NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

A G R E E M E N T S:

1. Recitals. The recitals set forth above shall be incorporated herein as if set forth in their entirety.
2. Definitions. Capitalized words and phrases not otherwise defined in this Third Amendment shall have the meanings assigned thereto in the Note.
3. Increase in Principal Amount of Loan. The principal balance of the Loan evidenced by the Note, of which the principal amount of Ten Million Five Hundred Ten Thousand Three Hundred Seventy Nine and 81/100 Dollars (\$10,510,379.81) is outstanding as of the date hereof, is hereby increased to the principal amount of ELEVEN MILLION ONE HUNDRED THIOUSAND and 00/100 DOLLARS (\$11,100,000.00). Without limitation on the generality of the foregoing, all references to the principal amount of the Note as "Ten Million Six Hundred Thousand and 00/100 Dollars (\$10,600,000.00)" are hereby changed to "Eleven Million One Hundred Thousand and 00/100 Dollars (\$11,100,000.00)" each time it appears in any the Loan Documents, including, without limitation, the Note and the Mortgage, as modified and amended from time to time.
4. Interest Rate.
 - (a) From and after the date hereof and prior to the Maturity Date or the occurrence of an Event of Default (as defined in the Mortgage), interest on the outstanding principal balance of the Note shall accrue at the Borrower's option from time to time of (i) a floating per annum rate of interest (the "Floating Rate") equal to (A) the Prime Rate (as hereinafter defined), so long as the Purchase and Sale Agreement dated as of June 5, 2006, executed by and between the Borrower and TVO Real Estate Corp, an Illinois corporation, for the sale of the Premises (the "Sales Contract") remains in full force and effect, or (B) the Prime Rate, plus one-half of one percent (0.50%) should the Sales Contract terminate for any reason, or (ii) a per annum rate of interest (the "LIBOR Rate") equal to LIBOR (as hereinafter defined) for the relevant Interest Period (as hereinafter defined), plus a percentage (the "Applicable Margin") equal to: (A) two percent (2.00%), so long as the Sales Contract remains in full force and effect, or (B) two and three-quarters percent (2.75%), should the Sales Contract terminate for any reason, such LIBOR Rate to remain fixed for such Interest Period. Changes in the Floating Rate to be charged on the Loan based on the Prime Rate shall take effect immediately upon the occurrence of any change in the Prime Rate. Any portion of the principal amount of the Note bearing interest at the Floating Rate is referred to herein as a "Prime Loan". Any portion of the principal amount of the Note bearing interest at the LIBOR Rate is referred to herein as a "LIBOR Loan". From and after the

UNOFFICIAL COPY

Maturity Date or upon the occurrence and during the continuance of an Event of Default, interest shall accrue on the unpaid principal balance during any such period at an annual rate (the "Default Rate") equal to five percent (5.00%), plus the Floating Rate; provided, however, in no event shall the Default Rate exceed the maximum rate permitted by law. The interest accruing at the Default Rate shall be immediately due and payable by the Borrower to the holder of the Note upon demand and shall be additional indebtedness evidenced by the Note and secured by the Loan Documents. Interest on the Note shall be calculated on the basis of a 360 day year and the actual number of days elapsed in any portion of a month in which interest is due. If any payment to be made by the Borrower under the Note shall become due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment.

(b) A request by the Borrower for a Prime Loan must be received by the Lender in writing no later than 2:00 p.m. Chicago, Illinois time, on any day other than a Saturday, Sunday or a legal holiday on which banks are authorized or required to be closed for the conduct of commercial banking business in Chicago, Illinois (a "Business Day"). As used herein, "Prime Rate" shall mean the floating per annum rate of interest most recently announced by the Lender at Chicago, Illinois as its prime or base rate. A certificate made by an officer of the Lender stating the Prime Rate in effect on any given day, for the purposes hereof, shall be conclusive evidence of the Prime Rate in effect on such day. The Prime Rate is a base reference rate of interest adopted by the Lender as a general benchmark from which the Lender determines the floating interest rates chargeable on various loans to borrowers with varying degrees of creditworthiness and the Borrower acknowledges and agrees that the Lender has made no representations whatsoever that the Prime Rate is the interest rate actually offered by the Lender to borrowers of any particular creditworthiness. The principal balance of any Prime Loan may be prepaid, in whole or in part, at any time without penalty or premium.

(c) The selection of a LIBOR Loan by the Borrower is subject to the following requirements:

(i) A request for a LIBOR Loan (a "LIBOR Loan Request") must be received by the Lender no later than 2:00 p.m. Chicago, Illinois time two Business Days prior to the first day of the Interest Period on which such LIBOR Loan shall be advanced, shall be irrevocable, and shall state the initial Interest Period and amount of such LIBOR Loan. Each LIBOR Loan will be in an amount not less than One Hundred Thousand and 00/100 Dollars (\$100,000.00). No more than five (5) LIBOR Loans may be outstanding at any time. If for any reason the Borrower shall fail to submit a LIBOR Loan Request, interest on the outstanding principal balance of the Loan shall accrue at the Floating Rate.

(ii) If pursuant to the LIBOR Loan Request, the initial Interest Period of any LIBOR Loan commences on any day other than the first Business Day of any month, then the initial Interest Period of such LIBOR Loan shall end on the first day of the following calendar month, notwithstanding the Interest Period specified in the LIBOR Loan Request, and the LIBOR Rate for such LIBOR Loan shall be equal to LIBOR for an interest period equal to the length of such partial month, plus the Applicable Margin.

UNOFFICIAL COPY

Thereafter, each LIBOR Loan shall automatically renew (a "LIBOR Rollover") for the Interest Period specified in the initial LIBOR Loan Request at the then current LIBOR Rate, plus the Applicable Margin, unless the Borrower, in a subsequent LIBOR Loan Request received by the Lender no later than 2:00 p.m. Chicago, Illinois time on the second (2nd) Business Day before the expiration of the existing Interest Period, shall elect a different Interest Period or the conversion of all or a portion of the LIBOR Loan to a Prime Loan. The Borrower may not elect a LIBOR Rate, and an Interest Period for a LIBOR Loan shall not automatically renew, with respect to any principal amount which is scheduled to be repaid before the last day of the applicable Interest Period, and any such amounts shall bear interest at the Floating Rate, until repaid.

(iii) "LIBOR" shall mean a rate of interest equal to (A) the per annum rate of interest at which United States dollar deposits in an amount comparable to the amount of the relevant LIBOR Loan and for a period equal to the relevant Interest Period are offered in the London Interbank Eurodollar market at 11:00 a.m. (London time) two Business Days prior to the commencement of such Interest Period (or three Business Days prior to the commencement of such Interest Period if banks in London, England were not open and dealing in offshore United States dollars on such second preceding Business Day), as displayed in the *Bloomberg Financial Markets* system (or other authoritative source selected by the Lender in its sole discretion), divided by (B) a number determined by subtracting from 1.00 the then stated maximum reserve percentage for determining reserves to be maintained by member banks of the Federal Reserve System for Eurocurrency funding or liabilities as defined in Regulation D (or any successor category of liabilities under Regulation D), such rate to remain fixed for such Interest Period, or as LIBOR is otherwise determined by the Lender in its sole and absolute discretion. The Lender's determination of LIBOR shall be conclusive, absent manifest error.

(iv) "Interest Period" shall mean, with regard to any LIBOR Loan, successive one, two or three month periods, as selected by the Borrower in its LIBOR Loan Request; provided, however, that: (A) each Interest Period occurring after the initial Interest Period of any LIBOR Loan shall commence on the day on which the preceding Interest Period for such LIBOR Loan expires; (B) whenever the last day of any Interest Period would otherwise occur on a day other than a Business Day, the last day of such Interest Period shall be extended to occur on the next succeeding Business Day; (C) whenever the first day of any Interest Period occurs on a date for which there is no numerically corresponding date in the month in which such Interest Period terminates, such Interest Period shall end on the last day of such month, unless such day is not a Business Day, in which case the Interest Period shall terminate on the first Business Day of the following month, provided, however, that so long as the LIBOR Rollover remains in effect, all subsequent Interest Periods shall terminate on the date of the month numerically corresponding to the date on which the initial Interest Period commenced; and (D) the final Interest Period for any LIBOR Loan must be such that its expiration occurs on or before the Maturity Date. If at any time an Interest Period expires less than one month before the Maturity Date, such LIBOR Loan shall automatically convert to a Prime Loan on

UNOFFICIAL COPY

the last day of the then existing Interest Period, without further demand, presentment, protest or notice of any kind, all of which are hereby waived by the Borrower.

(v) Notwithstanding anything to the contrary contained herein, the principal balance of any LIBOR Loan may not be prepaid in whole or in part at any time. If, for any reason, a LIBOR Loan is paid prior to the last Business Day of any Interest Period, whether voluntary, involuntary, by reason of acceleration or otherwise, each such prepayment of a LIBOR Loan will be accompanied by the amount of accrued interest on the amount prepaid and any and all costs, expenses, penalties and charges incurred by the Lender as a result of the early termination or breakage of a LIBOR Loan, plus the amount, if any, by which (A) the additional interest which would have been payable during the Interest Period on the LIBOR Loan prepaid had it not been prepaid, exceeds (B) the interest which would have been recoverable by the Lender by placing the amount prepaid on deposit in the domestic certificate of deposit market, the eurodollar deposit market, or other appropriate money market selected by the Lender, for a period starting on the date on which it was prepaid and ending on the last day of the Interest Period for such LIBOR Loan (collectively, the "Make Whole Costs"). The amount of any such loss or expense payable by the Borrower to the Lender under this section shall be determined in the Lender's sole discretion based upon the assumption that the Lender funded its loan commitment for LIBOR Loans in the London Interbank Eurodollar market and using any reasonable attribution or averaging methods which the Lender deems appropriate and practical, provided, however, that the Lender is not obligated to accept a deposit in the London Interbank Eurodollar market in order to charge interest on a LIBOR Loan at the LIBOR Rate.

(vi) If the Lender determines in good faith (which determination shall be conclusive, absent manifest error) prior to the commencement of any Interest Period that (A) the making or maintenance of any LIBOR Loan would violate any applicable law, rule, regulation or directive, whether or not having the force of law, (B) United States dollar deposits in the principal amount, and for periods equal to the Interest Period, of any LIBOR Loan are not available in the London Interbank Eurodollar market in the ordinary course of business, (C) by reason of circumstances affecting the London Interbank Eurodollar market, adequate and fair means do not exist for ascertaining the LIBOR Rate to be applicable to the relevant LIBOR Loan, (D) the LIBOR Rate does not accurately reflect the cost to the Lender of a LIBOR Loan, or (E) an Event of Default (as hereinafter defined) has occurred and is continuing or any event or circumstance exists which, with the giving of notice or passage of time, would constitute an Event of Default, the Lender shall promptly notify the Borrower thereof and, so long as any of the foregoing conditions continue, the Lender will have no obligation to accept an election by the Borrower for a LIBOR Loan, and each existing LIBOR Loan, at the Borrower's option, shall be (1) converted to a Prime Loan on the last Business Day of the then existing Interest Period, or (2) due and payable on the last Business Day of the then existing Interest Period, without further demand, presentment, protest or notice of any kind, all of which are hereby waived by the Borrower.

UNOFFICIAL COPY

(vii) If, after the date hereof, a Regulatory Change (as hereinafter defined) shall, in the reasonable determination of the Lender, make it unlawful for the Lender to make or maintain any LIBOR Loans, the Lender will have no obligation to accept an election by the Borrower for a LIBOR Loan. In addition, at the Borrower's option, each existing LIBOR Loan shall be immediately (A) converted to a Prime Loan on the last Business Day of the then existing Interest Period or on such earlier date as required by law, or (B) due and payable on the last Business Day of the then existing Interest Period or on such earlier date as required by law, all without further demand, presentment, protest or notice of any kind, all of which are hereby waived by the Borrower. As used herein, "Regulatory Change" shall mean the introduction of, or any change in any applicable law, treaty, rule, regulation or guideline or in the interpretation or administration thereof by any governmental authority or any central bank or other fiscal, monetary or other authority having jurisdiction over the Lender or its lending office.

(viii) If any Regulatory Change (whether or not having the force of law) shall (A) impose, modify or deem applicable any assessment, reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of, or loans by, or any other acquisition of funds or disbursements by, the Lender; (B) subject the Lender or any LIBOR Loan to any tax, duty, charge, stamp tax or fee, or change the basis of taxation of payments to the Lender of principal or interest due from the Borrower under the Note (other than a change in the taxation of the overall net income of the Lender); or (C) impose on the Lender any other condition regarding any LIBOR Loan or the Lenders' funding thereof, and the Lender shall determine (which determination shall be conclusive, absent manifest error) that the result of the foregoing is to actually increase the cost to the Lender of making or maintaining any LIBOR Loans or to reduce the amount of principal or interest received by the Lender under the Note on any LIBOR Loan, then the Borrower shall pay to the Lender, on demand, such additional amounts as the Lender shall from time to time determine are sufficient to compensate and indemnify the Lender for such increased costs or reduced amounts (the "LIBOR Indemnification Costs").

5. Principal and Interest Payments. The principal amount of the Loan evidenced by the Note, and all accrued interest thereon, shall be paid as follows:

- (a) installments of all accrued and unpaid interest on the principal balance of the Loan outstanding from time to time, commencing on March 1, 2007, and continuing on the first day of each month thereafter through and including August 1, 2007; and
- (b) a final installment equal to the total principal balance of the Loan then remaining unpaid, plus all accrued and unpaid interest thereon, on August 23, 2007.

Principal amounts repaid may not be borrowed again. Interest on the outstanding principal balance of the Loan after the Maturity Date or upon the occurrence and during the continuance of an Event of Default shall accrue at the Default Rate and shall be payable on demand from the Lender.

The Borrower and each of the Guarantors hereby (i) restates, confirms and reaffirms all of its or his obligations under the Loan Documents, as modified by this Third Amendment; (ii) acknowledges and agrees that the Lender, by entering into this Third Amendment, does not waive any existing or future default or Event of Default under any of the Loan Documents, or any rights or remedies under any of the Loan Documents; (iii) acknowledge and agree that the Lender has not heretofore waived any default or Event of Default under any of the Loan Documents, or any rights or remedies under any of the Loan Documents; and (iv) acknowledge that neither the Borrower nor any of the Guarantors has any set-off, defense or counterclaim to the payment or performance of the Borrower's obligations under the Loan Documents, as modified by this Third Amendment.
