1. Article IV, Section 4 is hereby amended and restated, in its entirety, to be and read as follows:

“4. Real Estate Taxes. In the event that a real estate tax bill is issued for a particular year (the "Tax Year") with respect to real estate which, as of December 31 of the Tax Year, consisted of (i) real estate which was not subject to this Declaration as part of the Condominium Property ("Non-Condominium Property") and Condominium Property; (ii) more than one Unit, and/or (iii) Common Elements and no Units, then the following provisions shall apply:

(a) If the bill for the Tax Year covers Non-Condominium Property and Condominium Property, the bill shall be apportioned among the Condominium Property ("Condominium Property Tax Share") and each portion of the Non-Condominium Property by the Declarant, in its reasonable judgment upon review of the relevant records of the County Assessor, to the extent available;

(b) Each Non-Condominium Property Owner shall be responsible for the payment of that portion, if any, of the bill for the Tax Year which is apportioned to Non-Condominium Property owned by such Non-Condominium Property Owner;

(c) The Condominium Property Tax Share shall be allocated to the Units covered by the tax bill using the following procedure:

(i) An "Assumed Value" shall be assigned to each Unit. For Units which have been sold and conveyed to a bona fide purchaser, the Assumed Value shall be equal to the purchase price paid for the Unit when it was first purchased from the Declarant or any assignee of the Declarant's rights. For Units which were still owned by Declarant or an assignee of the Declarant's rights as of December 31 of the Tax Year, the Assumed Value shall be the last price at which the Unit was being offered for sale.

(ii) The Assumed Value for each Unit shall be multiplied by a fraction, the numerator of which shall be the number of days during the Tax Year that the Unit was part of the Condominium Property, and the denominator of which is 365, to determine the "Prorated Value" for the Unit.

(iii) The portion of the tax bill allocated to each Unit shall be equal to the Condominium Property Tax Share multiplied by a fraction, the numerator of which shall be the Prorated Value for the Unit and the denominator of which shall be the sum of the Prorated Values for all Units.

(iv) The current Owner of each Unit covered by the tax bill shall pay to the Condominium Association the portion of the tax bill which is allocated to the Unit as provided in (iii) above within seven (7) days after receiving notice from the Association that the taxes are due and payable.

UNOFFICIAL COPY

(d) The Condominium Association shall use its best efforts to collect amounts due hereunder prior to the due date of the installments of the tax bill for the Tax Year; provided, that, if insufficient funds are received from the Owners to pay the Condominium Property Tax Share, the Condominium Association shall advance the difference. Any amounts due from an Owner to the Condominium Association under this Section shall be a charge hereunder and, if not paid when due, the Condominium Association shall have all remedies provided for in Article Nine hereof.

(e) The Condominium Association shall have the right and power to engage the services of a real estate tax consultant, an attorney and/or an accountant to assist the Condominium Association in determining the amounts due from each Owner and the Declarant with respect to a tax bill hereunder, to challenge the real estate tax assessments or bills, or to collect amounts due hereunder from an Owner. The fees for such services shall be Common Expenses hereunder.

(f) The provisions of (a) through (c) above shall not apply to a real estate tax bill which is issued with respect to only one Unit."

2. Article IX, paragraph 2(a) is hereby amended and restated, in its entirety, to be and read as follows:

"2. Reserves

(a) **Maintenance**. The Board shall accumulate and maintain a reasonable reserve for contingencies and replacements. The Developer may voluntarily contribute towards any reserve funds, however, because 1) the Property is new construction, and 2) included in the monthly assessment collected from Unit Owners is a portion to be applied to reserve funds, there shall be no obligation of Developer to fund any reserves of the Association. The reserve shall include funds to cover any deductible amounts contained in insurance policies procured by the Board pursuant to the Declaration and By-Laws. Extraordinary or other expenditures not included in the annual budget which may become necessary during the year, shall be charged against such reserve."

3. By its signature below, the President does hereby certify that Owners representing at least two-thirds (2/3) of the total votes have approved the foregoing amendments at a meeting of the Condominium Association, duly called for such purpose.
