REGULATORY AND OPERATING AGREEMENT

This Regulatory and Operating Agreement (this "Agreement"), dated and effective as of October 1, 2006, is made by and between the Chicago Housing Authority, an Illinois municipal corporation (the "Authority"), and WHP-IIB, LLC, an Illinois limited liability company (the "Owner").

RECITALS

A. The Owner intends to develop an 127-unit apartment complex as a mixed-finance development pursuant to 24 CFR Part 941, Subpart F, to be known as "Westhaven Park Phase IIB Rental" (the "Development"). The Owner has agreed to dedicate seventy (70) units (the "PHA-Assisted Units") in the Development for use as "public housing" as defined in Section 3(b) of the United States Housing Act of 1937 (42 USC § 1437, et seq.), as amended from time to time, any successor legislation and all implementing regulations issued thereunder or in furtherance thereof (the "Act") during the Term (as defined herein) of this Agreement. The Owner will finance the Development with a combination of public and private sources pursuant to a mixed-finance proposal submitted jointly by the Authority and the court appointed Receiver, The Habitat Company LLC and Daniel E. Levin (collectively, the "Receiver"), to the United States Department of Housing and Urban Development ("HUD"), for approval in accordance with 24 CFR Section 941.608. HUD has provided its written approval of the mixed-finance proposal to the Authority and the Receiver, as provided in 24 CFR Section 941.608(c).

B. In consideration of the Authority's agreement to ground lease the land upon which the Development will be constructed and to participate in the mixed-finance proposal by making construction and permanent loans of capital and development funds in an aggregate amount of \$10,236,201 to the Development (the "CHA Loans") and providing an annual operating subsidy pursuant to the terms hereof (the "Operating Subsidy") to maintain the affordability of the PHA-Assisted Units, the Owner has agreed to operate and maintain the PHA-Assisted Units as "public housing" as defined in Section 3(b) of the Act during the Term of this Agreement. The Owner intends, subject to All Applicable Public Housing Requirements, to operate and maintain all of the PHA-Assisted Units as qualified low-income units under Section 42 of the Internal Revenue Code, as amended (the "Code"), and to further operate and maintain the PHA-Assisted Units for the Term as may be required by Federal, State and local laws.

C. An additional twenty-seven (27) of the units in the Development will be operated as qualified low-income units under Section 42 of the Code and the remaining thirty (30) units in the Development will be operated as market rate units.

D. The parties hereto are entering into this Agreement in order to set forth the rules and requirements for the operation and management of the PHA-Assisted Units and the terms and conditions for payment of the Operating Subsidy.

2. PHA-Assisted Units.

(a) **Initial Bedroom Distribution.** During the Term of this Agreement, and subject to Section 6, the Owner will continuously set aside the PHA-Assisted Units as "public housing" units, for occupancy by public housing-eligible households that are Eligible Occupants (as defined in Section 3(f)(iii)) who will be obligated to pay Tenant Housing Payments in compliance with and subject to All Applicable Public Housing Requirements. Provided that the Owner continues operating the PHA-Assisted Units in accordance with All Applicable Public Housing Requirements, such units shall be eligible to receive the benefits of Operating Subsidies to the extent such funds are appropriated by the United States Congress and otherwise made available to the Authority by HUD pursuant to Section 9 of the Act and the ACC or pursuant to any successor legislation providing for project-based or tenant-based operating or rental assistance in respect of units in public housing developments or eligible occupants thereof. The PHA-Assisted Units shall initially comprise the following mixture of unit sizes and descriptions:

<u>New Construction</u>			
1 Bedroom Units	24	2 Bedroom Units	12
3 Bedroom Units	22	4 Bedroom Units	12
Total Units		70

Any variance in excess of 5% shall require the written consent of the Authority and of HUD, after compliance with applicable procedures of the Horner amended consent decree and Horner Court Orders.

(b) **Location of Units.** The PHA-Assisted Units may float among the one hundred twenty-seven (127) rental units within the Development in accordance with the Management Plan; provided, however, that as of the date of this Agreement, the Owner has designated the addresses listed on Exhibit D as the units that will be occupied by public housing residents upon the first leasing of the units in the Development. Exhibit D has been presented by the Owner to the Authority and the Receiver, and such Exhibit has been approved by the Authority and the Receiver, prior to the execution of this Agreement. Following the date of this Agreement

UNOFFICIAL COPY

through the end of the Receiver Approval Period, as defined in this Section, the Owner must present any proposed changes to the information on Exhibit D in a written request to the Authority, the Receiver and the HRC. All proposed changes must be presented no later than six (6) weeks before the anticipated punch list for the first unit to be leased in the Development. The Authority, the Receiver and the HRC will respond to any of the Owner's requests for changes to the information on Exhibit D within fourteen (14) calendar days of receipt of such request. As used in this Agreement, "Receiver Approval Period" shall mean the period of time commencing as of the date hereof and ending upon the first to occur of the determination of the Receiver that (i) the PHA-Assisted Units are ready for occupancy or (ii) the PHA-Assisted Units will no longer be used for non-elderly public housing.

(c) **Over-Income Tenants.** Consistent with All Applicable Public Housing Requirements, a unit shall not lose its status as a PHA-Assisted Unit solely because the income of the tenant residing therein rises above the then applicable public housing income limit or above the income tier for which such tenant originally qualified; any such unit shall be governed by rules generally applicable to units occupied by over-income tenants in the public housing program and the Tax Credit Requirements. During the Compliance Period and Extended Use Period, the PHA-Assisted Units shall be subject to Tax Credit Requirements and such modifications in lease and occupancy terms as are permitted hereunder.

(d) **Deconcentration.** The foregoing provisions of this Section 2 are subject to All Applicable Public Housing Requirements and HUD approvals required thereunder. If the Development is subject to 24 CFR Part 903 with respect to the deconcentration of public housing (the "Deconcentration Rule"), upon the written request of the Owner, the Authority will request from HUD a waiver from, or an exception to, the Deconcentration Rule to the extent the Deconcentration Rule is inconsistent with the terms of this Agreement.

(e) **ADA Accessibility.** PHA-Assisted Units shall be constructed and equipped in accordance with all applicable accessibility requirements, including the following: (i) City of Chicago Building Codes; (ii) American National Standards Institute (A117.1-1986); (iii) the Uniform Federal Accessibility Standards, 24 CFR Part 40 (Appendix A); (iv) Section 504 of the Rehabilitation Act of 1973 (24 CFR Part 8); (v) Fair Housing Design Standards; and (vi) American with Disabilities Act and Accessibility Guidelines thereunder.

3. Operation of PHA-Assisted Units.

(a) **Compliance with the Act.** The Owner shall maintain and operate the PHA-Assisted Units in compliance with All Applicable Public Housing Requirements. In addition, the Owner shall maintain and operate the PHA-Assisted Units in accordance with this Agreement and any other agreement entered into by the Owner, and approved by the Authority and HUD, with respect to the development or the operation and/or maintenance of the Development (collectively, the "Development Documents"). The Owner shall also perform any and all acts required to enable the Authority to fulfill its obligations to HUD with respect to the PHA-Assisted Units. The Owner shall take all actions necessary and appropriate to avoid a default (as defined in the ACC) with respect to the PHA-Assisted Units.

UNOFFICIAL COPY

(b) **Prevailing Law.** In the event of a conflict among any one or more of All Applicable Public Housing Requirements and a requirement contained in any Development Document, such All Applicable Public Housing Requirements shall in all instances be controlling. In the event of any conflict, during the period when the ACC is in effect with respect to the PHA-Assisted Units, between (i) this Agreement; and (ii) the Authority Loan Documents, then the requirements of this Agreement shall control, except to the extent that a more restrictive requirement under the Authority Loan Documents can be enforced without violating any of the All Applicable Public Housing Requirements, provided that the enforcement of any such more restrictive requirement shall not impair any rights of the First Mortgage Lender.

(c) **Authority PHA-Assisted Units Goals.** The Authority and the Owner acknowledge that HUD's development program is intended to permit public housing authorities, in partnership with other public and private entities, to address the needs of severely distressed public housing and to create mixed-income communities. Further, the Authority and the Owner acknowledge that the goal of achieving long-term sustainability of the PHA-Assisted Units as part of such mixed-income community will be enhanced by administrative procedures and terms and conditions of occupancy that reduce discernible distinctions in operation and maintenance, and conditions of continued occupancy, between the PHA-Assisted Units and the non-PHA-Assisted Units to the greatest extent feasible, while assuring that the PHA-Assisted Units are available to house families who meet the occupancy objectives of the Authority described herein and, in the Gautreaux Court Orders and the Horner Court Orders. Sections 3(d) through 3(o) enumerate certain respects in which operating procedures and other requirements as to the PHA-Assisted Units will differ from those in effect with respect to public housing units owned by the Authority. Subject to All Applicable Public Housing Requirements, the Authority and the Owner agree that, if experience demonstrates a need for or the desirability of further departures from standard procedures applicable to PHA-owned public housing units, they will consult with each other and HUD regarding such further modifications and will take such further implementing steps as they agree to be advisable, including, as appropriate, requests to HUD for revision or waiver of regulations necessary to permit the Authority to undertake measures that enhance the long-term viability of the PHA-Assisted Units as part of a mixed-income community, or requests to implement statutory revisions made by Congress from time to time affecting either public housing in general or public housing located within privately-owned mixed-income communities in particular. The Management Agreement shall also contain a provision stating that the Authority has a right to require that the Owner shall terminate the Management Agreement if the Management Agent fails to comply with the terms of this Agreement, provided that the Owner is given notice and an opportunity to cure in accordance with Section 11(b).

The benefits and effects of any applicable waivers pursuant to the Moving To Work Program, or other legislative and regulatory changes affecting mixed-finance public housing units, may be made applicable to the PHA-Assisted Units, after following any procedural requirements.

(d) **Maintenance of Records.** The Authority shall remain responsible for maintaining sufficient records, and taking necessary action(s), to assure HUD that all Authority obligations to HUD under All Applicable Public Housing Requirements are fulfilled. However,

UNOFFICIAL COPY

where the ACC or other All Applicable Public Housing Requirements require the Authority to furnish reports, records, statements, certificates, documents or other information to HUD regarding the PHA-Assisted Units, the Owner shall furnish such reports, records, statements, certificates, documents or other information to the Authority or otherwise satisfy the Authority's requests with respect to such matters, upon reasonable notice. Nothing contained in this Section shall be construed to relieve the Owner of its obligation to maintain its own books and records. It shall be the responsibility of the Owner to maintain sufficient records, and to take necessary action(s), to assure compliance with all obligations relating to the PHA-Assisted Units under the Development Documents. Owner shall furnish reports, records, statements, certificates documents or other information as necessary in order to comply with the requirements of this provision.

(e) **Management.** Subject to All Applicable Public Housing Requirements, the Owner will retain the Management Agent for the PHA-Assisted Units pursuant to the Management Agreement, which will be subject to written approval by the Authority and HUD. The management of the PHA-Assisted Units shall be in compliance with All Applicable Public Housing Requirements, including the lease and grievance procedures set forth in 24 CFR Part 966, as approved by the Authority and HUD, and any other applicable Federal requirements, including the Uniform Relocation Act ("URA"), if applicable, and the Affordable Housing Tax Credit Restrictive Covenant. The Management Agent will be responsible to the Owner for management of the PHA-Assisted Units in accordance with the terms of this Agreement and All Applicable Public Housing Requirements and in accordance with a Management Plan. The Owner will comply with any applicable notices required under the URA. If required, the Authority will at its expense, provide relocation benefits to tenants where the URA is applicable. If statutes, executive orders and regulations regarding public housing are amended or repealed, the Management Plan and approvals by the Authority and HUD must be amended to accommodate these changes, if required by such statutes, executive orders and regulations.

A failure to comply with any material aspect of an approved Management Plan shall constitute a default under this Agreement entitling the Authority to exercise remedies hereunder, subject to applicable notice and cure periods provided herein.

The Management Agent shall perform all the duties and responsibilities normally associated with management of public housing and shall cause the Development, appurtenances and grounds to be maintained and secured according to standards acceptable to the Authority and HUD, including, but not limited to, the following as pertaining to the PHA-Assisted Units: (1) preparing reports as directed by the Authority using the Authority's Management Information Systems ("MIS"), or any other system mutually agreed upon by the Authority and Owner, and maintaining office records, books, accounts and reports in a manner satisfactory to the Authority; (2) as directed by the Authority, using the Authority's MIS which may include all functions of the Creative Computer Solutions system (CCS) purchased by the Authority, including, but not limited to, work orders, housing eligibility, tenant accounting, accounts payable, general ledger, bank reconciliation, payroll, purchasing, fixed assets, inventory control and modernization/development. The Management Agent shall use CCS's MIS (or replacement software) as provided by the Authority at no cost to the Owner or the Management Agent. The Authority reserves the right to change the software and also utilize forms and spreadsheets to

UNOFFICIAL COPY

input information into the CCS system, provided that any extraordinary operating cost related thereto shall be paid by the Authority. The Management Agent must inspect all PHA-Assisted Units annually utilizing the required UPIS (Uniform Physical Inspection Standard) form in conjunction with the annual tenant recertification process, as incorporated in the Management Plan. All UPIS results must be entered into the CCS system.

Subject to All Applicable Public Housing Requirements, the Management Plan must be approved in writing by the Owner, the Authority and HUD prior to its implementation and shall not be amended in any respect material to the performance of the Owner's obligations hereunder without the prior written approval of the Authority and, to the extent required, HUD. The Authority shall not unreasonably withhold its approval of the Management Plan or amendment thereto. The Management Agreement will contain appropriate provisions providing access by the Authority, upon request therefor, to books and records maintained by the Management Agent with respect to the PHA-Assisted Units. The Authority agrees that the initial Management Agent retained by the Owner will be Interstate Realty Management Company.

Subject to All Applicable Public Housing Requirements, the Owner may replace the Management Agent at any time with the prior approval of the Authority; provided, however, during the Compliance Period, if Owner shall propose a Management Agent in writing, the Authority may disapprove such proposed Management Agent only in writing specifying the grounds for such disapproval, which grounds shall be limited to reasonable cause, ordinarily restricted to: (i) insufficient prior experience in managing affordable or public multifamily rental housing; (ii) demonstrated poor performance in managing affordable or public multifamily rental housing; (iii) litigation or other controversy affecting the Authority; (iv) having been debarred or otherwise held to have violated any law; or (v) any actual or potential conflict of interest. Failure by the Authority to state objections to a proposed Management Agent, in writing, consistent with the standards established in this Agreement, within thirty (30) days of receipt of Owner's written proposal and supporting documentation, shall constitute the Authority's approval. Pending receipt by Owner of the Authority's written objections or disapproval as aforesaid, and a reasonable time thereafter to correct any conditions forming the basis of the Authority's objections or disapproval or to propose an approvable Management Agent, the Owner shall be entitled to manage the Development directly or through its Authority-approved Management Agent so long as it shall do so in full compliance with the terms of this Agreement. Notwithstanding the foregoing, following foreclosure, sheriff's sale upon execution of a judgment or deed-in-lieu of foreclosure of any Mortgage, or during any period in which any of the Mortgage Lenders shall be in possession of the PHA-Assisted Units as mortgagee-in-possession, any of the Mortgage Lenders or any successor and/or assign in title thereto shall be entitled to appoint a Management Agent with prior approval by the Authority not to be unreasonably withheld or delayed for so long as any Mortgage Lender or its successors and/or assigns shall discharge the obligations of the Owner in full compliance with the terms of this Agreement and the Management Agent shall perform its obligation in accordance with the Management Plan and the Management Agreement.

(f) Admission to Occupancy.

(i) The Authority will furnish to the Owner a list, developed in consultation with the HRC and its counsel, of all Horner class members who have

UNOFFICIAL COPY

not yet been provided replacement housing under the Horner Court Orders who shall have first priority to be offered a replacement PHA-Assisted Unit at the Development (“First Priority Horner Class Members”). Subsequent priorities in admission to occupancy will be consistent with the Horner Court Orders. All other occupancy referrals shall be obtained by the Owner through the development of a site-based (subjurisdictional) waiting list derived from the Authority’s public housing waiting list or, if no such waiting list exists, from a waiting list created by the Owner in conformity with All Applicable Public Housing Requirements (the “Waiting List”). All prospective tenants, including First Priority Horner Class Members, shall complete housing applications and comply with required procedures within the time given (all such procedures and times to be developed in consultation with the Authority). The Authority shall defend, protect and hold harmless the Owner, and each person who controls the Owner, against all losses, claims, damages, penalties, judgments, liabilities and expenses (including reasonable attorney’s fees) that the Owner or any such person may pay or incur arising out of the exclusion or alleged exclusion of any individual from the list of First Priority Horner Class Members, as such list may be revised from time to time; provided, however, public housing funds may not be used for such purpose.

(ii) The Authority delegates to the Owner, subject to re-delegation to the Management Agent, all administrative functions in connection with admission of applicants to occupancy of the PHA-Assisted Units, including application intake, applicant interview and screening, verification procedures, determination of eligibility for admission and qualification for preference, record maintenance, waiting list maintenance, unit assignment and execution of leases, all in accordance with criteria and procedures approved by the Authority, HUD and in accordance with All Applicable Public Housing Requirements and the Management Plan.

(iii) Admission to occupancy into PHA-Assisted Units shall be limited to prospective occupants and First Priority Horner Class Members (collectively, “Eligible Occupants”) who meet the following requirements: (A) for the Term, the eligibility and occupancy rules for admission to public housing under All Applicable Public Housing Requirements; (B) during the Compliance Period and Extended Use Period, applicable requirements for occupancy under the Tax Credit Requirements; and (C) the Tenant Selection Plan. The Management Agent shall establish procedures, which shall be set forth in the Management Plan, for informal review of eligibility or suitability determinations or denial of preferences for applicants for admission to the PHA-Assisted Units, consisting of an opportunity for a meeting with a person or persons designated by the Management Agent other than the person who made the initial determination.

(iv) Unless the additional ten (10) year “tail” term set forth in the Declaration of Restrictive Covenants is amended or waived, the system for administering admissions to the PHA-Assisted Units shall be revised as of March 1, 2038, subject to Authority approval as set forth below and All

Applicable Public Housing Requirements, if and only to the extent necessary to enable Owner to demonstrate a reasonable likelihood of repaying all Mortgage Loans on the Development (including all debt owed to the Authority) in accordance with their respective terms, such that by no later than the end of the thirtieth year after the date of first occupancy of the last PHA-Assisted Unit, there shall be no need for the Authority to provide Operating Subsidies to the PHA-Assisted Units; provided, however, that prior to amending the system for preferences, Owner will avail itself of any alternative arrangements which are then available in order to demonstrate such reasonable likelihood to repay the Mortgage Loans and the CHA Loans. The Owner shall submit to the Authority for approval, which approval shall not be unreasonably withheld, delayed or conditioned, a plan scheduled to become effective as of March 1, 2038, subject to All Applicable Public Housing Requirements, to eliminate such need for Operating Subsidy by the end of the thirtieth year after the date of first occupancy of the last PHA-Assisted Unit. For purposes of such plan, the Owner shall be entitled to budget (and use in accordance with the budget) Tenant Rents to pay Allowed PHA-Assisted Units Expenses. Nothing herein is intended to authorize any deviation from All Applicable Public Housing Requirements or any preference for families that are not eligible for public housing. In the event that, despite the reasonable efforts of the Owner, such plan is inadequate and results in a PHA-Assisted Units Shortfall, the Owner may request, subject to Authority approval, not to be unreasonably withheld, that Operating Subsidy payments be reinstated in accordance with this Agreement. PHA-Assisted Shortfalls that occur during any period during which the Owner has voluntarily elected not to receive Operating Subsidies shall not form the basis for any right of transformation under Section 6(f).

(v) The Authority will ensure that the material elements of this Agreement (including but not restricted to, the Waiting List, any site-based resident selection preferences, and transformation remedies) are reflected in duly adopted policies of the Authority or duly adopted exceptions to such policies, effective no later than one hundred and twenty (120) days before units are first available for occupancy. The Authority will ensure that its Public Housing Agency Plan, prepared in accordance with Section 5A of the Act, as it may be amended during the Term of this Agreement, includes such references to and provisions for the PHA-Assisted Units and its operations as may be necessary or appropriate to ensure that the provisions of this Agreement and the operating policies of the PHA-Assisted Units (including, but not restricted to, the Waiting List, any site-based resident selection preferences, and transformation remedies) are recognized by HUD. To the extent not provided at the Authority's website, the Authority will provide to Owner (1) a copy of any proposed Public Housing Agency Plan, or amendment thereto, no later than the time public notice is given pursuant to Section 5A(e)(2) of the Act, and (2) a copy of its Public Housing Agency Plan and all amendments thereto, as adopted, within thirty (30) days of adoption, and shall make good faith efforts to provide earlier notice of contemplated changes to the Public Housing Agency Plan which would materially affect the Owner.

(g) **Preference System.** The Authority, in accordance with All Applicable Public Housing Requirements, hereby authorizes the Owner to establish the Waiting List. The Owner shall select prospective tenants from the Waiting List subject to All Applicable Public Housing Requirements, the Tenant Selection Plan, the Tax Credit Requirements and the Affordable Housing Tax Credit Restrictive Covenant. The Authority, in accordance with All Applicable Public Housing Requirements, shall provide the Owner with its waiting list of qualified tenants for occupancy of the PHA-Assisted Units.

(h) **Screening Criteria.** Screening Criteria and procedures established by the Owner (the "Screening Criteria") to be utilized by the Management Agent with respect to admissions to all units in the PHA-Assisted Units are set forth in the Tenant Selection Plan. The Screening Criteria will not necessarily be identical to those utilized by the Authority with respect to traditional public housing units owned by the Authority. The Screening Criteria and procedures shall comply with the Fair Housing Act, 42 U.S.C. 3601-19, and regulations issued thereunder, 24 CFR Part 100; Executive Order 11063 (Equal Opportunity in Housing) and regulations issued thereunder, 24 CFR Part 107; the fair housing poster regulations, 24 CFR Part 110, advertising guidelines and All Applicable Public Housing Requirements.

(i) **Tenant Leases.** Tenant leases executed for PHA-Assisted Units ("Tenant Leases") shall be on forms proposed by the Owner and approved by the Authority which meet the terms and conditions of this Agreement, conform to All Applicable Public Housing Requirements and the City of Chicago Residential Landlord and Tenant Ordinance (Chicago Municipal Code, Title 5, Chapter 12) and other applicable law. In addition, such leases shall be subject to any required HUD approval of variations from the requirements of 24 CFR Part 966, Subparts A and B, as amended or replaced from time to time. All Tenant Leases shall conform to HUD regulations and requirements, including those lease and grievance procedures under 24 CFR Part 966, Subparts A and B, and shall include notice and lease termination provisions involving diminution or termination of Operating Subsidies, excluding termination caused by Owner default. It shall be the responsibility of the Owner to revise the tenant lease as required by changes in All Applicable Public Housing Requirements and applicable law.

To the extent that applicable statutes and HUD regulations governing the calculation of rent payable by tenants of public housing currently or hereafter in effect provide discretion to public housing authorities in matters such as inclusions or exclusions from income, minimum or ceiling rents, or other matters affecting the calculation of rents, such discretionary determinations made by the Authority with respect to all public housing units assisted by the Authority shall be applicable to the PHA-Assisted Units, except as otherwise provided in the approved Management Plan, Management Agreement or form of tenant lease for the PHA-Assisted Units.

Tenant leases shall provide for increases in Tenant Housing Payments and other actions required to increase income from the PHA-Assisted Units under the circumstances contemplated in Section 6 hereof, subject to All Applicable Public Housing Requirements, applicable statutes and HUD regulations, and the Tax Credit Requirements. These other actions contemplated by Section 6 may include (1) an increase in Tenant Housing Payments and an option to the then currently residing tenant(s), if eligible, to remain residing in the PHA-Assisted Unit at the Development paying the higher rent; or (2) the Authority issuing Housing Choice vouchers or any successor arrangement to the then currently residing tenant (to the extent available); or

UNOFFICIAL COPY

(3) relocation to a public housing unit at another location (to the extent available). Tenant leases shall advise tenants of the potential impact on them if a public housing transformation occurs as described in Section 6 hereof.

(j) **Tenant Housing Payments, Tenant Rents and Utility Allowances.** The tenant housing payments ("Tenant Housing Payments") for occupancy in the PHA-Assisted Units shall be the greater of (i) \$50.00 per month, or (ii) the amount established in accordance with the Tenant Selection Plan and All Applicable Public Housing Requirements; provided that tenant housing payments based on a percentage of adjusted income shall not use a limit higher than 30% of the total tenants' adjusted income unless and until such higher limit has been approved by the Authority and such higher limit does not violate the requirements of Section 42 of the Code. The Tenant Rent ("Tenant Rent") is equal to the total Tenant Housing Payment minus the Utility Allowance (if any) applicable to the PHA-Assisted Unit and shall be paid to the Owner by the tenants for deposits as provided in Section 5(c). If the Utility Allowance is greater than the Tenant Housing Payment, the tenant shall be entitled to a utility reimbursement ("Utility Reimbursement") equal to the amount by which the Utility Allowance exceeds the Tenant Housing Payment. The Authority shall pay the tenant's Utility Reimbursement directly to the applicable utility company from operating funds available to the Authority.

(k) **Procedure for Requesting Waivers.** If at any time during the Term of this Agreement HUD shall, by regulation or other administrative rule applicable to the PHA-Assisted Units (which regulation or rule is not required by statute), modify the eligibility or suitability standards, including preferences, for occupancy of public housing units, the criteria or methods for calculation of applicant or resident income or contribution to rent, or any other factor bearing upon the charges for or occupancy or use of public housing units generally which, in the absence of waiver, would be applicable to the PHA-Assisted Units and which, in the judgment of the Owner would be adverse to the PHA-Assisted Units, the Authority shall request a waiver from HUD from such regulation; provided, however, the Authority need not request such waiver if in the Authority's reasonable judgment the waiver would be inconsistent with then-current Authority policies or procedures applicable to mixed-financed developments of the Authority. If the Authority does not seek a waiver as contemplated in the immediately preceding sentence, the Authority agrees to work with the Owner to mitigate any adverse economic consequence of such regulation or other administrative rule for the PHA-Assisted Units.

The benefits and effects of any applicable waivers, pursuant to the Moving To Work Program, or other legislative and regulatory changes affecting Mixed-Finance public housing units, may be made applicable to this Development after following any procedural requirements.

(l) **Tenant Grievance Procedure.** The Owner, with Authority approval, shall establish a tenant grievance procedure in accordance with All Applicable Public Housing Requirements (including, but not limited to, HUD's implementing regulations at 24 CFR Part 966, Subpart B, as may be amended from time to time), for tenants of the PHA-Assisted Units in compliance with the requirements of Section 6(k) of the Act and consistent, to the maximum extent feasible, with the intent stated in Section 3(b) above. Such procedures will provide for informal discussion and settlement of grievances by the Management Agent and hearing before a hearing officer or hearing panel appointed in accordance with procedures set forth in the Management Plan. It shall be the responsibility of the Owner to revise the tenant lease as

UNOFFICIAL COPY

required by changes in All Applicable Public Housing Requirements and State law. In the event of repeal or modification of Section 6(k) of the Act, the grievance procedures made available by the Owner to tenants of the PHA-Assisted Units may be terminated or modified in conformity with such changes with the Authority's consent, which consent shall not be unreasonably withheld.

(m) **Low Income Housing Tax Credit Requirements.**

(i) The Authority acknowledges that the PHA-Assisted Units are also subject to the Tax Credit Requirements and will be operated in accordance therewith. The Authority will not disapprove (with respect to the PHA-Assisted Units) any policy of Owner that is permitted under All Applicable Public Housing Requirements and required for compliance with the Tax Credit Requirements. The Owner and the Authority will take such actions as are necessary to set rents (including ceiling rents or flat rents to the extent applicable) for the PHA-Assisted Units at a level not to exceed that permissible for qualified low-income units under the Tax Credit Requirements, and the Owner will not collect rents for such units in excess of such levels.

(ii) The Authority agrees not to take any action, or to omit to take any action, within its control and power under the laws of the State of Illinois, with respect to the PHA-Assisted Units, if the effect of such action or inaction would cause the Owner to violate the Tax Credit Requirements as applied to the PHA-Assisted Units.

(iii) Notwithstanding anything to the contrary in this Agreement, it is the intent of the Authority and the Owner that payments will be made to and retained by the Owner under this Agreement only to the extent they constitute "qualifying rental assistance" as defined in Section 1.42-16 of the Treasury Regulations.

(n) **Real Estate Tax Abatement/Exemption.** The Authority shall take such action as may be required to enable the PHA-Assisted Units to qualify for an abatement and/or exemption of real estate taxes, including approval of a certificate of Real Estate Tax Abatement in accordance with the Illinois Revenue Code, 35 ILCS 200/18-177 (1999), as the same may hereafter be amended; provided that the Authority's obligation shall be conditioned on the timely submission to the Authority by the Owner of all required documentation and the timely performance of required inspections.

(o) **Monitoring by the Authority.** Notwithstanding the Owner's agreement to perform the obligations set forth in this Agreement, the Authority remains legally responsible to HUD under the ACC for ensuring that the Owner (either directly or through its general contractor, management agent or other agent) develops, operates and maintains the PHA-Assisted Units in accordance with All Applicable Public Housing Requirements. In addition, the Authority shall monitor the Owner's performance for compliance with prevailing State and local laws relating to public housing.

4. PHA Assisted Units Operating Subsidy.

(a) **Annual Submission of Operating Budget and Schedule of Capital Expenditures.** For purposes limited to documentation and annual budget projections with respect to the PHA-Assisted Units, a Development Operating Budget is required as described herein. No reconciliation of income and expenses shall be required with respect to the Development as a whole.

Not later than sixty (60) days prior to the anticipated date of first availability for occupancy of any PHA-Assisted Unit, and not later than ninety (90) days before the first day of each subsequent Authority Fiscal Year, the Owner shall submit to the Authority its proposed Development Operating Budget for the following Development Fiscal Year (or, in the case of the year in which first availability for occupancy occurs, the remainder thereof). The Development Operating Budget shall include projections of Estimated Allowed PHA-Assisted Units Expenses, Estimated PHA-Assisted Units Expenses and Estimated PHA-Assisted Units Income for the period (collectively referred to herein as the "Operating Budget") and may include proposed withdrawals from Reserves to meet operating requirements. In addition to the Operating Budget, the Owner shall submit to the Authority a schedule of Capital Expenditures proposed to be made during the next Development Fiscal Year with respect to the PHA-Assisted Units, together with a schedule of existing balances in, and anticipated deposits to be made into, the Replacement Reserve.

(b) **Authority Review and Approval of Operating Budget.** Not later than sixty (60) days after receipt thereof, the Authority shall approve the Owner's proposed Operating Budget or provide to the Owner in writing an explanation as to the reasons the proposed Operating Budget has not been approved. The parties shall make reasonable good faith efforts to agree on the Operating Budget, subject to All Applicable Public Housing Requirements.

If following reconciliation efforts, the Authority does not approve the Owner's proposed Operating Budget, the Methodology to Determine Reasonableness of Proposed Expenses as set forth in Exhibit B attached hereto shall be implemented promptly. Pending the results of such methodology, if the total Estimated PHA-Assisted Units Expenses set forth in the proposed budget do not exceed the total Estimated PHA-Assisted Units Expenses for the current Development Fiscal Year by more than 10%, the proposed budget shall constitute the Operating Budget for the next Development Fiscal Year. Pending the results of such methodology, if the total Estimated PHA-Assisted Units Expenses set forth in the proposed budget exceed the total Estimated PHA-Assisted Units Expenses for the current Development Fiscal Year by more than 10%, the Operating Budget for the next Development Fiscal Year shall be the total Estimated PHA-Assisted Units Expenses for the current Development Fiscal Year increased by 10%. The parties agree that the results of such methodology shall be the basis for determining total Estimated PHA-Assisted Units Expenses in the Owner's Operating Budget for the next Development Fiscal Year.

To the extent an approved Operating Budget includes withdrawals from Reserves to meet operating requirements, no additional Authority approval shall be required with respect to the release of such Reserves on a monthly basis, concurrent with payment of Operating Subsidy.

UNOFFICIAL COPY

Funds for such purpose shall be transferred first from the Subsidy Carryover Reserve Account to the extent of available funds and next from the PHA Tenant Rent Reserve Account.

(c) **Authority Review and Approval of Proposed Capital Expenditures.** Not later than sixty (60) days after receipt thereof, the Authority shall either approve the Owner's proposed schedule of capital expenditures to be paid or incurred with respect to the PHA-Assisted Units or the Development during the next Development Fiscal Year or provide to the Owner in writing an explanation as to the reasons the proposed expenditures have not been approved. The parties shall make reasonable efforts to agree on a schedule of capital expenditures. The Authority shall be responsible for paying, or reimbursing the Owner for, the cost of approved capital expenditures set forth on such schedule in a manner to be agreed upon by the Owner and the Authority at such time, except to the extent the funding therefor is available from the Replacement Reserve. In addition, if at any time during a Development Fiscal Year unscheduled or unbudgeted capital expenditures are required to be paid or incurred with respect to the PHA-Assisted Units, the Owner may submit a request to the Authority to pay the same; provided, however, the Authority agrees to approve any capital expenditure proposed by the Owner only if (i) such capital expenditure is required to cause the PHA-Assisted Units to comply with any applicable building or housing code, and (ii) funding therefor is not available from the Replacement Reserve. With the exception of capital expenditures required to comply with applicable building and housing codes, the Authority shall not be required to advance funds under this Section 4(c) unless the Authority has received not less than five (5) months' prior written notice thereof.

(d) **Authority Payment of Operating Subsidy.** During the Term of this Agreement, Owner shall develop the units in the Development and operate the PHA-Assisted Units at rents and subject to all other conditions of All Applicable Public Housing Requirements. Provided that the Owner continues operating the PHA-Assisted Units in accordance with All Applicable Public Housing Requirements, and in accordance with the terms of this Agreement, such units shall be eligible to receive the benefit of the Operating Subsidy to the extent such funds are appropriated by the Congress and otherwise made available to the Authority pursuant to Section 9(e) of the Act, or pursuant to any successor legislation, and as more specifically set forth in this Section 4. If these conditions precedent have been met, the Authority shall pay to the Owner in advance no later than the eighth calendar day of each month (prorated for any partial month), by electronic wire transfer, an Operating Subsidy in the amount of \$354 per month, as may be adjusted under this Section 4(d), for each PHA-Assisted Unit that meets the following criteria (i) a temporary certificate of occupancy has been issued for the building in which the PHA-Assisted Unit is located, (ii) the PHA-Assisted Unit was inspected and approved by the Authority for initial occupancy, including a determination that the PHA-Assisted Unit meets HUD's Housing Quality Standards, and (iii) except as provided below, the PHA-Assisted Unit is actually occupied under an executed lease with an Eligible Occupant. The Owner's right to receive payments of the Operating Subsidy due after the then-current month is not assignable by the Owner, and any attempted assignment thereof is void and of no force or effect. Operating Subsidies shall also be payable with respect to vacant PHA-Assisted Units, but only for a period of not to exceed sixty (60) days. A PHA-Assisted Unit shall be deemed vacant (i) commencing on the first day for which rent is not charged for the unit following completion or termination of occupancy as a PHA-Assisted Unit, and (ii) ending on the day preceding the first day for which rent is charged for such unit based on occupancy or re-occupancy as a PHA-Assisted Unit, or the

UNOFFICIAL COPY

first day for which rent is charged for occupancy as an PHA-Assisted Unit of a different unit which was not previously occupied as a PHA-Assisted Unit, whichever shall first occur.

The Operating Subsidy shall be subject to annual increases at each anniversary of the date of the execution and delivery of this Agreement. The rate of each annual increase shall equal the lesser of (i) the percentage increase in operating funds received by the Authority with respect to its other Authority owned rental units in the current year, or (ii) the annual percentage increase, if any, in the Price Index. In the event the Price Index is discontinued, a comparable index shall be used to determine any increase. The amount of annual increase shall be the product of (i) the Operating Subsidy for the year just ended multiplied by (ii) the rate of annual increase. Any annual increase in Operating Subsidy approved by the Authority in connection with the Owner's annual submission of the Development Operating Budget pursuant to Section 4(a) shall operate in lieu of the automatic annual increase herein provided.

(e) **Security Deposits.** The Owner will require all tenants of PHA-Assisted Units to provide a security deposit in accordance with the approved Management Agreement, Management Plan and form of tenant lease for the PHA-Assisted Units. The Owner shall deposit the security deposits in an interest-bearing security deposit escrow account for the benefit of the tenant and the Owner. At the Owner's option and with Authority approval, if and to the extent permitted by applicable law, these funds may be used to pay rent or make repairs to any assigned PHA-Assisted Unit for tenant-caused damages beyond normal wear and tear where the tenant or the Authority fails to make timely payments or for any other purpose permitted by the form of tenant lease for the applicable PHA-Assisted Unit. Any written request for Authority approval shall be acted on by the Authority within thirty (30) days of receipt. Authority approval of each such request shall not be unreasonably withheld. The Owner agrees to provide to the Authority prompt written notice describing any use of security deposit moneys for the purposes described in this Section 4(e). Any payments made by Authority or the tenant to reimburse the Owner for rent or damages, for which the Owner had used funds deposited in the security deposit escrow account, shall be used to replenish the security deposit escrow account. Upon the expiration or earlier termination of each Lease, Owner shall return the unused portion of the security deposit to the tenant in accordance with applicable law.

(f) **Operating Account.** Operating Subsidy payments received from the Authority and funds drawn from the Subsidy Carryover Reserve Account or the PHA Tenant Rent Reserve Account, as provided herein, together with all other PHA-Assisted Units Income shall be deposited by the Owner in one or more operating accounts maintained in a financial institution whose deposits are insured by an agency of the Federal Government.

(g) **Public Housing Capital Fund.** If capital assistance is available to the Authority from time to time under Section 9(d) of the Act or any successor thereto, which capital assistance the Authority may discretionarily provide to the PHA-Assisted Units, then the Authority agrees to give reasonable consideration to any request by Owner for such assistance.

(h) **Other HUD Funds.** If the PHA-Assisted Units are eligible for federal assistance other than under the Operating Fund or Capital Fund provided for in Section 9 of the Act or any successor thereto (including, but not restricted to, funds for resident participation, resident services, drug elimination activities, or security), at the Owner's request the Authority may

UNOFFICIAL COPY

endeavor, in its absolute discretion, to obtain such assistance (separately or as part of a general Authority funding request) and shall pass through to the Owner (or directly provide services representing) any portion thereof received and properly allocable (with due regard for need factors applicable to such assistance) to the PHA-Assisted Units, upon receipt from the Owner of such plans, documentation or assurances as are necessary to comply with All Public Housing Requirements relating to such assistance.

(i) **Section 42 Compliance.** In order to assure compliance with Tax Credit Requirements, notwithstanding anything to the contrary set forth in this Agreement, in any Development Fiscal Year all or part of which is included in the Compliance Period and in which Operating Subsidy payments are made to Owner, the sum of PHA-Assisted Units Income, Operating Subsidy payments and any net withdrawals from the Subsidy Carryover Reserve Account and the PHA Tenant Rent Reserve Account for operating purposes shall not exceed the PHA-Assisted Units Expenses for such Development Fiscal Year. In the event that the annual financial statements required to be provided by the Owner to the Authority pursuant to Section 7(b) below demonstrate that the above-described sum exceeded the PHA-Assisted Units Expenses for any year covered by the preceding sentence, then any portion of the Operating Subsidy payment causing such overage ("Excess Operating Subsidy") shall be promptly deposited into the Subsidy Carryover Reserve Account.

5. Reserves.

(a) **Administration.** The Owner or the Authority, as the case may be, shall establish any reserve described in this Section 5 in one or more financial institutions reasonably acceptable to the Authority and such reserves shall be used as permitted by this Agreement. To the extent a PHA-Assisted Units Shortfall occurs or is budgeted to occur with the written approval of the Authority as provided herein, funds shall first be drawn from the Subsidy Carryover Reserve Account as provided herein to remedy such Shortfall until the Subsidy Carryover Reserve Account has been reduced to zero; and then, funds shall be drawn from the PHA Tenant Rent Reserve Account as provided herein until the PHA Tenant Rent Reserve Account has been reduced to zero.

(b) Subsidy Carryover Reserve Account.

(i) *Deposits.* The Owner shall return to the Authority (effective as of the end of each such year) any excess of PHA-Assisted Units Income (plus Operating Subsidies) over PHA-Assisted Units Expenses, up to the amount of Operating Subsidy payments received by the Owner for such year, for deposit into a "Subsidy Carryover Reserve Account." Such amount shall be deposited on an annual basis within thirty (30) days after the date audited financial statements are provided by Owner to Authority in accordance with Section 7(b) hereof. Interest earned on this account shall be reinvested in the account and shall be available for use as described herein.

(ii) *Establishment and Ownership.* The Subsidy Carryover Reserve Account shall be maintained as a subaccount of the Authority's general fund. Funds placed in the Subsidy Carryover Reserve Account (including interest

UNOFFICIAL COPY

thereon) shall constitute restricted trust funds to be applied during the Term of this Agreement solely for the benefit of the PHA-Assisted Units in accordance with the terms and conditions hereof. Unless and until paid over to the Owner for use in operations, funds in the Subsidy Carryover Reserve Account shall remain the property of the Authority. Upon any sale or transfer of the Owner's interest in the PHA-Assisted Units during the Term of this Agreement, amounts remaining in the Subsidy Carryover Reserve Account shall continue to be available to assist the PHA-Assisted Units, in accordance with this Agreement. Upon termination of this Agreement, any funds in the Subsidy Carryover Reserve Account shall be released to the Authority free of any trust established pursuant to this Agreement.

(iii) *Withdrawals.* The Owner may request withdrawals from the Subsidy Carryover Reserve Account in connection with its annual budget in accordance with Section 4 or in accordance with the annual reconciliation described in Section 7(c) or at any other time. In any case, the Owner will provide to the Authority documentation establishing the need therefor, and the Authority shall disburse the amount of the PHA-Assisted Units Shortfall which is demonstrated to exist to the reasonable satisfaction of the Authority pursuant to Sections 4 and 7 hereof. Any disapproval by the Authority shall be accompanied by sufficient documentation so as to enable the Owner to determine the Authority's rationale for such disapproval. All withdrawals from the Subsidy Carryover Reserve Account are subject to the annual reconciliation process set forth in Section 7(c).

(c) **PHA Tenant Rent Reserve Account.**

(i) *Deposits.* All Tenant Rents shall be collected by the Owner and deposited into a non-assignable, interest bearing account designated as the "PHA Tenant Rent Reserve Account." Tenant Rents collected by the Owner during a month shall be deposited into the PHA Tenant Rent Reserve Account no later than the fifth business day of the next succeeding month. Pending such deposit, such moneys shall be held by the Owner for the account of the Authority. Interest earnings on Tenant Rents shall be deposited into the account in which such Tenant Rents are held.

(ii) *Establishment and Ownership.* The PHA Tenant Rent Reserve Account shall be maintained as a subaccount of the Authority's general fund. Funds placed in the PHA Tenant Rent Reserve Account (including interest thereon) shall constitute restricted trust funds to be applied during the Term of this Agreement solely for the benefit of the PHA-Assisted Units in accordance with the terms and conditions hereof. Unless and until paid over to the Owner for use in operations, funds in the PHA Tenant Rent Reserve Account shall remain the property of the Authority. Upon any sale or transfer of the Owner's interest in the PHA-Assisted Units during the Term of this Agreement, amounts remaining in the PHA Tenant Rent Reserve Account shall continue to be available to assist the PHA-Assisted Units, in accordance with this Agreement. Upon termination of

this Agreement, any funds in the PHA Tenant Rent Reserve Account shall be released to the Authority free of any trust established pursuant to this Agreement.

(iii) *Withdrawals.* The Owner may request withdrawals from the PHA Tenant Rent Reserve Account (A) in connection with its annual budget in accordance with Section 4, (B) in accordance with the annual reconciliation described in Section 7(c), (C) as required to pay capital costs attributable to the PHA-Assisted Units in accordance with All Applicable Public Housing Requirements, or (D) at any other time. In any case, the Owner will provide to the Authority documentation establishing the need therefor, and the Authority shall disburse the amount of the PHA-Assisted Units Shortfall (or required withdrawal for capital costs) which is demonstrated to exist to the reasonable satisfaction of the Authority pursuant to Sections 4 and 7 hereof. Any disapproval by the Authority shall be accompanied by sufficient documentation so as to enable the Owner to determine the Authority's rationale for such disapproval. All withdrawals from the PHA Tenant Rent Reserve Account are subject to the annual reconciliation process set forth in Section 7(c).

(iv) *Ceiling.* If at any time the fund balance in the PHA Tenant Rent Reserve Account together with the fund balance of the Subsidy Carryover Reserve Account shall exceed an amount equal to two times the current year's budgeted PHA-Assisted Units Expenses, such excess shall be released from the PHA Tenant Rent Reserve Account to the Authority free of any trust.

(d) **Operating Deficit Reserves.**

(i) *Deposits.* In accordance with the Operating Agreement, the Owner will create an operating reserve account and a working capital reserve ("Operating Deficit Reserves"). The Operating Deficit Reserves will be funded initially with equity and will not be replenished with Public Housing Funds.

(ii) *Establishment and Ownership.* The Operating Deficit Reserves will be established by the Owner and owned by the Owner.

(iii) *Withdrawals.* The Operating Agreement governs withdrawals made from the Operating Deficit Reserves.

(e) **ACC Reserve.**

(i) *Deposits.* In accordance with the Operating Agreement, the Owner will create an ACC Reserve ("ACC Reserve"). The ACC Reserve will be funded from equity in installments described in the Operating Agreement. No public housing funds will be used to fund or replenish the ACC Reserve.

(ii) *Establishment and Ownership.* The ACC Reserve will be established and owned by the Owner.

UNOFFICIAL COPY

(iii) *Withdrawals.* As provided in the Operating Agreement, the ACC Reserve may be used by the Owner to cover certain operating deficits on the PHA-Assisted Units. The Operating Agreement governs withdrawals from this reserve. In accordance with Section 6(c), the Owner covenants to the Authority to use all withdrawals from the ACC Reserve only for purposes relating to the PHA-Assisted Units, which may include the repayment of related debt and exit taxes (but only to the extent such exit taxes are otherwise payable by the Authority) upon disposition of the PHA-Assisted Units, expiration of the Tax Credit Requirements, and/or expiration of the Declaration of Restrictive Covenants. If not used for any such purpose, upon the sale or transfer of the PHA-Assisted Units, amounts in the ACC Reserve shall be returned to the Owner to be applied in accordance with the Operating Agreement.

(f) **Replacement Reserve.**

(i) *Deposits.* The Owner will create two reserve funds for replacements – a PHA-Assisted Unit Reserve Fund for Replacements and a non-PHA Assisted Units Reserve Fund for Replacements. Each Reserve Fund for Replacements will be funded at the greater of (i) \$300 per dwelling unit per year (increasing as provided in the Operating Agreement) or (ii) the amount required by the First Mortgage Lender. Public Housing Funds may only be used to fund the PHA-Assisted Unit Reserve Fund for Replacements.

(ii) *Establishment and Ownership.* The PHA-Assisted Units Replacement Reserve is established and owned by the Owner. The PHA-Assisted Units Replacement Reserve is considered to “belong to the development” and upon disposition of the PHA-Assisted Units, expiration of the Tax Credit Requirements, and/or expiration of the Declaration of Restrictive Covenants, amounts in such reserve fund shall continue to be used for replacement expenditures with respect to the PHA-Assisted Units in accordance with clause (iii) below. Upon casualty or condemnation without restoration of the PHA-Assisted Units, or in the event the PHA-Assisted Units are no longer operated as such, the PHA-Assisted Units Replacement Reserve will be paid to the Authority and constitute funds of the Authority with no obligation on the part of the Authority to return or remit such funds. If and to the extent the number of PHA-Assisted Units assisted under this Agreement decreases for any reason whatsoever, the amount required to be held hereunder in the PHA-Assisted Units Replacement Reserve shall be proportionately reduced, and the excess shall be paid to the Authority and constitute funds of the Authority with no obligation on the part of the Authority to return or remit such funds.

(iii) *Withdrawals.* The Operating Agreement governs withdrawals from the PHA-Assisted Unit Replacement Reserve. Amounts on deposit in the PHA-Assisted Units Replacement Reserve shall not be used for ordinary operation and maintenance expenses, but shall be held for needed capital expenditures relating to the PHA-Assisted Units for which amounts are not

UNOFFICIAL COPY

otherwise available. Any such expenditure shall be approved by the lenders (including the Authority) and the Investor to the extent required.

(g) **Replenishment of Reserves.** To the extent that any operating or replacement reserve funded with private equity is depleted and subsequently replenished with Operating Subsidy, Tenant Rent or other sources of funds available to the Authority, such replenishment funds shall be deposited into a segregated sub-account within the applicable reserve, and the use of such funds shall be subject to the prior approval of the Authority and All Applicable Public Housing Requirements.

6. Public Housing Transformation.

(a) **General.** The parties recognize that they are structuring a long-term relationship premised on, among other things, the continuation without substantial change of the Act and the maintenance of full federal appropriations to support the government's obligations under the Act and the Authority's obligations under this Agreement. The purpose of this Article is to ensure that in the event there should be any legislative changes, diminished appropriations, uncontrollable cost increases, or other circumstances not the fault of the Owner which create a PHA-Assisted Unit Shortfall, the viability of the PHA-Assisted Units can be maintained without unnecessary hardship to low-income residents or excessive claims on scarce resources of the Authority.

(b) **Application of the Act.** Subject to Section 6(d), nothing contained herein shall prevent or diminish the full application to the PHA-Assisted Units of any legislation enacted after the date hereof, including provisions for the termination of operating subsidies under Section 9 of the Act or of other Federal project-based assistance to public housing developments, including, without limitation, any provision thereof releasing or otherwise modifying occupancy or tenant rent restrictions previously applicable to tenants in such PHA-Assisted Units.

(c) **Owner Contribution Not Required.** It is of the essence of this Agreement that, during the Term hereof, the Owner will operate and maintain the PHA-Assisted Units in accordance with All Applicable Public Housing Requirements; *provided, however*, except in the case of an Owner default hereunder, the Owner shall at no time be required to contribute from its own funds (including reserves established under the Operating Agreement other than the Replacement Reserve) toward PHA-Assisted Units Expenses in order to preserve the PHA-Assisted Units as required hereunder. Notwithstanding the foregoing, the Owner agrees to hold and maintain the ACC Reserve in accordance with the Operating Agreement, and to use and apply the ACC Reserve only for purposes relating to the PHA-Assisted Units.

(d) **Initial Remedies.** In the event that legislative changes or diminished appropriations reduce the amount of operating subsidy provided by HUD to the Authority under Section 9 of the Act as in effect on the date hereof, or in the event that there is a PHA-Assisted Units Shortfall for any reason, subject to the provisions of Section 12(d), the Authority shall remain obligated to pay the Operating Subsidies to Owner in accordance with Section 4 hereof and Owner shall continue to operate and maintain the PHA-Assisted Units as required hereunder; *provided, however*, that:

UNOFFICIAL COPY

(i) *Withdrawals from Reserves.* If the PHA-Assisted Units Income plus all forms of financial assistance made available in respect of such units (including, without limitation, the Operating Subsidies, other project-based or tenant-based operating or rental assistance or subsidies, or other contributions by or on behalf of the Authority), are less than PHA-Assisted Units Expenses, the Owner shall request withdrawals from the Subsidy Carryover Reserve Account and the PHA Tenant Rent Reserve Account (in that order of priority) in order to assure that such PHA-Assisted Units Income plus withdrawals from reserves is sufficient to cover PHA-Assisted Units Expenses and to insure continued operation of the PHA-Assisted Units as required hereunder. Amounts due to the Owner shall be paid within thirty (30) days following receipt by the Authority of appropriate documentation.

(ii) *Adjustments to Income and Expenses.* If (A) the quarterly statements of income and expenses for the PHA-Assisted Units delivered pursuant to Section 7(a) shall indicate a PHA-Assisted Units Shortfall over a period of two successive quarterly periods, taking into account all payments of Operating Subsidies made by the Authority during such period, and the Owner reasonably forecasts that such operating loss will continue for the next two quarterly periods, or (B) a PHA-Assisted Units Shortfall is reasonably forecasted to occur for the next two quarterly periods, then the Owner may avail itself of the provisions of Paragraph (iv) and Paragraph (v) below, but only if the Owner also utilizes Paragraph (iii).

(iii) *Cost Cutting Plan.* The Owner shall undertake in good faith to develop a plan to reduce PHA-Assisted Units' operating expenses (but not to the physical, operational or financial detriment of the PHA-Assisted Units). However, the Owner shall not be required to seek to reduce maintenance, renewal and replacement and other PHA-Assisted Units' operating expenses below a prudent level or below the level of such expenses incurred for other comparable units managed by the Management Agent subject to Section 42 of the Code as a condition to, or as a preferred corrective action to, seeking to increase income from Tenant Rents in accordance with the following paragraphs; nor shall the Owner be required to reduce the management fee below market levels; to reduce resident services expenditures below that required to support the resident population; to reduce services and amenities below that required to competitively market to, and retain, residents; or in a manner which would violate any Mortgage Loan obligations, any of the All Applicable Public Housing Requirements or the Tax Credit Requirements.

(iv) *Adjust Income Mix on Turnover.* The Owner and the Authority shall take such steps as may be necessary, to the extent permitted by and in accordance with All Applicable Public Housing Requirements, and subject to the Tax Credit Requirements, to increase the income level of new tenants admitted to the PHA-Assisted Units including admitting public housing-eligible families having higher income levels than would otherwise receive priority under the

UNOFFICIAL COPY

system of preferences used by the Authority and/or applicable to the PHA-Assisted Units.

(v) *Cooperation of the Authority and the Owner.* In order to facilitate the rental of PHA-Assisted Units to public housing-eligible families having higher income levels as provided in the preceding paragraph, the Authority will offer other public housing units or Housing Choice Vouchers or certificates, to the extent available to the Authority, to sufficient tenants in the Development so as to encourage lower-income tenants to vacate the PHA-Assisted Units in favor of higher income public housing eligible families. This preference shall be reflected in the Authority's Housing Choice Voucher plan. In addition, in order to facilitate such purpose, the Owner agrees to use reasonable efforts to make available (subject to income and other qualifications) a designated tax credit unit to any lower-income tenant affected as a consequence of actions taken pursuant to this Section 6 and to whom a Housing Choice Voucher has been assigned.

(e) **Transformation.** In the further event that at least six months after delivery of the quarterly statements referred to in Section 6(d)(ii) all such actions by the Owner and the Authority are insufficient to eliminate the PHA-Assisted Units Shortfall on an ongoing basis, and in accordance with Section 35(h) of the Act (42 U.S.C. 1437z-7(h)), if as a result of a reduction in appropriations under Section 9 of the Act, or any other change in applicable law, the Authority is unable to fulfill its contractual obligations to the Owner with respect to the PHA-Assisted Units under this Agreement, and the measures taken pursuant to paragraph (d) of this Section have proven to be insufficient to preserve the viability of the PHA-Assisted Units, the Owner may deviate, under procedures and requirements developed through regulations by HUD, from otherwise applicable restrictions under the Act regarding rents, income eligibility and other areas of public housing management with respect to a portion or all of the PHA-Assisted Units, to the extent necessary to preserve the viability of these PHA-Assisted Units while maintaining the low income character of the PHA-Assisted Units to the maximum extent practicable; *provided, however,* (A) the flexibility provided by Section 35(h) of the Act is limited to mixed income projects involving a "significant number of units other than public housing units," the Owner and the Authority acknowledge that HUD has not issued regulations as of this time to implement the authority set forth in Section 35(h) and, thus, has not yet established a regulatory standard for determining which mixed income developments may qualify for the flexibility provided by Section 35(h); and (B) HUD expects to require housing authorities that have entered into regulatory and operating agreements with qualifying mixed income developments to submit for HUD approval a Transformation Plan (as defined below) specifying how the Section 35(h) remedies will be implemented with respect to the project. The requirements governing the content of the Transformation Plan, and HUD's standards for reviewing and approving these plans, will be established as part of a notice and comment rulemaking.

(f) **Transformation Plan.**

(i) Before the Owner may exercise its rights under Section 6(e), the Owner and the Authority shall develop and agree upon the Transformation Plan which satisfies All Applicable Public Housing Requirements and sets forth in detail the nature and priority of different remedial actions to be taken, the rights of existing tenants affected thereby, and other relevant matters (the "Transformation Plan"). Such plan must be reasonably likely to eliminate any PHA-Assisted Units Shortfall while maximizing the availability of PHA-Assisted Units for low-income and very-low income families and minimizing the adverse effects on existing tenants. The parties recognize that this is a complex balance involving a choice between, for instance, greater change affecting fewer units or a smaller change affecting many units.

(ii) The Owner and the Authority shall make diligent efforts in good faith to agree upon the Transformation Plan, after notice to and appropriate discussion with HRC and the residents of the PHA-Assisted Units. If the Owner and the Authority shall fail to agree prior to the Owner being entitled to exercise remedies in accordance with Section 6(e) or within sixty (60) days of the Owner proposing the Transformation Plan (whichever is later), the Owner may proceed to implement the Transformation Plan. All such plans shall be specifically subject to HUD's approval to the extent required by All Applicable Public Housing Requirements.

(iii) The Transformation Plan shall provide as follows, in addition to any provisions required by (and to the extent not inconsistent with) All Applicable Public Housing Requirements:

(A) Revisions in the rent structure may require some households to pay more than 30% of their adjusted household income and/or may impose a higher minimum rent applicable to all households. The Owner shall give the Authority and each affected household at the Development written notice of the new rent structure, which shall be effective no sooner than thirty (30) days following such notice.

(B) To the extent that the Authority is reasonably able to provide substitute housing (Section 8 or public housing) to households unable to pay the rent which the Owner has specified for such household's adjusted gross income, the Authority shall offer such substitute housing and the Owner may require such household to vacate its unit at the Development, but no sooner than permitted under All Applicable Public Housing Requirements.

(C) All expenses to be incurred in relocating residents shall be provided for in the Transformation Plan.

(g) **Restoration of Units.** If, subsequent to institution of remedial steps described above, the Operating Subsidies, the resources provided hereunder, and any other resources made available shall support operation on a continuing basis of all or a portion of the number of PHA-Assisted Units in a manner that prevents a PHA-Assisted Unit Shortfall, the obligation of Owner to so operate such number of units as public housing in accordance with the terms hereof shall be reinstated, subject to continuing rights of existing tenants.

7. Financial Statements and Reports.

(a) **Quarterly Statements.** Not later than sixty (60) days after the end of each successive quarterly period, commencing with the calendar quarter in which the first PHA-Assisted Unit is available for occupancy, the Owner shall deliver to the Authority, itemized statements of income and expenses, prepared on an accrual basis, including the receipt of any reserve funds made available by the Authority, in form substantially comparable to "Statement of Profit and Loss" (formerly Form HUD-92410), or any successor thereto, certified by the general partner/manager/chief financial officer of the Owner, for the quarterly period and from the beginning of the Development Fiscal Year to the end of such quarterly period. Such quarterly statements shall be supplemented by such additional quarterly financial information as may be reasonably requested by the Authority.

(b) **Annual Financial Statements.** Not later than one hundred and twenty (120) days after the end of each Development Fiscal Year, the Owner shall deliver to the Authority and, on behalf of the Authority, to HUD a copy of the independently audited financial statements of the Owner for such year and the period then ended, prepared in accordance with generally accepted accounting principles and accompanied by the report of independent public accountants thereon, together with a copy of any additional financial statements or reports delivered by the Owner to its partners/members. Such financial statements shall be accompanied by supplemental data, together with the report of independent public accountants thereon, which shall show on an accrual basis for such period (i) PHA-Assisted Units Income, (ii) actual PHA-Assisted Units Expenses, (iii) the amount of the Operating Subsidy received by the Owner, (iv) any deposits to and withdrawals from the Reserves and any other operating revenues or assistance attributable to the PHA-Assisted Units, (v) the balance at the end of the period of the Subsidy Carryover Reserve Account, the PHA Tenant Rent Reserve Account, the ACC Reserve, and any other reserve or special account relating specifically to the PHA-Assisted Units, (vi) aggregate stated lease Tenant Housing Payments and the amounts thereof uncollected from PHA-Assisted Units for which no eviction actions have been commenced, and (vii) deposits to and withdrawals from the Replacement Reserve, together with a summary of all capital expenditures made. If, after thirty (30) days written notice from the Authority, the Owner shall fail to deliver such financial statements to the Authority, the Authority shall have the right to retain an independent auditor to conduct an audit of the financial statements of the Owner and to charge the reasonable cost thereof to the Owner.

(c) **Annual Reconciliation.**

(i) If the supplemental data provided pursuant to Section 7(b) shall show an excess of PHA-Assisted Units Income plus Operating Subsidies plus withdrawals from Reserves over actual PHA-Assisted Units Expenses, then not later than thirty (30) days following delivery of such supplemental data to the Authority, the Owner shall redeposit into the respective Reserves amounts withdrawn in the subject year up to the amount of any excess shown in the foregoing annual reconciliation. The Owner shall return to the Authority any Excess Operating Subsidy for deposit into the Subsidy Carryover Reserve Account.

(ii) If the supplemental data provided pursuant to Section 7(b) shall show an excess of actual PHA-Assisted Units Expenses over PHA-Assisted Units Income plus Operating Subsidies plus withdrawals from Reserves, the Owner may request that the deficit amount be remedied from amounts held to the credit of the Subsidy Carryover Reserve Account and the PHA Tenant Rent Reserve Account, in that order of priority, and to the extent of available funds the Authority shall disburse the amount of the deficit demonstrated to exist to the reasonable satisfaction of the Authority. Amounts due to the Owner shall be paid within thirty (30) days following receipt of appropriate documentation.

(d) **Additional Reconciliation.** Separately and independently from the reconciliation provided for under Section 7(c), the Owner shall contribute to the Subsidy Carryover Account, not later than 145 days after the end of each Development Fiscal Year, the amount, if any, of Operating Subsidies (including therein any amount paid by the Authority to the Owner in respect of such period pursuant to the last sentence Section 7(c)) received by the Owner during such period attributable to any PHA-Assisted Unit for a period in which such PHA-Assisted Unit was vacant (after having been initially occupied) for a period longer than sixty (60) days, provided that such period of vacancy shall not be attributable to any action or omission by the Authority if, as a result of a change in applicable law or regulation, the Authority shall exercise functions in connection with the selection and admission of applicants for PHA-Assisted Units which are reserved to the Owner, and delegated to the Management Agent pursuant to Section 3(d) hereof:

(i) A PHA-Assisted Unit shall be deemed vacant (i) commencing on the first day for which rent is not charged for such unit following completion or termination of occupancy as an PHA-Assisted Unit, and (ii) ending on the day preceding the first day for which rent is charged for such unit based on occupancy or re-occupancy as a PHA-Assisted Unit, or the first day for which rent is charged for occupancy as a PHA-Assisted Unit of a different unit which was not then previously occupied as a PHA-Assisted Unit, whichever shall first occur; and

(ii) The amount of Operating Subsidy attributable to a unit for a period in which such unit was vacant for a period longer than sixty (60) days shall be determined based on the actual period of vacancy.

8. Insurance Requirements; Restoration of Property.

(a) **Insurance.** The Owner shall procure and maintain or cause to be procured and maintained in force adequate insurance to protect the Owner and the Authority from financial loss resulting from hazards, including, without limitation, hazards insured against under such types of coverages as are required by Part B, Attachment VII, of the ACC, and by Exhibit C attached hereto, or if stricter, such coverages and in such amounts as may be required under the Mortgage Loans and the CHA Loans, and such other hazards to which the Owner determines that exposure exists. Without limiting the generality of the foregoing, the Owner shall maintain all-risk insurance with respect to all insurable property pertaining to the PHA-Assisted Units, against loss or damage by fire, lightning, windstorm, explosion, hail, tornado and such other hazards as are presently included in so-called "all-risk" coverage, in an amount no less than 100% of the full replacement cost, including the cost of debris removal, without deduction for depreciation and sufficient to prevent the Owner from being a co-insurer, such insurance to be in builder's risk (non-reporting) form during and with respect to any construction on the site of the PHA-Assisted Units.

(b) **Restoration.** If any act or occurrence of any kind or nature (including any taking by condemnation or any casualty) shall result in damage to or loss or destruction of the PHA-Assisted Units in whole or in part, and without diminution of any obligation of the Owner in respect thereof under the Mortgage Loans, the Owner, to the extent that insurance proceeds or condemnation proceeds and other funds, if any, made available by the Owner or the Authority (including, without limitation, by further advance pursuant to the First Mortgage Loan or the CHA Loans) permit, shall promptly cause the restoration, reconstruction and/or repair of the PHA-Assisted Units as nearly as possible to their value, condition and character immediately prior to such taking or casualty. The documents securing the Mortgage Loans shall contain provisions requiring restoration consistent with the foregoing, if such restoration shall be determined feasible in accordance with such controlling documents approved by the Authority and HUD under the requirements of the ACC as amended by the Mixed-Finance Amendment. If such condemnation or insurance proceeds and other available funds are not sufficient or restoration is otherwise determined in accordance with the such approved documents not to be feasible, such proceeds shall be applied in accordance with the documents securing the Mortgage Loans, and the number of units (and bedroom count) in the Development remaining following such taking or casualty (and following any construction, reconstruction or repair undertaken by reason thereof or necessitated thereby) which shall be PHA-Assisted Units shall be determined in accordance with Section 12(B) of the ACC, as amended by Section 11 of the Mixed-Finance Amendment. No restoration of the PHA-Assisted Units shall commence unless and until the plans for such restoration have been approved by the Authority and HUD, and after compliance with applicable procedures of the Horner amended consent decree and Horner Court Orders. The Owner agrees not to agree to any amendment or modification of the documents securing the Mortgage Loans with respect to damage, destruction or condemnation without the express written consent of the Authority.

9. Disposition and Encumbrance.

(a) **Transfers of Interests in the Development or the PHA-Assisted Units.** During the Term of this Agreement and during such further period when such approval may be required

UNOFFICIAL COPY

by law as then in effect, and subject to Sections 9(c) and 9(d), the Owner shall not demolish or dispose of its interest in the Development or the PHA-Assisted Units (including, without limitation, by conveyance or lease of the PHA-Assisted Units or any portion thereof, or by assignment of the Owner's rights under this Agreement), without the prior written approval of the Authority (which shall not be unreasonably denied, withheld, or delayed) and HUD and subject to All Applicable Public Housing Requirements; *provided, however*, that no approval shall be required for tenant leases entered into in the ordinary course of business and in conformity with the requirements of Section 3 and the Management Plan.

(b) **Further Encumbrances.** During the Term of this Agreement, and subject to Sections 9(c) and 9(d) the Owner shall not mortgage, pledge or otherwise encumber its interest, or any portion of its interest in the PHA-Assisted Units, or pledge any assets of the Development as collateral for a loan, without the prior written approval of the Authority and HUD, nor shall it modify the terms of any of the Mortgage Loans or any other mortgage, pledge or encumbrance which has been previously approved by the Authority and HUD, without the prior written approval of the Authority and HUD.

(c) **Exclusions.** The following actions are expressly excluded from the covenants set forth in Sections 9(a) and 9(b);

(i) The mortgage of the Owner's interest in the Development or the PHA-Assisted Units pursuant to the Mortgage Loans and the CHA Loans and transfer of the Development or the PHA-Assisted Units to the mortgagee under any such approved loans, by foreclosure or by deed-in-lieu of foreclosure, or to a third-party purchaser pursuant to a foreclosure sale, provided that any such transfer shall be subject to the terms of the Declaration of Restrictive Covenants, the Right of First Refusal Agreement and this Agreement. Such transfer shall not be deemed to be an assignment of Development grant funds and shall not constitute a succession to any right to benefits of the Authority under the ACC or Mixed-Finance Amendment, nor shall it constitute attaining any privileges, interests, or rights in or under the ACC or Mixed-Finance Amendment, and shall be subject to the terms of the Declaration of Restrictive Covenants, and other All Applicable Public Housing Requirements;

(ii) Dwelling leases with eligible families in the PHA-Assisted Units in conformity with the Management Plan;

(iii) Conveyance or dedication of land for use as streets, alleys, or other public rights-of-way, and grants and easements for the establishment, operation, and maintenance of public utilities that serve the Development;

(iv) Subordinate liens approved in writing by the Authority, HUD and by senior lien holders created in connection with purchase or financing of replacements or repairs necessary for the normal use and operation of the PHA-Assisted Units; and

(v) Normal uses and encumbrances associated with the operation of the PHA-Assisted Units.

(d) Transfers of Interests in Owner.

(i) No transfer, conveyance, or assignment shall be made, without the prior written approval of HUD and the Authority, of: (A) any interest of a manager, managing member, general partner, or controlling stockholder (any such interest being referred to as a "Controlling Interest") in the Owner; or (B) a Controlling Interest in any entity which has a Controlling Interest in the Owner; or (C) prior to payment in full of all equity contributions described in the approved evidentiary documents, other than equity contributions to be made by the Investor solely for the purpose of paying developer fees, any other interest (any such interest being referred to as a "Non-Controlling Interest") in the Owner or in any member, partner or stockholder in the Owner.

(ii) Notwithstanding the provisions of subparagraph (d)(i) above,

(A) HUD's consent is not required for the transfer of any Non-Controlling Interest in the Owner, or in any partner, member or stockholder thereof (regardless of whether payment in full of all equity contributions has been made to the Owner), provided that HUD and the Authority are provided with (x) written notice in advance of such transfer, and (y) a certification that the applicable partner, member or stockholder, as appropriate, is obligated to fund its equity contribution in accordance with the approved organizational documents of the Owner.

(B) [Reserved]

(C) The Authority's consent is not required for the assignment of a non-managing member interest in the Owner to an "Affiliate" (as defined below), provided that such Affiliate or its general partner or managing member: (x) provides HUD and the Authority with written notice of any such assignment, and (y) certifies to HUD and the Authority that the new owner of the non-managing member interest in the Owner is obligated to fund its remaining equity contributions in accordance with the HUD-approved organizational documents of the Owner, and provided further that the Owner is not in default hereunder or under the Authority Loan Documents. For purposes of this subparagraph (C), "Affiliate" means any successor to the Investor as member under the Operating Agreement, which successor is under common control with the predecessor investor member.

(D) HUD and the Authority consent are not required to the pledge and collateral assignment by the Owner's manager of its economic interest in Owner to JPMorgan Chase Bank, N.A. (the "Bank") pursuant to that Collateral Assignment and Pledge Agreement (Membership Interest),

UNOFFICIAL COPY

dated as of October 1, 2006, in favor of the Bank; provided, however, that the exclusion of such pledge and collateral assignment from the transfer restrictions contained herein shall not permit the replacement of the existing manager or the admission of a new or substitute manager.

(E) HUD and the Authority consent are not required to (x) the collateral pledge and assignment (the "Investor Pledge") of the Non-Controlling Interest in the Owner to the Owner as security for the obligation of the Investor to make its capital contributions to the Owner pursuant to the Operating Agreement and (y) the collateral pledge and assignment by the Owner of its economic interest in the Non-Controlling Interest in the Owner granted under the Investor Pledge to the Bank pursuant to the Collateral Assignment and Pledge Agreement (Investor Notes and Subscriptions), dated as of October 1, 2006, provided (x) HUD and the Authority are provided with written notice of any enforcement action with respect to any such collateral pledge and assignment, and (y) the transferee pursuant to such enforcement action certifies to HUD and the Authority that the new owner of the economic interest is obligated to fund the portion of the remaining equity contributions, if any, in accordance with the terms of the Operating Agreement to be used for construction of the Development and to otherwise comply with the terms of the Operating Agreement.

(F) No Controlling Interest or Non-Controlling Interest in the Owner or in any member, manager, partner or stockholder in the Owner may be transferred to a transferee who is a "Prohibited Person". As used herein, the term "Prohibited Person" shall mean any person or entity whose acquisition of interests in the Owner or the PHA-Assisted Units would constitute a violation of the conflict of interest rules of the Authority or All Applicable Public Housing Requirements or any person or entity who has, or an affiliate of any such person or entity has, been prohibited or debarred from doing business with the Authority or the City.

(iii) Neither HUD nor the Authority shall unreasonably withhold, delay, or condition a request for consent to any of the foregoing transfer of the Owner or any of the partners, members, managers or stockholders of the Owner.

10. Non-Discrimination and Other Federal Requirements.

The Owner will comply with all applicable requirements of the following, as the same may be amended from time to time:

(i) The Fair Housing Act, 42 U.S.C. 3601-19, and regulations issued thereunder, 24 CFR Part 100; Executive Order 11063 (Equal Opportunity in Housing) and regulations issued thereunder, 24 CFR Part 107; and the fair housing poster regulations, 24 CFR Part 110;

(v) Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u, and its implementing regulations at 24 CFR Part 135;

(vi) Wage rates under the Davis-Bacon Act (40 U.S.C. 276a *et. seq.*) to the extent applicable.

11. Owner Default and Remedies.

(a) **Default.** A default by the Owner under this Agreement shall occur if the Owner violates or breaches this Agreement or fails to comply in any material respect with any provision of, or obligation under, All Applicable Public Housing Requirements or this Agreement (including, without limitation, by reason of its violation, breach, or failure to comply with any agreement referenced in Section 3(a) hereof). A default by the Owner that is attributable to an action or omission of the Management Agent shall be deemed a default by the Owner for purposes of this Section.

(b) **Notice and Cure.** Upon a determination by the Authority that a default by the Owner has occurred, the Authority shall notify HUD, the Owner, HRC, the First Mortgage Lender and the Investor of (i) the nature of the default, (ii) the actions required to be taken by the Owner and/or Investor to cure the default, and (iii) the time (no less than thirty (30) days) within which the Owner and/or Investor shall respond with a showing that all required actions have been taken, provided that if the default by its nature cannot be cured within the aforesaid thirty (30) day period, the Owner and/or Investor may have additional time, with the Authority's written approval, as may be reasonable given the circumstances to effect a cure of the default. The Authority reserves the right to monitor the Owner's and/or Investor's efforts to cure; and further reserves the right to reduce and/or terminate the time period allowed herein (but in no event less than thirty (30) days) where further actions to cure have not been made by the Owner and/or the Investor.

(c) **Remedies.** If the Owner and/or the Investor fails to respond or take corrective action to the satisfaction of the Authority as provided herein, the Authority shall have the right to exercise any remedy available to it by reason of such default, including without limitation, to seek appropriate relief in any court having jurisdiction, including but not limited to specific performance, injunctive relief, the termination of Operating Subsidies hereunder, or the appointment of a receiver to take over and operate the PHA-Assisted Units in accordance with the terms of this Agreement without prejudice to the right of the Authority, alternatively or in addition to the foregoing, to exercise any remedy available to it, if any, if the nature of such

default hereunder, would constitute a default under Authority Loan Documents, the Declaration of Restrictive Covenants or the Management Agreement.

12. Authority Default and Remedies.

(a) **Default.** A default by the Authority under this Agreement shall occur if the Authority materially violates or breaches this Agreement or fails to comply with any provision of or obligation under All Applicable Public Housing Requirements, including this Agreement (including, without limitation, by reason of its violation, breach, or failure to comply with any governing law, regulation, or agreement referenced in Section 3(a).

(b) **Notice and Cure.** Upon determination by the Owner that a default by the Authority has occurred, the Owner shall notify the Authority, HUD, HRC, and the Investor of (i) the nature of the default, (ii) the actions required to be taken by the Authority to cure the default, and (iii) the time (no less than sixty (60) days in the case of a failure to pay Operating Subsidies hereunder and thirty (30) days in all other cases) within which the Authority shall respond with a showing that all required actions have been taken, provided if the default by its nature cannot be cured within the aforesaid period, the Authority may have an additional ninety (90) days, with the Owner's written approval, and as may be reasonable given the circumstances to effect such a cure of the default; provided, however, no extension of time shall be permitted in the case of a payment or reimbursement for capital items pursuant to Section 4(c). (c) **Remedies.** If the Authority fails to respond or take corrective action to the satisfaction of the Owner, the Owner shall have the right, after exercising its rights under Section 6 in accordance with the provisions thereof, to seek appropriate relief in any court having jurisdiction, including but not limited to specific performance or injunctive relief, and alternatively or in addition the foregoing, to exercise any remedy available to it.

(d) **Nonrecourse.** Notwithstanding anything to the contrary herein, in the event that diminished appropriations under Section 9 of the Act or other legislative changes significantly reduce the amount of operating subsidy that the Authority is able to provide to the Owner, the Owner (i) shall have, as exclusive remedies, the remedies contained in this Agreement, consistent with the Act and applicable HUD Regulations issued pursuant thereto, including, but not limited to, disbursements from the Reserves, and steps taken by the Owner to increase the income levels of tenants in the PHA-Assisted Units, and (ii) shall have no recourse under this Agreement against any other project of the Authority, as the term "project" is defined in the ACC, or any other Public Housing Funds (excluding Tenant Housing Payments) available to the Authority.

assignment of capital funds, development funds, HOPE VI grant funds and/or operating funds, and the Owner and/or Investor or other participating party shall not succeed to any rights or benefits of the Authority under the ACC, and/or Mixed-Finance Amendment, or attain any privileges, authorities, interests, or rights in or under the ACC, the Mixed-Finance Amendment or the HOPE VI Grant Agreement, if applicable.

(b) **No Other Relationship.** Nothing contained in the ACC and/or Mixed-Finance Amendment, or the HOPE VI Grant Agreement (if applicable), or in any agreement between the Authority and the Owner and/or Investor, nor any act of HUD or the Authority, shall be deemed or construed to create any relationship of third-party beneficiary, principal and agent, limited or general partnership, joint venture, or any association or relationship involving HUD, except between HUD and the Authority as provided under the terms of the ACC and/or the Mixed-Finance Amendment, provided, however, that the First Mortgage Lender under the mortgage and note secured thereby identified on Exhibit E to the Mixed-Finance Amendment shall be entitled to rely upon Section 12(c) and (d) of the Mixed-Finance Amendment.

(b) **Entire Agreement.** This Agreement constitutes the entire agreement among the parties and supersedes any prior agreement or understanding among them with respect to the subject matter hereof.

(c) **Amendments.** Subject to All Applicable Public Housing Requirements, this Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties and approved in writing by HUD.

(d) **No Waiver.** No delay or omission by either party in exercising any right or remedy available hereunder shall impair any such right or remedy or constitute a waiver thereof in the event of any subsequent occasion giving rise to such right or availability of remedy, whether of a similar or dissimilar nature. Nothing in this Agreement shall constitute a waiver by HRC or the parties hereto of any rights under the Horner amended consent decree and Horner Court Orders.

Methodology to Determine Reasonableness of Proposed Budget

In the event the Owner's proposed Operating Budget is disapproved by the Authority, a process shall be initiated in order to determine the appropriate level of Estimated PHA-Assisted Units Expenses for the following year ("Third Party Determined Expenses").

The Third Party Determined Expenses as determined pursuant to the methodology described herein shall be used to determine the Operating Budget for the following Development Fiscal Year. All determinations shall be supported in writing by underlying data and shall set forth the reasoning and computations relied on and used.

Third Party Determined Expenses shall be the "Allowed PHA-Assisted Units Expenses" determined by an independent real estate management firm experienced in the Chicago apartment market ("Expert") selected jointly by the Authority and the Owner.

If the Authority and Owner are unable to agree on an Expert, Third Party Determined Expenses shall be determined as follows: the Authority and Owner shall each select an Expert and both Experts shall determine Third Party Determined Expenses. If the higher of the two determinations does not exceed the lower by more than ten percent (10%), then the two shall be averaged to determine Third Party Determined Expenses and such averages shall be binding on all parties in interest.

If the two determinations differ by more than ten percent (10%), then the two Experts shall select a third Expert, or if they are unable, a third Expert shall be appointed by a judge of the Circuit Court of Cook County. Such Expert shall then provide a separate determination of Third Party Determined Expenses ("Independent Determination"). The Independent Determination together with that determination made on behalf of one of the parties which is closest in amount to the Independent Determination shall be averaged, and the amount so determined shall thereupon be binding on all parties in interest. If the Independent Determination differs by the same amount from each of the other two determinations, the value set forth in the Independent Determination shall thereupon be binding on all parties in interest. The cost and fees of the appointment of such third Expert shall be borne equally by the Authority and the Owner.

All Third Party Experts shall at the time of appointment be knowledgeable and experienced in the management of apartments in the Chicago market.

The parties and their assigns and successors in interest agree that they will proceed as expeditiously as possible in determining the Third Party Determined Expenses. The procedure shall, if at all possible, be completed in no more than thirty (30) days. If either party fails to appoint a qualified Expert within ten (10) days after requested to do so by the other party, such failure shall constitute a waiver by the party of its right to appoint an Expert, and the determination of the Expert selected by the other party shall be binding on all parties in interest.

EXHIBIT C

Insurance Requirements

The Owner agrees to procure and maintain at all times during the term of this Agreement the types of insurance specified below in order to protect the Authority from the acts, omissions and negligence of the selected respondent, its officers, officials, subcontractors, joint venture, partners, agents or employees. The insurance carriers used by the Owner must be authorized to conduct business in the State of Illinois and shall have a BEST Rating of not less than an "A". The insurance provided shall cover all operations under this Agreement, whether performed by the Owner or by its subcontractors.

A. Required Insurance Coverages:

1. Workers Compensation and Occupational Disease Insurance in accordance with the laws of the State of Illinois (Statutory) Coverage A, and Employer's Liability, Coverage B, in an amount of not less than \$500,000/\$500,000/\$500,000.
2. All-Risk Property Damage: Owner shall obtain an all-risk property policy in the amount of the full replacement value, including improvements and betterments, covering damage to or loss of the Premises. The insurance shall include the following extensions: business interruption/loss of rents, and boiler and machinery, if applicable. The policy shall list the Authority as loss payee.
3. Commercial Liability Insurance. Commercial Liability Insurance provided is to have a limit of not less than One Million Dollars (\$1,000,000) per occurrence with a Per Project aggregate of not less than Two Million Dollars (\$2,000,000) (i.e. \$1,000,000/\$2,000,000). In addition to the stipulations outlined above, the insurance policy is to include coverage for Contractual Liability, Products-Completed Operations, Personal & Advertising Injury and will also cover injury to Owner's officers, employees, agents, subcontractors, invitees and guests and their personal property. The Authority and Receiver are to be endorsed as additional insureds on the policy and such insurance will be endorsed as primary and non-contributory with any other insurance available to the Authority
4. Automobile Liability Insurance. When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, the Owner shall provide Comprehensive Automobile Liability Insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence CSL, for bodily injury and property damage. The Authority and Receiver are to be endorsed as additional insureds on the Owner's policy and such insurance will be endorsed as primary and non-contributory with any other insurance available to the Authority.

5. Professional Liability. When any architects, engineers, construction managers, property managers or other professional consultants perform work in connection with this Agreement, Professional Liability insurance covering acts, errors or omissions shall be maintained with limits of not less than Five Million Dollars (\$5,000,000) per occurrence. Coverage extensions shall include Blanket Contractual Liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of services under this Agreement. A "claims-made" policy which is not renewed or replaced must have an extended reporting period of two (2) years.
6. Blanket Crime. The Owner shall provide Blanket Crime coverage in a form reasonably acceptable to the Authority, against loss by dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery and other related crime risks. The policy limit shall be written to cover losses in the amount of the maximum monies collected, received and/or in the Owner's care at any given time, but shall in no event be less than the aggregate amount of two months' operating subsidy and projected ten(m) rents.

B. Related Requirements

1. The Owner shall advise all insurers of the contract provisions regarding insurance. The failure of the Owner to notify insurers of the contract provisions shall not relieve Owner of its insurance obligations under this Agreement. Nonfulfillment of the insurance provisions shall constitute a breach of the contract and the Authority retains the right to stop work until proper evidence of insurance is provided.
2. The Owner shall furnish the Chicago Housing Authority, Risk Management Department, 626 West Jackson Blvd., Fifth Floor, Chicago, Illinois 60661, original Certificates of Insurance evidencing the required coverages to be in force on the effective date of this Agreement. In addition, copies of the endorsement(s) adding the Authority and Receiver to the policies as additional insureds is required.
3. Renewal Certificates of Insurance, requested endorsements, or such similar evidence is to be received by the Risk Management Department prior to expiration of insurance coverage. At the Authority's option, non-compliance may result in one or more of the following actions, in addition to any rights or remedies in this Agreement: (1) The Authority will purchase insurance on behalf of Owner and will charge back all costs to Owner; (2) all payments due Owner will be held until Owner has complied with this Agreement; or (3) Owner will be assessed Five Hundred Dollars (\$500) for every day of non-compliance. The receipt of any certificate

does not constitute agreement by the Authority that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with the requirements of this Agreement. The insurance policies shall provide for thirty (30) days written notice to be given to the Authority in the event coverage is substantially changed, canceled or non-renewed.

4. If any of the required insurance is underwritten on a "claims-made" basis, the retroactive date shall be prior to or coincident with the date of this Agreement and the Certificate of Insurance shall state the coverage is "claims-made" and also the retroactive date. The Owner shall maintain coverage for the duration of this Agreement. A "claims-made" policy which is not renewed or replaced must have an extended reporting period (tail coverage) of two (2) years. Any extended reporting period premium (tail coverage) shall be paid by Owner. The Owner shall provide to the Authority, annually, a certified copy of the insurance policies obtained pursuant hereto. It is further agreed that the Owner shall provide the Authority thirty (30) days' notice in the event of the occurrence of any of the following conditions: aggregate erosion in advance of the retroactive date, cancellation and/or non renewal.
5.
