**Annual Fee:** There is no annual fee on your Account.

**Cancellation Fee:** If you cancel the credit line before 09/07/2008 [36 months following the original Effective Disbursement Date as defined in the Agreement], you will be charged a cancellation fee of .125% of the original line amount or \$500.00, whichever is greater. In any event, you may not cancel the credit line until you have paid in full all amounts owing under the Agreement and Security Instrument.

**Credit Limit:** The credit limit stated in the Agreement and the principal amount secured by the Security Instrument is hereby increased by \$20,000.00, from the current amount of \$20,000.00 to the increased amount of \$40,000.00. All other terms and conditions relating to the credit limit including, without limitation, our ability to reduce the credit limit during any period when certain events have occurred on your obligation not to attempt, request or obtain a credit advance that will cause your Account balance to exceed your credit limit, remain in full force and effect.

**Daily Periodic Rate and ANNUAL PERCENTAGE RATE Change Dates:** The daily periodic rate and ANNUAL PERCENTAGE RATE for variable rate advances under the Agreement will change on each day that the index changes, and the index will be determined daily. Any provisions of the Agreement indicating that the daily periodic rate and ANNUAL PERCENTAGE RATE for variable rate advances under the Agreement may only change monthly, or indicating that the index is determined only as of a specified date of the calendar month, are hereby deleted.

**Margin:** The margin used in the calculation of the ANNUAL PERCENTAGE RATE for variable rate advances under the Agreement is 3.000%.

**Auto Pay Service for Variable Rate Advances:** The amount of the Margin for your Variable Rate Advances will be affected by how you decide to make payments on the Variable Rate Advances. You may decide whether to make payments on your Variable Rate Advances by making direct payments to us or by authorizing automatic loan payments from an account that you designate (which is our "Auto Pay" service). Your decision whether or not to authorize our Auto Pay service will not affect the availability of the Variable Rate Advances. If you authorize our Auto Pay service for the Variable Rate Advances, the Margin will be discounted (that is, it will be reduced) by either 0.250%, if the account you designate to make the Auto Pay payments is maintained with Washington Mutual Bank, FA, or 0.000%, if that account is maintained with an institution other than Washington Mutual Bank, FA. If you authorize our Auto Pay service, the discount will be put into effect as of a date that we select.

## EXHIBIT "B" CONTINUED ATTACHMENT TO MODIFICATION AGREEMENT

If you have authorized our Auto Pay service for the Variable Rate Advances and thereafter the Auto Pay service for the Variable Rate Advances is terminated by you or us for any reason, the discount that you have received on the Margin for the Variable Rate Advances will be eliminated. Specifically, the Margin will increase on the day that the Auto Pay service is terminated by 0.250%, if the account designated to make the Auto Pay payments is maintained with Washington Mutual Bank, FA, or 0.000%, if that account is maintained with any other institution. If the account designated to make Auto Pay payments is changed from an account maintained at Washington Mutual Bank, FA to an account maintained at any other institution, the discount that you have received on the Margin for the Variable Rate Advances will be reduced. Specifically, the Margin will increase by 0.250% on the day the account designated to make Auto Pay payments is changed to an account maintained at another institution. In any such event, the increase in the Margin will result in a simultaneous increase in the ANNUAL PERCENTAGE RATE (subject to any further increases or decreases that result from a change in the Index) for the Variable Rate Advances by the same amount (i.e., by 0.250% or 0.000%, as applicable), and the Daily Periodic Rate for the Variable Rate Advances will also be simultaneously changed to an amount that is equal to the new ANNUAL PERCENTAGE RATE divided by 365 (366 in a leap year). Following any termination of our Auto Pay service, the increased Daily Periodic Rate and ANNUAL PERCENTAGE RATE will not be greater than the maximum Daily Periodic Rate and ANNUAL PERCENTAGE RATE. Increases in the Daily Periodic Rate and ANNUAL PERCENTAGE RATE will increase your Minimum Payment and periodic FINANCE CHARGES and, if these rates are increased in the last billing period prior to the Maturity Date, then your Balloon Payment due on the Maturity Date will also increase.

If the Index, or any substitute Index, is no longer available, we will choose a new Index. The new Index will have a historical movement substantially similar to that of the prior Index, and the Margin will be changed so that the new Index plus the Margin will result in an ANNUAL PERCENTAGE RATE that is substantially similar to the ANNUAL PERCENTAGE RATE in effect at the time the prior Index becomes unavailable (plus any increase in the Margin that results from any termination of the Auto Pay service or any change in the account designated to make Auto Pay payments, as described above).
