To the extent permitted by law, all individuals who are or may qualify as Tax Credit Eligible Families with respect to the Project (whether as prospective, present or former tenants of the Project) (the "Permitted Tenants") shall have the right to enforce in any court of the State the requirement of Section 1(b) of Exhibit B hereto and the terms of Section 5.2 hereof.

6.4 The Owner further specifically acknowledges that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of any breach or violation of any of the foregoing representations or covenants.

6.5 Upon any failure of the Owner to comply fully with the Code, the covenants and agreements contained herein or with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the United States Department of the Treasury, the Internal Revenue Service or the City from time to time pertaining to the obligations of the Owner as set forth therein or herein, and upon compliance by the City with the procedures described in Section 6.6 hereof, the City may, in addition to all of the remedies provided by law or in equity, request the Internal Revenue Service to decertify the Project for Tax Credit dollars and to immediately commence recapture of the Tax Credit dollars heretofore allocated to the Project.

6.6 The City shall provide prompt written notice (a "Noncompliance Notice") to the Owner if the City (a) does not receive from the Owner an Annual Report when due, (b) is not permitted to inspect, as provided in Section 18 hereof, the records maintained by the Owner pursuant to Section 2.15 hereof, or (c) discovers by inspection, review or in some other manner that the Project is not in compliance with the provisions of Section 42 of the Code. The Noncompliance Notice shall specify a period (the "Correction Period") during which the Owner is required to correct the condition (the "Noncompliance Condition") causing the production of the Noncompliance Notice. After the end of the Correction Period (and within 45 days of the end of such period), the City shall file with the Internal Revenue Service Form 8822 describing the Noncompliance Condition, whether or not the Noncompliance Condition shall have been corrected during the Correction Period. Notwithstanding any other provision herein to the contrary, this Section 6.6 shall survive beyond the Tax Credit Termination Date, if the Tax Credit Termination Date (a) is not also a Foreclosure Date, and (b) shall occur prior to October 1 of the second calendar year following the end of the Compliance Period; notwithstanding the foregoing part of this sentence, this Section 6.6 shall terminate as of a Foreclosure Date.

## SECTION 7 RECORDING AND FILING.

The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto to be recorded and filed in the conveyance and real property records of the county in which the Project is located and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording. Upon

# UNOFFICIAL COPY

recording, the Owner shall immediately transmit to the City an executed original of this Regulatory Agreement showing the date and recording number of record. The Owner agrees that the City may withhold the Internal Revenue Service Form 8609 with respect to the Project unless and until the City has received the recorded executed original of this Regulatory Agreement.

## SECTION 8 PREVAILING WAGE

The Owner hereby covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees as required by applicable law. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Owner shall provide the City with copies of all such contracts entered into by the Owner or the General Contractor to evidence compliance with this Section 8.

## SECTION 9 MBE/WBE COMMITMENT

9.1 The Owner agrees for itself and shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 9.1, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in the Project Budget) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 9.1 only, the Owner (and any party to whom a contract is let by the Owner in connection with the Project) shall be deemed a "contractor" and this Regulatory Agreement (and any contract let by the Owner in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago. In addition, the term "minority-owned business" or "MBE" shall mean a business enterprise identified in the Directory of Certified Minority Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a minority-owned business enterprise; and the term "women-owned business" or "WBE" shall mean a business enterprise identified in the Directory of Certified Women Business Enterprises published by the City's Purchasing Department, or otherwise certified by the City's Purchasing Department as a women-owned business enterprise.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the Owner's MBE/WBE commitment may be achieved in part by the Owner's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Owner) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the

# UNOFFICIAL COPY

Project by the MBE or WBE), by the Owner utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Owner's MBE/WBE commitment as described in this Section 9.1.

(d) The Owner shall deliver quarterly reports to DOH during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Owner or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DOH in determining the Owner's compliance with this MBE/WBE commitment. The Owner shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DOH shall have access to all such records maintained by the Owner, on five Business Days' notice, to allow the City to review the Owner's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or Subcontractor, if such status was misrepresented by the disqualified party, the Owner shall be obligated to discharge or cause to be discharged the disqualified General Contractor or Subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(f) Any reduction or waiver of the Owner's MBE/WBE commitment as described in this Section 9.1 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(g) Prior to the commencement of the Project, the Owner shall be required to meet with the monitoring staff of DOH with regard to the Owner's compliance with its obligations under this Section 9.1. The General Contractor and all major Subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Owner shall demonstrate to DOH its plan to achieve its obligations under this Section 9.1, the sufficiency of which shall be approved by DOH. During the Project, the Owner shall submit the documentation required by this Section 9.1 to the monitoring staff of DOH. Failure to submit such documentation on a timely basis, or a determination by DOH, upon analysis of the documentation, that the Owner is not complying with its obligations under this Section 9.1, shall, upon the delivery of written notice to the Owner, be subject to the provisions of Section 6 hereof. Upon the occurrence of any such event of non-compliance with this subparagraph (g), in addition to any other remedies provided under this Regulatory Agreement, the City may: (1) issue a written demand to the Owner to halt the Project, or (2) seek any other remedies against the Owner available at law or in equity.

## SECTION 10 CITY RESIDENT EMPLOYMENT REQUIREMENT

# UNOFFICIAL COPY

10.1 The Owner agrees for itself and its successors and assigns, and shall contractually obligate the General Contractor and shall cause the General Contractor to contractually obligate the Subcontractors, as applicable, to agree, that during the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Owner, the General Contractor and the Subcontractors shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

10.2 The Owner may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City (the "Chief Procurement Officer").

10.3 "Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

10.4 The Owner, the General Contractor and the Subcontractors shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the Project. The Owner, the General Contractor and the Subcontractors shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

10.5 Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

10.6 The Owner, the General Contractor and the Subcontractors shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Owner, the General Contractor and the Subcontractors shall maintain all relevant personnel data and records for a period of at least three years after final acceptance of the work constituting the Project.

10.7 At the direction of DOH, affidavits and other supporting documentation will be required of the Owner, the General Contractor and the Subcontractors to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

10.8 Good faith efforts on the part of the Owner, the General Contractor and the Subcontractors to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 10 concerning the worker hours performed by actual Chicago residents.

10.9 When work at the Project is completed, in the event that the City has determined that the Owner failed to ensure the fulfillment of the requirement of this Section 10 concerning the

# UNOFFICIAL COPY

worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 10. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent, 0.0005, of the aggregate hard construction costs set forth in the Project Budget (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Owner to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Owner, the General Contractor and/or the Subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Owner pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination whether the Owner must surrender damages as provided in this paragraph.

10.10 Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Regulatory Agreement.

10.11 The Owner shall cause or require the provisions of this Section 10 to be included in the Construction Contract and all applicable Subcontracts.

## **SECTION 11 COVENANTS TO RUN WITH OWNER'S INTEREST IN THE PROJECT.**

The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall, throughout the Project Term, be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project throughout the Project Term. The Owner hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another Person in order that such transferee has notice of, and is bound by, such restrictions, and to obtain from any transferee the agreement to be bound by and comply with the requirements set forth in this Regulatory Agreement; provided, however, that each and every contract, deed, mortgage or other instrument hereafter executed covering or conveying the Project or any portion thereof or interest therein (including, without limitation, any transfer of a beneficial interest in a land trust or a portion thereof) shall conclusively be held to have been

## SECTION 13 AMENDMENTS.

This Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the county in which the Project is located. - I. Regulatory Agreement for Multifamily Housing Projects, dated as of September 1, 2005, between the Owner and HUD (the "HUD Regulatory Agreement").
- R-1 Notwithstanding anything in the Document to the contrary, the provisions of the Document are subordinate to all applicable Federal Statutes, HUD mortgage insurance regulations and related HUD directives and administrative requirements other than those HUD mortgage insurance regulations, related HUD directives or administrative requirements which have been waived in writing by HUD with respect to the Project. The provisions of the Document are also expressly subordinate to the HUD/FHA Loan Documents. In the event of any conflict between the Document and the provisions of applicable Federal statutes, HUD mortgage insurance regulations, related HUD directives and administrative requirements, or HUD/FHA Loan Documents, the Federal statutes, HUD mortgage insurance regulations, related HUD directives and administrative requirements and HUD/FHA Loan Documents shall control, except for those HUD mortgage insurance regulations, related HUD directives or administrative requirements which have been waived in writing by HUD with respect to the Project.

Failure to pay, when due, any such required amount due to lack of distributable Surplus Cash shall not be an event of default under the Document but such amount shall accrue and be payable when there is sufficient available Surplus Cash or at the unaccelerated maturity date of the Note, whichever shall first occur.
- R-7 In the event of the appointment by any court of any person, other than HUD or the Mortgagee, as a receiver, as a mortgagee or party in possession, or in the event of any enforcement of any assignment of leases, rents, issues, profits, or contracts contained in the Document, with or without court action, no rents, revenue or other income of the Project collected by the receiver, person in possession or person pursuing enforcement as aforesaid, shall be utilized for the payment of interest, principal or any other amount due and payable under the provisions of the Document except from distributable Surplus Cash in accordance with the HUD Regulatory Agreement. Within 90 days after such service, the City shall serve written notice of its approval of such transfer, or of its requirements for approval of such transfer, on HUD, the Mortgagee and the Owner.
