The Judgment and Miscellaneous search is based on a search of Property Insight's name indices. The spelling of the names searched will be as furnished by applicant of said search or as disclosed on a Tract Index search if requested. If a Tract Index search is requested in conjunction with the Judgment and Miscellaneous search, only the name of the grantee(s) contained in the last deed of conveyance will be searched if a specific name to be searched is not furnished. This search does not show Judgments unless a transcript, certified copy, or memorandum of the judgment has been filed in the Recorder of deeds office in the county that the search request has been made. No search has been made of the index in the District Office of the Internal Revenue Service. Only those matters filed in the office in the county that the search request has been made will be disclosed.

The Real Estate Tax and Zoning Searches are based on a search of the county tax records or information obtained from the county tax records and compiled by Property Insight. Information provided is based on the availability of said information from the various county governments.

In addition to the standard search products, Property Insight offers other Special Search services available upon request.
