After taking or retaking possession by virtue hereof, the Bank shall have the right to remain in possession of said real estate, to collect the said avails, rents, issues and profits therefrom and to manage said real estate as hereinabove set forth, notwithstanding the institution of proceedings to foreclose the said Mortgage and the entry of any decree of foreclosure in any such proceedings, and notwithstanding any sale of said real estate pursuant to any such decree, unless the amount paid at such sale shall be sufficient to pay the full amount due under the terms of such decree, and to remaining possession of said real estate until the expiration of the period of redemption from any such sale, and from time to time shall apply the net avails, rents, issues and profits accruing after the sale of said real estate pursuant to such decree remaining after the payment of all deductible expenses, charges and fees, for and on account of any deficiency reported to the Court in such proceeding. The provisions of this instrument shall and are intended to service any decree of foreclose and sale and any proceeding to foreclose the lien of said Mortgage. After taking or retaking possession by virtue hereof, the Bank shall have the right from time to time to surrender possession without prejudice to its right to retake possession hereunder upon default as herein provided.

Until default shall be made in the payment of the indebtedness evidenced by the Note and/or secured by said Mortgage or in the performance by the Assignor of any agreement therein, herein or in any other security document or agreement with Bank contained, the Assignor shall be permitted to possess, manage, operate and enjoy all the property, rights, and privileges in said Mortgage encumbered, and to collect the avails, rents, issues and profits thereof. Upon service of notice on tenants and occupants of the premises by the Bank that default has been made under the terms of said Note, Mortgage or in any other security document or agreement with Bank (which notice need not specify the nature of defaults), and demand of payment of rents to the Bank, which demand if made upon the Assignor or its beneficiary shall fix and determine the prevailing rental per month for the portion of said premises occupied by the Assignor or its beneficiary, the tenants and occupants shall be obligated to account and pay to the Bank from and after the date of service of said notice and demand, all the avails, rents, issues and profits due or accruing under their respective leases and agreements, without any duty or obligation on the part of said tenants or occupants to ascertain that a default in fact does exist, and in the event of demand upon the Assignor or its beneficiary, as aforesaid, the Assignor and its beneficiary agree and shall be obligated to pay to the Bank rent in advance for the portion of said premises occupied by Assignor or its beneficiary or any business entity in which Assignor or its beneficiary owns an interest in said entity of equal to or greater than fifty percent (50%) at the prevailing rental therefore per month as fixed and determined by the Bank in said demand, and a failure on the part of the Assignor or its beneficiary promptly to pay said rent on the first day of each and every month in advance shall in and of itself constitute a forcible entry and detain, and the Bank may in its own name and without any other notice or demand, maintain an action of forcible entry and detain against the Assignor or its beneficiary and obtain possession of the premises occupied by them.

Anything herein to the contrary notwithstanding, no liability of any sort whatsoever is incurred or assumed under and by virtue of this instrument for any error of judgment or for any act done or omitted to be done by the Bank in good faith, or for any mistakes of fact or law or anything which it may do or refrain from doing hereunder, except for its own willful default, it being understood and agreed that in taking possession and operating, managing and preserving the said real estate, the Bank does so without incurring any liability for any matters or things except as hereinabove provided.

Failure by the Bank at any time to avail itself of all or any of the provisions hereof shall not be construed or deemed to be a waiver by it thereof. This instrument shall remain in full force and effect until the entire indebtedness secured by said Mortgage evidenced by the Note, has been fully paid, and, in case of a deficiency on foreclosure sale, until the expiration of the period of redemption from the sale.

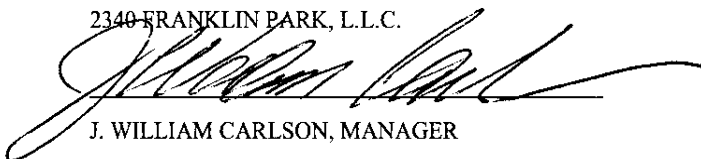

The Bank may assign all its rights, title and interest hereunder, and all the terms and provisions hereof shall be binding upon and insure to the benefit of the respective legal representatives, successors, assigns and substitutes of the respective parties hereto.

In the event the Assignor is the trustee of an Illinois land trust, then this instrument is executed by the Assignor, not personally but solely as Trustee as aforesaid, in the exercise of the power and authority conferred upon and vested in it as such Trustee. All the terms, provisions, stipulations, covenants and conditions to be performed by the Assignor are undertaken by it solely as Trustee aforesaid, and not individually, and no personal liability shall be asserted or be enforceable against the undersigned by reason or anything contained in said instrument, or in any previously executed document, whether or not executed by the undersigned, either individually or as Trustee as aforesaid, relating to the subject matter of the foregoing instrument, all of such personal liability, if any, being expressly waived by every person now or hereafter claiming any right or security hereunder.
