Dear Property Owner:

You have informed the Village of Glenview Engineering Department that you are constructing a FENCE at the following property:

Lot 27 in Glinett Estates, Being a Subdivision of part of the east half of the northwest quarter of section 31, Township 42 North, Range 12 East of the Third Principal Meridian, Excepting therefrom that part described as follows: Thence west...to the point of beginning, also including parcel 2, all in Cook County, Illinois.

In addition, you have indicated the FENCE shall encroach into the easement lying along the SOUTH, EAST AND WEST property lines of the above described property. **Be advised that at no time shall the fence posts be closer than five feet (5') horizontally to the storm pipe in the west utility easement.** Please contact JULIE for the locations of utilities at 1-800-892-9123 before commencing work, and provide your contractor with a copy of this letter.

Please be advised that the Village of Glenview will allow an encroachment into the above mentioned easement for the construction of the above described FENCE. However, this is not a release or waiver of any rights the Village of Glenview may have within the easement. Similarly this letter does not waive any zoning or building permit requirements for the construction.

In closing, let me advise you the Village of Glenview will not be responsible for the replacement of or any damages to, the FENCE within the easement, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

Yours truly,
