App. 1 et seq., and any Executive Orders or regulations promulgated under any such legislation with the result that the investment in Borrower, or any such guarantor, indemnitor or principal, as applicable (whether directly or indirectly), is prohibited by law or the Loan made by the Lender is in violation of law (any such person, entity or government being referred to herein as an "Embargoed Person"); (b) no Embargoed Person has any interest of any nature whatsoever in Borrower, or any such guarantor, indemnitor or principal, as applicable, with the result that the investment in Borrower, or any such guarantor, indemnitor or principal, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law; and (c) none of the funds of Borrower, or any such guarantor, indemnitor or principal, as applicable, have been derived from any unlawful activity with the result that the investment in Borrower, or any such guarantor, indemnitor or principal, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law.

1.2 Defense of Title. If, while this Mortgage is in force, the title to the Property or the interest of Lender therein shall be the subject, directly or indirectly, of any action at law or in equity, or be attached directly or indirectly, or endangered, clouded or adversely affected in any manner, Borrower, at Borrower's expense, shall take all necessary and proper steps for the defense of said title or interest, including the employment of counsel reasonably approved by Lender, the prosecution or defense of litigation, and the compromise or discharge of claims made against said title or interest.

1.3 Performance of Obligations. Borrower shall pay when due the principal of and the interest on the indebtedness secured hereby including all charges, fees and other sums required to be paid by Borrower as provided in the Loan Documents, and shall observe, perform and discharge all obligations and conditions, and comply with all prohibitions, covenants and agreements to be observed, performed or discharged by Borrower set forth in the Loan Documents in accordance with their terms. In the event that Lender determines that Borrower is not adequately performing any of its obligations under this Mortgage or under any of the other Loan Documents, Lender may, without limiting or waiving any other rights or remedies of Lender hereunder, take such steps with respect thereto as Lender shall deem necessary or proper and any and all costs and expenses reasonably incurred by Lender in connection therewith, together with interest thereon at the Default Interest Rate (as defined in the Note) from the date incurred by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note; provided, however, Lender shall not itself undertake such measures unless Lender has provided Borrower no less than twenty (20)

# UNOFFICIAL COPY

days prior written notice of Lender's determination that Borrower is not adequately performing its obligations under this Mortgage and Borrower continues to not so adequately perform its obligations after the expiration of such 20-days; provided, further, Lender shall not be required to provide any such prior notice if an Event of Default (as described in Section 2.1 hereof) or an Emergency Condition (hereinafter defined) should exist. For purposes hereof, the term "Emergency Condition" shall mean Lender's reasonable determination that absent Lender's prompt action, material danger may exist to person or to the Property or to Lender's rights or interests with respect to the Property or otherwise pursuant to the Loan Documents.

1.4 Insurance. Borrower shall, at Borrower's expense, maintain in force and effect on the Property at all times while this Mortgage continues in effect the following insurance:

(a) "All-risk" coverage insurance against loss or damage to the Property from all-risk perils, with any and all exclusions subject to Lender approval and otherwise satisfactory to Lender. The amount of such insurance shall be not less than one hundred percent (100%) of the full replacement cost of the Improvements, furniture, furnishings, fixtures, equipment and other items (whether personalty or fixtures) included in the Property and owned by Borrower from time to time, without reduction for depreciation. The determination of the replacement cost amount shall be adjusted annually to comply with the requirements of the insurer issuing such coverage or, at Lender's election, by reference to such indexes, appraisals or information as Lender determines in its reasonable discretion. Full replacement cost, as used herein, means, with respect to the Improvements, the cost of replacing the Improvements without regard to deduction for depreciation, exclusive of the cost of excavations, foundations and footings below the lowest basement floor, and means, with respect to such furniture, furnishings, fixtures, equipment and other items, the cost of replacing the same. Each policy or policies shall contain a replacement cost endorsement and either an agreed amount endorsement (to avoid the operation of any co-insurance provisions) or a waiver of any co-insurance provisions, all subject to Lender's approval.

(b) Commercial general liability insurance for personal injury, bodily injury, death and property damage liability in amounts not less than \$5,000,000.00 per occurrence, \$6,000,000.00 aggregate (inclusive of umbrella coverage) or such lesser amount as Lender in Lender's sole discretion may accept, for bodily injury, personal injury and property damage. Lender hereby retains the right to periodically review the amount of said liability insurance being maintained by Borrower and to require an increase in the amount of said liability insurance should Lender deem an increase to be reasonably prudent under then existing circumstances.

(c) Insurance covering the major components of the central heating, air conditioning and ventilating systems, boilers, other pressure vessels, high pressure piping and machinery, elevators and escalators, if any, and other similar equipment installed in the Improvements, in an amount equal to one hundred percent (100%) of the full replacement cost of the Improvements which policies shall insure against physical damage to and loss of occupancy and use of the Improvements arising out of an accident or breakdown covered thereunder.

(d) If the Improvements or any part thereof is identified by the Secretary of Housing and Urban Development as being situated in an area now or subsequently designated as having special flood hazards (including, without limitation, those areas designated as Zone A or Zone V), flood insurance in an amount equal to one hundred percent (100%) of the replacement

# UNOFFICIAL COPY

cost of the Improvements or the maximum amount of flood insurance available, whichever is the lesser.

(e) During the period of any construction on the Land or renovation or alteration of the Improvements, a so-called "Builder's All-Risk Completed Value" or "Course of Construction" insurance policy in non-reporting form for any Improvements under construction, renovation or alteration in an amount approved by Lender and Worker's Compensation Insurance covering all persons engaged in such construction, renovation or alteration.

(f) Rental value or rental income insurance in amounts sufficient to compensate Borrower for all Rents and Profits during a period of not less than twelve (12) months in which the Property may be damaged or destroyed.

(g) Law and ordinance coverage in an amount satisfactory to Lender if the Property, or any part thereof, shall constitute a nonconforming use or structure under applicable zoning ordinances, sub-division and building codes or other laws, ordinances, orders and requirements.

(h) Such other insurance on the Property or on any replacements or substitutions thereof or additions thereto as may from time to time be required by Lender against other insurable hazards or casualties which at the time are commonly insured against in the case of property similarly situated, due regard being given to the height and type of buildings, their construction, location, use and occupancy.

The all-risk commercial property, general liability, and rental income insurance policies required under Sections 1.4(a), 1.4(b), and 1.4(f) above shall cover perils of terrorism and acts of terrorism and Borrower shall maintain such insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required hereunder at all times during the term of the Loan, provided, however, Borrower's insurance coverage may exclude perils and acts of terrorism if Borrower also obtains, at Borrower's sole cost and expense, a Terrorism Policy (hereinafter defined). The term "Terrorism Policy", as used herein, shall mean a separate stand-alone terrorism insurance policy obtained by Borrower which corresponds to Borrower's primary insurance exclusion relating to acts or perils of terrorism such that there are no gaps in coverage and being otherwise acceptable to Lender and consistent as to coverage amounts, ratings and conditions with the requirements of this Section 1.4 as it relates to other sorts of insurance coverage. Borrower shall not decline or otherwise terminate any terrorism coverage offered under Borrower's all-risk policy or liability policy unless a Terrorism Policy is already in place.

All such insurance shall (i) be issued by companies approved by Lender and authorized to do business in the state where the Property is located, with a claims paying ability rating equal to or better than "A-" for non-admitted companies and "BBB-" for admitted companies, as rated by Standard & Poor's Ratings Group, a Division of The McGraw-Hill Companies ("S&P") or, if the company is not rated by S&P, a rating equal to or better than "A, X" for non-admitted companies and "A, X" for admitted companies, as rated by AM Best, (ii) contain the complete address of the Land (or a complete legal description), (iii) be for a term of at least one (1) year, (iv) contain deductibles no greater than \$25,000.00 with regard to the all-risk policy, and as otherwise acceptable to Lender with regard to all other policies, and (v) be subject to the

# UNOFFICIAL COPY

approval of Lender as to insurance companies, amounts, content, forms of policies, any exclusions, method by which premiums are paid and expiration dates. The insurance required by the terms hereof may be maintained under a blanket insurance policy(ies) but which policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate policy insuring only the Property in compliance with the provisions of this Section 1.4.

Borrower shall as of the date hereof deliver to Lender evidence that said insurance policies have been paid current as of the date hereof and certified copies of such insurance policies and original certificates of insurance signed by an authorized agent evidencing such insurance satisfactory to Lender. Borrower shall renew all such insurance and deliver to Lender certificates evidencing such renewals at least fifteen (15) days before any such insurance shall expire. Without limiting the required endorsements to insurance policies, Borrower further agrees that all such policies shall provide that proceeds thereunder shall be payable to Lender, its successors and assigns, pursuant and subject to a mortgagee clause (without contribution) of standard form attached to, or otherwise made a part of, the applicable policy and that Lender, its successors and assigns, shall be named as an additional insured under all liability insurance policies. Borrower further agrees that all such insurance policies: (i) shall provide for at least thirty (30) days' prior written notice to Lender prior to any cancellation or termination thereof and prior to any modification thereof which affects the interest of Lender; (ii) shall contain an endorsement or agreement by the insurer that any loss shall be payable to Lender in accordance with the terms of such policy notwithstanding any act or negligence of Borrower which might otherwise result in forfeiture of such insurance; and (iii) shall name Lender as an additional insured and waive all rights of subrogation against Lender. The delivery to Lender of the insurance policies or the certificates of insurance as provided above shall constitute an assignment of all proceeds payable under such insurance policies by Borrower to Lender as further security for the indebtedness secured hereby. In the event of foreclosure of this Mortgage, or other transfer of title to the Property in extinguishment in whole or in part of the secured indebtedness, all right, title and interest of Borrower in and to all proceeds payable under such policies then in force concerning the Property shall thereupon vest in the purchaser at such foreclosure, or in Lender or other transferee in the event of such other transfer of title. Approval of any insurance by Lender shall not be a representation of the solvency of any insurer or the sufficiency of any amount of insurance. Lender shall not be responsible for nor incur any liability for the insolvency of the insurer or other failure of the insurer to perform, even though Lender has caused the insurance to be placed with the insurer after failure of Borrower to furnish such insurance.

As required pursuant to the Collateral Protection Act, 815 ILCS 180/10(3), Borrower is hereby notified that in the event Borrower fails to provide, maintain, keep in force or deliver and furnish to Lender the policies of insurance required by this Mortgage or evidence of their renewal as required herein, Lender may, but shall not be obligated to, procure such insurance at Borrower's expense to protect Lender's interests in the Property. This insurance may, but need not, protect Borrower's interests. The coverage Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the Property. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the terms of this Mortgage. If Lender purchases insurance for the Property as set forth herein, Borrower shall pay all amounts

# UNOFFICIAL COPY

advanced by Lender, together with interest thereon at the Default Interest Rate (as defined in the Note) from and after the date advanced by Lender until actually repaid by Borrower, promptly upon demand by Lender. Any amounts so advanced by Lender, together with interest thereon, shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

Any failure by Lender to insist on full compliance with all of the above insurance requirements at closing does not constitute a waiver of Lender's right to subsequently require full compliance with these requirements.

1.5 Payment of Taxes. Borrower shall pay or cause to be paid, except to the extent provision is actually made therefor pursuant to Section 1.6 of this Mortgage, all taxes and assessments which are or may become a lien on the Property or which are assessed against or imposed upon the Property. Borrower shall furnish Lender with receipts (or if receipts are not immediately available, with copies of canceled checks evidencing payment with receipts to follow promptly after they become available) showing payment of such taxes and assessments at least fifteen (15) days prior to the applicable delinquency date therefor. Notwithstanding the foregoing, Borrower may in good faith, by appropriate proceedings and upon notice to Lender, contest the validity, applicability or amount of any asserted tax or assessment so long as (a) such contest is diligently pursued, (b) Lender determines, in its subjective opinion, that such contest suspends the obligation to pay the tax or assessment and that nonpayment of such tax or assessment will not result in the sale, loss, forfeiture or diminution of the Property or any part thereof or any interest of Lender therein, and (c) prior to the earlier of the commencement of such contest or the delinquency date of the asserted tax or assessment, Borrower deposits in the Impound Account (as hereinafter defined) an amount determined by Lender to be adequate to cover the payment of such tax or assessment and a reasonable additional sum to cover possible interest, costs and penalties; provided, however, that Borrower shall promptly cause to be paid any amount adjudged by a court of competent jurisdiction to be due, with all interest, costs and penalties thereon, promptly after such judgment becomes final; and provided further that in any event each such contest shall be concluded and the taxes, assessments, interest, costs and penalties shall be paid prior to the date any writ or order is issued under which the Property may be sold, lost or forfeited.

1.6 Tax and Insurance Impound Account. Borrower shall establish and maintain at all times while this Mortgage continues in effect an impound account (the "Impound Account") with Lender for payment of real estate taxes and assessments and insurance on the Property and as additional security for the indebtedness secured hereby. Borrower shall deposit in the Impound Account an amount determined by Lender to be sufficient (when added to the monthly deposits described herein) to pay the next due annual installment of real estate taxes and assessments on the Property at least one (1) month prior to the delinquency date thereof and the next due annual insurance premiums with respect to the Property at least one (1) month prior to the due date thereof. Commencing on the first monthly Payment Date (as defined in the Note) and continuing thereafter on each monthly Payment Date, Borrower shall pay to Lender, concurrently with the monthly payment due under the Note, deposits in an amount equal to one-twelfth (1/12) of the amount of the annual real estate taxes and assessments that will next become due and payable on the Property, plus one-twelfth (1/12) of the amount of the annual

# UNOFFICIAL COPY

premiums that will next become due and payable on insurance policies which Borrower is required to maintain hereunder, each as estimated and determined by Lender. So long as no Event of Default (hereinafter defined) has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, all sums in the Impound Account shall be held by Lender in the Impound Account to pay said taxes, assessments and insurance premiums before the same become delinquent. Borrower shall be responsible for ensuring the receipt by Lender, within five (5) days of receipt by Borrower or at least thirty (30) days prior to the respective due date for payment thereof, whichever is the latter to occur but in any event at least ten (10) days prior to the respective due date for payment of all bills, invoices and statements for all taxes, assessments and insurance premiums to be paid from the Impound Account, and so long as no Event of Default has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, Lender shall pay the governmental authority or other party entitled thereto directly to the extent funds are available for such purpose in the Impound Account. In making any payment from the Impound Account, Lender shall be entitled to rely on any bill, statement or estimate procured from the appropriate public office or insurance company or agent without any inquiry into the accuracy of such bill, statement or estimate and without any inquiry into the accuracy, validity, enforceability or contestability of any tax, assessment, valuation, sale, forfeiture, tax lien or title or claim thereof. No interest on funds contained in the Impound Account shall be paid by Lender to Borrower and any interest or other earnings on funds deposited in the Impound Account shall be solely for the account of Lender. If the total funds in the Impound Account shall exceed the amount of payments actually applied by Lender for the purposes of the Impound Account, such excess may be credited by Lender on subsequent payments to be made hereunder or, at the option of Lender, refunded to Borrower. If, however, the Impound Account shall not contain sufficient funds to pay the sums required when the same shall become due and payable, Borrower shall, within fifteen (15) days after receipt of written notice thereof, deposit with Lender the full amount of any such deficiency. All deposits required by Borrower pursuant to the Section 1.6 into the Impound Account for taxes and assessments shall include adequate funding for the entirety of the tax bill for all tax parcels which include any portion of the Property.

1.7 Tenant Improvements and Leasing Commissions Reserve. As additional security for the indebtedness secured hereby, Borrower shall establish and maintain at all times while this Mortgage continues in effect a reserve (the "TILC Reserve") with Lender for the payment of costs and expenses incurred by Borrower for Tenant Improvements and Leasing Commissions. All such sums, together with any interest thereon, are hereinafter collectively referred to as the "TILC Funds". As used herein, the term "Tenant Improvements" shall mean construction or modification of improvements on or installation of fixtures or equipment in the Property as required to be performed by Borrower pursuant to the terms of any lease which is hereafter approved or, if such lease does not require approval by Lender, is hereafter entered into by Borrower and tenant pursuant to Section 1.12 hereof ("Approved Lease"). As used herein, the term "Leasing Commissions" shall mean reasonable and customary commissions paid to a real estate broker licensed in the state where the Property is located in connection with an Approved Lease, pursuant to commission agreements containing such terms and provisions including, without limitation, as to the timing of the payment of the commission, as are then prevailing between third party, unaffiliated owners and brokers for comparable leases of space at properties similar to the Property in the market area in which the Property is located.

(a) Deposits Into the TILC Reserve/Interest on TILC Funds. Commencing with the first monthly Payment Date under the Note and continuing thereafter on each monthly Payment Date, Borrower shall pay to Lender, concurrently with and in addition to the monthly payment due under the Note and until the Note and all other indebtedness secured hereby is fully paid and performed, a deposit to the TILC Reserve in a monthly amount equal to **\$12,500.00**. To the extent the balance of the TILC Reserve should equal or exceed **\$375,000.00**, then Borrower's obligation for monthly deposits under this Section 1.7 shall thereafter be suspended; provided, however, such obligation for monthly deposits shall be reinstated to the extent the balance of the TILC Reserve should ever thereafter be less than **\$375,000.00**. So long as no Event of Default has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, all sums in the TILC Reserve shall be held by Lender in the TILC Reserve to pay and/or reimburse Borrower for the costs and expenses of Tenant Improvements and for paying Leasing Commissions as herein set forth. Interest on the funds contained in the TILC Reserve shall be credited to Borrower as provided in Section 4.28 hereof.

(b) Disbursements from the TILC Reserve. So long as no Event of Default has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, and to the extent TILC Funds are available for such purpose, Lender shall, within ten (10) days after receipt of a written request from Borrower specifying the amount requested and the applicable Tenant Improvements or Leasing Commissions to be paid for with the requested TILC Funds ("Disbursement Request"), release to Borrower TILC Funds in the amount of the Disbursement Request; subject, however, to the following conditions precedent. Lender shall not be required to make advances from the TILC Reserve more frequently than once in any thirty (30) day period. In making any payment from the TILC Reserve, Lender shall be entitled to rely on such request from Borrower, and on any bill, statement, or estimate from any third party, without any inquiry into the accuracy, validity or contestability of any such amount.

(i) With respect to a Disbursement Request to pay for Tenant Improvements, Borrower shall provide evidence reasonably satisfactory to Lender (including, if requested by Lender, access to the Property by Lender and/or an architect and/or an engineer specified by Lender for the purpose of inspecting the work done, the reasonable fees of which are to be at Borrower's expense) that the Tenant Improvements, or such portion thereof, for which the TILC Funds are being requested have been completed in accordance with Section 1.7(c) below. Borrower shall submit to Lender copies of invoices for which TILC Funds are being requested, and if required by Lender, shall also submit waivers of lien. Borrower shall execute and deliver to Lender a certificate (in form and substance reasonably satisfactory to Lender) that the Tenant Improvements covered by the applicable Disbursement Request comply with, and have fully satisfied, the terms and provisions of Section 1.7(c) below. Borrower shall provide Lender with a copy of any and all applicable temporary certificates of occupancy and other governmental permits, if any be required, issued by applicable governmental authorities with respect to the Tenant Improvements, which certificates and permits allow the tenant to open for business as contemplated under such lease. Borrower shall provide such additional documents, certificates and affidavits as Lender may reasonably request.

# UNOFFICIAL COPY

(ii) With respect to the final Disbursement Request relative to any Approved Lease, Borrower shall provide Lender with (A) an original estoppel certificate, in form and substance satisfactory to Lender executed by the tenant under the Approved Lease for which such request relates, stating that such tenant has accepted the Tenant Improvements, and has occupied the space covered by the Tenant Improvements and that there are no defaults under such lease (nor does there exist any event or conditions, which with the passage of time or the giving of notice, or both, could result in such a default) and addressing such other issues as Lender may reasonably request, (B) if required by Lender, an original subordination, non-disturbance and attornment agreement in form acceptable to Lender executed by the tenant under the Approved Lease in favor of Lender, (C) evidence of payment of regular monthly rent by the tenant under the Approved Lease, and (D) if required by the local governmental jurisdiction, permanent certificates of occupancy or comparable local certificates or permits with respect to any Tenant Improvements, which certificates and permits allow the tenant to open for business as contemplated under such lease.

(iii) With respect to a Disbursement Request to pay any portion of the Leasing Commissions, Borrower shall provide evidence as reasonably requested by Lender that such Leasing Commissions are then due and payable or have been properly paid, and such additional documents, certificates and affidavits as Lender may reasonably request.

(iv) Notwithstanding any provision of this Section 1.7 to the contrary, TILC Funds disbursed with respect to any Approved Lease (i) for Tenant Improvements shall be an amount not to exceed, under any circumstances, the reasonable costs and expenses actually incurred by Borrower therefor; and (ii) for Leasing Commissions shall be an amount not to exceed, under any circumstances, the commission actually incurred by Borrower therefor which is reasonable and customary for a licensed real estate broker in the market area in which the Property is located.

(c) General Requirements. Borrower shall construct and complete all Tenant Improvements within the time periods and as required by, and in accordance with, the Approved Leases. Borrower or tenant shall pay for and obtain or cause to be paid for and obtained all permits, licenses and approvals required by all applicable laws with regard to the Tenant Improvements, whether necessary for commencement, completion, use or otherwise. Borrower shall perform or cause to be performed all work in connection with the Tenant Improvements in a good and workmanlike manner, in compliance with all applicable laws (including, without limitation, any and all applicable life safety laws, Environmental Laws, as hereinafter defined, and laws for the handicapped and/or disabled) and, with respect only to those leases requiring Lender approval, with the plans and specifications approved (in writing) by Lender covering the same, which performance by Borrower shall be without regard to the sufficiency of the TILC Funds. Borrower covenants and agrees that Tenant Improvements shall be constructed, installed or completed, as applicable, free and clear of any and all liens (including mechanic's, materialman's or other liens), claims and encumbrances whatsoever.

## 1.8 Security Interest in Reserves.

(a) As additional security for the payment and performance by Borrower of all duties, responsibilities and obligations under the Note and the other Loan Documents, Borrower hereby unconditionally and irrevocably assigns, conveys, pledges, mortgages, transfers, delivers, deposits, sets over and confirms unto Lender, and hereby grants to Lender a security interest in all sums on deposit or due under this Mortgage and the other Loan Documents including, without limitation, (i) the Impound Account, the TILC Reserve, the Replacement Reserve, the Earnout Reserve, and any other reserve, if any, set forth on Exhibit B attached hereto and made a part hereof (collectively, the "Reserves"), (ii) the accounts into which the Reserves have been deposited, (iii) all insurance on said accounts, (iv) all accounts, contract rights and general intangibles or other rights and interests pertaining thereto, (v) all sums now or hereafter therein or represented thereby, (vi) all replacements, substitutions or proceeds thereof, (vii) all instruments and documents now or hereafter evidencing the Reserves or such accounts, (viii) all powers, options, rights, privileges and immunities pertaining to the Reserves (including the right to make withdrawals therefrom), and (ix) all proceeds of the foregoing. Borrower hereby authorizes and consents to the account into which the Reserves have been deposited being held in Lender's name or the name of any entity servicing the Note for Lender and hereby acknowledges and agrees that Lender, or at Lender's election, such servicing agent, shall have exclusive control over said account. Notice of the assignment and security interest granted to Lender herein may be delivered by Lender at any time to the financial institution wherein the Reserves have been established, and Lender, or such servicing entity, shall have possession of all passbooks or other evidences of such accounts. Borrower hereby indemnifies and holds Lender harmless with respect to all risk of loss regarding amounts on deposit in the Reserves, except to the extent that any such loss is caused by the gross negligence or intentional misconduct of Lender. Borrower hereby knowingly, voluntarily and intentionally stipulates, acknowledges and agrees that the advancement of the funds from the Reserves as set forth herein is at Borrower's direction and is not the exercise by Lender of any right of set-off or other remedy upon an Event of Default. If an Event of Default shall occur, then Lender may, without notice or demand on Borrower, at its option: (A) withdraw any or all of the funds (including, without limitation, interest) then remaining in the Reserves and apply the same, after deducting all costs and expenses of safekeeping, collection and delivery (including, but not limited to, attorneys' fees, costs and expenses) to the indebtedness evidenced by the Note or any other obligations of Borrower under the other Loan Documents in such manner as Lender shall deem appropriate in its sole discretion, and the excess, if any, shall be paid to Borrower, (B) exercise any and all rights and remedies of a secured party under any applicable Uniform Commercial Code, or (C) exercise any other remedies available at law or in equity. No such use or application of the funds contained in the Reserves shall be deemed to cure any Event of Default.

(b) The Reserves are solely for the protection of Lender and entail no responsibility on Lender's part beyond the payment of the respective costs and expenses in accordance with the terms thereof and beyond the allowing of due credit for the sums actually received. Upon assignment of this Mortgage by Lender, any funds in the Reserves shall be turned over to the assignee, such assignee shall assume sole authority with respect to such funds and any responsibility of Lender, as assignor, with respect thereto shall terminate. The Reserves shall not, unless otherwise explicitly required by applicable law, be or be deemed to be escrow or trust funds, but, at Lender's option and in Lender's discretion, may either be held in a separate

# UNOFFICIAL COPY

account or be commingled by Lender with the general funds of Lender. Upon full payment of the indebtedness secured hereby in accordance with its terms (or if earlier, the completion of the applicable conditions to release of each Reserve to Lender's satisfaction) or at such earlier time as Lender may elect, the balance in the Reserves then in Lender's possession shall be paid over to Borrower and no other party shall have any right or claim thereto.

(c) Any amounts received by Lender from Borrower may be invested by Lender (or its servicer) for its benefit, and Lender shall not be obligated to pay, or credit, any interest earned thereon to Borrower except as may be otherwise specifically provided in this Mortgage.

1.9 Casualty and Condemnation. Borrower shall give Lender prompt written notice of the occurrence of any casualty affecting, or the institution of any proceedings for eminent domain or for the condemnation of, the Property or any portion thereof (collectively, an "Insured Event"). All insurance proceeds on the Property, and all causes of action, claims, compensation, awards and recoveries for any damage, condemnation or taking of all or any part of the Property or for any damage or injury to it for any loss or diminution in value of the Property, are hereby assigned to and shall be paid to Lender. Lender may participate in any suits or proceedings relating to any such proceeds, causes of action, claims, compensation, awards or recoveries, and Borrower shall from time to time deliver to Lender any instruments required to permit such participation; provided, however, that Lender shall not have the right to participate in the adjustment of any loss which is not in excess of the lesser of (i) ten percent (10%) of the then outstanding principal balance of the Note, and (ii) \$500,000.00. If not promptly made by Borrower, Lender is hereby authorized, in its own name or in Borrower's name, to adjust any loss covered by insurance or any condemnation claim or cause of action, and to settle or compromise any claim or cause of action in connection therewith. Provided no Event of Default is then continuing and no event has occurred which, with the giving of notice or the passage of time or both, would constitute an Event of Default, Lender shall apply any sums received by it under this Section first to the payment of all of its costs and expenses (including, but not limited to, reasonable legal fees and disbursements) incurred in obtaining those sums, and then, as follows:

(a) In the event that Lender receives insurance proceeds or condemnation awards upon the occurrence of an Insured Event in an amount not in excess of the lesser of (i) ten percent (10%) of the then outstanding principal balance of the Note, and (ii) \$500,000.00, (collectively, the "Threshold Amount"), Borrower shall repair or restore the Property, and Lender shall, to the extent such insurance proceeds or condemnation awards are available for such purpose, disburse to Borrower the amount paid or incurred by Borrower as a result of any such Insured Event for costs and expenses incurred by Borrower to repair or restore the Property (collectively, the "Casualty Repairs") in accordance with, and satisfaction of, the same terms and conditions for disbursement to be used relative to the Replacement Reserve as described on Exhibit B to this Mortgage but as applied to disbursements for Casualty Repairs.

(b) In the event any proceeds or awards from an Insured Event exceed the Threshold Amount but less than **sixty percent (60%)** of the Improvements located on the Land have been taken or destroyed, then if:

# UNOFFICIAL COPY

(1) the Property can, in Lender's reasonable judgment, with diligent restoration or repair, be returned to a condition at least equal to the condition thereof that existed prior to the casualty or partial taking causing the loss or damage by the earlier to occur of the following dates: (i) six (6) months after the receipt of insurance proceeds or condemnation awards by either Borrower or Lender, and (ii) six (6) months prior to the Maturity Date (as defined in the Note), and

(2) all necessary governmental approvals can be obtained to allow the rebuilding and reoccupancy of the Property as described in Section 1.9(b)(1) above, and

(3) there are sufficient sums available (through insurance proceeds or condemnation awards and contributions by Borrower, the full amount of which shall at Lender's option have been deposited with Lender) for such restoration or repair (including, without limitation, for any reasonable costs and expenses of Lender to be incurred in administering said restoration or repair) and for payment of principal and interest to become due and payable under the Note during such restoration or repair, and

(4) the economic feasibility of the Improvements after such restoration or repair will be such that income from their operation is reasonably anticipated to be sufficient to pay operating expenses of the Property and debt service on the indebtedness secured hereby in full with the same coverage ratio considered by Lender in its determination to make the Loan, and

(5) Borrower shall have delivered to Lender, at Borrower's sole cost and expense, an appraisal report from an appraiser, in form and substance satisfactory to Lender appraising the value of the Property as proposed to be restored or repaired to be sufficient in amount such that the ratio of the then outstanding balance of the Loan to such appraised value of the restored Property shall be equal to or less than eighty percent (80%).

then, Lender shall, solely for the purposes of such restoration or repair, advance so much of the remainder of such sums as may be required to facilitate such restoration or repair, and any funds deposited by Borrower therefor, to Borrower in the manner and upon such terms and conditions as would be required by a prudent interim construction lender, including, but not limited to, the prior approval by Lender of plans and specifications, contractors and the form of construction contracts and the furnishing to Lender of permits, bonds, lien waivers, invoices, receipts and affidavits from contractors and subcontractors, in form and substance reasonably satisfactory to Lender. Any remaining proceeds shall be applied by Lender for payment of the indebtedness secured hereby in whatever order Lender directs, or released to Borrower, in its absolute discretion; provided, to the extent such proceeds are applied by Lender against the indebtedness secured hereby, the monthly installments due pursuant to the Note shall be recomputed pursuant to Section 1.2(c) of the Note. Borrower shall, in good faith, undertake reasonable efforts to cause the conditions described in this Section 1.9(b) to be fully satisfied (e.g., Borrower shall timely make applications for necessary governmental permits, shall order an appropriate appraisal report, etc.). If such conditions are satisfied, Borrower shall be obligated to undertake restoration and repair of the damaged improvements subject to the terms of this Section 1.9.

Any disbursement pursuant to this clause (b) of sums by Lender shall, subject to Borrower's satisfaction of the provisions hereof, be in a manner to promptly facilitate the restoration or repair of the Property. In the event Borrower fails to meet the requirements of this clause (b), then Lender may elect, in its absolute discretion and without regard to the adequacy of Lender's security, to accelerate the Maturity Date and declare any and all of the indebtedness secured hereby to be immediately due and payable and apply the remainder of such sums to the payment of the secured indebtedness in whatever order Lender directs in its sole discretion, with any remainder being paid to Borrower.

(c) In all other cases, namely, in the event that **sixty percent (60%)** or more of the Improvements located on the Land have been taken or destroyed or in the event the conditions described in Section 1.9(b) are not fully satisfied, Lender may elect, in Lender's absolute discretion and without regard to the adequacy of Lender's security, to (i) accelerate the Maturity Date and declare any and all indebtedness secured hereby to be immediately due and payable and apply the remainder of such sums received pursuant to this Section to the payment of the secured indebtedness in whatever order Lender directs in its absolute discretion, with any remainder being paid to Borrower, or (ii) make insurance or condemnation proceeds available to Borrower for repair or restoration if Borrower establishes to the satisfaction of Lender, in its sole discretion, that Borrower otherwise satisfies the requirements of Section 1.9(b) above. Should Lender make the election described immediately above in item (ii) of this Section 1.9(c), Borrower shall be obligated to undertake restoration and repair of the damaged Improvements consistent with the provisions of this Section 1.9.

(d) Any reduction in the indebtedness secured hereby resulting from Lender's application of any sums received by it hereunder shall take effect only when Lender actually receives such sums and elects to apply such sums to the indebtedness secured hereby and, in any event, the unpaid portion of the indebtedness secured hereby shall remain in full force and effect and Borrower shall not be excused in the payment thereof. Partial payments received by Lender, as described in the preceding sentence, shall be applied against the Note consistent with the prepayment provisions described therein for casualty or condemnation proceeds. If Borrower undertakes to restore or repair the Property after the occurrence of a casualty or partial taking of the Property as provided above, Borrower shall promptly and diligently, at Borrower's sole cost and expense and regardless of whether the insurance proceeds or condemnation award, as appropriate, shall be sufficient for the purpose, restore, repair, replace and rebuild the Property as nearly as possible to its value, condition and character immediately prior to such casualty or partial taking in accordance with the foregoing provisions and Borrower shall pay to Lender all costs and expenses of Lender incurred in administering said rebuilding, restoration or repair, provided that Lender makes such proceeds or award available for such purpose. Borrower agrees to execute and deliver from time to time such further instruments as may be requested by Lender to confirm the foregoing assignment to Lender of any award, damage, insurance proceeds, payment or other compensation. Borrower hereby irrevocably constitutes and appoints Lender as the attorney-in-fact of Borrower (which power of attorney shall be irrevocable so long as any indebtedness secured hereby is outstanding, shall be deemed coupled with an interest, shall survive the voluntary or involuntary dissolution of Borrower and shall not be affected by any disability or incapacity suffered by Borrower subsequent to the date hereof), with full power of substitution, subject to the terms of this Section, to settle for (subject to the restrictions set forth in this Section 1.9), collect and receive any such awards, damages, insurance proceeds,

# UNOFFICIAL COPY

payments or other compensation from the parties or authorities making the same, to appear in and prosecute any proceedings therefor and to give receipts and acquittance therefor. Notwithstanding the foregoing, Lender shall not undertake any action pursuant to the appointment described in the immediately preceding sentence absent the then occurrence of an Event of Default, the then existence of an Emergency Condition or without otherwise providing Borrower no less than fifteen (15) days prior written notice and opportunity to discuss such proposed settlement or action with Lender.

1.10 Mechanics' Liens. Borrower shall pay when due all claims and demands of mechanics, materialmen, laborers and others for any work performed or materials delivered for the Land or the Improvements; provided, however, that, Borrower shall have the right to contest in good faith any such claim or demand, so long as it does so diligently, by appropriate proceedings and without prejudice to Lender and provided that neither the Property nor any interest therein would be in any danger of sale, loss or forfeiture as a result of such proceeding or contest. In the event Borrower shall contest any such claim or demand, Borrower shall promptly notify Lender of such contest and thereafter shall, upon Lender's request, promptly provide a bond, cash deposit or other security satisfactory to Lender to protect Lender's interest and security should the contest be unsuccessful. If Borrower shall fail to promptly discharge or provide security against any such claim or demand as aforesaid (and in any case, to discharge or provide such security within ten (10) days of Borrower's receipt of Lender's request therefor), Lender may do so and any and all expenses incurred by Lender, together with interest thereon at the Default Interest Rate (as defined in the Note) from the date incurred by Lender until actually paid by Borrower, shall be immediately paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

1.11 Assignment of Leases and Rents. Borrower acknowledges and confirms that, as additional collateral security for the payment of the indebtedness secured hereby, and cumulative of any and all rights and remedies herein provided, it has executed and delivered to Lender an Assignment of Leases and Rents of even date herewith (the "Assignment"), intending such Assignment to create a present, absolute assignment to Lender of all current or future leases of all or any portion of the Property and Rents. Upon the occurrence of an Event of Default, Lender shall be entitled to exercise any or all of the remedies provided in this Mortgage and in the Assignment, including, without limitation, the appointment of a receiver. The Assignment shall continue in full force and effect during any period of foreclosure or redemption with respect to the Property.

## 1.12 Leases and Licenses.

(a) Borrower covenants and agrees that it shall not enter into any lease affecting 7,500 square feet or more of the Property or having an initial term of more than 10 years or an aggregate term (including any renewal or extension term) of more than twenty (20) years without the prior written approval of Lender, which approval shall not be unreasonably withheld, conditioned or delayed. The request for approval of each such proposed new lease shall be made to Lender in writing and shall state that, pursuant to the terms of this Mortgage, failure to approve or disapprove such proposed lease within ten (10) business days is deemed approval and Borrower shall furnish to Lender (and any loan servicer specified from time to time by Lender): (i) such biographical and financial information about the proposed tenant as Lender

# UNOFFICIAL COPY

may reasonably request in conjunction with its review, (ii) a copy of the proposed form of lease, and (iii) a summary of the material terms of such proposed lease (including, without limitation, rental terms and the term of the proposed lease and any options). It is acknowledged that Lender intends to include among its criteria for approval of any such proposed lease the following: (i) such lease shall be with a bona-fide arm's length tenant; (ii) such lease shall not contain any rental or other concessions which are not then customary and reasonable for similar properties and leases in the market area of the Land; (iii) the rental shall be at least at the market rate then prevailing for similar properties and leases in the market areas of the Land; taking into account all circumstances relevant to an appropriate rental rate to charge for the particular leased premises including any peculiarities of such space's location or configuration); and (iv) such lease shall contain subordination and attornment provisions in form and content reasonably acceptable to Lender. Failure of Lender to respond in writing as described below to any written request by Borrower for approval as to any such new approved lease (which request includes Borrower's good faith inclusion of at least the minimum amount of background information and lease description as would be necessary in light of the criteria described above) shall be deemed approval, provided that the written request for approval specifically mentions such ten (10) business day "deemed approval" concept. If, within such ten (10) business day period Lender neither approves nor disapproves any such proposed lease but requests reasonable additional information with respect thereto, then Borrower shall be entitled to again request approval of such proposed lease upon submission of such reasonably requested additional information and such ten (10) business day period shall again be applicable.

(b) All other leases shall be written on one of the standard form leases (without any material changes which would cause a lease entered into pursuant to such changed form to have a materially worse economic result from the landlord's perspective than that which would be the case pursuant to a lease on the standard form) which Lender has approved and shall be on arm's length terms consistent with the terms for similar leases in the market area of the Land, shall provide for free rent only if the same is consistent with prevailing market conditions and shall provide for market rents then prevailing in the market area of the Land (taking into account all circumstances relevant to an appropriate rental rate to charge for the particular leased premises including any peculiarities of such space's location or configuration). To the extent such is market-standard, such leases shall also provide for Security Deposits in reasonable amounts. Borrower shall also submit to Lender for Lender's approval prior to the execution thereof, any proposed lease, license or occupancy agreement of the Property or any portion thereof that differs materially and adversely from the aforementioned form lease; provided, however, Lender shall not be entitled to unreasonably withhold its consent with respect to any such proposed lease, license or occupancy agreement and shall not be entitled to unreasonably object to a form in common industry standard use by national or regional tenants in facilities similar to the Property. Failure of Lender to approve or disapprove any such proposed lease within ten (10) business days after receipt of such written request shall be deemed approval consistent with the process described in the last two sentences of Section 1.12(a), provided that the written request for approval specifically mention the same. Borrower shall not execute any lease, license or occupancy agreement for all or a substantial portion of the Property, except for an actual occupancy by the tenant, lessee or licensee thereunder, and shall at all times promptly and faithfully perform, or cause to be performed in a commercially reasonable manner, all of the covenants, conditions and agreements contained in all leases, licenses and occupancy agreements with respect to the Property, now or hereafter existing, on the part of the landlord, lessor or

# UNOFFICIAL COPY

licensor thereunder to be kept and performed. In addition to the requirements set forth in Section 1.18(c) of this Mortgage, Borrower shall furnish to Lender, within ten (10) days after a request by Lender to do so, a current rent roll, certified by Borrower as being true and correct, containing the names of all tenants, lessees and licensees with respect to the Property, the terms of their respective leases, licenses or occupancy agreements, the spaces occupied and the rentals or fees payable thereunder and the amount of each tenant's security deposit. Upon the request of Lender, Borrower shall deliver to Lender a copy of each such lease, license and occupancy agreement. Borrower shall not do or suffer to be done any act that might result in a default by the landlord, lessor or licensor under any such lease, license or occupancy agreement or allow the tenant, lessee or licensee thereunder to withhold payment or rent and, except as otherwise expressly permitted by the terms of Section 1.13 hereof, shall not further assign any such lease, license or occupancy agreement or any such rents. Borrower, at no cost or expense to Lender, shall enforce, short of termination, the performance and observance of each and every condition and covenant of each of the parties under such leases. Borrower shall not, without the prior written consent of Lender, modify any of the leases, terminate or accept the surrender of any leases, waive or release any other party from the performance or observance of any obligation or condition under such leases except, with respect only to leases affecting less than 7,500 square feet and having a term of ten (10) years or less, in the normal course of business in a manner which is consistent with sound and customary leasing and management practices for similar properties in the community in which the Property is located. Notwithstanding anything to the contrary contained herein, Borrower may enter into renewals or extensions of any existing Lease at the Property without obtaining prior Lender approval, irrespective of the size of the premises subject to such Lease, so long as the term of such renewal or extension is no more than five (5) years and provided that such renewal or extension provides for rental rates equal to or greater than the then existing market rental rate, provided that such market rental rate is not less than the rental rate set forth in the Lease subject to such renewal or extension. Lender shall not unreasonably withhold its consent with respect to any Borrower request as to a modification, termination or similar event as to any lease pursuant to the immediately preceding sentence. Failure of Lender to approve or disapprove any such proposed transaction within ten (10) business days after receipt of such written request shall be deemed approval consistent with the process described in the last two sentences of Section 1.12(a), provided that the written request for approval specifically mention the same. Borrower shall not permit the prepayment of any rents under any of the leases for more than one (1) month prior to the due date thereof.

## 1.13 Alienation and Further Encumbrances.

(a) Borrower acknowledges that Lender has relied upon the principals of Borrower and their experience in owning and operating properties similar to the Property in connection with the closing of the Loan. Accordingly, except as specifically allowed hereinbelow in this Section and notwithstanding anything to the contrary contained in Section 4.5 hereof, in the event that the Property or any part thereof or interest therein shall be sold (including any installment sales agreement), conveyed, disposed of, alienated, hypothecated, leased (except to tenants of space in the Improvements in accordance with the provisions of Section 1.12 hereof), assigned, pledged, mortgaged, further encumbered or otherwise transferred or Borrower shall be divested of its title to the Property or any interest therein, in any manner or way, whether voluntarily or involuntarily, without the prior written consent of Lender being first obtained, which consent may be withheld in Lender's sole discretion, then the same shall

# UNOFFICIAL COPY

constitute an Event of Default and Lender shall have the right, at its option, to declare any or all of the indebtedness secured hereby, irrespective of the Maturity Date, immediately due and payable and to otherwise exercise any of its other rights and remedies contained in Article III hereof. If such acceleration is during any period when a prepayment fee is payable pursuant to the provisions set forth in the Note, then, in addition to all of the foregoing, such prepayment fee shall also then be immediately due and payable to the same end as though Borrower were prepaying the entire indebtedness secured hereby on the date of such acceleration. For the purposes of this Section, the sale, conveyance, transfer, disposition, alienation, hypothecation, pledge or encumbering (whether voluntarily or involuntarily) of all or any portion of the ownership interest in (or, directly or indirectly through constituent parties, any of the ultimate beneficial ownership interest in) Borrower shall be deemed to be a transfer of an interest in the Property. Notwithstanding the foregoing, however, transfers or assignments of ownership interests in Borrower (or its constituent parties) may be undertaken without the consent of Lender in the following circumstances:

(1) In the case of a Borrower which is a limited partnership, up to 49% of the limited partnership interests in Borrower shall be freely transferable so long as those persons responsible for the management and control of Borrower and the Property remain unchanged following such transfer.

(2) In the case of a Borrower which constitutes a limited liability company, up to 49% of the non-managing membership interests in Borrower shall be freely transferable so long as those persons responsible for the management and control of Borrower and the Property remain unchanged following such transfer.

(3) In the case of a Borrower which constitutes a corporation, up to 49% of the aggregate of the issued and outstanding capital stock of Borrower may be sold or assigned, taking into account (i) any prior sales or assignments, and (ii) the effective change in ownership resulting from any issuance of new shares of capital stock in Borrower or its constituent party so long as those persons responsible for the management and control of Borrower and the Property remain unchanged following such transfer.

(4) Gifts for estate planning purposes of any individual's interests in Borrower or in any of Borrower's general partners, members or joint venturers to the spouse or any lineal descendant of such individual, or to a trust for the benefit of any one or more of such individual, spouse or lineal descendant, shall not be deemed to violate this Section 1.13(a) so long as Borrower is reconstituted, if required, following such gift and so long as those persons responsible for the management of the Property and Borrower remain unchanged following such gift or any replacement management is approved by Lender.

(5) Involuntary assignments or transfers caused by the death, incompetence or dissolution of Borrower, one of its constituent parties or the owner of one of its constituent parties are permitted if: (i) Borrower is reconstituted, if required, following such death, incompetence or dissolution, and (ii) those persons responsible for the management and control of Borrower and the Property remain unchanged as a result

# UNOFFICIAL COPY

of such death, incompetence or dissolution or any replacement management is approved by Lender.

In all cases where assignment of ownership interests is allowed pursuant to this Section 1.13(a), the proportionate ownership which is proposed to be transferred shall be calculated so as to take into account prior transfers or assignments. Furthermore, the sale, conveyance, transfer, disposition, alienation, hypothecation, pledge or encumbering (whether voluntarily or involuntarily) of all or any portion of the ownership interest in (or, directly or indirectly through constituent parties, any of the ultimate beneficial ownership interest in) any guarantor of Borrower's obligation hereunder or under any of the other Loan Documents shall constitute a violation of this Section 1.13(a) and Lender shall have the right to exercise its various remedies described hereinabove; provided, however, ownership interests in any such guarantor may be transferred in a manner consistent with the allowable transfers of ownership interests in Borrower described hereinabove.

(b) Notwithstanding the foregoing provisions of this Section, Lender shall consent to a sale, conveyance or transfer of the Property in its entirety (hereinafter, a "Sale") to any person or entity provided that each of the following terms and conditions are satisfied:

(1) No Event of Default is then continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default;

(2) Borrower gives Lender written notice of the terms of such prospective Sale not less than sixty (60) days before the date on which such Sale is scheduled to close and, concurrently therewith, gives Lender all reasonable information concerning the proposed transferee of the Property (hereinafter, a "Buyer") as Lender would require in evaluating an initial extension of credit to a borrower and pays to Lender a non-refundable application fee in the amount of \$5,000.00 (the "Application Fee"). Lender shall have the right, in its reasonable discretion, to approve or disapprove the proposed Buyer. In determining whether to give or withhold its approval of the proposed Buyer, Lender shall consider, among other things, the Buyer's experience and track record in owning and operating facilities similar to the Property, the Buyer's entity structure, the Buyer's compliance with Section 1.1(ji) hereof, the Buyer's financial strength, the Buyer's general business standing and the Buyer's relationships and experience with contractors, vendors, tenants, lenders and other business entities;

(3) Borrower pays Lender, concurrently with the closing of such Sale, a non-refundable assumption fee (the "Assumption Fee") in an amount equal to one percent (1%) of the then outstanding principal balance of the Note;

(4) The Buyer assumes and agrees to pay the indebtedness secured hereby subject to the provisions of Section 4.23 hereof and to perform the covenants of Borrower under the Loan Documents, and, prior to or concurrently with the closing of such Sale, the Buyer executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate said assumption and delivers such legal opinions as Lender may require;

# UNOFFICIAL COPY

(5) Borrower and the Buyer hereby authorize Lender to prepare, file of record or otherwise effectuate new financing statements or financing statement amendments which describe all or any portion of the assets of Borrower and the Buyer as collateral thereunder and further, Borrower and the Buyer will execute any other additional documents reasonably requested by Lender, all without cost to Lender. Borrower and the Buyer specifically authorize Lender to cause such financing statements to be filed without any signature of a representative of the Borrower or Buyer appearing thereon, where such filings are permitted by applicable law;

(6) Borrower delivers to Lender, without any cost or expense to Lender, such endorsements to Lender's Title Insurance Policy, hazard insurance endorsements or certificates and other similar materials as Lender may deem necessary at the time of the Sale, all in form and substance satisfactory to Lender, including, without limitation, an endorsement or endorsements to Lender's Title Insurance Policy insuring the lien of this Mortgage, extending the effective date of such policy to the date of execution and delivery (or, if later, of recording) of the assumption agreement referenced above in Subsection (4) of this Section 1.13(b), with no additional exceptions added to such policy, and insuring that fee simple title to the Property is vested in the Buyer;

(7) Borrower executes and delivers to Lender, without any cost or expense to Lender, a release of Lender, its officers, directors, employees and agents, from all claims and liability relating to the transactions evidenced by the Loan Documents, through and including the date of the closing of the Sale, which agreement shall be in form and substance satisfactory to Lender and shall be binding upon the Buyer;

(8) Subject to the provisions of Section 4.23 hereof, such Sale is not construed so as to relieve Borrower of any personal liability under the Note or any of the other Loan Documents for any acts or events occurring or obligations arising prior to or simultaneously with the closing of such Sale, and Borrower executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate the ratification of said personal liability;

(9) Such Sale is not construed so as to relieve any current guarantor or indemnitor of its obligations under any guaranty or indemnity agreement executed in connection with the Loan and each such current guarantor and indemnitor executes, without any cost or expense to Lender, such documents and agreements as Lender shall reasonably require to evidence and effectuate the ratification of each such guaranty and indemnity agreement, provided that if a party associated with the Buyer approved by Lender in its sole but reasonable discretion assumes the obligations of the current guarantor or indemnitor under its guaranty or indemnity agreement and such party associated with the Buyer executes, without any cost or expense to Lender, a new guaranty or indemnity agreement in form and substance satisfactory to Lender, then Lender shall release the current guarantor or indemnitor from all obligations arising under its guaranty or indemnity agreement after the closing of such Sale;

(10) The Buyer shall furnish, if the Buyer is a corporation, partnership, or other entity, all documents evidencing the Buyer's capacity and good standing, and the qualification of the signers to execute the assumption of the indebtedness secured hereby,

# UNOFFICIAL COPY

which documents shall include, but not in any way be limited to, certified copies of all documents relating to the organization and formation of the Buyer and of the entities, if any, which are partners or members of the Buyer. The Buyer and such constituent partners, members or shareholders of Buyer (as the case may be), as Lender may require, shall be single-purpose, single-asset "bankruptcy remote" entities, whose formation documents shall be approved by counsel to Lender;

(11) The Buyer, if required by Lender, shall furnish an opinion of counsel satisfactory to Lender and its counsel (i) that the Buyer's formation documents provide for the matters described in Section 1.13(b)(10) hereof, (ii) that the assumption of the indebtedness evidenced hereby has been duly authorized, executed and delivered, and that the Loan Documents are valid, binding and enforceable against the Buyer in accordance with their terms, (iii) that the Buyer and any entity which is a controlling stockholder, member or general partner of Buyer, have been duly organized, and are in existence and in good standing, and (iv) with respect to such other matters, as Lender may request;

(12) If the Buyer is a single-member limited liability company, Buyer must be formed in the state of Delaware, and the Buyer's operating agreement must provide for the continued existence of the Buyer in the event of the bankruptcy, death, or dissolution, liquidation, termination or adjudication of incompetency of the sole member. The Buyer, if required by Lender, shall also furnish an opinion of counsel satisfactory to Lender and its counsel that if the Buyer is a single-member limited liability company, (i) the Buyer is a separate legal entity formed in the state of Delaware; (ii) the separate existence of the Buyer shall continue until the cancellation of the certificate of organization; (iii) the Buyer's operating agreement provides for the continued existence of the Buyer in the event of the bankruptcy, death, or dissolution, liquidation, termination or adjudication of incompetency of the sole member, and that such provisions would be enforceable notwithstanding the bankruptcy, death, dissolution, liquidation, termination or adjudication of incompetency of the sole member; and (iv) any judgment creditor of the sole member may not satisfy its claims against the sole member by asserting a claim against the Property or any other assets of the Buyer;

(13) If required under the operative documents with respect to a Secondary Market Transaction (as hereinafter defined), Lender shall have received evidence in writing from the Rating Agency (as hereinafter defined) to the effect that the proposed transfer will not result in a re-qualification, reduction, downgrade or withdrawal of any rating initially assigned or to be assigned in a Secondary Market Transaction or, if no such rating has been issued, in Lender's good faith judgment, such transfer shall not have an adverse effect on the level of rating obtainable in connection with the Loan;

(14) Borrower shall reimburse Lender for all of Lender's reasonable out-of-pocket costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements and Rating Agency fees and expenses) incurred or anticipated to be incurred by Lender in connection with a Sale including, without limitation, Lender's determination of whether Borrower has satisfied all of the conditions and requirements set forth in this Section 1.13(b), but only to the extent such aggregate costs and expenses exceed the Application Fee paid by Borrower to Lender; and

# UNOFFICIAL COPY

(15) Borrower's obligations under the contract of sale pursuant to which such Sale, conveyance or transfer is proposed to occur shall expressly be subject to the satisfaction of the terms and conditions of this Section 1.13(b).

1.14 Payment of Utilities, Assessments, Charges, Etc. Borrower shall pay when due all utility charges which are incurred by Borrower or which may become a charge or lien against any portion of the Property for gas, electricity, water and sewer services furnished to the Land and/or the Improvements and all other assessments or charges of a similar nature, or assessments payable pursuant to any restrictive covenants, whether public or private, affecting the Land and/or the Improvements or any portion thereof, whether or not such assessments or charges are or may become liens thereon.

1.15 Access Privileges and Inspections. Lender and the agents, representatives and employees of Lender shall, subject to the rights of tenants, have full and free access to the Land and the Improvements and any other location where books and records concerning the Property are kept at all reasonable times for the purposes of inspecting the Property and of examining, copying and making extracts from the books and records of Borrower relating to the Property. Borrower shall lend assistance to all such agents, representatives and employees of Lender.

1.16 Waste; Alteration of the Property. Borrower shall not commit, suffer or permit any waste on the Property nor take any actions that might invalidate any insurance carried on the Property. Borrower shall maintain the Property in good condition and repair. No part of the Improvements may be removed, demolished or materially altered, without the prior written consent of Lender. Without the prior written consent of Lender, Borrower shall not commence construction of any improvements on the Land other than improvements required for the maintenance or repair of the Property. Notwithstanding the foregoing, Lender's consent shall not be required in connection with any alterations that will not have a material adverse effect on Borrower's financial condition, the value of the Property or the net operating income generated from the Property, provided that such alterations (a) are made in connection with Tenant Improvements performed pursuant to the terms of any lease executed on or before the date hereof or properly entered into pursuant to Section 1.12 hereof from and after the date hereof, (b) do not adversely affect any structural component of any Improvements, any utility or HVAC system contained in any Improvements or the exterior of any building constituting a part of any Improvements and the aggregate cost thereof does not exceed Five Hundred Thousand and No/100 Dollars (\$500,000.00), or (c) are performed in connection with the restoration of the Property after the occurrence of an Insured Event in accordance with the terms of this Mortgage.

1.17 Zoning/Use. Without the prior written consent of Lender, Borrower shall not seek, make, suffer, consent to or acquiesce in any change in the zoning or conditions of use of the Land or the Improvements. Borrower shall comply with and make all payments required under the provisions of any covenants, conditions or restrictions affecting the Land or the Improvements. Borrower shall comply with all existing and future requirements of all governmental authorities having jurisdiction over the Property. Borrower shall keep all licenses, permits, franchises, certificates of occupancy, consents, and other approvals necessary for the operation of the Property in full force and effect. Borrower shall operate the Property as an office building for so long as the indebtedness secured hereby is outstanding. If, under applicable zoning provisions, the use of all or any part of the Land or the Improvements is or becomes a nonconforming use, Borrower shall not cause or permit such use to be discontinued or

abandoned without the prior written consent of Lender. Further, without Lender's prior written consent, Borrower shall not file or subject any part of the Land or the Improvements to any declaration of condominium or cooperative or convert any part of the Land or the Improvements to a condominium, cooperative or other form of multiple ownership and governance.

1.18 Financial Statements and Books and Records. Borrower shall keep accurate books and records of account of the Property and its own financial affairs sufficient to permit the preparation of financial statements therefrom in accordance with generally accepted accounting principles (or tax basis or such other accounting basis acceptable to Lender). Lender and its duly authorized representatives shall have the right to examine, copy and audit Borrower's records and books of account at all reasonable times. So long as this Mortgage continues in effect, Borrower shall provide to Lender, in addition to any other financial statements required hereunder or under any of the other Loan Documents, the following financial statements and information, all of which must be certified to Lender as being true and correct by Borrower or the entity to which they pertain, as applicable, be prepared in accordance with generally accepted accounting principles (or tax basis or such other accounting basis acceptable to Lender) consistently applied and be in form and substance acceptable to Lender:

- (a) copies of all tax returns filed by Borrower, within thirty (30) days after the date of filing;
- (b) quarterly operating statements for the Property, within twenty (20) days after the end of each March, June, September and December, provided operating statements shall be delivered monthly for the first twelve (12) full calendar months of the Note within twenty (20) days after the end of each month;
- (c) current rent rolls for the Property, within twenty (20) days after the end of each March, June, September and December, provided, rent rolls shall be delivered monthly for the first twelve (12) full calendar months of the Note within twenty (20) days after the end of each month;
- (d) annual balance sheets, statements of income and expenses and statements of changes in financial position for the Property and annual financial statements for Borrower, each principal, member or general partner in Borrower, and each indemnitor and guarantor under any indemnity or guaranty executed in connection with the Loan, within ninety (90) days after the end of each calendar year; and
- (e) annual balance sheets, statements of income and expenses and statements of changes in financial position for (i) the managing member, general partner or any party with more than a thirty-three (33%) interest (exclusive of aggregate family interest) in Borrower, within ninety (90) days after the end of each calendar year, and (ii) each indemnitor and guarantor under any indemnity or guaranty executed in connection with the Loan, within forty-five (45) days after the close of his fiscal year. If the managing member, general partner, indemnitor and guarantor are the same individual, such statements shall be provided within forty-five (45) days after the close of his fiscal year; and
- (f) such other information with respect to the Property, Borrower, the principals, members or general partners or any party with more than a thirty-three percent (33%)

interest (exclusive of aggregate family interests) in Borrower, and each indemnitor and guarantor under any indemnity or guaranty executed in connection with the Loan, which may be requested from time to time by Lender, within a reasonable time after the applicable request.

If any of the aforementioned materials are not furnished to Lender within the applicable time periods, Borrower shall pay to Lender a late fee of \$250.00. Further, if any of the aforementioned materials are not furnished to Lender within the applicable time periods (and continue to not be provided within ten (20) days of Lender's written request therefor), in addition to any other rights and remedies of Lender contained herein, Lender shall have the right, but not the obligation, to obtain the same by means of an audit by an independent certified public accountant selected by Lender, in which event Borrower agrees to pay, or to reimburse Lender for, any reasonable expense of such audit and further agrees to provide all necessary information to said accountant and to otherwise cooperate in the making of such audit. Borrower agrees that any and all materials furnished hereunder are the property of Lender (and Lender's servicer) and may be released and made available to such parties as Lender or its servicer deems reasonably appropriate, including any Rating Agency responsible for rating securities issued in any Secondary Market Transaction (as such terms are defined in Section 4.32 hereof).

1.19 Further Documentation. Borrower shall, on the request of Lender in Lender's reasonable discretion and at the expense of Borrower, promptly correct any defect, error or omission which may be discovered in the contents of this Mortgage or in any of the other Loan Documents and promptly execute, acknowledge, deliver and record or file such further instruments and do such further acts as may be necessary, desirable or proper to carry out more effectively the purposes of this Mortgage and the other Loan Documents or as may be deemed advisable by Lender to protect, continue or preserve the liens and security interests hereunder, including, without limitation, security instruments, financing statements and continuation statements.

1.20 Payment of Costs; Advances to Protect Property.

(a) Payment of Costs. Borrower shall pay all reasonable costs and expenses of every character incurred in connection with the closing of the Loan or otherwise attributable or chargeable to Borrower as the owner of the Property, including, without limitation, appraisal fees, recording fees, documentary, stamp, mortgage or intangible taxes, brokerage fees and commissions, title policy premiums and title search fees, uniform commercial code/tax lien/litigation search fees, escrow fees and reasonable attorneys' fees.

(b) Advances to Protect Property. Without limiting or waiving any other rights and remedies of Lender hereunder, if Lender determines that Borrower is not adequately performing or has failed to perform any of its obligations, covenants or agreements contained in this Mortgage or in any of the other Loan Documents and such inadequacy or failure is not cured within any applicable grace or cure period, or if any action or proceeding of any kind (including, but not limited to, any bankruptcy, insolvency, arrangement, reorganization or other debtor relief proceeding) is commenced which might affect Lender's interest in the Property or Lender's right to enforce its security, then Lender may, at its option, with or without notice to Borrower, make any appearances, disburse or advance any sums and take any actions as may be reasonable necessary or desirable to protect or enforce the security of this Mortgage or to remedy the failure of Borrower to perform its covenants and agreements (without, however, waiving any Event of

# UNOFFICIAL COPY

Default); provided, however, to the extent an Event of Default is not otherwise then occurring hereunder and to the extent an Emergency Condition is not then in effect, Lender shall provide Borrower ten (10) days written notice and opportunity to cure such circumstance prior to Lender undertaking its own advance of any sums hereunder. Borrower agrees to pay on demand all expenses of Lender reasonably incurred with respect to the foregoing (including, but not limited to, fees and disbursements of counsel), together with interest thereon at the Default Interest Rate (as defined in the Note) from and after the date on which Lender incurs such expenses until reimbursement thereof by Borrower. Any such expenses so incurred by Lender, together with interest thereon as provided above, shall be additional indebtedness of Borrower secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note. The necessity for any such actions and of the amounts to be paid shall be determined by Lender in its sole and absolute discretion. Lender is hereby empowered to enter and to authorize others to enter upon the Property or any part thereof for the purpose of performing or observing any such defaulted term, covenant or condition without thereby becoming liable to Borrower or any person in possession holding under Borrower. Borrower hereby acknowledges and agrees that the remedies set forth in this Section 1.20(b) shall be exercisable by Lender, and any and all payments made or costs or expenses incurred by Lender in connection therewith shall be secured hereby and shall be, without demand, immediately repaid by Borrower with interest thereon at the Default Interest Rate (as defined in the Note), notwithstanding the fact that such remedies were exercised and such payments made and costs incurred by Lender after the filing by Borrower of a voluntary case or the filing against Borrower of an involuntary case pursuant to or within the meaning of Title 11, United States Code (the "Bankruptcy Code"), or after any similar action pursuant to any other debtor relief law (whether statutory, common law, case law or otherwise) of any jurisdiction whatsoever, now or hereafter in effect, which may be or become applicable to Borrower, Lender, any guarantor or indemnitor, the secured indebtedness or any of the Loan Documents. This indemnity shall survive payment in full of the indebtedness secured hereby. This Section 1.20(b) shall not be construed to require Lender to incur any expenses, make any appearances or take any actions.

1.21 Security Interest. This Mortgage is also intended to encumber and create a security interest in, and Borrower hereby grants to Lender a security interest in all Reserves (as hereinabove defined), fixtures, chattels, accounts, equipment, inventory, contract rights, general intangibles and other personal property included within the Property, all renewals, replacements of any of the aforementioned items, or articles in substitution therefor or in addition thereto or the proceeds thereof (said property is hereinafter referred to collectively as the "Collateral"), whether or not the same shall be attached to the Land or the Improvements in any manner. It is hereby agreed that to the extent permitted by law, all of the foregoing property is to be deemed and held to be a part of and affixed to the Land and the Improvements. The foregoing security interest shall also cover Borrower's leasehold interest in any of the foregoing property which is leased by Borrower. Notwithstanding the foregoing, all of the foregoing property shall be owned by Borrower and no leasing or installment sales or other financing or title retention agreement in connection therewith shall be permitted without the prior written approval of Lender. Borrower shall promptly replace all of the Collateral subject to the lien or security interest of this Mortgage when worn out or obsolete with Collateral comparable to the worn out or obsolete Collateral when new and will not, without the prior written consent of Lender, remove from the Land or the Improvements any of the Collateral subject to the lien or security interest of this Mortgage except such as is replaced by an article of equal suitability and value as above provided, owned

by Borrower free and clear of any lien or security interest except that created by this Mortgage and the other Loan Documents and except as otherwise expressly permitted by the terms of Section 1.13 of this Mortgage. All of the Collateral shall be kept at the location of the Land except as otherwise required by the terms of the Loan Documents. Borrower shall not use any of the Collateral in violation of any applicable statute, ordinance or insurance policy.

1.22 Security Agreement. This Mortgage constitutes both a real property mortgage and a "security agreement" between Borrower and Lender with respect to the Collateral in which Lender is granted a security interest hereunder, and, cumulative of all other rights and remedies of Lender hereunder, Lender shall have all of the rights and remedies of a secured party under any applicable Uniform Commercial Code. Borrower hereby irrevocably authorizes Lender at any time and from time to time to prepare, file of record in any Uniform Commercial Code jurisdiction or otherwise effectuate new financing statements or financing statement amendments which (a) indicate the Collateral (i) as all assets of Borrower or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of any applicable Uniform Commercial Code, or (ii) by any other description which reasonably approximates the description contained in this Mortgage, and (b) provide any other information required by part 5 of Article 9 of any applicable Uniform Commercial Code, for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether Borrower is an organization, the type of organization and any organizational identification number issued to Borrower and, (ii) in the case of a financing statement filed as a fixture filing or indicating Collateral as as-extracted collateral or timber to be cut, a sufficient description of real property to which the Collateral relates. Borrower agrees to furnish any such information to Lender promptly upon the Lender's request. Borrower specifically agrees that Lender may cause such financing statements and financing statement amendments to be filed without any signature of a representative of the Borrower appearing thereon, where such filings are permitted by applicable law. Borrower hereby further agrees to execute and deliver on demand and hereby irrevocably constitutes and appoints Lender the attorney-in-fact of Borrower to execute and deliver and, if appropriate, to file with the appropriate filing officer or office such security agreements, financing statements, continuation statements or other instruments as Lender may request or require in order to impose, perfect or continue the perfection of the lien or security interest created hereby. Borrower also ratifies its authorization for Lender to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof. Expenses incurred from and after an Event of Default (including, without limitation, any time periods expressly provided in Section 2.1 hereof for grace or cure) of retaking, holding, preparing for sale, selling or the like (including, without limitation, Lender's reasonable attorneys' fees and legal expenses), together with interest thereon at the Default Interest Rate (as defined in the Note) from the date incurred by Lender until actually paid by Borrower, shall be paid by Borrower on demand and shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note. If notice is required by law, Lender shall give Borrower at least ten (10) days' prior written notice of the time and place of any public sale of such property or of the time of or after which any private sale or any other intended disposition thereof is to be made, and if such notice is sent to Borrower, as the same is provided for the mailing of notices herein, it is hereby deemed that such notice shall be and is reasonable notice to Borrower. No such notice is necessary for any such property which is perishable, threatens to decline speedily in value or is of a type customarily sold on a recognized market. Any sale made pursuant to the

provisions of this Section 1.22 shall be deemed to have been a public sale conducted in a commercially reasonable manner if held contemporaneously with the foreclosure sale as provided in Section 3.1(e) hereof upon giving the same notice with respect to the sale of the Property hereunder as is required under said Section 3.1(e). Furthermore, to the extent permitted by law, in conjunction with, in addition to or in substitution for the rights and remedies available to Lender pursuant to any applicable Uniform Commercial Code:

(a) In the event of a foreclosure sale, the Property may, at the option of Lender, be sold as a whole; and

(b) It shall not be necessary that Lender take possession of the aforementioned Collateral, or any part thereof, prior to the time that any sale pursuant to the provisions of this Section is conducted and it shall not be necessary that said Collateral, or any part thereof, be present at the location of such sale; and

(c) Lender may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by Lender, including the sending of notices and the conduct of the sale, but in the name and on behalf of Lender.

Borrower will not change the principal place of business or chief executive office set forth below, or change the state of its organization or registration, or change its name, without in each instance the prior written consent of Lender, which consent shall not be unreasonably withheld, delayed or conditioned. Lender's consent will, however, be conditioned upon, among other things, the execution and delivery of additional financing statements, security agreements and other instruments which may be necessary to effectively evidence or perfect Lender's security interest in the Collateral as a result of such changes. The name, principal place of business and chief executive office of Borrower (as Debtor under any applicable Uniform Commercial Code), as of the date hereof, are:

1.23 Easements and Rights-of-Way. Borrower shall not grant any easement or right-of-way with respect to all or any portion of the Land or the Improvements without the prior written consent of Lender, which such consent shall not be unreasonably withheld, conditioned or delayed in the case of easements or rights-of-way which, in Lender's reasonable determination, do not cause any material adverse effect to the Property or the interests of Lender pursuant to the Loan Documents. The purchaser at any foreclosure sale hereunder may, at its discretion, disaffirm any easement or right-of-way granted in violation of any of the provisions of this Mortgage and may take immediate possession of the Property free from, and despite the terms of, such grant of easement or right-of-way. If Lender consents to the grant of an easement or right-of-way, Lender agrees to grant such consent without charge to Borrower other than reasonable expenses, including, without limitation, reasonable attorneys' fees, incurred by Lender in the review of Borrower's request and, if applicable, in the preparation of documents relating to the subordination of this Mortgage to such easement or right-of-way.

1.24 Compliance with Laws.

(a) Borrower shall at all times comply with all statutes, ordinances, regulations and other governmental or quasi-governmental requirements and private covenants now or hereafter relating to the ownership, construction, use or operation of the Property, including, but not limited to, those concerning employment and compensation of persons engaged in operation and maintenance of the Property and any environmental or ecological requirements, even if such compliance shall require structural changes to the Property; provided, however, that, Borrower may, upon providing Lender with security satisfactory to Lender, proceed diligently and in good faith to contest the validity or applicability of any such statute, ordinance, regulation or requirement so long as during such contest the Property shall not be subject to any lien, charge, fine or other liability and shall not be in danger of being forfeited, lost or closed. Borrower shall not use or occupy, or allow the use or occupancy of, the Property in any manner which violates any lease of or any other agreement applicable to the Property or any applicable law, rule, regulation or order or which constitutes a public or private nuisance or which makes void, voidable or cancelable, or increases the premium of, any insurance then in force with respect thereto.

(b) Borrower agrees that the Property shall at all times comply to the extent applicable with the requirements of the Americans with Disabilities Act of 1990, the Fair Housing Amendments Act of 1988 and all other state and local laws and ordinances related to handicapped access and all rules, regulations, and any amendments thereto, and with orders issued pursuant thereto including, without limitation, the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("Access Laws"). Borrower agrees to give prompt notice to Lender of the receipt by Borrower of any complaints related to violations of any Access Laws and of the commencement of any proceedings or investigations which relate to compliance with applicable Access Laws.

1.25 Additional Taxes. In the event of the enactment after this date of any law of the state where the Property is located or of any other governmental entity deducting from the value of the Property for the purpose of taxation any lien or security interest thereon, or imposing upon Lender the payment of the whole or any part of the taxes or assessments or charges or liens herein required to be paid by Borrower, or changing in any way the laws relating to the taxation of mortgages or security agreements or debts secured by mortgages or security agreements or the

interest of the mortgagee or secured party in the property covered thereby, or the manner of collection of such taxes, so as to adversely affect this Mortgage or the indebtedness secured hereby or Lender, then, and in any such event, Borrower, upon demand by Lender, shall pay such taxes, assessments, charges or liens, or reimburse Lender therefor; provided, however, that if in the opinion of counsel for Lender (a) it might be unlawful to require Borrower to make such payment, or (b) the making of such payment might result in the imposition of interest beyond the maximum amount permitted by law, then and in either such event, Lender may elect, by notice in writing given to Borrower, to declare all of the indebtedness secured hereby to be and become due and payable in full, ninety (90) days from the giving of such notice.

1.26 Borrower's Waivers. To the full extent permitted by law, Borrower agrees that Borrower shall not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisal, valuation, stay, moratorium or extension, or any law now or hereafter in force providing for the reinstatement of the indebtedness secured hereby prior to any sale of the Property to be made pursuant to any provisions contained herein or prior to the entering of any decree, judgment or order of any court of competent jurisdiction, or any right under any statute to redeem all or any part of the Property so sold. To the full extent permitted by law, Borrower shall not have or assert any right under any statute or rule of law pertaining to the exemption of homestead or other exemption under any federal, state or local law now or hereafter in effect, the administration of estates of decedents or any other matters whatsoever to defeat, reduce or affect the right of Lender under the terms of this Mortgage to a sale of the Property, for the collection of the secured indebtedness without any prior or different resort for collection, or the right of Lender under the terms of this Mortgage to the payment of the indebtedness secured hereby out of the proceeds of sale of the Property in preference to every other claimant whatever. Borrower, for Borrower and Borrower's successors and assigns, and for any and all persons ever claiming any interest in the Property, to the full extent permitted by law, hereby knowingly, intentionally and voluntarily with and upon the advice of competent counsel waives, releases, relinquishes and forever forgoes: (a) all rights of valuation, appraisal, stay of execution, reinstatement and notice of election or intention to mature or declare due the secured indebtedness (except such notices as are specifically provided for herein); (b) all right to a marshaling of the assets of Borrower, including the Property, to a sale in the inverse order of alienation, or to direct the order in which any of the Property shall be sold in the event of foreclosure of the liens and security interests hereby created and agrees that any court having jurisdiction to foreclose such liens and security interests may order the Property sold as an entirety; (c) all rights and periods of redemption provided under 735 ILCS 5/15-1601(b) or any other applicable law; and (d) all present and future statutes of limitations as a defense to any action to enforce the provisions of this Mortgage or to collect any of the indebtedness secured hereby to the fullest extent permitted by law and agrees that it shall not solicit or aid the solicitation of the filing of any Petition (as hereinafter defined) against the Borrower, whether acting on its own behalf or on behalf of any other party. Without limiting the generality of the foregoing, Borrower shall not (i) provide information regarding the identity of creditors or the nature of creditors' claims to any third party unless compelled to do so by order of a court of competent jurisdiction or by regulation promulgated by a governmental agency; or (ii) pay the legal fees or expenses of any creditor of or interest holder in Borrower with respect to any matter whatsoever.

This provision shall survive any termination of this Mortgage or any of the other Loan Documents.

1.29 Management. In no event shall any Manager be removed or replaced or the terms of any management agreement modified or amended without the prior written consent of Lender, which approval is not to be unreasonably withheld, conditioned or delayed. (c) Borrower shall promptly notify Lender if Borrower shall become aware of (i) any Release or threatened Release of Hazardous Substances at, on, under, from or affecting or threatening to affect the Property (except those substances used by Borrower or tenants in the ordinary course of their business or activities, respectively, and in compliance with all Environmental Laws), (ii) any lien or filing of lien, action or notice affecting or threatening to affect the Property or Borrower resulting from any violation or alleged violation of Environmental Law, (iii) any investigation, inquiry or proceeding concerning Borrower or the Property pursuant to any Environmental Law or otherwise relating to Hazardous Substances, or (iv) any occurrence, condition or state of facts which would render any representation or warranty in this Section incorrect in any respect if made at the time of such discovery. Further, immediately upon receipt of the same, Borrower shall deliver to Lender copies of any and all orders, notices, permits, applications, reports, and other communications, documents and instruments pertaining to the actual, alleged or potential non-compliance with any Environmental Laws in connection with the Property or presence or existence of any Hazardous Substances at, on, about, under, within, near or in connection with the Property (except those substances used in the ordinary course of its business and in compliance with all Environmental Laws). In the event Borrower fails to do so (1) Lender may, but shall not be obligated to, undertake remediation at the Property or other affected property necessary to bring the Property into conformance with the terms of Environmental Laws; and (2) Borrower hereby grants to Lender and its agents and employees access to the Property and a license to do all things Lender shall deem necessary to bring the Property into conformance with Environmental Laws provided, however, Lender shall only itself be entitled to undertake such remediation if an Event of Default is otherwise then occurring, an Emergency Condition is then in effect or Borrower has failed to itself undertake remediation in a manner satisfactory to Lender within fifteen (15) days after prior written notice from Lender that such remediation is required. Upon such assumption, Borrower shall be relieved of its obligations hereunder, under the other Loan Documents and under the Defeasance Security Agreement from and after the Release Date, other than those obligations which are specifically intended to survive the termination, satisfaction or assignment of this Mortgage or the exercise of Lender's rights and remedies hereunder.

(f) Notwithstanding the provisions of Section 1.35(a)-(d) above, if at any time following the fourth (4th) anniversary of the first Payment Date (as defined in the Note) Borrower delivers to Lender a written notice pursuant to Section 1.35(a)(1) above specifying a Release Date, and, if as a result of delays by Lender in including the Loan in a Secondary Market Transaction, Borrower is unable due to REMIC restrictions to exercise its right to Defeasance on the specified Release Date, then Borrower may prepay the Note on the specified Release Date, in accordance with Section 1.2(g) of the Note. Any such permitted prepayment made on or prior to the Lockout Expiration Date (as defined in the Note) shall be accompanied with payment of Required Yield Maintenance.

At Lender's request, Borrower agrees to amend and/or supersede this Mortgage and other Loan Documents with two (2) or more Mortgages and corresponding Loan Documents, each such new instrument corresponding to a portion of the Property such that all the new instruments will collectively encumber the Property. (d) Borrower fails to perform any other covenant, agreement, obligation, term or condition set forth herein, other than those otherwise described in this Section 2.1, and, to the extent such failure is susceptible of being cured, the continuance of such failure for thirty (30) days after written notice thereof from Lender to Borrower (or, if lesser, for the maximum period permitted by law); provided, however, that if such failure is susceptible of cure but such cure cannot be accomplished with reasonable diligence within said period of time, and if Borrower commences to cure such failure promptly after receipt of notice thereof from Lender, and thereafter prosecutes the curing of such failure with reasonable diligence, such period of time shall be extended for such period of time as may be necessary to cure such failure with reasonable diligence, but not to exceed an additional sixty (60) days; provided, however, that the foregoing proviso shall not apply if a lesser time period for cure is required by law.

(e) Any representation or warranty made herein, in or in connection with any application or commitment relating to the Loan, or in any of the other Loan Documents to Lender by Borrower, by any principal, managing member or general partner in Borrower or by any indemnitor or guarantor under any indemnity or guaranty executed in connection with the Loan is determined by Lender to have been false or misleading in any material respect at the time made and, to the extent such default is susceptible of being cured, the continuation of such default for thirty (30) days after written notice thereof from Lender to Borrower.

(f) There shall be a sale, conveyance, disposition, alienation, hypothecation, leasing, assignment, pledge, mortgage, granting of a security interest in or other transfer or further encumbrancing of the Property, Borrower or its owners, or any portion thereof or any interest therein, in violation of Section 1.13 hereof.

(g) A default occurs under any of the other Loan Documents which has not been cured within any applicable grace or cure period therein provided.

(h) Borrower, any principal, general partner or managing member (as applicable) in Borrower or any indemnitor or guarantor under any indemnity or guaranty executed in connection with the Loan becomes insolvent, or shall make a transfer in fraud of creditors, or shall make an assignment for the benefit of creditors, shall file a petition in bankruptcy, shall voluntarily be adjudicated insolvent or bankrupt or shall admit in writing the inability to pay debts as they mature, shall petition or apply to any tribunal for or shall consent to or shall not contest the appointment of a receiver, trustee, custodian or similar officer for Borrower, for any such principal, general partner or managing member of Borrower or for any such indemnitor or guarantor or for a substantial part of the assets of Borrower, of any such

principal, general partner or managing member of Borrower or of any such indemnitor or guarantor, or shall commence any case, proceeding or other action under any bankruptcy, reorganization, arrangement, readjustment or debt, dissolution or liquidation law or statute of any jurisdiction, whether now or hereafter in effect; provided, however, any such insolvency or similar event described in this Section 2.1(h) with respect to an indemnitor or guarantor under any indemnity or guaranty executed in connection with the Loan shall not in and of itself constitute an Event of Default if, within thirty (30) days of such circumstance all of the following conditions (the "Substitution Conditions") are satisfied: (i) Borrower proposes a new substitute indemnitor or guarantor to Lender with a minimum net worth of \$15,000,000.00 and minimum liquidity of \$1,500,000.00 (as verified by Lender) and Borrower further provides such information with respect to the business history and creditworthiness of such individual as Lender may require, (ii) Lender approves such proposed substitute guarantor or indemnitor (such approval not to be unreasonably withheld or delayed), (iii) such substitute indemnitor or guarantor executes such indemnity or guaranty documents as Lender may require, (iv) to the extent such substitution of guarantor also relates to a change in the ultimate ownership of Borrower or one of its constituent parties, all requirements described in Section 1.13 with respect to such assignment shall have been satisfied, (v) Borrower shall have provided Lender with an opinion letter and such other information as Lender may require, (vi) to the extent required by Lender, such substitution shall be the subject of a consent or no downgrade letter from the applicable Rating Agency, (vii) a substitution shall only occur, throughout the term of the Loan, for a maximum of two (2) indemnitors or guarantors, and (viii) Borrower shall reimburse Lender for all of Lender's reasonable costs and expenses incurred with respect to such substitution and to satisfy these Substitution Conditions including, without limitation, all expenses and charges of Lender's attorneys and any charges or expenses of any Rating Agency.

(i) A petition ("Petition") is filed or any case, proceeding or other action is commenced against Borrower, against any principal, general partner or managing member of Borrower or against any indemnitor or guarantor under any indemnity or guaranty executed in connection with the Loan seeking to have an order for relief entered against it as debtor or seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts or other relief under any law relating to bankruptcy, insolvency, arrangement, reorganization, receivership or other debtor relief under any law or statute of any jurisdiction, whether now or hereafter in effect, or a court of competent jurisdiction enters an order for relief against Borrower, against any principal, general partner or managing member of Borrower or against any indemnitor or guarantor under any indemnity or guaranty executed in connection with the Loan, as debtor, or an order, judgment or decree is entered appointing, with or without the consent of Borrower, of any such principal, general partner or managing member of Borrower or of any such indemnitor or guarantor, a receiver, trustee, custodian or similar officer for Borrower, for any such principal, general partner or managing member of Borrower or for any such indemnitor or guarantor, or for any substantial part of any of the properties of Borrower, of any such principal, general partner or managing member of Borrower or of any such indemnitor or guarantor, and if any such event shall occur, such Petition, case, proceeding, action, order, judgment or decree shall not be dismissed within sixty (60) days after being commenced; provided, however, any such bankruptcy or similar event described in this Section 2.1(i) with respect to an indemnitor or guarantor under any indemnity or guaranty executed in connection with the Loan shall not in and of itself constitute an Event of Default if,

within thirty (30) days of such circumstance all of the Substitution Conditions are satisfied and such indemnitor or guarantor replaced.

(j) Borrower solicits or aids the solicitation of the filing of any Petition against Borrower including, without limitation: (i) providing information regarding the identity of creditors or the nature of creditors' claims to any third party unless compelled to do so by order of a court of competent jurisdiction or by regulation promulgated by a governmental agency, or (ii) paying the legal fees or expenses of any creditor of or interest holder in Borrower with respect to any matter whatsoever.

(k) The Property or any part thereof shall be taken on execution or other process of law in any action against Borrower.

(l) Borrower abandons all or a portion of the Property.

(m) The holder of any lien or security interest on the Property (without implying the consent of Lender to the existence or creation of any such lien or security interest), whether superior or subordinate to this Mortgage or any of the other Loan Documents, declares a default and such default is not cured within any applicable grace or cure period set forth in the applicable document or such holder institutes foreclosure or other proceedings for the enforcement of its remedies thereunder.

(n) The Property, or any part thereof, is subjected to actual waste or to removal, demolition or material alteration so that the value of the Property is materially diminished thereby and Lender determines (in its subjective determination) that it is not adequately protected from any loss, damage or risk associated therewith.

(o) Any dissolution, termination, partial or complete liquidation, merger or consolidation of Borrower, any of its principal(s), general partner(s) or managing member(s).

(p) An Event of Default under any of the Loan Documents delivered in connection with the A Loan or the B Loan.

2.2 Payments After Default. Following an Event of Default and without waiving any or all of Collateral Agent's (hereinafter defined) other rights and remedies under the Loan Documents or otherwise at law or in equity, Collateral Agent in its sole discretion (subject to agreement between the A Note Holder and the B Note Holder) may allocate payments made under the B Loan to amounts due and/or payable under the A Loan, the B Loan or under either or both the A Loan and/or the B Loan.

## ARTICLE III REMEDIES

3.1 Remedies Available. If there shall occur an Event of Default, then this Mortgage is subject to foreclosure as provided by law and Lender may, at its option and by or through a trustee, nominee, assignee or otherwise, to the fullest extent permitted by law, exercise any or all of the following rights, remedies and recourses, either successively or concurrently:

# UNOFFICIAL COPY

(a) Acceleration. Accelerate the Maturity Date and declare any or all of the indebtedness secured hereby to be immediately due and payable without any presentment, demand, protest, notice or action of any kind whatever (each of which is hereby expressly waived by Borrower), whereupon the same shall become immediately due and payable. Upon any such acceleration, payment of such accelerated amount shall constitute a prepayment of the principal balance of the Note and any applicable prepayment fee provided for in the Note shall then be immediately due and payable. Notwithstanding the foregoing, however, Borrower shall be entitled to five (5) days' grace period, but not notice, prior to acceleration of the Note as specifically provided for in Section 1.4 of the Note; it being acknowledged that failure to timely make any such payment under the Note will amount to an Event of Default as set forth in Section 2.1 above.

(b) Entry on the Property. Without in any way curing or waiving any Event of Default of Borrower, either in person or by agent or by court-appointed receiver, with or without bringing any action or proceeding, or by a receiver appointed by a court and without regard to the adequacy of its security, enter upon and take possession of the Property, or any part thereof, in its own name, without force or with such force as is permitted by law and without notice or process or with such notice or process as is required by law, unless such notice and process are waivable, in which case Borrower hereby waives such notice and process, and do any and all acts and perform any and all work which may be desirable or necessary in Lender's judgment to complete any unfinished construction on the Land, to preserve and/or enhance the value, marketability or rentability of the Property, to increase the income therefrom, to manage and operate the Property or to protect the security hereof, and all sums expended by Lender therefor, together with interest thereon at the Default Interest Rate (as defined in the Note), shall be immediately due and payable to Lender by Borrower on demand and shall be secured hereby and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

(c) Collect Rents and Profits. With or without taking possession of the Property, sue for or otherwise collect the Rents and Profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, upon any indebtedness secured hereby, all in such order as Lender in its discretion may determine.

(d) Appointment of Receiver. Upon, or at any time prior or after instituting any judicial foreclosure or instituting any other foreclosure of the liens and security interests provided for herein or any other legal proceedings hereunder, make application, ex parte, to a court of competent jurisdiction for appointment of a receiver for all or any part of the Property, as a matter of strict right and without notice to Borrower and without regard to the adequacy of the Property for the repayment of the indebtedness secured hereby or the solvency of Borrower or any person or persons liable for the payment of the indebtedness secured hereby, and Borrower does hereby irrevocably consent to such appointment, waives any and all notices of and defenses to such appointment and agrees not to oppose any application therefor by Lender, but nothing herein is to be construed to deprive Lender of any other right, remedy or privilege Lender may now have under the law to have a receiver appointed, provided, however, that the appointment of such receiver, trustee or other appointee by virtue of any court order, statute or regulation shall not impair or in any manner prejudice the rights of Lender to receive payment of

# UNOFFICIAL COPY

the Rents and Profits pursuant to other terms and provisions of this Mortgage or the Assignment. Any such receiver shall have all of the usual powers and duties of receivers in similar cases, including, without limitation, the full power to hold, develop, rent, lease, manage, maintain, operate and otherwise use or permit the use of the Property upon such terms and conditions as said receiver may deem to be prudent and reasonable under the circumstances as more fully set forth in Section 3.3 below. Such receivership shall, at the option of Lender, continue until full payment of all of the indebtedness secured hereby or until title to the Property shall have passed by foreclosure sale under this Mortgage or deed in lieu of foreclosure.

(e) Foreclosure. Immediately commence an action to foreclose this Mortgage or to specifically enforce its provisions or any of the indebtedness secured hereby, pursuant to the statutes in such case made and provided, and sell the Property or cause the Property to be sold in accordance with the requirements and procedures provided by said statutes in a single parcel or in several parcels at the option of Lender. In the event foreclosure proceedings are instituted or filed by Lender, all expenses incident to such proceedings, including, but not limited to, reasonable attorneys' fees and costs, shall be paid by Borrower and secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note. The secured indebtedness and all other obligations secured by this Mortgage, including, without limitation, interest at the Default Interest Rate (as defined in the Note), any prepayment charge, fee or premium required to be paid under the Note in order to prepay principal (to the extent permitted by applicable law), reasonable attorneys' fees and any other amounts due and unpaid to Lender under the Loan Documents, may be bid by Lender in the event of a foreclosure sale hereunder. Lender may, by following the procedures and satisfying the requirements prescribed by law, foreclose on only a portion of the Property and, in such event, said foreclosure shall not affect the lien of the Mortgage on the remaining portion of the Property not foreclosed.

(f) Judicial Remedies. Proceed by suit or suits, at law or in equity, instituted by Lender, to foreclose the liens and security interests of this Mortgage as against all or any part of the Property, and to have all or any part of the Property sold under the judgment or decree of a court of competent jurisdiction. In the event of a judicial sale pursuant to a foreclosure decree, it is understood and agreed that Lender or its assigns may become the purchaser of the Property. This remedy shall be cumulative of any other non-judicial remedies available to the Lender with respect to the Loan Documents. Proceeding with the request or receiving a judgment for legal relief shall not be or be deemed to be an election of remedies or bar any available non-judicial remedy of the Lender.

(g) Other. Exercise any other right or remedy available hereunder, under any of the other Loan Documents or at law or in equity.

3.2 Application of Proceeds. To the fullest extent permitted by law, the proceeds of any sale under this Mortgage shall be applied, to the extent funds are so available, to the following items in such order as Lender in its discretion may determine:

(a) To payment of the costs, expenses and fees of taking possession of the Property, and of holding, operating, maintaining, using, leasing, repairing, improving, marketing and selling the same and of otherwise enforcing Lender's right and remedies hereunder and under the other Loan Documents, including, but not limited to, receivers' fees, court costs, attorneys',

accountants', appraisers', auctioneers', managers' and other professionals' fees, title charges and transfer taxes.

(b) To payment of all sums expended by Lender under the terms of any of the Loan Documents and not yet repaid, together with interest on such sums at the Default Interest Rate (as defined in the Note).

(c) To payment of the secured indebtedness and all other obligations secured by this Mortgage, including, without limitation, interest at the Default Interest Rate (as defined in the Note) and, to the extent permitted by applicable law, any prepayment fee, charge or premium required to be paid under the Note in order to prepay principal, in any order that Lender chooses in its sole discretion.

(d) The remainder, if any, of such funds shall be disbursed to Borrower or to the person or persons legally entitled thereto.

3.3 Right and Authority of Receiver or Lender in the Event of Default; Power of Attorney. Upon the occurrence of an Event of Default, and entry upon the Property pursuant to Section 3.1(b) hereof or appointment of a receiver pursuant to Section 3.1(d) hereof, and under such terms and conditions as may be prudent and reasonable under the circumstances in Lender's or the receiver's sole discretion, all at Borrower's expense, Lender or said receiver, or such other persons or entities as they shall hire, direct or engage, as the case may be, may do or permit one or more of the following, successively or concurrently: (a) enter upon and take possession and control of any and all of the Property; (b) take and maintain possession of all documents, books, records, papers and accounts relating to the Property; (c) exclude Borrower and its agents, servants and employees wholly from the Property; (d) manage and operate the Property; (e) preserve and maintain the Property; (f) make repairs and alterations to the Property; (g) complete any construction or repair of the Improvements, with such changes, additions or modifications of the plans and specifications or intended disposition and use of the Improvements as Lender may in its sole discretion deem appropriate or desirable to place the Property in such condition as will, in Lender's sole discretion, make it or any part thereof readily marketable or rentable; (h) conduct a marketing or leasing program with respect to the Property, or employ a marketing or leasing agent or agents to do so, directed to the leasing or sale of the Property under such terms and conditions as Lender may in its sole discretion deem appropriate or desirable; (i) employ such contractors, subcontractors, materialmen, architects, engineers, consultants, managers, brokers, marketing agents, or other employees, agents, independent contractors or professionals, as Lender may in its sole discretion deem appropriate or desirable to implement and effectuate the rights and powers herein granted; (j) execute and deliver, in the name of Lender as attorney-in-fact and agent of Borrower or in its own name as Lender, such documents and instruments as are necessary or appropriate to consummate authorized transactions; (k) enter into such leases, whether of real or personal property, or tenancy agreements, under such terms and conditions as Lender may in its sole discretion deem appropriate or desirable; (l) collect and receive the Rents and Profits from the Property; (m) eject tenants or repossess personal property, as provided by law, for breaches of the conditions of their leases or other agreements; (n) sue for unpaid Rents and Profits, payments, income or proceeds in the name of Borrower or Lender; (o) maintain actions in forcible entry and detainer, ejectment for possession and actions in distress for rent; (p) compromise or give acquittance for Rents and Profits, payments, income or proceeds that may become due; (q) delegate or assign any and all

rights and powers given to Lender by this Mortgage; and (r) do any acts which Lender in its sole discretion deems appropriate or desirable to protect the security hereof and use such measures, legal or equitable, as Lender may in its sole discretion deem appropriate or desirable to implement and effectuate the provisions of this Mortgage. This Mortgage shall constitute a direction to and full authority to any lessee, or other third party who has heretofore dealt or contracted or may hereafter deal or contract with Borrower or Lender, at the request of Lender, to pay all amounts owing under any lease, contract, concession, license or other agreement to Lender without proof of the Event of Default relied upon. Any such lessee or third party is hereby irrevocably authorized to rely upon and comply with (and shall be fully protected by Borrower in so doing) any request, notice or demand by Lender for the payment to Lender of any Rents and Profits or other sums which may be or thereafter become due under its lease, contract, concession, license or other agreement, or for the performance of any undertakings under any such lease, contract, concession, license or other agreement, and shall have no right or duty to inquire whether any Event of Default has actually occurred or is then existing. Borrower hereby constitutes and appoints Lender, its assignees, successors, transferees and nominees, as Borrower's true and lawful attorney-in-fact and agent, with full power of substitution in the Property, in Borrower's name, place and stead, to do or permit any one or more of the foregoing described rights, remedies, powers and authorities, successively or concurrently, and said power of attorney shall be deemed a power coupled with an interest and irrevocable so long as any indebtedness secured hereby is outstanding; provided, however, Lender shall not undertake any actions pursuant to such appointment absent the occurrence otherwise of an Event of Default, the existence of an Emergency Condition or if Lender has provided Borrower ten (10) days notice of the circumstance which continues to not be cured by Borrower within such ten (10) day period. Any money advanced by Lender in connection with any action taken under this Section 3.3, together with interest thereon at the Default Interest Rate (as defined in the Note) from the date of making such advancement by Lender until actually paid by Borrower, shall be a demand obligation owing by Borrower to Lender and shall be secured by this Mortgage and by every other instrument securing the secured indebtedness. Any money advanced by Lender in connection with any action taken under this Section 3.3, together with interest thereon at the Default Interest Rate (as defined in the Note) from the date of making such advancement by Lender until actually paid by Borrower, shall be a demand obligation owing by Borrower to Lender and shall be secured by this Mortgage and by every other instrument securing the secured indebtedness.

3.4 Occupancy After Foreclosure. In the event there is a foreclosure or comparable sale or sales hereunder and at the time of such sale or sales, Borrower or Borrower's representatives, successors or assigns, or any other persons claiming any interest in the Property by, through or under Borrower (except tenants of space in the Improvements subject to leases entered into prior to the date hereof or otherwise approved or deemed approved by Lender), are occupying or using the Property, or any part thereof, then, to the extent not prohibited by applicable law, each and all shall, at the option of Lender or the purchaser at such sale, as the case may be, immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day-to-day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the Property occupied or used, such rental to be due daily to the purchaser. Further, to the extent permitted by applicable law, in the event the tenant fails to surrender possession of the Property upon the termination of such tenancy, the purchaser shall

be entitled to institute and maintain an action for unlawful detainer of the Property in the appropriate court of the county in which the Land is located.

3.5 Notice to Account Debtors. Lender may, at any time after an Event of Default, notify the account debtors and obligors of any accounts, chattel paper, negotiable instruments or other evidences of indebtedness to Borrower included in the Property to pay Lender or its agent directly. Borrower shall at any time or from time to time upon the request of Lender provide to Lender a current list of all such account debtors and obligors and their addresses.

3.6 Cumulative Remedies. All remedies contained in this Mortgage are cumulative and Lender shall also have all other remedies provided at law and in equity or in any other Loan Documents. Such remedies may be pursued separately, successively or concurrently at the sole subjective direction of Lender and may be exercised in any order and as often as occasion therefor shall arise. No act of Lender shall be construed as an election to proceed under any particular provisions of this Mortgage to the exclusion of any other provision of this Mortgage or as an election of remedies to the exclusion of any other remedy which may then or thereafter be available to Lender. No delay or failure by Lender to exercise any right or remedy under this Mortgage shall be construed to be a waiver of that right or remedy or of any Event of Default. Lender may exercise any one or more of its rights and remedies at its option without regard to the adequacy of its security.

3.7 Payment of Expenses. Borrower shall pay on demand all of Lender's expenses reasonably incurred in any efforts to enforce any terms of this Mortgage, whether or not any lawsuit is filed and whether or not foreclosure is commenced but not completed, including, but not limited to, reasonable legal fees and disbursements, foreclosure costs and title charges, together with interest thereon from and after the date incurred by Lender until actually paid by Borrower at the Default Interest Rate (as defined in the Note), and the same shall be secured by this Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

3.8 Mortgagee Receives Benefit of Act. Lender shall have the benefit of all of the provisions of the Illinois Mortgage Foreclosure Act, 735 ILCS 5/15-1101 et seq. (the "Act"), including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the Act which is specifically referred to herein may be repealed, Lender shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference.

3.9 No Obligation. Nothing contained herein shall obligate Lender to enforce any of its rights or remedies hereunder or to remedy any circumstances leading to the occurrence of any default hereunder.

4.2 Release of Mortgage. If and when Borrower has paid all of the secured indebtedness as the same becomes due and payable, or there is a Defeasance regarding the lien of this Mortgage in accordance with, and in satisfaction of, the provisions of Section 1.35 of this Mortgage, then, and in such event only, all rights under this Mortgage shall terminate, except for those provisions hereof which by their terms survive, and the Property shall become wholly clear of the liens, security interests, conveyances and assignments evidenced hereby, which shall be released by Lender in due form at Borrower's cost. Borrower shall be responsible for the recordation of such release and payment of any recordation costs associated therewith.

Any party may change the address to which any such Notice is to be delivered to any other address within the United States of America, by furnishing ten (10) days written notice of such change to the other parties in accordance with the provisions of this Section 4.4. All notices, demands and requests shall be effective upon personal delivery, or one (1) business day after being deposited with the private courier service, or two (2) business days after being deposited in the United States mail as required above. The inability to deliver Notices because of a changed address of which no Notice was given, or rejection or refusal to accept any Notice offered for delivery shall be deemed to be receipt of the Notice as of the date of such inability to deliver or rejection or refusal to accept delivery. Notice for either party may be given by its respective counsel. Additionally, Notice from Lender may also be given by the Servicer.

**4.5 Successors and Assigns.** The terms, provisions, indemnities, covenants and conditions hereof shall be binding upon Borrower and the successors and assigns of Borrower, including all successors in interest in and to all or any part of the Property, and shall inure to the benefit of Lender and its successors and assigns and shall constitute covenants running with the land. 4.8 Waiver; Discontinuance of Proceedings. Lender may waive any single Event of Default or any circumstance, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, without waiving any other prior or subsequent Event of Default or circumstance. Lender may further remedy any Event of Default or such circumstance without waiving the Event of Default or circumstance so remedied. Neither the failure or delay by Lender in exercising any right, power or remedy with respect to an Event of Default or with respect to any circumstance, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, shall be construed as a waiver of such Event of Default or circumstance or as a waiver of the right to exercise any such right, power or remedy at a later date. No single or partial exercise by Lender of any right, power or remedy hereunder shall exhaust the same or shall preclude any other or further exercise thereof, and every such right, power or remedy hereunder may be exercised at any time and from time to time. No modification or waiver of any provision hereof nor consent to any departure by Borrower therefrom shall in any event be effective unless the same shall be in writing and signed by Lender, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose given. No notice to nor demand on Borrower in any case shall of itself entitle Borrower to any other or further notice or demand in similar or other circumstances. Acceptance by Lender of any payment in an amount less than the amount then due on any of the secured indebtedness shall be deemed an acceptance on account only and shall not in any way affect the existence of an Event of Default hereunder.

4.9 Section Headings. The headings of the sections and paragraphs of this Mortgage are for convenience of reference only, are not to be considered a part hereof and shall not limit or otherwise affect any of the terms hereof.

4.10 **GOVERNING LAW.** THIS MORTGAGE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ILLINOIS, PROVIDED THAT TO THE EXTENT THAT ANY OF SUCH LAWS MAY NOW OR HEREAFTER BE PREEMPTED BY FEDERAL LAW, SUCH FEDERAL LAW SHALL SO GOVERN AND BE CONTROLLING.

4.11 Counting of Days. The term "days" when used herein shall mean calendar days. If any time period ends on a Saturday, Sunday or holiday officially recognized by the state within which the Land is located, the period shall be deemed to end on the next succeeding business day; provided, however, that in the case of payments due by Borrower to Lender on a Saturday, Sunday or holiday (e.g., monthly deposits into Reserves, payments on the Note, etc.) such payments shall be deemed due on the immediately preceding business day. The term "business day" or "Business Day" when used herein shall mean a weekday, Monday through Friday, except a legal holiday or a day on which banking institutions in New York, New York are authorized by law to be closed.

4.12 Application of the Proceeds of the Note. To the extent that proceeds of the Note are used to pay indebtedness secured by any outstanding lien, security interest, charge or prior encumbrance against the Property, such proceeds have been advanced by Lender at Borrower's request and Lender shall be subrogated to any and all rights, security interests and liens owned by any owner or holder of such outstanding liens, security interests, charges or encumbrances, irrespective of whether said liens, security interests, charges or encumbrances are released.

4.13 Unsecured Portion of Indebtedness. If any part of the secured indebtedness cannot be lawfully secured by this Mortgage or if any part of the Property cannot be lawfully subject to the lien and security interest hereof to the full extent of such indebtedness, then all payments made shall be applied on said indebtedness first in discharge of that portion thereof which is unsecured by this Mortgage.

4.14 Cross Default. An Event of Default under this Mortgage shall also constitute an Event of Default under each of the other Loan Documents.

4.15 Interest After Sale. In the event the Property or any part thereof shall be sold upon foreclosure as provided hereunder, to the extent permitted by law, the sum for which the same shall have been sold shall, for purposes of redemption (if applicable pursuant to the laws of the state in which the Property is located), bear interest at the Default Interest Rate (as defined in the Note).

4.16 Construction of this Document. This document may be construed as a mortgage, security deed, deed of trust, chattel mortgage, conveyance, assignment, security agreement, pledge, financing statement, hypothecation or contract, or any one or more of the foregoing, in order to fully effectuate the liens and security interests created hereby and the purposes and agreements herein set forth.

4.17 No Merger. It is the desire and intention of the parties hereto that this Mortgage and the lien hereof shall not merge in fee simple title to the Property.

4.18 Rights With Respect to Junior Encumbrances. Any person or entity purporting to have or to take a junior mortgage or other lien upon the Property or any interest therein shall be subject to the rights of Lender to amend, modify, increase, vary, alter or supplement this Mortgage, the Note or any of the other Loan Documents, to extend the Maturity Date, to increase the amount of the indebtedness secured hereby, to waive or forbear the exercise of any of its rights and remedies hereunder or under any of the other Loan Documents and to release any collateral or security for the indebtedness secured hereby, in each and every case without obtaining the consent of the holder of such junior lien and without the lien or security interest of this Mortgage losing its priority over the rights of any such junior lien.

4.19 Lender May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting Borrower or the principals, members or general partners in Borrower, or their respective creditors or property, Lender, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Lender allowed in such proceedings for the entire secured indebtedness at the date of the institution of such proceedings and for any additional amount which may become due and payable by Borrower hereunder after such date.

4.20 After-Acquired Property. All property acquired by Borrower after the date of this Mortgage which by the terms of this Mortgage shall be subject to the lien and the security interest created hereby, shall immediately upon the acquisition thereof by Borrower and without further mortgage, deed, conveyance or assignment become subject to the lien and security interest created by this Mortgage.

4.21 No Representation. By accepting delivery of any item required to be observed, performed or fulfilled or to be given to Lender pursuant to the Loan Documents, including, but not limited to, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance of delivery thereof shall not be or constitute any warranty, consent or affirmation with respect thereto by Lender.

4.22 Counterparts. This Mortgage may be executed in any number of counterparts, each of which shall be effective only upon delivery and thereafter shall be deemed an original, and all of which shall be taken to be one and the same instrument, for the same effect as if all parties hereto had signed the same signature page.

4.23 Personal Liability. Notwithstanding anything to the contrary contained in this Mortgage, the liability of Borrower and its general partners for the indebtedness secured hereby and for the performance of the other agreements, covenants and obligations contained herein and in the Loan Documents shall be limited as set forth in Section 1.5 of the Note; provided, however, that nothing herein shall be deemed to be a waiver of any right which Lender may have under Sections 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the indebtedness secured hereby or to require that all collateral shall continue to secure all indebtedness owing to Lender in accordance with the Note, this Mortgage and the other Loan Documents.

4.24 Recording and Filing. Borrower will cause the Loan Documents and all amendments and supplements thereto and substitutions therefor to be recorded, filed, re-recorded and re-filed in such manner and in such places as Lender shall reasonably request, and will pay on demand all such recording, filing, re-recording and re-filing taxes, fees and other charges. Borrower shall reimburse Lender, or its servicing agent, for the costs incurred in obtaining a tax service company to verify the status of payment of taxes and assessments on the Property.

4.25 Entire Agreement and Modifications. This Mortgage and the other Loan Documents contain the entire agreements between the parties and supersede any prior agreements (oral or written), and may not be amended, revised, waived, discharged, released or terminated orally but only by a written instrument or instruments executed by the party against which enforcement of the amendment, revision, waiver, discharge, release or termination is asserted.

4.26 Maximum Interest. The provisions of this Mortgage and of all agreements between Borrower and Lender, whether now existing or hereafter arising and whether written or oral, are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of demand or acceleration of the maturity of the Note or otherwise, shall the amount paid, or agreed to be paid ("Interest") to Lender for the use, forbearance, retention or detention of the money loaned under the Note exceed the maximum amount permissible under applicable law. If, from any circumstance whatsoever, performance or fulfillment of any provision hereof or of any agreement between Borrower and Lender shall, at the time performance or fulfillment of such provision shall be due, exceed the limit for Interest prescribed by law or otherwise transcend the limit of validity prescribed by applicable law, then ipso facto the obligation to be performed or fulfilled shall be reduced to such limit, and if, from any circumstance whatsoever, Lender shall

# UNOFFICIAL COPY

ever receive anything of value deemed Interest by applicable law in excess of the maximum lawful amount, an amount equal to any excessive Interest shall be applied to the reduction of the principal balance owing under the Note in the inverse order of its maturity (whether or not then due) or at the option of Lender be paid over to Borrower, and not to the payment of Interest. All Interest (including any amounts or payments judicially or otherwise under law deemed to be Interest) contracted for, charged, taken, reserved, paid or agreed to be paid to Lender shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of the Note, including any extensions and renewals thereof until payment in full of the principal balance of the Note so that the Interest thereon for such full term will not at any time exceed the maximum amount permitted by applicable law. This Section will control all agreements between Borrower and Lender.

4.27 Application of Default Interest Rate Not a Waiver. Application of the Default Interest Rate (as defined in the Note) shall not be deemed to constitute a waiver of any Event of Default or any rights or remedies of Lender under this Mortgage, any other Loan Document or applicable legal requirements, or a consent to any extension of time for the payment or performance of any obligation with respect to which the Default Interest Rate (as defined in the Note) may be invoked.

4.28 Interest Payable by Lender. Lender shall cause funds in the TILC Reserve, the Lease Termination Payment Reserve, the Earnout Reserve, the Propes Reserve, and the Replacement Reserve (the "Funds") to be deposited into interest bearing accounts of the type customarily maintained by Lender or its servicing agent for the investment of similar reserves, which accounts may not yield the highest interest rate then available. The Funds shall be held in an account in Lender's name (or such other account name as Lender may elect) at a financial institution or other depository selected by Lender (or its servicer) in its sole discretion (collectively, the "Depository Institution"). Borrower shall earn no more than an amount of interest on the Funds equal to an amount determined by applying to the average monthly balance of such Funds the quoted interest rate for the Depository Institution's money market savings account, as such rate is determined from time to time (such allocated amount being referred to as "Borrower's Interest"). Lender, the servicer or the Depository Institution shall be entitled to report under Borrower's Federal tax identification number, the Borrower's Interest on the Funds. If the Depository Institution does not have an established money market savings account (or if an interest rate for such account cannot otherwise be determined in connection with the deposit of such Funds), a comparable interest rate quoted by the Depository Institution and acceptable to Lender (or its servicer) in its reasonable discretion shall be used. The amount of Borrower's Interest allocated to Funds shall be added to the balance in the TILC Reserve, the Lease Termination Payment Reserve, the Earnout Reserve, the Propes Reserve, and the Replacement Reserve and shall be disbursed for payment of the items for which other Funds in the TILC Reserve, the Lease Termination Payment Reserve, the Earnout Reserve, the Propes Reserve, and the Replacement Reserve are to be disbursed.

4.29 Further Stipulations. The additional covenants, agreements and provisions set forth in Exhibit B attached hereto, if any, shall be a part of this Mortgage and shall, in the event of any conflict between such further stipulations and any of the other provisions of this Mortgage, be deemed to control.

4.30 Relationship of the Parties. The relationship between Borrower and Lender is that of a borrower and a lender only and neither of those parties is, nor shall it hold itself out to be, the agent, employee, joint venturer or partner of the other party.

4.31 Fixture Filing. This Mortgage shall be effective from the date of its recording as a financing statement filed as a fixture filing with respect to all goods constituting part of the Property which are or are to become fixtures. The mailing address of Borrower and the address of Lender from which information concerning the security interests may be obtained are set forth in Section 1.22 above.

4.32 Benefit of Rights, Remedies and Waivers. All representations, warranties, indemnities, guarantees, waivers, rights, remedies, and other covenants and agreements in favor of Collateral Agent (hereinafter defined) under this Mortgage and the other Loan Documents shall be for the benefit of any one or more of Collateral Agent, the A Note Holder and/or the B Note Holder and their respective successors and assigns.

4.33 Collateral Agent. The A Note Holder and the B Note Holder have authorized Lender to act as collateral agent hereunder and under certain of the other Loan Documents and, in such capacity, to act on behalf of the A Note Holder and the B Note Holder hereunder and under the other Loan Documents (together with its successors and assigns, "Collateral Agent"). Without limiting the foregoing, any rights, powers and remedies of enforcement available to Lender, and all consents, waivers, approvals and other actions exercised by Lender, by the terms of the Loan Documents or otherwise, may be exercised by the Collateral Agent and, in doing so, shall be exercised on behalf of the A Note Holder and the B Note Holder. Borrower and all third parties (including, but not limited to, any court) shall be entitled to rely on any and all acts of and communications by Collateral Agent with respect to the exercise of such rights and remedies and the granting of such consents, waivers and approvals as the acts of the A Note Holder and the B Note Holder, without the right or necessity of making any inquiry of either the A Note Holder or the B Note Holder as to the authority of Collateral Agent, and such acts of Collateral Agent shall bind the A Note Holder and the B Note Holder in respect of Borrower and all third parties. The then-existing Collateral Agent may be replaced from time to time by the A Note Holder.

4.34 Cooperation with Rating Agencies and Investors. Borrower covenants and agrees that in the event Lender decides to include the Loan as an asset of a Secondary Market Transaction, Borrower shall (a) at Lender's request, meet with representatives of the Rating Agencies and/or investors to discuss the business and operations of the Property, and (b) permit Lender or its representatives to provide related information to the Rating Agencies and/or investors, and (c) cooperate with the reasonable requests of the Rating Agencies and/or investors in connection with all of the foregoing, including making such amendments to the Loan Documents as Rating Agencies or investors may reasonably request. For purposes hereof, a "Secondary Market Transaction" shall be (a) any sale or assignment of this Mortgage, the Note and the other Loan Documents to one or more investors as a whole loan; (b) a participation of the Loan to one or more investors; (c) any deposit of this Mortgage, the Note and the other Loan Documents with a trust or other entity which may sell certificates or other instruments to investors evidencing an ownership interest in the assets of such trust or other entity; or (d) any other sale, assignment or transfer of the Loan or any interest therein to one or more investors. At any time during which the Loan is an asset of a securitization or is otherwise an asset of any rated transaction, "Rating Agency" shall mean the rating agency or rating agencies that from time

to time rate the securities, certificates or other instruments issued in connection with such securitization or other transaction.

4.35 Loan Transfers. Each of the Lenders (i.e., the Lender under the A Loan and the Lender under the B Loan) will have the right from time to time and without the consent of Borrower, to assign, syndicate, sell, pledge, securitize, participate or otherwise transfer all or any portion of the A Loan or the B Loan, as applicable. Borrower agrees to cooperate with the reasonable requests of the transferring Lender in connection with such transfers and, upon each such transfer, Borrower shall look solely to the then current holder of the Note relative to the obligations of the applicable Lender under the Loan Documents.

### Additional Stipulations

- B-1 Repair Reserve. Prior to the execution of this Mortgage, Lender has caused the Property to be inspected and such inspection has revealed that the Property is in need of certain maintenance, repairs and/or remedial or corrective work. Contemporaneously with the execution hereof, Borrower has established with the Lender a reserve in the amount of \$1,250.00 (the "Repair Reserve") by depositing such amount with Lender. Borrower shall cause each of the items described in that certain engineering report (the "Engineering Report") dated March 8, 2006 and prepared by LandAmerica Assessment Corp., relative to the Property, copies of which have been provided to, and receipt of which is hereby acknowledged by, Borrower (the "Deferred Maintenance") to be completed, performed and corrected to the reasonable satisfaction of Lender and as necessary to bring the Property into compliance with all applicable laws, ordinances, rules and regulations on or before one year from the effective date hereof, as such time period may be extended by Lender in its sole discretion. So long as no Event of Default has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default (i) all sums in the Repair Reserve shall be held by Lender in the Repair Reserve to pay the costs and expenses of completing the Deferred Maintenance, and (ii) Lender shall, to the extent funds are available for such purpose in the Repair Reserve, disburse to Borrower the amount paid or incurred by Borrower in completing, performing or correcting the Deferred Maintenance upon (a) the receipt by Lender of a written request from Borrower for disbursement from the Repair Reserve which shall include a certification by Borrower that the applicable item of Deferred Maintenance has been completed in accordance with the terms of this Mortgage, (b) delivery to Lender of invoices, receipts or other evidence satisfactory to Lender verifying the costs of the Deferred Maintenance to be reimbursed, and (c) for disbursement requests (i) in excess of \$20,000.00 with respect to any single item of Deferred Maintenance or (ii) for any single item of Deferred Maintenance that is structural in nature, delivery to Lender of (1) affidavits, lien waivers or other evidence reasonably satisfactory to Lender showing that all materialmen, laborers, subcontractors and any other parties who might or could claim statutory or common law liens and are furnishing or have furnished materials or labor to the Property have been paid all amounts due for labor and materials furnished to the Property; provided, however, Lender shall not unreasonably withhold its consent to a payment arrangement requiring Borrower's provision of unconditional lien waivers pending such contractor's payment of such disbursed amount so long as Borrower provides Lender with an executed, unconditional version of such lien waiver contemporaneously with Borrower's next request for a disbursement; (2) a certification from an inspecting architect or other third party consultant reasonably acceptable to Lender describing the completed Deferred Maintenance and verifying the completion of such Deferred Maintenance and the value of the completed Deferred Maintenance so performed, and, if applicable, certifying that the Property is, as a result of such Deferred Maintenance, in compliance with all applicable laws, ordinances, rules and regulations relating to the Deferred Maintenance so performed; and (3) a new (or amended) certificate of occupancy for the portion of the Improvements covered by such Deferred Maintenance, if said new certificate of occupancy is required by law, or a certification by Borrower that no new certificate of occupancy is required by law. Lender shall not be required to make advances from the Repair Reserve more frequently than one time in any calendar month. In making any payment from the Repair Reserve, Lender shall be entitled to rely on such request from Borrower without any inquiry into the accuracy, validity or contestability of any such amount. No interest or other earnings on the funds contained in the Repair Reserve shall be paid to Borrower and any interest or other earnings on funds deposited into the Repair Reserve shall be solely for the account of Lender. In the event that the amounts on deposit or available in the Repair Reserve are inadequate to pay the costs of the Deferred Maintenance, Borrower shall pay the amount of such deficiency. In the event there are unused amounts in the Repair Reserve after Borrower has completed the Deferred Maintenance to Lender's reasonable satisfaction. Lender shall disburse such unused amounts to Borrower.

## B-2 Lease Termination Payment Reserve.

- (a) For purposes of this Mortgage, the capitalized terms defined in this Section shall have the meanings ascribed to them as follows:
- (i) "Lease Termination Expenditures" shall mean the costs and expenses incurred by Borrower for payment of leasing commissions, lease buy-outs and expenditures related to tenant finish, repairs, replacements and improvements (or allowances to the tenant for any such items) to Lease Termination Space in connection with releasing such Lease Termination Space.
  - (ii) "Lease Termination Payment" shall mean any amounts paid in consideration of an early lease termination including, without limitation, payments made under leases containing early lease termination options in favor of tenants thereunder, in connection with the exercise of such tenant's lease termination rights.
  - (iii) "Lease Termination Payment Reserve" shall have the meaning set forth in our paragraph (b) below.
  - (iv) "Lease Termination Space" shall mean any space at the Improvements subject to a lease as to which a Lease Termination Payment is received.
- (b) As additional security for the indebtedness secured hereby, Borrower shall establish, immediately upon receipt of a Lease Termination Payment, a reserve (the "Lease Termination Payment Reserve") with Lender for payment of Lease Termination Expenditures. Notwithstanding any provision of this Mortgage or the other Loan Documents to the contrary, Borrower shall, within one (1) business day of receipt thereof, deliver all Lease Termination Payments (or cause the Manager to deliver all such Lease Termination Payments) to Lender for deposit into the Lease Termination Payment Reserve.
- (c) (1) Borrower shall pay all Lease Termination Expenditures without regard to the amount then available in the Lease Termination Payment Reserve. So long as no Event of Default has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, and, subject to the provisions of this Mortgage, Lender shall, to the extent funds are available for such purpose in the Lease Termination Payment Reserve, make disbursements to Borrower for payment of the Lease Termination Expenditures. Lender shall disburse amounts for Lease Termination Expenditures within 10 days of Borrower's satisfaction of the following conditions and the provision of suitable documentation relative thereto: (i) a new lease has been fully executed and approved by Lender pursuant to the terms hereof with respect to all or any portion of the Lease Termination Space; (ii) Borrower furnishes Lender with a written disbursement request for the payment or reimbursement of such Lease Termination Expenditures; (iii) Borrower shall have theretofore furnished Lender with satisfactory evidence of the progress and/or completion of tenant improvement work, the cost of tenant improvement work, satisfactory evidence that any and all completed tenant improvement work complies with law, lien waivers for lienable work, copies of bills, invoices and other reasonable documentation as may be required by Lender to substantiate the use of such funds and establish that the Lease Termination Expenditures which are the subject of such disbursement request represent completed or partially completed capital work and improvements performed at all or any portion of the applicable Lease Termination Space; and (iv) there are sufficient funds available in the Lease Termination Payment Reserve. Lender may require, as a further condition to any disbursement from the Lease Termination Payment Reserve reasonable evidence that the tenant finish complies with the terms and provisions of subparagraph (d) of this section. Lender shall further be entitled to require access to the Property by Lender and/or an architect and/or engineer specified by Lender for the purpose of inspecting the work

done, the reasonable fees of which shall be at Borrower's expense, for which disbursement is requested hereunder. Borrower shall only be entitled to disbursements for payment of Lease Termination Expenditures from the Lease Termination Payment occurring with respect to the corresponding Lease Termination Space. Furthermore, Borrower shall not be entitled to a disbursement of the final twenty percent (20%) of any Lease Termination Payment unless and until Borrower has satisfied the requirements described in paragraph (2) immediately following.

- (2) Notwithstanding anything contained herein to the contrary, Lender shall disburse to Borrower any portion of any Lease Termination Payment remaining on deposit in the Lease Termination Payment Reserve promptly after Borrower's provision of (i) if not earlier provided, a fully executed copy of the new lease with respect to the related Lease Termination Space which such lease must have been entered into in accordance with the terms of this Mortgage, including Section 1.12 hereof, (ii) an original estoppel certificate in a form acceptable to Lender executed by the tenant under such lease stating that the leased premises have been completed, fully accepted and occupied by such tenant and that such tenant is open for business therein and that there are no defaults under such lease (nor does there exist any event or condition, which with the passage of time or the giving of notice, or both, could result in such a default), (iii) to the extent required by Lender, an original subordination, non-disturbance and attornment agreement in form acceptable to Lender executed by such tenant in favor of Lender, (iv) evidence that such tenant's actual payment of ordinary monthly rental has commenced, and (v) all applicable permanent certificates of occupancy and other governmental permits, if any may be required, issued by applicable governmental authorities with respect to such tenant improvement work, which certificates and permits allow the tenant to open for business as contemplated under such lease.
- (3) Lender shall not be required to make advances from the Lease Termination Payment Reserve more frequently than once in any thirty (30) day period. In making any payment from the Lease Termination Payment Reserve, Lender shall be entitled to rely on such request from Borrower without any inquiry into the accuracy, validity or contestability of any such amount.
- (d) Borrower shall construct and complete all tenant improvements or similar construction work within the time periods and as required by, and in accordance with, the applicable lease. Borrower or such tenant shall pay for and obtain or cause to be paid for and obtained all permits, licenses and approvals required by all applicable laws with regard to such tenant improvements, whether necessary for commencement, completion, use or otherwise. Borrower shall perform or cause to be performed all work in connection with such tenant improvements in a good and workmanlike manner in compliance with all applicable laws (including, without limitation, any and all applicable life safety laws, environmental laws and laws for the handicapped and/or disabled) and, with respect to those leases requiring Lender approval, with the plans and specifications approved by Lender for such work, all of which performance by Borrower shall be without regard to the sufficiency of funds in the Lease Termination Payment Reserve. Borrower covenants and agrees that any such tenant improvement or similar work shall be constructed, installed or completed, as applicable, free and clear of any and all liens (including mechanics, materialmen's or other liens), claims and encumbrances whatsoever.
- (e) In addition to disbursements from the Lease Termination Payment Reserve pursuant to subparagraph (c) hereinabove, to the extent Lender should determine that revenue from the Property is inadequate to fund the then current month's payments required pursuant to the Loan Documents or operating expenses, Lender shall be entitled, at Lender's discretion, to disburse funds in the Lease Termination Payment Reserve to Borrower for payment of such amounts (or, in the case of payments to Lender, Lender may, at its election, undertake a direct credit against the Lease Termination Payment Reserve for such amounts then due). Lender's determination to undertake a disbursement pursuant to this subparagraph shall be made in Lender's reasonable

# UNOFFICIAL COPY

discretion taking into account such factors as Lender may elect (including, without limitation, other available resources which might contribute to the payment of such amounts then due and adequacy of the then current balance of the Lease Termination Payment Reserve in light of anticipated Lease Termination Expenditures in the future).

- (f) Notwithstanding anything seemingly to the contrary in this Section, Borrower shall not be entitled to terminate or agree to terminate any lease in consideration for a Lease Termination Payment or otherwise without first obtaining Lender's prior written consent (except as otherwise permitted by Section 1.12 of this Mortgage).

B-3 Replacement Reserve. As additional security for the indebtedness secured hereby, Borrower shall establish and maintain at all times while this Mortgage continues in effect a replacement reserve (the "Replacement Reserve") with Lender for payment of costs and expenses incurred by Borrower in connection with capital improvements, repairs and replacements performed at the Property, including, but not limited to, the performance of work to the roofs, chimneys, gutters, downspouts, paving, curbs, ramps, driveways, balconies, porches, patios, exterior walls, exterior doors and doorways, windows, carpets, appliances, fixtures, elevators and mechanical and HVAC equipment (collectively, the "Repairs"). Commencing on the first monthly Payment Date and continuing thereafter on each monthly Payment Date, Borrower shall pay to Lender, concurrently with the monthly payment due under the Note, a deposit to the Replacement Reserve in an amount equal to \$1,265.00 per month. To the extent the balance of the Replacement Reserve should equal or exceed \$45,000.00, then Borrower's obligation for monthly deposits under this Section shall thereafter be suspended; provided, however, such obligation for monthly deposits shall be reinstated to the extent the balance of the Replacement Reserve should ever thereafter be less than \$45,000.00. So long as no Event of Default has occurred and is continuing and no circumstance exists, which with the giving of notice, or passage of time, or both, would constitute an Event of Default, (i) all sums in the Replacement Reserve shall be held by Lender in the Replacement Reserve to pay the costs and expenses of Repairs, and (ii) Lender shall, to the extent funds are available for such purpose in the Replacement Reserve, disburse to Borrower the amount paid or incurred by Borrower in performing such Repairs within ten (10) days following: (a) the receipt by Lender of a written request from Borrower for disbursement from the Replacement Reserve and a certification by Borrower to Lender that the applicable item of Repair has been completed; (b) the delivery to Lender of invoices, receipts or other evidence verifying the cost of performing the Repairs; and (c) for disbursement requests (i) in excess of \$20,000.00 with respect to any single Repair, or (ii) for any single Repair that is structural in nature, delivery to Lender of (1) affidavits, lien waivers or other evidence reasonably satisfactory to Lender showing that all materialmen, laborers, subcontractors and any other parties who might or could claim statutory or common law liens and are furnishing or have furnished materials or labor to the Property have been paid all amounts due for labor and materials furnished to the Property; provided, however, Lender shall not unreasonably withhold its consent to a payment arrangement requiring Borrower's provision of unconditional lien waivers pending such contractor's payment of such disbursed amount so long as Borrower provides Lender with an executed, unconditional version of such lien waiver contemporaneously with Borrower's next request for a disbursement; (2) a certification from an inspecting architect or other third party acceptable to Lender describing the completed Repairs and verifying the completion of the Repairs and the value of the completed Repairs; and (3) a new (or amended) certificate of occupancy for the portion of the Improvements covered by such Repairs, if said new certificate of occupancy is required by law, or a certification by Borrower that no new certificate of occupancy is required by law. Lender shall not be required to make advances from the Replacement Reserve more frequently than one time in any calendar month. In making any payment from the Replacement Reserve, Lender shall be entitled to rely on such request from Borrower without any inquiry into the accuracy, validity or contestability of any such amount. Lender may, at Borrower's expense (not to exceed \$2,500.00 annually), make or cause to be made during the term of this Mortgage an annual inspection of the Property to determine the need, as determined by Lender in its reasonable judgment (taking into account reasonably acceptable industry standard practices for maintenance and repair for similar properties of similar age in the greater Chicago area), for further Repairs of the Property. In the event that such inspection reveals that further Repairs of the Property are required, Lender shall provide Borrower with a written description of the required Repairs and Borrower shall complete such Repairs to the reasonable satisfaction of Lender within ninety (90) days after the receipt of such description from Lender, or such later date as may be approved by Lender in its sole

# UNOFFICIAL COPY

discretion. Interest or other earnings on the funds contained in the Replacement Reserve shall be credited to Borrower as provided in Section 4.28 hereof. In the event that the amounts on deposit or available in the Replacement Reserve are inadequate to pay the cost of the Repairs, Borrower shall pay the amount of such deficiency.

## B-4 Earnout Reserve.

- (a) Contemporaneously with the execution of this Mortgage, Borrower has established with the Lender a reserve in the amount of **\$1,700,000.00** (the "Earnout Reserve"), by depositing such amount with Lender. The Earnout Reserve shall be held by Lender as additional security for the Loan. So long as the requirements described hereinbelow are timely satisfied, Borrower shall be entitled to two separate (2) disbursements from the Earnout Reserve. Said disbursements are labeled Disbursement 1, and Disbursement 2. Disbursement 1, in the amount of \$1,370,040.00, shall be released to Borrower at such time as Borrower satisfies the General Disbursement Conditions (hereinafter defined) and the Disbursement 1 Conditions (hereinafter defined). Disbursement 2, in the amount of \$329,960.00, shall be released to Borrower at such time as Borrower satisfies the General Disbursement Conditions and the Disbursement 2 Conditions (hereinafter defined). Each disbursement shall be released to Borrower upon ten (10) business days prior written request by Borrower to Lender. Such written request by Borrower must include the written information and verifications described hereinbelow in satisfaction of the requirements described below.
- (b) As used herein, the term "General Disbursement Conditions" shall collectively refer to the following conditions to Borrower's right to receive any funds from the Earnout Reserve:
- (1) Borrower shall have entered into and provided Lender with copies of one or more Qualifying Leases (hereinafter defined) such that the Property achieves a debt service coverage ratio of at least 1.20 to 1, as calculated by Lender based on Lender's then current underwriting criteria and procedures and based on the rent roll for the Property in effect at such time and the greater of (i) actual operating expenses incurred at the Property for the immediately preceding twelve (12) month period, or (ii) Lender's determination of a reasonable annual expense figure for the Property based on Lender's underwriting criteria in effect at such time;
  - (2) There shall not have been any adverse change since the date hereof, nor any anticipated adverse change, in the rent roll or the financial condition of any of the tenants at the Property, including, without limitation, any lease termination, vacancy or "going dark" or tenant bankruptcy;
  - (3) No Event of Default shall have occurred and be continuing;
  - (4) Borrower shall have provided Lender with such further operating statements, rent rolls, tenant delinquency reports, bank account statements, financial statements and other information as Lender may reasonably require;
  - (5) Lender's further confirmation of the satisfaction of all Disbursement Conditions by site-visitation or other means as Lender may elect; and
  - (6) Borrower's reimbursement of all of Lender's costs and expenses (including Lender's reasonable attorneys' fees) incurred relative to any such disbursement or applications of any residual balance against the indebtedness secured hereby.
- (c) As used herein, the term "Disbursement 1 Conditions" shall mean Borrower's execution and provision to Lender of a Qualifying Lease (hereinafter defined) with respect to the entirety of that certain 7,622 square feet of space at the Property currently occupied by Dialysis Access Center.

- (d) As used herein, the term "Disbursement 2 Conditions" shall mean the satisfaction of (i) the Disbursement 1 Conditions; (ii) the requirements listed in Section 1.7(b)(ii) as they relate to the Qualifying Lease; (iii) all allowance requirements in favor of the tenant under the Qualifying Lease; and (iv) providing Lender with any additional evidence that Lender may reasonably require as described in Section 1.7(b)(i) with respect to Tenant Improvements undertaken with respect to the Qualifying Lease (i.e. lien waivers, certificates, and invoices).

As used herein, the term "Qualifying Lease" shall mean a bonafide lease arrangement covering over 7,622 rentable square feet of the Improvements with Dialysis Access Center or other third party tenants conforming in all respects with the requirements of this Mortgage and providing for minimum base rent of \$19.00 per rentable square foot, standard common area maintenance, insurance and tax provisions consistent with the leases currently in place on the Property and the standard form lease (without any material changes) which Lender has approved, a minimum primary term of ten (10) years, and being otherwise reasonably acceptable to Lender in all respects. In order to qualify as Qualifying Lease, each tenant thereunder shall have (i) taken occupancy of the demised premises and initiated the payment of normal monthly rental, which payment shall be evidenced by canceled checks or other documentation reasonably acceptable to Lender, (ii) executed and provided to Lender an estoppel certificate on Lender's standard form and confirming, without limitation, that such tenant is in occupancy, paying rent, that no defaults currently exist with respect to such lease, and that except for sums still held for such purpose in the Earnout Reserve, all tenant allowances or similar sums have been paid and tenant finish work is completed, (iii) if required by Lender, provided an original subordination, non-disturbance and attornment agreement executed by tenant and by Borrower on Lender's standard form or other form acceptable to Lender.

In the event Borrower has not obtained each of Disbursement 1 and Disbursement 2 by September 30, 2006, then, Lender may apply the remaining funds in the Earnout Reserve against the indebtedness secured hereby in whatever order Lender shall subjectively determine. If Lender elects to so apply the balance of the Earnout Reserve, Borrower shall be required to pay an appropriate prepayment fee as calculated below:

Under no circumstances shall Borrower be required to pay a prepayment fee pursuant to the foregoing formula which would violate the terms of Section 2.3 of the Note. In the event the principal balance of the Note is partially prepaid pursuant to such application of the Earnout Reserve then, monthly payments under the Note shall be recast over the remaining amortization period to reflect the reduced loan amount. Should Lender elect to not apply the balance of the Earnout Reserve against the indebtedness as described herein (or should Lender take no action whatsoever) the deadline of September 30, 2006 shall be deemed extended by Lender on a month-to-month basis until (i) the Disbursement Conditions are satisfied and a proper request for disbursement is made by Borrower for disbursement of the remaining balance of the Earnout Reserve, or (ii) Lender provides Borrower with notice that Lender has elected to apply the remaining balance of the Earnout Reserve against the indebtedness secured hereby. To the extent the deadline for satisfaction of the Disbursement Conditions is so extended, the Earnout Reserve shall continue to be held in deposit with Lender during such extension period.

- (f) Borrower hereby grants to Lender, as additional security for payment of the indebtedness secured hereby, a security interest in the Earnout Reserve. The Earnout Reserve shall not, unless otherwise explicitly required by applicable law, be or be deemed to be escrow or trust funds, but at Lender's option and in Lender's discretion, may either be held in a separate account or be commingled by Lender with the general funds of Lender. Lender shall cause the Earnout Reserve to earn interest (i.e., be deposited into an interest bearing account) pursuant to the terms of Section 4.28 of the Mortgage which such interest earnings shall be added to and thereafter
