Family Home Lot. Each Owner by acceptance of a deed or other conveyance of a Single Family Home Lot thereby becomes a Member, whether or not this statement of such membership is made a part of, incorporated by reference or expressed in said deed or conveyance. Continuing membership in the Association shall be compulsory and no Owner of any interest in a Single Family Home Lot shall have any right or power to disclaim, terminate, or withdraw from his membership in the Association or any of his obligations as such Member, any such purported disclaimer, termination or withdrawal being null and void. There shall be one Person with respect to every Single Family Home Lot who shall be entitled to vote at any meeting of the Members. Such Person shall be known as a "voting member." Such voting member may be the Owner or one of the group comprising Owner of a Single Family Home Lot or may be a Person designated by such Owner to act as proxy on his behalf and who need not be an Owner. Such designation shall be made in writing to the Board and shall be revocable at any time by notice to the Board by the Owner.

Class A: Each Owner shall be a Class A voting member and as such shall be entitled to one vote for each Single Family Home Lot owned by him; provided, however, that the Declarant shall not be a Class A voting member so long as the Declarant is a Class B voting member;

Except for directors so designated by Declarant, each member of the Board shall be an Owner and shall reside in a Single Family Home; provided, however, that in the event an Owner is a corporation, partnership, trust or other legal entity other than a natural person or persons, then any designated agent of such corporation, partnership, trust, or other legal entity, shall be eligible to serve as a member of the Board, so long as any such agent (other than a Person designated by Declarant) resides in a Single Family Home.

3.6 Election of Directors:

(a) The initial Board designated by the Declarant shall consist of three (3) directors who shall serve without compensation. Such initial Board shall serve for a period commencing on the date the Association is formed by the filing of the Articles of Incorporation therefor in the office of the Secretary of State of Illinois and ending upon the qualification of the Board elected at the initial meeting of voting members held as provided in Section 3.7 hereof. At the initial meeting held as provided in Section 3.7 hereof, the voting members shall elect three (3) Board members who shall serve until the first annual meeting. In all elections for members of the Board, each voting member shall be entitled to vote on a non-cumulative voting basis and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected except as otherwise provided herein. Each voting member shall be entitled to cast the number of votes specified in Section 3.3 hereof. Members of the Board elected at the initial meeting shall serve until the first annual meeting. At the first annual meeting of the voting members, three (3) Board members shall be elected. The Owners of the Single Family Home Lots receiving the two highest number of votes at the first annual meeting each shall be elected to the Board for a term of two (2) years. The presence in person or by proxy at any meeting of the voting members having a majority of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be taken at any meeting of the voting members at which a quorum is present upon the affirmative vote of the voting members having a majority of the total votes present at such meeting.

(b) The initial meeting of voting members shall be held upon not less than ten (10) days written notice from the Declarant. Such notice must be given no later than thirty (30) days after the sale and conveyance of title to ninety percent (90%) of the total number of Single Family Home Lots which may be constructed by Declarant on the Development Site (including on the Additional Land), but such notice may, at the discretion of the Declarant, be given earlier. ARTICLE IV

Assessments

4.1 Personal Obligation: Each Owner (except for the Declarant) by acceptance of a deed or other conveyance instrument for a Single Family Home Lot, whether or not so expressed in any such deed or other conveyance instrument for such Single Family Home Lot, hereby covenants and agrees to pay to the Association such assessments and fees as are levied pursuant to the provisions of this Declaration and the By-Laws of the Association. Such assessments and fees, whether special or otherwise, not paid when due, together with interest thereon until paid at the "Default Rate" (hereinafter defined), late fees of \$25.00 per month (or such other amount as the Board may determine from time to time) and costs of collection, including attorneys' fees incurred in respect thereto regardless of whether suit shall be instituted, shall be a charge and a continuing lien upon the Single Family Home Lot against which such assessment is made. For purposes of this Declaration, "Default Rate" means an annual rate of interest equal to the "prime rate" of interest from time to time in effect at LaSalle National Bank or its successor plus three percent (3%), which Default Rate shall change when and as the "prime rate" changes. Furthermore, each such assessment, together with such interest, costs, late fees and other fees, shall be the personal obligation of the Person who was the Owner of such Single Family Home Lot on the date upon which such assessment became due. No Single Family Home any interest therein may be transferred or sold or the beneficial interest transferred (where title is held in land trust) by its Owner unless and until all outstanding assessments together with any interest, cost, late fees and other fees are paid to the Association. The Declarant, to the extent that it shall be an Owner of any Single Family Home Lots which are leased to any Person, shall, as to each such leased Single Family Home Lot, be subject to the provisions of this Article from and after the first day of the month in which the Declarant first receives rent for such Single Family Home Lot. Except as provided in the immediately preceding sentence, the Declarant shall not be liable for the payment of assessments hereunder and portions of the Development Site owned by the Declarant shall not be subject to liens hereunder; provided, however, that the Declarant shall pay the actual costs incurred by the Association attributable to the maintenance and repair of those portions of the Development Site owned by the Declarant.

4.2 Purpose of Assessments: The assessments and fees levied by the Association shall be used for the purpose of promoting the health, safety and welfare of the Members of the Association and, in particular, for (a) paying the cost of maintenance and repair of the Common Area and Common Facilities, including the cost of labor, equipment, services (including utilities and security services, accountants', attorneys' and other professional fees, licenses and permits,

UNOFFICIAL COPY

including driveway license renewal fees) and the materials in connection therewith, (b) the establishment of such reasonable reserves, if any, as the Board deems appropriate, (c) the performance of the duties of the Board as set forth in this Declaration and the By-Laws, including the enforcement of the provisions thereof, (d) paying the cost of any maintenance, repair and upkeep of the Single Family Home Lots to the extent that such costs are not assessed against the particular Owners benefited by such services pursuant to Article VIII hereof, (e) paying the assessments due to the Master Association and, (f) in general, carrying out the purposes of the Association as stated herein and in the Articles of Incorporation of the Association.

4.2 Annual Assessments: Each year on or before December 1, the Board shall estimate the total amount (the "Aggregate Annual Assessment") necessary to provide the materials and services which will be required for the ensuing calendar year in the operation of the Association (which estimate shall include a reasonable amount considered by the Board to be desirable for contingencies and replacement of roofs of Single Family Homes and replacement of Common Facilities) and shall give written notice to each Owner of the amount of the Aggregate Annual Assessment with a reasonable itemization thereof and of the amount thereof allocable to such Owner. Except as otherwise provided in this Declaration, there shall be allocated to each Owner a pro rata portion of the Aggregate Annual Assessment. On or before January 1 of the ensuing year, and on the first day of each and every month of said year, each Owner shall be personally liable for and obligated to pay one-twelfth (1/12th) of the portion of the Aggregate Annual Assessment allocated to such Owner, unless the Board shall determine that such payments shall be made on a different basis during the calendar year. On or before April 1 of each calendar year following the initial meeting of voting members, the Board shall furnish to each Owner an itemized accounting of the expenses for the preceding calendar year and the amounts collected from the Owners. Any deficiency or excess shall be applied as an adjustment to the monthly installments due under the current year's estimate in the succeeding six (6) months after rendering of the itemized accounting. Notwithstanding anything to the contrary contained herein, the allocation of the Aggregate Annual Assessment may be adjusted by the Declarant in the event of any change in the composition of Single Family Homes in the Development or in the event that all Single Family Home Lots have not been conveyed by the Declarant, or both. Upon the creation of the Association, the Board shall determine an initial Aggregate Annual Assessment for the period commencing on the date on which the Association is incorporated and ending on December 31st of that calendar year.

4.4 Special Assessments: In addition to the annual assessments authorized pursuant to Section 4.3, the Board may at any time and from time to time levy special assessments. Special assessments shall be levied for the purpose of defraying, in whole or in part, the cost incurred by the Association for any repair, replacement, maintenance, service, labor, materials or capital improvement not provided for in the Aggregate Annual Assessment or reserve for the current calendar year. Except for special assessments which in the aggregate do not exceed in any twelve-month period the sum of \$1,000.00 per assessed Single Family Home Lot, any special assessment shall first be approved by the affirmative vote of not less than one-half (1/2) of the votes cast at the annual or a special meeting of the Members called and held in accordance with the provisions of Section 4.5 hereof. Special assessments shall be allocated to each Owner in the same manner as such Owner's proportionate share of the Aggregate Annual Assessment

unless the Board shall determine that the benefits of any expense or any part thereof accrue to less than all Single Family Home Lots or to certain Single Family Home Lots to a greater degree than to other Single Family Home Lots, in which case the Board shall serve notice on the appropriate Owners of any such special assessment or part thereof, including without limitation, the special assessments described in subsection 4.4(b), which notice shall consist of a written statement setting forth the reason for the special assessment, the amount and date on which such special assessment (or installment thereof) shall become due and payable. The Declarant shall be liable for the payment of special assessments only on those Single Family Home Lots for which the Declarant is obligated to pay a regular assessment.

4.5 Notice and Quorum: Written notice of any meeting called for the purpose of authorizing any special assessment requiring approval pursuant to Section 4.4(a) hereof shall be sent to all Members not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At such meeting, the presence in person or by proxy of Members entitled to cast at least one-half ($1/2$) of all votes shall constitute a quorum.

4.6 Proof of Payment: Upon written request by an Owner or mortgagee at any time, the Association shall furnish to such Owner or mortgagee a written certificate signed by an officer of the Association stating whether there are any unpaid annual or special assessments, interest, costs, late fees or other fees levied against such Owner's Single Family Home Lot. Such certificate shall be conclusive evidence of payment of any annual or special assessments, interest, costs, late fees or other fees not stated therein as unpaid.

4.7 Nonpayment of Assessments: Any assessment which is not paid when due shall be deemed delinquent. If an assessment is not paid within ten (10) days after the due date, such assessment shall bear interest at the Default Rate (defined in Section 4.1) from the delinquency date until paid and the Board may impose a late fee as provided in Section 4.1. In the event of the failure of any Owner to pay any assessment, maintenance charge, interest charge, late fee or other fees or costs of collection when due, the amount thereof shall constitute a lien on the Single Family Home Lot of such Owner. In the event such Owner fails to pay such assessment within thirty (30) days after notice from the Board of such default, the Board may accelerate the maturity of the remainder of the installments of annual and special assessments due from such Owner for the balance of the calendar year and may enforce collection thereof. The Board shall, in the name of and on behalf of the Association, have all rights and remedies to enforce such collections as shall from time to time be permitted by law, including bringing an action at law or in equity against such Owner and foreclosing the aforesaid lien. All expenses of the Association in connection with such action or proceedings, whether or not suit shall be instituted, including attorneys' fees and court costs and other fees and expenses, shall be charged to and assessed against such Owner (and shall constitute a personal liability of such Owner) and shall be added to and deemed part of his assessments and the Association shall have a lien for all of the same upon the Single Family Home Lot of such Owner. In addition, the Association shall have (a) the right to bar the Owner and anyone claiming any rights under him from using any or all of the Common Area and (b) a lien for any unpaid assessments by said Owner on all tangible personal property located in, on or about the Owner's Single Family Home Lot, provided such lien shall be subject to prior bona fide liens of record.

UNOFFICIAL COPY

4.8 Subordination of Lien to Taxes and Mortgage: The lien of the assessments provided for herein shall be subordinate to (a) the lien of taxes, special assessments and special taxes theretofore or thereafter levied by the City or any political subdivision of this State and other state or federal taxes which by law constitute a lien on such Single Family Home Lot prior to pre-existing recorded encumbrances thereon, and (b) the lien of any prior, recorded first mortgage or trust deed on a Single Family Home Lot held by any bank, savings and loan association or other institutional lender, except for the amount of any assessments which become due and payable from and after the date such lender obtains possession of or title to such Single Family Home Lot after default pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure or has a receiver appointed in a suit to foreclose its lien. Such transfer of title shall not relieve such Single Family Home Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessments.

4.9 Exemption from Assessment on Lots Owned by Declarant: In order that those Single Family Home Lots which are improved and conveyed or leased by Declarant or its agents may, with reasonable promptness, receive the benefits of maintenance by the Association for the enjoyment of the residents of the Parcel and be subject to assessments therefor, and so as not to discourage the Declarant from voting for such assessments at such times as the Declarant may still own a substantial number of unoccupied Single Family Home Lots and inasmuch as assessments levied against such Single Family Home Lots impose a burden on the Declarant without the Declarant desiring, or receiving the benefits of maintenance upon such Single Family Home Lots as may from time to time be provided by the Association, it is therefore expressly provided that no Single Family Home Lot owned by the Declarant, shall be subject to the assessments, charges and liens provided for herein until the date upon which such Single Family Home Lot shall be conveyed to a bona fide purchaser or leased to any person who shall have commenced to pay rental therefor or sold pursuant to installment contract or articles of agreement for deed; provided, however, that each year, until the initial meeting of the elected Board pursuant to Section 3.6, the Declarant shall contribute to the Association the amount, if any, by which the operating expenses of the Association incurred or paid during such year (exclusive of any amounts allocated to reserves) exceed the gross revenues of the Association during such year. Upon the conveyance or leasing by Declarant of a Single Family Home Lot which was theretofore entitled to the foregoing exemption from assessments, such Single Family Home Lot and the Owner thereof shall immediately become subject to the payment of all assessments and other charges and the liens provided for herein.

4.10 Initial Assessments: The Declarant shall collect from each purchaser of a Single Family Home Lot at the time of closing of the purchase thereof, an amount equal to three (3) times the monthly assessment allocable to such Single Family Home Lot. The amounts so collected shall be utilized to fund an operating reserve for the Association.

4.11 Negligent and Willful Acts of Owners: If due to the negligent or willful act or omission of an Owner, Owner's lessee, or any Family member, or invitee, guest or permitted pet of any such person damage shall be caused to any portion of the Development Site and/or Parcel, or expenses shall otherwise be incurred by the Board, then the responsible Owner or Owners, jointly and severally, shall be assessed by the Board in an amount equal to such expenses incurred by the Board as a special assessment pursuant to Section 4.4.

UNOFFICIAL COPY

4.12 Delay: The failure or delay of the Board to prepare or transmit to any Owner an Aggregate Annual Assessment in respect of any calendar year shall not constitute a waiver or release in any manner of such Owner's obligation to pay the monthly assessments or special assessments whenever assessed, and in the absence of any Aggregate Annual Assessment, unless otherwise determined by the Board, such Owner shall continue to pay to the Board the monthly assessments in the installments in force and effect as of the most recent Aggregate Annual Assessment until a new Aggregate Annual Assessment shall become effective.

4.13 Use of Funds: All funds collected by the Board hereunder shall be held and expended for the benefit of the Owners and the Association and for the purposes designated herein.

ARTICLE V

Covenants and Restrictions as to Use and Occupancy

5.1 Residential Use: Except as specifically permitted by local law, each Single Family Home shall be used for private, residential purposes by a single Family and for no other purposes. No industry, business, trade, occupation or profession of any kind, commercial, religious, charitable, educational or otherwise, conducted for profit, altruism or otherwise shall be conducted, maintained or permitted anywhere on a Single Family Home Lot; provided, however, that none of the foregoing restrictions shall preclude an Owner, with respect to his Single Family Home from (a) maintaining his personal professional library therein; (b) keeping his personal business or professional records or accounts therein; or (c) handling his personal business or professional telephone calls or correspondence therefrom. Such uses are expressly declared customarily incidental to the principal residential use and not in violation of said restrictions.

5.2 Leasing: No Single Family Home Lot may be leased for "transient purposes." For purposes of this Section 5.2, "transient purposes" shall mean for a term of less than six (6) months. All leases shall be in writing and shall be subject to the provisions of Section 12.7 and require the lessee to observe and comply with the provisions of this Declaration and any rules and regulations from time to time adopted by the Board.

5.3 Restrictions: Except for activities of the Declarant during original construction of the Development:

Pets shall be leashed at all times when outside any Single Family Home and no pet shall be permitted to urinate or defecate on any

No maintenance of any vehicle shall be performed on a Single Family Home Lot. No vehicle shall be parked on any portion of the Common Area unless permitted pursuant to rules and regulations adopted by the Board. The foregoing restriction shall not apply to any trucks or other vehicles owned by the Declarant, its contractors, subcontractors, material suppliers, agents and employees which may be parked on any portion of the Common Area or any Single Family Home Lots owned by the Declarant during the construction and marketing of the Development or necessary to make service calls.

(d) No clotheslines, clothes, sheets, blankets, laundry of any kind or other articles shall be hung out or exposed on any part of a Single Family Home Lot. All rubbish, trash and garbage shall be placed in closed plastic bags, deposited in closed trash receptacles and regularly removed from each Single Family Home Lot. No trash receptacles shall be kept outside on a Single Family Home Lot and no burning of trash shall be permitted. Notwithstanding the foregoing, each Owner shall place its trash receptacle in the designated area in the morning of the trash pick-up day, and return its receptacle to his/her garage at the end of such day.

(e) With the exception of machinery, equipment, building materials and supplies and similar items which the Declarant may store or permit to be stored upon any Single Family Home Lot owned by the Declarant during construction and marketing of Single Family Home Lots, no machinery, equipment, building materials and supplies or similar items may be stored, kept or maintained on any part of a Single Family Home Lot. (f) All exterior lighting and seasonal lighting and decorating on a Single Family Home Lot shall be subject to rules, regulations and limitations of the Board and all seasonal lighting and decorating shall be removed no later than thirty (30) days after the last day of the holiday to which they relate.

(g) No radio or television antennas or satellite dishes (except as permitted below) shall be affixed to or placed in, through or upon the exterior walls, roof or windows of a Single Family Home or shall be installed anywhere on any part of a Single Family Home Lot, except in accordance with Section 2.2 herein and except for satellite dishes which may be placed on the roof of a Single Family Home only provided such satellite dishes are not visible from the street or Private Road and are installed in accordance with specifications approved by the Board. No shortwave radio or other type of radio transmitter shall be permitted in or about any Single Family Home which may interfere with the radio or television reception in any Single Family Home. No Owner shall at any time install recessed speakers in common walls or common ceilings of a Single Family Home. In addition, the Owner of a Single Family Home shall be responsible for the addition of any soundproofing in such Single Family Home should it become necessary to prevent sound from audio equipment from being transmitted into adjoining Single Family Homes.

(h) No wall sleeve or window air conditioning unit shall be installed in any Single Family Home without the prior approval of the Architectural Control Committee. Each wall sleeve or window air conditioning unit permitted or approved pursuant to the immediately preceding sentence shall be neat, properly maintained and in keeping with the character of the community and shall be allowed only between May 1 and September 30 of each year.

(i) No additions of any kind shall be made on a Single Family Home Lot which would increase the square footage of the existing improvements. No sheds, greenhouses, solariums, out buildings, storage buildings, tents or other structures of any kind shall be erected on any part of a Single Family Home Lot. Garages shall be used for storage of vehicles as permitted herein and for no other purpose including, but not limited to, the making of mechanical repairs to vehicles. Garage doors shall remain closed to the extent possible.

Subject to applicable law, one "For Sale" sign containing no more than six (6) square feet may be exhibited on a Single Family Home Lot in such location as shall be approved by the Board, but in no event in a window of a Single Family Home.

(l) Other than fences originally installed by the Declarant, no fence shall be erected or maintained on a Single Family Home Lot without the prior approval of the Architectural Control Committee. No fence may be erected that differs in design, material, color or height from the fence installed by the Declarant.

Any such exterior addition to or exterior change or alteration to a Single Family Home approved by the Architectural Control Committee (i) shall be of color, design, material and construction at least equal to that of the Single Family Home as originally constructed, (ii) shall comply with all applicable building, fire and safety laws, statutes, ordinances and any other requirements of the City, and the zoning as approved by the City for the Development Site, (iii) shall be performed in a good and workmanlike manner, and (iv) shall harmonize, to the satisfaction of the Architectural Control Committee as to design, color, location and size, with surrounding structures and topography.

(o) No planting or landscaping by an Owner shall be permitted on a Single Family Home Lot (except within the fenced-in patio area adjacent to the Single Family Home Lot). All landscaping and maintenance thereof on the Single Family Home Lots (except within the fenced-in patio areas adjacent to the Single Family Home Lots) and Common Area shall be the initial responsibility of the Declarant and become the responsibility of the Association upon its creation. Landscape plants, trees, bushes and other material which shall be removed by the Association by reason of damage, disease, overgrowth or other reason shall be replaced in type, size and kind by the Association. No plants or seeds or other things or conditions harboring or breeding infectious plant disease or noxious insects shall be introduced or maintained upon or in any portion of the Parcel.

(p) There shall be no obstruction of the Common Area and nothing shall be stored on the Common Area without the prior consent of the Board, except as otherwise in this Declaration expressly provided.

(q) Nothing shall be done or kept in or upon any portion of the Single Family Home Lot or the Common Area which will result in (a) an increase in premiums for any insurance secured by an Owner or the Association over then prevailing rates, without the prior written consent of the Board, or (b) the cancellation of any insurance on any Single Family Home Lot or other improvement on the Parcel, or (c) the violation of any law.

(r) No waste shall be committed on the Development Site or Parcel by any Owner.

5.4 Remedies: The violation of any covenant, condition, restriction, rule or regulation adopted by the Board, or the breach of any provision of this Declaration, shall give the Board (or the Declarant prior to the creation of the Board) upon not less than ten (10) days' prior written notice (or immediately in the event of any matter of an emergency nature which might result in damage or injury to persons or property) any one or more of the following rights which may be exercised at any time and from time to time cumulatively or otherwise:

(a) to enter upon that part of the Parcel where such violation or breach exists and summarily abate and remove, at the expense of the defaulting Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Declarant or the Board, or their respective employees, agents or contractors shall not thereby be deemed guilty in any manner of trespass;

Party Walls, Decks, Stairways and Fences

7.1 General Rules of Law to Apply: Each wall and fence which is built as a part of the original construction of a Single Family Home (or as reconstructed following fire or other casualty) which is located on the boundary line between separate Single Family Home Lots shall constitute a party wall for which an easement is granted in Section 2.1 of this Declaration. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls, support easements and of liability for property damage due to negligence or willful acts or omissions shall apply to each such wall and fence and to each deck and stairway which is not located entirely on the Single Family Home Lot of an Owner.

7.2 Sharing of Repair and Maintenance: The cost of reasonable repair and maintenance of a party wall, deck, stairway and fence which is not located entirely on the Single Family Home Lot of an Owner shall be shared by the Owners who make use thereof in proportion to such use.

7.3 Destruction by Fire or Other Casualty: If a party wall, stairway, deck or fence is destroyed or damaged by fire or other casualty, either Owner entitled to use the same may restore it, and if the other Owner entitled to use the same thereafter makes use of the wall, stairway, deck or fence, he shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owner to call for a larger contribution from the other Owner under any rule of law regarding liability for negligent or willful acts or omissions.

7.4 Weatherproofing: Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the entire cost of furnishing the necessary protection against damage by such elements.

7.5 Right to Contribution Runs with Land: The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to and run with the land and shall pass to such Owner's successors in title.

ARTICLE VIII

8.1 Insurance: Each Owner shall maintain in full force and effect, with a reputable company licensed to conduct business in the State of Illinois, a policy of insurance covering his Single Family Home Lot against loss or damage by fire and against loss or damage by occurrences now or hereafter embraced by standard extended coverage and vandalism and malicious mischief in one hundred percent (100%) of the full insurable replacement cost of such Single Family Home. Each Owner shall deliver to the Board a certificate of insurance confirming that such insurance is in effect and a certificate for all renewals thereof. In the event that any Owner shall fail to maintain the insurance required herein, the Association shall have the

right, but not the obligation, to obtain such insurance in the name of such Owner and to add the cost thereof to the next monthly assessment due from such Owner.

8.2.1 Maintenance by Association: The Association shall be responsible for:

- (a) n/a
- (b) maintenance, repairs and replacement of the Common Area and Common Facilities (other than the cost thereof which any utility company may bear), including without limitation, maintenance and repair of common sewer lines and common water main lines located on and serving the Parcel from the point of connection to the sewer main or water main, as the case may be, in the public street if and to the extent required by the City;
- (c) the acquisition or construction of and payment for any additions, improvements, alterations or repairs to the storm sewers, sanitary sewers, telephone, water, gas, electric and other utility facilities lying within and serving only one Single Family Home Lot up to the point of entry to the Single Family Home to the extent not undertaken by the appropriate utility company; provided, however, that at the election of the Board, the Owner of such Single Family Home Lot may be assessed the costs associated therewith as a special assessment pursuant to the provisions of Section 4.4;
- (d) n/a
- (e) payment of all real estate taxes or general or special assessments levied on the Common Area and upon such other items for the general benefit of the Owners;
- (f) the acquisition, construction and payment for any emergency items or other items otherwise required for the preservation and safety of the Common Area or by applicable law or ordinance or regulations promulgated pursuant thereto, the cost of which shall be funded by charges against the reserves maintained pursuant to Section 4.2, or if sufficient funds are unavailable therefrom, then by special assessment pursuant to the provisions of Section 4.4, which special assessment shall be enforceable and collectible as provided therein; provided, however, that the Board shall not be required to secure the approval of the voting members as set forth in Section 4.4 for any items required under this Section 8.2 (f); and
- (g) the items described in Sections 8.3, 8.4 and 9.5.

8.2.2 Maintenance by Master Association: The Master Association shall be responsible for such items as are set forth in the Master Declaration

8.3.1 Landscaping and Lawn Maintenance Services:

- (a) The maintenance and upkeep of all landscaping located anywhere on the Parcel (except for landscaping within the fenced-in patio area of a Single Family Home

Lot) shall be the initial responsibility of the Declarant and become the responsibility of the Association upon its creation. Any change to the landscaping located anywhere on the Parcel (except for landscaping other than trees within the fenced-in patio area of a Single Family Home Lot) or on a parkway adjacent to the Parcel for which the Association is responsible or assumes responsibility, shall require the prior approval of the Board. The Association shall cause the lawn and shrubbery, trees and plantings located on the Parcel (except for landscaping within the fenced-in patio area of a Single Family Home Lot) to be watered as often as may be deemed advisable and necessary by the Board. The Association shall be responsible for and shall have exclusive authority to perform the maintenance (including without limitation, fertilizing, spraying, weed control, mowing, trimming, pruning and cultivating) and replacement required on account of natural causes, of the lawn, shrubbery, trees, evergreens or plantings on the Parcel (except for landscaping other than trees within the fenced-in patio area of a Single Family Home Lot). The landscaping and lawn maintenance costs shall be paid by each Owner pursuant to the payment procedure set forth in Section 4.3 or as otherwise established by the Board. The Association may assess as a special assessment as provided in Section 4.4 for maintenance or replacement costs against any Owner where such maintenance or replacements are necessitated by reason of the act or neglect of such Owner.

(b) Each Owner shall maintain in first-class condition all landscaping located in the fenced-in patio area of his Single Family Home not required to be maintained by the Association, including by way of example and not limitation, lawn, shrubbery, trees, evergreens and plantings. In the event any Owner fails to maintain the landscaping for which he is responsible as aforesaid, the Association shall have the right, but not the obligation, to enter upon such Owner's Single Family Home Lot to perform such maintenance and such Owner shall promptly pay upon demand all costs and expenses of the Association incurred thereby. The cost of any maintenance and replacements performed by the Association under this Section 8.3(b) shall be charged to the Owner benefited thereby and shall be added to the next assessment payment due from such Owner and shall bear interest at the Default Rate until paid and constitute the personal liability of such Owner and shall be a continuing lien on such Owner's Single Family Home Lot enforceable as provided in Article IV hereof.

8.4 Exterior Maintenance and Repair of Single Family Homes: Each Owner shall maintain in first-class condition and repair all exterior portions of his Single Family Home if and to the extent not maintained by the Association, including by way of example and not limitation, downspouts, gutters, trim, lighting (except for lighting in Common Area which shall be the responsibility of the Association), shutters, doors, walks, decks, stairways and patios. In the event any Owner fails to maintain or repair his Single Family Home as aforesaid, the Association shall have the right, but not the obligation, to enter upon such Owner's Single Family Home Lot to perform such maintenance or repair and such Owner shall promptly pay upon demand all costs and expenses of the Association incurred thereby. The cost of any maintenance, repairs and replacements performed by the Association under this Section 8.4 shall be charged to the Owner benefited thereby and shall be added to the next assessment payment due from such Owner and shall bear interest at the Default Rate until paid and constitute the personal liability of such

Owner and shall be a continuing lien on such Owner's Single Family Home Lot enforceable as provided in Article IV hereof.

8.5 Exterior Repainting: As the character of the architecture and color coordination of the Single Family Homes within the Parcel constitute a primary aspect of the ultimate residential environment, there shall be no change in any exterior color of any Single Family Home from the color scheme then in effect, except in connection with a general change in such color scheme under the direction and with the approval of the Association. At least once each five (5) years, unless the Association shall otherwise provide, the exteriors of the Single Family Homes shall be painted or stained as necessitated by the type of material in a color scheme agreed upon by two-thirds (2/3) of the voting members. If no such agreement is reached, the prevailing color scheme shall again be used. The cost of such exterior repainting and/or restaining shall be borne by the Owners of each Single Family Home and apportioned to each Owner as to the actual cost for such exterior repainting and/or restaining for his specific Single Family Home. At such time as exterior repainting and/or restaining of any Single Family Home shall be scheduled as provided by the provisions of this Section, in order to ensure the continuity of color coordination, the Association shall secure and engage, for the benefit of the Owners, such contractor or contractors as it shall determine to perform such exterior repainting and/or restaining as may be required. Prior to the commencement of any exterior repainting and/or restaining, the Association shall notify each Owner of a date for the commencement of the work and include with such notice a written estimate setting forth the anticipated cost for the performance of the said exterior maintenance. Not later than fifteen (15) days after notice shall have been given to an Owner, such Owner shall deposit with the Association funds equal to the full amount of the cost of such exterior maintenance as set forth in the written estimate. If such funds are not deposited with the Association when due, then the amount shall bear interest at the Default Rate until paid and constitute the personal liability of such Owner and shall be a continuing lien on such Owner's Single Family Home Lot enforceable as provided in Article IV hereof.

8.6 Reservation of Certain Easement Rights: Declarant hereby reserves unto itself and grants unto the Association and its and their respective successors and assigns the right of passage and easements, licenses, rights and privileges (and the right to grant the same to any of their contractors and employees) over the Parcel or any portion thereof for the purposes set forth in this Article VIII. Each Owner (a) shall be subject to such additional rules and regulations as may from time to time be adopted by the Board and (b) agrees to abide by and comply with such rules and regulations as may subsequently be adopted by the Board. Further, each Owner shall grant from time to time to the Declarant, the Association and their respective successors and assigns such easements and rights with respect thereto as may be reasonably necessary to conform with the terms and conditions of this Declaration. Each deed, mortgage, trust deed, or other evidence of obligation affecting a Single Family Home Lot or conveyance of any portion of the Development Site and the acceptance thereof shall be deemed to be a grant and acknowledgment that all rights and easements in favor of the Owners created by this Declaration or otherwise, shall be subject and subordinate to the obligations arising under that certain Construction and Easement Agreement, dated August 30, 2002, and recorded September 5, 2002 as document number 0020976372 and its Provisions in Project Documents section. In order to assure the proper completion of the work concerned, the Association shall have the right, but not the obligation to exercise such supervision and direction over any and all repair, restoration and reconstruction carried out pursuant to the provisions of this Section 8.7, and the Owner of each Single Family Home which shall have been damaged or destroyed shall fully cooperate with and abide by any and all instructions and directions of the Association in connection therewith. Should such Owner fail to reconstruct such Single Family Home as aforesaid, the Association may undertake to do such construction as it deems necessary and to charge such Owner the costs thereof. All such construction costs shall be promptly paid by Owner upon the Association providing Owner with copies of the bills evidencing such construction costs. Any amounts so charged to a Owner shall bear interest at the Default Rate and constitute a lien in the same manner as provided in Section 8.4 hereof and shall be enforceable as provided in Article IV hereof.

(c) Any rights hereby reserved to the Declarant, to the extent affecting the Parcel or Common Facilities located thereon, (i) may be assigned and transferred by the Declarant to any successor developer or to the Association by an instrument in writing executed by the Declarant and recorded with the Recorder, following which the rights so assigned and transferred shall be exercised by such successor developer or the Association, as the case may be, or (ii) may be collaterally assigned to the holder of any first mortgage on the Development Site and the successors and assigns of such holder, and in the event that such mortgage holder acquires title to the Development Site pursuant to the exercise of any remedy provided for in its mortgage, or by conveyance in lieu of foreclosure, all rights reserved to the Declarant, to the extent affecting the Parcel or Common Facilities located thereon, may be assigned and transferred by the Declarant to such holder, following which the rights so assigned or transferred shall be exercised by such holder. General

12.1 Amendment by Declarant: This Declaration may be amended by the Declarant at any time and from time to time in any manner prior to the conveyance by Declarant of any Single Family Home Lot. Declarant reserves the right to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends this Declaration (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Association, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities (including without limitation, any bank or savings and loan association) to make, purchase, sell, insure or guarantee first mortgages covering Single Family Home Lots, or (iii) to correct clerical or typographical errors in this Declaration or any Exhibit, supplement or amendment hereto. After the sale of any Single Family Home Lot and prior to the initial meeting of voting members, the Declarant shall have the right to change or modify this Declaration (provided, however, that the provisions of Section 4.8 shall not be amended or modified without the consent of one hundred percent (100%) of the mortgagees holding first mortgages on Single Family Home Lots) provided such change or modification shall not unfairly or unreasonably affect any rights of the Owners. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to make any change or modification as authorized hereunder on behalf of each Owner as attorney-in-fact for such Owner. 12.3 Amendment: After the initial meeting of voting members, the provisions of this Declaration may be amended by an instrument executed and acknowledged by the Board and approved by the Owners of not less than three-fourths (3/4ths) of the Single Family Home Lots which are subject to the provisions of this Declaration, and containing an affidavit by an officer of the Association certifying that a copy of the amendment has been mailed by certified mail to all mortgagees having bona fide liens of record against any Single Family Home Lot not less than five (5) days prior to the date of such affidavit. All notices shall be deemed served three (3) days after being deposited in the United States mail, or on the day and at the time delivered in person.

12.5 Ownership of Common Area and Common Facilities: Title to the Common Area and Common Facilities shall be held by Declarant until the date on which all Single Family Home Lots have been sold by the Declarant or sooner at the option of the Declarant, at which time title to the Common Area and Common Facilities shall be transferred by the Declarant to the Association by a quitclaim deed and other appropriate documentation.

12.6 Titleholding Land Trust: In the event title to any Single Family Home Lot is conveyed to and held by a titleholding trust, under the terms of which all power of management, operation and control of such Single Family Home Lot remains vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Single Family Home Lot. No claim shall be made against any such titleholding trustee personally for payment of any liens or obligations created hereunder and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against any such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon such Single Family Home Lot and the obligation of the beneficiaries of such trust notwithstanding any transfers of the beneficial interest of any such trust or any transfers of title to such Single Family Home Lot.

12.7 Sale, Lease or Transfer:

(a) General: Each Owner who is a grantee of the Declarant, each subsequent Owner by the acceptance of a deed of conveyance for a Single Family Home Lot, each tenant under a lease of a Single Family Home Lot and each Contract Purchaser, devisee, donee or transferee of a Single Family Home Lot or any interest therein, whether or not so expressed in any such deed, instrument or lease, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed, shall be deemed and taken to be covenants running with the land and shall bind any Person having at any time an interest or estate in a Single Family Home Lot, and shall inure to the benefit of such Owner in like manner as though the provisions of the Declaration were recited and stipulated at length in each and every such deed, instrument or lease.

(b) Unrestricted Transfer: Except as otherwise provided in the purchase agreement for a Single Family Home Lot between an Owner and the Declarant and subject to the provisions of subsection (c) of this Section 12.7, each Owner of a Single Family Home Lot shall at all times be free to sell, give, devise, convey, lease or otherwise

transfer fee simple title to the Single Family Home Lot or any interest therein owned by such Owner. Notice of any such transfer by an Owner other than the Declarant shall be given to the Board, in the manner provided in Section 12.4 for the giving of notices, within five (5) days after the consummation of such transfer, indicating in such notice the effective date of such transfer and the name and current address of the new Owner of such Single Family Home Lot or transferee of any interest therein.

(c) Leasing: Each Owner other than the Declarant shall have the right to lease all (but not less than all) of his Single Family Home Lot for the purposes for which it was designed and intended and upon such terms and conditions as such Owner may deem advisable, except that no Single Family Home Lot shall be leased for a period of less than six (6) months as provided in Section 5.2. Every lease of a Single Family Home Lot shall be in writing, shall provide that the lease shall be subject to the provisions of the Declaration and any rules and regulations from time to time adopted by the Board and that any failure of the tenant to comply with this Declaration or any such rules and regulations shall be a default under the lease. The Owner making any such lease shall not be relieved thereby from any of his obligations under this Declaration and any rules and regulations from time to time adopted by the Board. The Owner leasing the Single Family Home Lot owned by him shall deliver (i) a copy of the fully signed lease to the Board within ten (10) days after the lease is executed and prior to the date of occupancy by the tenant, and (ii) a copy of any amendment to such lease to the Board within ten (10) days after the execution thereof by the parties. The provisions of this subsection (c) shall not apply to a lease of a Single Family Home Lot or any interest therein by the Declarant; provided, however, that any such lease by Declarant shall be subject to the provisions of subsection (a) of this Section 12.7.

(d) Effect of Non-Compliance: Any lease or sublease which is attempted or made other than in strict compliance with the provisions of this Section 12.7 shall be subject to the rights and remedies available to the Declarant or the Board, as the case may be, under this Declaration or otherwise, including without limitation, the right to institute such proceedings at law or in equity to set aside the non-complying lease or other transfer by the Owner of the Single Family Home Lot in question. All costs incurred by reason of setting aside the non-complying lease or other transfer, together with attorneys' fees, shall be the personal obligation of the Owner of the Single Family Home Lot in question and shall be deemed a special assessment pursuant to the provisions of Section 4.4.

12.8 Duration: The covenants, restrictions, conditions, reservations, liens and charges imposed or established by or created under this Declaration shall run with and bind the land for a period of forty (40) years from the date of the recording of this Declaration. Failure by the Association or any Owner to so enforce shall in no event be deemed a waiver of the right to do so thereafter. After the expiration of said forty (40) year period, all of such covenants, restrictions, conditions, reservations, liens and charges shall continue to run with and bind the land for successive periods of ten (10) years each unless revoked, changed or amended in whole or in part, by an instrument in writing which is executed by the Owners of not less than two-thirds of the Single Family Home Lots, and recorded with the Recorder. Except in case of condemnation or destruction of a substantial portion of the Single Family Homes, the legal status

In the event there is at any time a conflict between any provision of this Declaration and any provision of the Master Declaration, then the provision of the Master Declaration shall prevail. The terms and conditions set forth in this Declaration are subject and subordinate in all regards to the terms and conditions set forth in the Master Declaration. The power of attorney granted to the declarant under the Master Declaration by each Parcel Owner under the Master Declaration shall not be modified, diminished or impaired by this Declaration.

12.10 Zoning: The Owners shall not make any alterations, allow any use of their respective portions of the Development Site or take or fail to take any action which would violate the provisions of the Chicago Zoning Ordinance, as said ordinance may be amended from time to time, or any similar or successor ordinance in effect from time to time hereafter and applicable to the Development Site or any portions thereof. The Corporation also has such powers as are now or may hereafter be granted by the General Not-For-Profit Corporation Act of the State of Illinois.

ARTICLE II

ORGANIZATION OF ASSOCIATION

Hartland Park Single Family Homes Homeowners' Association ("Association") shall be organized at such time and place and in such manner as provided in the Declaration.

ARTICLE III

OFFICES

The Association shall have and continuously maintain in this state a registered office and a registered agent whose office is identical with such registered office, and may have other offices within or without the State of Illinois as the Board of Directors may from time to time determine.

ARTICLE IV

MEMBERS

SECTION 1. CLASSES OF MEMBERS, MEMBERSHIP, AND TERMINATION THEREOF. The Association shall have two classes of voting members. The designations of such classes and the qualification of the members of such classes shall be as follows:

UNOFFICIAL COPY

Class A: Class A voting members shall be all Owners with the exception of the Declarant and each Class A voting member shall be entitled to one vote for each Single Family Home Lot owned by him or her;

Class B: The Class B voting member shall be the Declarant who shall at any given time be entitled to three (3) times the number of votes which the Class A voting members shall be entitled at such time. The Declarant shall cease to be a Class B voting member and shall become a Class A voting member upon the first to occur of any of the following dates:

- (a) The date upon which the Declarant shall have sold and conveyed title to ninety percent (90%) of the total number of Single Family Home Lots within the Development Site, or
- (b) The date upon which the Declarant elects to convert its Class B membership to Class A membership by written notice of such election to the Association.

Each Owner of a Single Family Home Lot shall be a Member of the Association and such membership shall terminate when he ceases to be an Owner. Such termination shall not relieve or release any such former Owner from any liability or obligation incurred under or in any way connected with the Development or this Association, during the period of such ownership and membership in, this Association. Furthermore, such termination shall not impair any rights or remedies which the board of Directors of the Association or others may have against such former Owner and Member arising out of, or in any way connected with, such ownership and membership and the covenants and obligations incident thereto. No certificates of stock or other certificates evidencing membership shall be issued by the Association.

SECTION 2. VOTES AND VOTING RIGHTS.

(a) There shall be one person with respect to every Single Family Home Lot who shall be entitled to vote at any meeting of the Members and who shall be known as a "voting member." Such voting member may be the Owner or one of the group comprising the Owner of a Single Family Home Lot or may be some person designated by such Owner to act as proxy on his or her behalf and who need not be an Owner. Such designation shall be made in writing to the Board and shall be revocable at any time by notice to the Board of the death or judicially declared incompetence of any designator or by notice to the Board by the Owner. Any and all such Owners may be present at any meeting of the voting members and (those constituting a group acting as a single voting member) may vote or take any other action as a voting member, either in person or by proxy as provided in Section 5 of Article V hereof. The Declarant shall be the voting member with respect to any Lot or Single Family Home Lot owned by the Declarant.

(b) Until the date of the initial meeting of the voting members, as provided in Article V hereof, no member of the Association shall have any voting rights and the right of the members to vote on any matter is hereby denied until such date.

UNOFFICIAL COPY

(c) Commencing with the date of the said initial meeting of the voting members, each voting member shall be entitled to the number of votes provided for in Article IV, Section 1 hereof.

(d) In the event of a resale of a Single Family Home Lot, the purchaser of such Single Family Home Lot pursuant to an installment contract or articles of agreement for deed ("Contract Purchaser") from a selling Owner other than the Declarant ("Contract Seller") shall, during such times as the Contract Purchaser resides in the Single Family Home, be the voting member with respect to such Single Family Home Lot and shall have the right to vote for the election of members of the Board and to be elected to and serve on the Board, unless the Contract Seller expressly retains in writing any or all of such rights. In no event may the Contract Seller and Contract Purchaser both be counted toward a quorum, be permitted to vote or be elected to and serve on the Board. Satisfactory evidence of the installment contract shall be made available to the Association or its agents upon demand. Notwithstanding the foregoing, resale by installment contract shall not contravene the terms and conditions of the Fulton Station Purchase Agreement executed by such Contract Seller.

SECTION 3. TRANSFER OF MEMBERSHIP. Membership in this Association is not transferable or assignable, except only as is provided in Article IV, Section 1 hereof.

ARTICLE V

which a quorum is present upon the affirmative vote of the voting members having a majority of the total votes present at such meeting. If a quorum is not present at any meeting of voting members, a majority of the members present may adjourn the meeting from time to time without further notice. In the event that a quorum is not present at any meeting of the voting members, another meeting may be called by notice from the Board and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum of the preceding meeting; provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 5. PROXIES. At any meeting of voting members, a voting member entitled to vote may vote either in person or by proxy executed in writing by the Owner to the Board and shall be revocable and automatically cease upon conveyance by the Owner of a Single Family Home Lot.

(a) Until the date of the initial meeting of the voting members as hereinabove provided, the number of directors shall be three (3), consisting of the directors named in the Articles of Incorporation and such successors to the directors so named as shall from time to time be designated by the Declarant. At the time of the initial meeting of the voting members, the number of directors shall remain at three (3).

(b) In all elections for members of the Board, each voting member shall be entitled to vote on a non-cumulative voting basis and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected. Each voting member shall be entitled to cast the number of votes specified in Section 1 of Article IV hereof. The three (3) members of the Board elected at the initial meeting shall serve until the first annual meeting. At the first annual meeting of the voting members, three (3) Board members shall be elected. The Owners of the Single Family Home Lots receiving the two highest number of votes at the first annual meeting each shall be elected to the Board for a term of two (2) years. The Owner of the Single Family Home Lot receiving the next highest number of votes at the first annual meeting shall be elected to the Board for a term of one (1) year. The election and term of office as between candidates receiving the same number of votes shall be determined by lot. Upon the expiration of the terms of office of the Board members so elected at the first annual meeting and thereafter, successors shall be elected for a term of two (2) years each.

If mailed, such notice shall be deemed to be delivered when deposited in the United States mail in a sealed envelope so addressed, with postage thereon prepaid. Any director may waive notice of any meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these By-Laws. This Section 6 of Article VI shall in no way contravene the rights of any Owner to receive notice of Board meetings and the rights of any Owner to attend Board meetings as provided in the Declaration.

SECTION 7. VACANCIES. Prior to election of the first Board by the voting members, vacancies on the Board shall be filled by such persons as the Declarant shall designate.
