In the event proceeds are applied to restoring the improvements, the proceeds shall be made available, from time to time in accordance with the terms of the Loan Agreement and the Disbursement Agreement. If the estimated cost of the work exceeds ten percent (10%) of the original aggregate principal amount of the Note, Mortgagor shall furnish Mortgagee with all plans and specifications for rebuilding or restoration as Mortgagee may reasonably require and approve. Any funds deposited with Mortgagee pursuant to this clause (e) shall bear interest at a rate not less than the lowest rate offered by Mortgagee to its commercial customers in the ordinary course of business from time to time on demand deposit accounts.

(h) Additional Escrow. In addition, Mortgagor shall, concurrently with any required initial deposit made pursuant to clause (g) above, also deposit with Mortgagee an additional amount as Mortgagee may reasonably determine that is necessary to enable Mortgagee to pay the annual insurance premiums on the Premises prior to delinquency. Deposits need not be kept separate and apart, and are to be used for the payment of insurance on the Premises next due and payable when they become due. If the deposited funds, pursuant to Sections 2.4(g) or (h), are insufficient to pay any insurance for any year when the same shall become due and payable, Mortgagor shall, within ten (10) days after receipt of a demand, deposit additional funds as may be necessary to pay the premiums in full. If the funds deposited exceed the amount required to pay premiums, the excess shall be applied on subsequent deposits. Any funds deposited with Mortgagee pursuant to this clause (h) shall bear interest at a rate not less than the lowest rate offered by Mortgagee to its commercial customers in the ordinary course of business from time to time on demand deposit accounts.

(i) Evidence of Payment. Unless Mortgagor is making deposits with Mortgagee as provided in clause (g) and clause (h) above, receipts showing and evidencing payment of all premiums shall be provided to Mortgagee if requested.

Mortgagor shall promptly repair, restore or rebuild any Improvements on the Premises that become damaged or destroyed; provided, however, that if Mortgagee has elected to apply insurance loss proceeds toward payment of the Obligations as provided in Section 2.4(d) and Section 2.4(e), the provisions of this sentence shall not apply. The Improvements shall be restored or rebuilt as to be of at least equal value and substantially the same character as prior to the damage or destruction.

(c) No Waste. Mortgagor shall not permit, commit or suffer any waste, impairment or deterioration of the Premises or any part or improvement, and shall keep and maintain the Premises and every part in good repair and condition and effect repairs that Mortgagee may require, and, from time to time, make all needful and proper replacements and additions so that the Improvements will, at all times, be in good condition, fit and proper for the respective purposes for which they were originally erected or installed. (b) Mortgagee's Approval of Changes. In the event that any Improvements must be altered or removed to enable Mortgagor to comply with the provisions of this Section 2.6, Mortgagor shall not commence any alterations or removals without Mortgagee's prior written approval and the plans and specifications, which consent will not be unreasonably withheld, delayed or conditioned. After approval, Mortgagor, at its sole cost and expense, shall immediately effect the alterations or removal required and approved by Mortgagee. Mortgagor shall not by act or omission permit any building or other improvement on land not subject to the lien of this Mortgage to encroach onto or otherwise rely upon the Premises or any part of or any interest in it to fulfill any municipal or governmental requirement, and Mortgagor assigns to Mortgagee any rights to give consent for all or any portion of the Premises or any interest in it.

- (iii) assume any contract made by Mortgagor in any way relating to the Project, including any architect, engineering or construction contract, and take over and use all or any part of the labor, materials, supplies and equipment contracted for by Mortgagor, whether or not previously incorporated into the Project; and
- (iv) in connection with any work undertaken by Mortgagor pursuant to the provisions of this clause (s), perform any one or more of the following:
  - (A) engage builders, contractors, architects, engineers and others for the purpose of furnishing labor, materials, supplies and equipment in connection with any construction of the Project;
  - (B) pay, settle or compromise all bills or claims that may become liens against the Project, or that have been or may be incurred in any manner in connection with completing the Project or for the discharge of liens, encumbrances or defects in the title of the Project; and

This power of attorney shall be a power coupled with an interest and cannot be revoked.

**8.4 Mortgagee's Right to Deal with Transferee.** In the event of the voluntary sale, or transfer, by operation of law or otherwise, of all or any part of the Premises, Mortgagee is authorized and empowered to deal with vendee or transferee with reference to the Premises, or the Obligations, or with reference to any of the terms or conditions, as fully and to the same extent as it might deal with Mortgagor, without in any way releasing or discharging Mortgagor from Mortgagor's covenants and undertakings, specifically including Section 2.6 and without Mortgagee waiving its rights to accelerate the Obligations in the event of a breach of Section 2.6.

**8.5 Expenses Incurred by Mortgagee.** Any costs, damages, expenses or fees, including Attorney's Fees and Costs incurred by Mortgagee in connection with:

- (a) sustaining the lien of this Mortgage or its priority,
- (b) obtaining any abstract, title opinion, title report, title searches, commitment for title insurance or title insurance policy,
