**NOW, THEREFORE**, in consideration of the mutual covenants and agreements herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby covenant and agree as follows:

## AGREEMENTS:

1. The Tenant represents and warrants to the Lender that the Lease (along with the Construction Escrow Agreement) constitutes the entire agreement between the Tenant and the Landlord with respect to the Leased Premises and there are no other agreements, written or verbal, governing the tenancy of the Tenant with respect to the Leased Premises.
2. The Tenant has executed and delivered to the Lender that certain Tenant Estoppel Certificate dated on or about the date hereof (the "Estoppel Certificate"). The provisions of the Estoppel Certificate are hereby incorporated into this Agreement as if fully set forth in this Agreement in their entirety, and the Tenant acknowledges that the Lender will be relying on the statements made in the Estoppel Certificate in determining whether to disburse the proceeds of the loan secured by the Mortgage and whether to enter into this Agreement.
3. The Tenant covenants with the Lender that the Lease shall be subject and subordinate to the lien and all other provisions of the Mortgage and to all modifications and extensions thereof, to the full extent of all principal, interest and all other amounts now or hereafter secured thereby and with the same force and effect as if the Mortgage had been executed and delivered prior to the execution and delivery of the Lease. Without limiting the generality of the foregoing subordination provision, the Tenant hereby agrees that any of its right, title and interest in and to insurance proceeds and condemnation awards (or other similar awards arising from eminent domain proceedings) with respect to damage to or the condemnation (or similar taking) of any of the Real Estate, shall be subject and subordinate to the Lender's right, title and interest in and to such proceeds and awards.
4. The Tenant acknowledges that the Landlord has collaterally assigned to the Lender any and all leases affecting the Real Estate, including the Lease, and the rents and other amounts, including, without limitation, lease termination fees, if any, due and payable under such leases. In connection therewith, the Tenant agrees that, upon receipt by the Tenant of a notice from the Lender of the occurrence of a default by the Landlord under such assignment and a demand by the Lender for direct payment to the Lender of the rents due under the Lease, the Tenant will honor such demand and make all subsequent rent payments directly to the Lender. The Landlord hereby agrees that any rents, fees or other amounts paid by the Tenant to or as directed by the Lender pursuant to this section shall be deemed to have been duly and validly paid by the Tenant under the Lease, and any such amounts shall be credited against the Tenant's obligations under the Lease as if the same were paid directly to the Landlord. The

Landlord further agrees that the Tenant shall have no obligation to determine whether the Landlord is in default under such assignment, and the Tenant may rely on such notice and direction from the Lender without any duty to investigate. The Tenant further agrees that any Lease termination fees payable under the Lease shall be paid jointly to the Landlord and the Lender.

5. The Lender agrees that so long as the Tenant is not in default under the Lease beyond the expiration of any applicable notice or cure period:

(a) The Tenant shall not be named or joined as a party in any suit, action or proceeding for the foreclosure of the Mortgage or the enforcement of any rights under the Mortgage (unless the Tenant is a necessary party under applicable law); and

(b) The possession by the Tenant of the Leased Premises and the Tenant's rights thereto shall not be disturbed, affected or impaired by, nor will the Lease or the term thereof be terminated or otherwise materially adversely affected by (i) any suit, action or proceeding for the foreclosure of the Mortgage or the enforcement of any rights under the Mortgage, or by any judicial sale or execution or other sale of the Leased Premises, or any deed given in lieu of foreclosure, or (ii) any default under the Mortgage.

6. Prior to pursuing any remedy available to the Tenant under the Lease, at law or in equity as a result of any failure of the Landlord to perform or observe any covenant, condition, provision or obligation to be performed or observed by the Landlord under the Lease (any such failure being hereinafter referred to as a "Landlord's Default"), the Tenant shall: (a) provide the Lender with a notice of the Landlord's Default, specifying the nature thereof, the section of the Lease under which such Landlord's Default arose, and the remedy which the Tenant will elect under the terms of the Lease or otherwise, and (b) allow the Lender not less than thirty (30) days following receipt of notice of the Landlord's Default to cure the same; provided, however, that, if such Landlord's Default is not readily curable within such thirty (30) day period, the Tenant shall give the Lender such additional time as the Lender may reasonably need to obtain possession and control of the Real Estate and to cure such Landlord's Default so long as the Lender is diligently pursuing a cure; provided, Lender shall be deemed to have possession and control of the Real Estate upon the appointment of a receiver. The Tenant shall not pursue any remedy available to it as a result of any Landlord's Default unless the Lender fails to cure same within the time period specified above.

7. If the Lender or any future holder of the Mortgage shall become the owner of the Real Estate by reason of foreclosure of the Mortgage or otherwise, or if the Real Estate shall be sold as a result of any action or proceeding to foreclose the Mortgage or transfer of ownership by deed given in lieu of foreclosure, the Lease shall continue in full force and effect, without necessity for executing any new lease, as a direct lease between the Tenant and the new owner of the Real Estate as "landlord" upon all the

same terms, covenants and provisions contained in the Lease (subject to the exclusions set forth in subsection (b) below), and in such event:

(a) The Tenant shall be bound to such new owner under all of the terms, covenants and provisions of the Lease for the remainder of the term thereof (including the extension periods, if the Tenant elects or has elected to exercise its options to extend the term), and the Tenant hereby agrees to attorn to such new owner and to recognize such new owner as "landlord" under the Lease without any additional documentation to effect such attornment (provided, however, if applicable law shall require additional documentation at the time the Lender exercises its remedies then the Tenant shall execute such additional documents evidencing such attornment as may be required by applicable law);

(b) Such new owner shall be bound to the Tenant under all of the terms, covenants and provisions of the Lease for the remainder of the term thereof (including the extension periods, if the Tenant elects or has elected to exercise its options to extend the term); provided, however, that such new owner shall not be:

(i) liable for any act or omission of any prior landlord (including the Landlord); occurring prior to the date such new owner succeeded to Landlord's interest under the Lease; provided, however, nothing herein shall be deemed to limit such new owner's obligations under the Lease which are required to be performed from and after the date such new owner assumes Landlord's obligations under the Lease, including Landlord's obligations under the work letter annexed to the Lease;

(ii) subject to any offsets or defenses which the Tenant has against any prior landlord (including the Landlord) unless the Tenant shall have provided the Lender with (A) notice of the Landlord's Default that gave rise to such offset or defense, and (B) the opportunity to cure the same, all in accordance with the terms of Section 6 above;

(iii) bound by any base rent, percentage rent, additional rent or any other amounts payable under the Lease which the Tenant might have paid in advance for more than the current month to any prior landlord (including the Landlord);

(iv) liable to refund or otherwise account to the Tenant for any security or other deposits not actually paid over to such new owner by the Landlord;

(v) bound by any amendment or modification of the Lease that decreases the rent, increases Landlord's obligations or otherwise materially amended the Lease made without the Lender's consent;

# UNOFFICIAL COPY

(vi) bound by, or liable for any breach of, any representation or warranty contained in the Lease or otherwise made by any prior landlord (including the Landlord); or

(vii) personally liable or obligated to perform any such term, covenant or provision, such new owner's liability being limited in all cases to its interest in the Real Estate.

8. Any notices, communications and waivers under this Agreement shall be in writing and shall be (a) delivered in person, (b) mailed, postage prepaid, either by registered or certified mail, return receipt requested, or (c) sent by overnight express carrier, addressed in each case as follows:
