You have indicated that the brick paver driveway shall be constructed within the Village right-of-way of the above described property.

Please be advised that the Village will allow construction within Village right-of-way however this is not a release or waiver of any rights the Village, or other utility companies, may have in or to the right-of-way. In closing, please be aware that the Village **will not** be responsible for the replacement of, or any damages to, the pavers within right-of-way, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.
