Further investigation or remedial action has been conducted that documents the attainment of objectives appropriate for the new land use; and
 - b. A new No Further Remediation Letter is obtained and recorded in accordance with Title XVII of the Act and regulations adopted thereunder.

PREVENTIVE, ENGINEERING, AND INSTITUTIONAL CONTROLS

4. Preventive: None.

Engineering: A concrete/asphalt barrier that is sufficient in thickness to inhibit the inhalation and ingestion of the contaminated media must remain over the contaminated soil as outlined in the attached Site Base Map. This concrete/asphalt barrier is to be properly maintained as an engineered barrier to inhibit inhalation and ingestion of the contaminated media.

Institutional: This Letter shall be recorded as a permanent part of the chain of title for the above-referenced site, more particularly described in the attached Leaking Underground Storage Tank Environmental Notice of this Letter.

Groundwater Use Ordinance

Section 11-8-390 of the Municipal Code of Chicago effectively prohibits the installation of potable water supply wells (and the use of such wells) and is an acceptable institutional control under the following conditions:

Each affected or potentially affected (as shown through contaminant modeling) property owner and the City of Chicago must receive written notification from the owner or operator desiring to use the ordinance as an institutional control that groundwater remediation objectives have been approved by the Illinois EPA. Written proof of this notification shall be submitted to the Illinois EPA in accordance with 35 Ill. Adm. Code 742.1015(b) and (c) within 45 days from the date this Letter is recorded. The notification shall include:

- a. The name and address of the unit of local government;
- b. The citation of the ordinance used as an institutional control in this Letter;
- c. A description of the property being sent notice by adequate legal description or by reference to a plat showing the boundaries;
- d. A statement that the ordinance restricting the groundwater use was used by the Illinois EPA in reviewing a request for groundwater remediation objectives;
- e. A statement as to the nature of the release and response action with the name, address, and Illinois EPA inventory identification number; and
- f. A statement as to where more information may be obtained regarding the ordinance.

Page 4

The following activities shall be grounds for voidance of the ordinance as an institutional control and this Letter:

- a. Modification of the reference ordinance to allow potable uses of groundwater.
- b. Approval of a site-specific request, such as a variance, to allow use of groundwater at the site.
- c. Violation of the terms of a recorded institutional control.

As a part of its corrective action, the leaking underground storage tank site has relied upon Section 11-8-390 of the Municipal Code of Chicago that prohibits potable uses of groundwater as defined therein.

5. Failure to establish, operate and maintain controls in full compliance with the Act, applicable regulations, and the approved corrective action plan, if applicable, may result in voidance of this Letter.

OTHER TERMS

6. Any contaminated soil or groundwater removed or excavated from, or disturbed at, the above-referenced site, more particularly described in the Leaking Underground Storage Tank Environmental Notice of this Letter, must be handled in accordance with all applicable laws and regulations under 35 Ill. Adm. Code Subtitle G.
7. Further information regarding the above-referenced site can be obtained through a written request under the Freedom of Information Act (5 ILCS 140) to:

Illinois Environmental Protection Agency
 Attention: Freedom of Information Act Officer
 Bureau of Land - #24
 1021 North Grand Avenue East
 Post Office Box 19276
 Springfield, IL 62794-9276

8. Pursuant to 35 Ill. Adm. Code 732.704, should the Illinois EPA seek to void this Letter, the Illinois EPA shall provide notice to the owner or operator of the leaking underground storage tank system(s) associated with the above-referenced incident and the current title holder of the real estate on which the tanks were located, at their last known addresses. The notice shall specify the cause for the voidance, explain the provisions for appeal, and describe the facts in support of the voidance. Specific acts or omissions that may result in the voidance of this Letter include, but shall not be limited to:
 - a. Any violation of institutional controls or industrial/commercial land use restrictions;

UNOFFICIAL COPY

Page 5

- b. The failure to operate and maintain preventive or engineering controls or to comply with any applicable groundwater monitoring plan;
- c. The disturbance or removal of contamination that has been left in-place in accordance with the Corrective Action Plan or Completion Report;
- d. The failure to comply with the recording requirements for the Letter;
- e. Obtaining the Letter by fraud or misrepresentation; or
- f. Subsequent discovery of contaminants, not identified as part of the investigative or remedial activities upon which the issuance of the Letter was based, that pose a threat to human health or the environment.

Submit an accurate and official copy of this Letter, as recorded, to:

Illinois Environmental Protection Agency
Bureau of Land - #24
Leaking Underground Storage Tank Section
1021 North Grand Avenue East
Post Office Box 19276
Springfield, IL 62794-9276

If you have any questions or need further assistance, please contact the Illinois EPA project manager, Steve Jones, at 217/524-1253.

Sincerely,

Hernando A. Albarracin
Unit Manager
Leaking Underground Storage Tank Section
