The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

October, 2009 The interest rate I will pay may change on the 1st day of and on that day every sixth month thereafter. Each date on which my interest rate could change is called "Change Date".

(B) The 'ndex

Beginning with he first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbant, offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon

comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes.

Before each Change Date, the Mote Holder will calculate my new interest rate by adding Five and 0/1000

%) to the Current Index. The Note Holder will then round the percentage points (5.000 result of this addition to the nearest one-eight to one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change

The Note Holder will then determine the amount of me monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.500

or less than 8.500

Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than one and a half percentage points (1.5%) from the rate of interest I have been paying for the preceding six months. My interest rate will never be greater than

15.500 and will never be lower than
