5. Assignor hereby consents to and irrevocably authorizes and directs the tenants under the Leases and any successor to the interest of any of said tenants, upon demand and notice from Assignee of Assignee's right to receive the rents and other amounts due under such Leases, to pay to Assignee the rents and other amounts due or to become due under the Leases, and said tenants shall have the right to rely upon such demand and notice from Assignee and shall pay such rents and other amounts to Assignee without any obligation or right to determine the actual existence of any default or event claimed by Assignee as the basis for Assignee's right to receive such rents and other amounts and notwithstanding any notice from or claim of Assignor to the contrary, and Assignor shall have no right to claim against said tenants for any such rents and other amounts so paid by said tenants to Assignee.

6. Upon the occurrence of an Event of Default after expiration of any applicable cure periods, the right and license granted to Assignor in Section 1 above shall be automatically revoked and Assignee, at its option, shall have the complete right, power and authority (a) without taking possession, to demand, collect and receive and sue for the rents and other sums payable under the Leases and, after deducting all reasonable costs and expenses of collection (including, without limitation, reasonable attorneys' fees) as determined by Assignee, apply the net proceeds thereof to the payment of any indebtedness secured hereby; (b) to declare all sums secured hereby immediately due and payable, and, at its option, exercise any or all of the rights and remedies contained in the Note and in the Loan Documents; and (c) without regard to the adequacy of the security, with or without process of law, personally or by agent or attorney, or by a receiver to be appointed by court, then and thereafter to enter upon, take and maintain possession of and operate the Property, or any part thereof, together with all documents, books, records, papers, and accounts relating thereto and exclude Assignor and its agents and servants therefrom, and hold, operate, manage and control the Property, or any part thereof, as fully and to the same extent as Assignor could do if in possession and in such event, without limitation and at the expense of Assignor, from time to time cause to be made all necessary or proper repairs, renewals, replacements, useful alterations, additions, betterments and improvements to the Property, or any part thereof, as Assignee deems judicious, and pay taxes, assessments and prior or proper charges on the Property, or any part thereof, and insure and reinsure the same, and lease the Property, or any part thereof, for such terms and on such terms as Assignee deems desirable, including leases for terms expiring beyond the maturity of the indebtedness secured by the Loan Documents and cancel any Lease or sublease thereof for any cause or on any ground which would entitle Assignor to cancel the same.

7. After payment of all proper charges and expenses, including the just and reasonable compensation for the services of Assignee, its attorneys, agents, clerks, servants and

others employed by Assignee in connection with the operation, management and control of the Property and the conduct of the business thereof, and such further sums as may be sufficient to indemnify Assignee from and against any liability, loss or damage on account of any matter or thing done in good faith in pursuance of the rights and powers of Assignee hereunder, Assignee may, at its option, credit the net amount of income which Assignee may receive by virtue of this Assignment and from the Property to any and all amounts due or owing to Assignee from Assignor under the terms and provisions of the Note and the Loan Documents. The balance of such net income shall be released to or upon the order of Assignor. The manner of the application of such net income and the item or items which shall be credited shall be within the sole discretion of Assignee.

8. The acceptance by Assignee of this Assignment, with all of the rights, powers, privileges and authority so created, shall neither be deemed or construed to constitute Assignee a mortgagee in possession nor at any time or in any event to impose any obligation whatsoever upon Assignee to appear in or defend any action or proceeding relating to the Leases or the Property, or to take any action hereunder, or to expend any money or incur any expenses, or perform or discharge any obligation, duty or liability under the Leases, or to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by any tenant and not assigned and delivered to Assignee, or until such time as Assignee takes possession of the Property via foreclosure or deed in lieu of foreclosure, render Assignee liable in any way for any injury or damage to person or property sustained by any person or entity in, on, or about the Property.

9. Assignor agrees that the collection of rents and the application thereof as aforesaid or the entry upon and taking of possession of the Property, or any part thereof, by Assignee shall not cure or waive any default, or waive, modify or affect any notice of default under the Note or the Loan Documents, or invalidate any act done pursuant to such notice, and the enforcement of such right or remedy by Assignee, once exercised, shall continue for so long as Assignee shall elect. If Assignee shall thereafter elect to discontinue the exercise of any such right or remedy, the same or any other right or remedy hereunder may be reasserted at any time and from time to time following any subsequent default.

10. The rights and remedies of Assignee hereunder are cumulative and not in lieu of, but are in addition to, any rights or remedies which Assignee shall have under the Note, any of the Loan Documents, or at law or in equity, which rights and remedies may be exercised by Assignee either prior to, simultaneously with, or subsequent to, any action taken hereunder. The rights and remedies of Assignee may be exercised from time to time and as often as such exercise is deemed expedient, and the failure of Assignee to avail itself of any of the terms, provisions and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any rights under the terms hereof.

11. The right of Assignee to collect and receive the rents assigned hereunder or to take possession of the Property, or to exercise any of the rights or powers herein granted to Assignee shall, to the extent not prohibited by law, also extend to the period from and after the filing of any suit to foreclose the lien created under any of the Loan Documents which cover the Property, including any period allowed by law for the redemption of the Property after any foreclosure sale.

12. Assignor agrees to indemnify, defend and hold Assignee harmless of, from and against any and all liability, loss, damage or expense, which Assignee may or might incur under or by reason of this Assignment, and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on the part of Assignee to perform or discharge any of the terms, covenants or agreements contained in the Leases. Should Assignee incur any such liability, loss or damage under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, together with interest thereon at the same rate of interest as provided in the Note with respect to the principal indebtedness of Assignor to Assignee, shall be secured by this Assignment and by the Loan Documents, and Assignor shall reimburse Assignee therefor immediately upon demand, and upon failure of Assignor so to do, Assignee may declare all sums secured hereby immediately due and payable.

13. In addition to the above, upon the occurrence of an Event of Default and expiration of any applicable cure periods, Assignor expressly consents to the appointment of a receiver for the Property, without notice, either by the Assignee or a court of competent jurisdiction, to take all acts in connection with the Property permitted by law or in equity and to deduct from any and all rents received from the Leases an amount approved by the court to compensate such receiver for its actions.

16. This Assignment may be executed, acknowledged and delivered in any number of counterparts and each such counterpart shall constitute an original, but together such counterparts shall constitute only one instrument.

17. If any one or more of the provisions of this Assignment, or the applicability of any such provision to a specific situation, shall be held invalid or unenforceable, such provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of this Assignment and all other applications of any such provision shall not be affected thereby.

18. Upon a sale, conveyance, transfer or exchange of all or a part of the Property, the term "Assignor" as used herein shall include the transferee or grantee in such transaction. The preceding sentence shall not be deemed to permit any sale, conveyance, transfer or exchange which is prohibited or restricted by the terms of any Loan Document.
