A. Maximum Obligation Limit. The maximum obligation provision of the Security Instrument is modified to read:

(1) Maximum Obligation Limit. The total principal amount secured by this Security Instrument at any one time will not exceed \$1,215,000.00. This limitation of amount does not include interest, attorneys' fees and other fees and charges validly made pursuant to this Security Instrument. Also, this limitation does not apply to advances made under the terms of this Security Instrument to protect Lender's security and to perform any of the covenants contained in this Security Instrument.

B. Secured Debt. The secured debt provision of the Security Instrument is modified to read:

(1) Secured Debts. The term "Secured Debts" includes and this Security Instrument will secure each of the following:

(a) Specific Debts. The following debts and all extensions, renewals, refinancings, modifications and replacements. A promissory note or other agreement, No. 6054499-01, dated February 17, 2006, from Mortgagor to Lender, with a loan amount of \$1,215,000.00, with an initial interest rate of 8.75 percent per year (this is a variable interest rate and may change as the promissory note prescribes) and maturing on April 6, 2007. One or more of the debts secured by this Security Instrument contains a future advance provision.

(b) All Debts. All present and future debts from Mortgagor to Lender, even if this Security Instrument is not specifically referenced, or if the future debt is unrelated to or of a different type than this debt. If more than one person signs this Security Instrument, each agrees that it will secure debts incurred either individually or with others who may not sign this Security Instrument. Nothing in this Security Instrument constitutes a commitment to make additional or future loans or advances. Any such commitment must be in writing. In the event that Lender fails to provide any required notice of the right of rescission, Lender waives any subsequent security interest in the Mortgagor's principal dwelling that is created by this Security Instrument. This Security Instrument will not secure any debt for which a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. This Security Instrument will not secure any debt for which a security interest is created in "margin stock" and Lender does not obtain a "statement of purpose," as defined and required by federal law governing securities.

(c) Sums Advanced. All sums advanced and expenses incurred by Lender under the terms of this Security Instrument.

3. CONTINUATION OF TERMS. Except as specifically amended in this Modification, all of the terms of the Security Instrument shall remain in full force and effect.

SIGNATURES. By signing, Mortgagor agrees to the terms and covenants contained in this Modification. Mortgagor also acknowledges receipt of a copy of this Modification.
