NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby covenant and agree as follows:

A G R E E M E N T S:

1. The Tenant represents and warrants to the Lender that the Lease constitutes the entire agreement between the Tenant and the Landlord with respect to the Leased Premises and there are no other agreements, written or verbal, governing the tenancy of the Tenant with respect to the Leased Premises.

2. Subject to the terms of this Agreement, the Tenant covenants with the Lender that the Lease shall be subject and subordinate to the lien of the Mortgage and to all modifications and extensions thereof, to the full extent of all principal, interest and all other amounts now or hereafter secured thereby and with the same force and effect as if the Mortgage had been executed and delivered prior to the execution and delivery of the Lease. Without limiting the generality of the foregoing subordination provision, the Tenant hereby agrees that any of its right, title and interest in and to insurance proceeds associated with insurance coverages maintained by Landlord and condemnation awards (or other similar awards arising from eminent domain proceedings), except for any eminent domain proceeds or condemnation awards which are expressly reserved to the Tenant pursuant to Section 16.2 of the Lease, with respect to damage to or the condemnation (or similar taking) of any of the Real Estate, shall be subject and subordinate to the Lender's right, title and interest in and to such proceeds and awards.

3. The Tenant acknowledges that the Landlord has collaterally assigned to the Lender any and all leases affecting the Real Estate, including the Lease, and the rents and other amounts due and payable under such leases. In connection therewith, the Tenant agrees that, upon receipt of a notice of a default by the Landlord under such assignment and a demand by the Lender for direct payment to the Lender of the rents due under the Lease, the Tenant will honor such demand and make all subsequent rent payments directly to the Lender. In the event that Lender or any person or entity obtaining ownership of the Leased Premises in connection with any enforcement of the Mortgage ("Purchaser") notifies Tenant of a default under the Mortgage and directs that Tenant pay its rent and all other sums due under the Lease to Lender or Purchaser, Tenant shall honor such direction without inquiry and pay its rent and all other sums due under the Lease in accordance with such notice provided that Lender or Purchaser must notify Tenant in writing of any assignment of the Mortgage. Landlord agrees that Tenant shall have the right to rely on any such notice from Lender or Purchaser without incurring any obligation or liability to Landlord, and Tenant is hereby instructed to disregard any notice to the contrary received from Landlord or any third party. Landlord hereby releases Tenant from all claims, losses, and liabilities arising from Tenant's payment of rent or other sums to Lender or Purchaser following Tenant's receipt of written notice directing Tenant to make such payments to Lender or Purchaser. All such payments made by Tenant to Lender or Purchaser shall be credited to installments of rent otherwise payable to Landlord under the Lease.

4. The Lender agrees that so long as the Tenant is not in default following any applicable notice and cure periods under the Lease:

UNOFFICIAL COPY

(a) The Tenant shall not be named or joined as a party in any suit, action or proceeding for the foreclosure of the Mortgage or the enforcement of any rights under the Mortgage (unless the Tenant is a necessary party under applicable law); and

(b) The possession by the Tenant of the Leased Premises and the Tenant's rights thereto shall not be disturbed, diminished, interfered with, affected or impaired by, nor will the Lease or the term thereof be terminated or otherwise adversely affected by (i) any suit, action or proceeding for the foreclosure of the Mortgage or the enforcement of any rights under the Mortgage, or by any judicial sale or execution or other sale of the Leased Premises, or any deed given in lieu of foreclosure, or (ii) any default under the Mortgage.

5. Prior to pursuing any remedy available to the Tenant under the Lease, at law or in equity as a result of any failure of the Landlord to perform or observe any covenant, condition, provision or obligation to be performed or observed by the Landlord under the Lease (any such failure being hereinafter referred to as a "Landlord's Default"), the Tenant shall: (a) provide the Lender with a notice of the Landlord's Default, specifying the nature thereof, the section of the Lease under which such Landlord's Default arose, and the remedy which the Tenant will elect under the terms of the Lease or otherwise and (b) allow the Lender not less than thirty (30) days following receipt of notice of the Landlord's Default to cure the same; provided, however, that, if such Landlord's Default is not reasonably curable within such thirty (30) day period, the Tenant shall give the Lender such additional time as the Lender may reasonably need to obtain possession and control of the Real Estate and to cure such Landlord's Default so long as the Lender is diligently pursuing a cure, such additional time not exceed one hundred twenty (120) days. The Tenant shall not pursue any remedy available to it as a result of any Landlord's Default unless the Lender fails to cure same within the time period specified above.

6. If the Lender or any future holder of the Mortgage shall become the owner of the Real Estate by reason of foreclosure of the Mortgage or otherwise, or if the Real Estate shall be sold as a result of any action or proceeding to foreclose the Mortgage or transfer of ownership by deed given in lieu of foreclosure, the Lease shall continue in full force and effect, without necessity for executing any new lease, as a direct lease between the Tenant and the new owner of the Real Estate as "landlord" upon all the same terms, covenants and provisions contained in the Lease (subject to the exclusions set forth in subsection (b) below), and in such event:

(a) The Tenant and such new owner shall each be bound under all of the terms, covenants and provisions of the Lease for the remainder of the term thereof (including the extension periods, if the Tenant elects or has elected to exercise its options to extend the term), and the Tenant hereby agrees to attorn to such new owner and to recognize such new owner as "landlord" under the Lease without any additional documentation to effect such attornment (provided, however, if applicable law shall require additional documentation at the time the Lender exercises its remedies then the Tenant shall execute such additional documents evidencing such attornment as may be required by applicable law);

(b) Such new owner shall be bound to the Tenant under all of the terms, covenants and provisions of the Lease for the remainder of the term thereof (including the extension periods, if the Tenant elects or has elected to exercise its options to extend the term); provided, however, that such new owner shall not be:

(i) liable for any act or omission of any prior landlord (including the Landlord), except for any event, act, omission or default under the Lease which first occurred prior to the date on which Lender or the new owner succeeded to the interest of Landlord and which continues beyond said date, and except to the extent of any Tenant rights of rent offset, credit or holdback, or reduction in the rent set forth in the Lease which shall continue in order to be fully utilized with respect to any act or omission of any prior landlord, but only to the extent Tenant has, prior to such succession, provided Lender with notice of such Landlord default(s), in accordance with Section 7 below;

(ii) subject to any offsets or defenses which the Tenant has against any prior landlord (including the Landlord), except to the extent of any Tenant rights of rent offset, credit or holdback, or reduction in the rent set forth in the Lease which shall continue in order to be fully utilized with respect to any act or omission of any prior landlord, provided Tenant shall have provided the Lender with (A) notice of the Landlord's Default that gave rise to such offset or defense, and (B) the opportunity to cure the same, all in accordance with the terms of Section 5 above;

(iii) bound by any base rent, percentage rent, additional rent or any other amounts payable under the Lease which the Tenant might have paid in advance for more than the current month to any prior landlord (including the Landlord), excluding any overpayment of prepaid escalation costs;

(iv) liable to refund or otherwise account to the Tenant for any security deposit not actually paid over to such new owner by the Landlord;

(v) bound by any amendment or modification of the Lease made without the Lender's consent, which consent shall not be unreasonably withheld, conditioned or delayed, and shall be deemed given if no objection is made within fifteen (15) business days following written request therefore; it shall be the sole responsibility of Landlord to promptly provide to Lender notices of any proposed amendment or modification of the Lease and it shall be Landlord's responsibility to promptly obtain such consent from Lender using diligent, commercially reasonable efforts, including without limitation promptly paying any resulting fees or expenses charged by Lender in processing or rendering such consent;

(vi) bound by, or liable for any breach of, any representation or warranty or indemnity agreement contained in the Lease or otherwise made by any prior landlord (including the Landlord) except for any breach of any representation or warranty or indemnity agreement contained in the Lease which

first occurred prior to the date on which Lender or the new owner succeeded to the interest of Landlord and which continues beyond said date provided that Tenant shall have delivered written notice to Lender or the new owner of the existence of such breach prior to the date on which Lender or the new owner succeeded to the interest of Landlord; or

(vii) personally liable or obligated to perform any such term, covenant or provision, such new owner's liability being limited in all cases to its interest in the Real Estate, including but not limited to, any rent, issues, profits, other income and equity from Lender's interest in the Real Estate and the shopping center of which the Real Estate is a part.

7. Any notices, communications and waivers under this Agreement shall be in writing and shall be (i) delivered in person, (ii) mailed, postage prepaid, either by registered or certified mail, return receipt requested, or (iii) by overnight express carrier, addressed in each case as follows:
