ASSIGNMENT OF RENTS. Grantors presently assign to Lender all of Grantors' right, title, and interest in and to all present and future leases of the Property. In addition, Grantors grant to Lender a Uniform Commercial Code security interest in the Personal Property.

THIS MORTGAGE AND THE SECURITY INTEREST IN THE PERSONAL PROPERTY, IS GIVEN TO SECURE (A) PAYMENT OF THE INDEBTEDNESS AND (B) PERFORMANCE OF ANY AND ALL OBLIGATIONS UNDER THE NOTE, THE RELATED DOCUMENTS, AND THIS MORTGAGE. THIS MORTGAGE IS GIVEN AND ACCEPTED UNDER THE FOLLOWING TERMS:

PAYMENT AND PERFORMANCE. Except as otherwise provided in this Mortgage, Grantors shall pay to Lender all amounts secured by the Mortgage as they become due and shall strictly perform all of Grantors' obligations under this Mortgage.

POSSESSION AND MAINTENANCE OF THE PROPERTY. Grantors agree that Grantors' possession and use of the Property shall be governed by the following provisions:

Possession and Use. Until the occurrence of an Event of Default, Grantors may (1) remain in possession and control of the Property; and (2) use, operate or manage the Property.

Duty to Maintain. Grantors shall maintain the Property in tenantable condition and promptly perform all repairs, replacements, and maintenance necessary to preserve its value.

Compliance With Environmental Laws. Grantors represent and warrant to Lender that: (1) During the period of Grantors' ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance by any person on, under, about or from the Property; (2) Grantors have no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (a) any breach or violation of any Environmental Laws, (b) any use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance

on, under, about or from the Property by any prior owners or occupants of the Property, or (c) any actual or threatened litigation or claims of any kind by any person relating to such matters; and (3) Except as previously disclosed to and acknowledged by Lender in writing, (a) neither Grantors nor any tenant, contractor, agent or other authorized user of the Property shall use, generate, manufacture, store, treat, dispose of or release any Hazardous Substance on, under, about or from the Property; and (b) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation all Environmental Laws. Grantors authorize Lender and its agents to enter upon the Property to make such inspections and test, at Grantors' expense, as Lender may deem appropriate to determine compliance of the Property with this section of the Mortgage. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be construed to create any responsibility or liability on the part of Lender to Grantors or to any other person. The representations and warranties contained herein are based on Grantors' due diligence in investigating the Property for Hazardous Substances. Grantors hereby (1) release and waive any future claims against Lender for indemnity or contribution in the event Grantors become liable for cleanup or other costs under any such laws; and (2) agree to indemnify and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Mortgage or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Grantors' ownership or interest in the Property, whether or not the same was or should have been known to Grantors. The provisions of this section of the Mortgage, including the obligation to indemnify, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this mortgage and shall not be affected by Lender's acquisition of any interest in the Property, whether by foreclosure or otherwise.

Nuisance, Waste. Grantors shall not cause, conduct or permit any nuisance nor commit, permit, or suffer any stripping of or waste on or to the Property or any portion of the Property. Without limited the generality of the foregoing, Grantors will not remove, or grant to any other party the right to remove, any timber, minerals (including oil and gas), coal, clay, scoria, soil, gravel or rock products without Lender's prior written consent.

Removal of Improvements. Grantors shall not demolish or remove any Improvements from the Real Property without Lender's prior written consent. As a condition to the removal of any Improvements, Lender may require Grantors to make arrangements satisfactory to Lender to replace such Improvements with Improvements of at least equal value.

Lender's Right to Enter. Lender and Lender's agents and representatives may enter upon the Real Property at all reasonable times to attend to Lender's interests and to inspect the Real Property for purposes of Grantors' compliance with the terms and conditions of this Mortgage.

Compliance with Governmental Requirements. Grantors shall promptly comply with all laws, ordinances, and regulations, now or hereafter in effect, of all governmental authorities applicable to the use or occupancy of the Property, including without limitation, the Americans with Disabilities Act. Grantors may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Grantors have notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Property are not jeopardized. Lender may require Grantors to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.

Duty to Protect. Grantors agree neither to abandon nor leave unattended the Property. Grantors shall do all other acts, in addition to those acts set forth above in this section, which from the character and use of the Property are reasonably necessary to protect and preserve the Property.

DUE ON SALE – CONSENT BY LENDER. Lender may, at Lender's option, declare immediately due and payable all sums secured by this Mortgage upon the sale or transfer, without Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest in the Real Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of an interest in the Real Property. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Illinois law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are part of this Mortgage.

Payment. Grantors shall pay when due (and in all events prior to delinquency) all taxes, payroll taxes, special taxes, assessments, water charges and sewer service charges levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantors shall maintain the Property free of any liens having priority over or equal to the interest of Lender under this Mortgage, except for the Existing Indebtedness referred to in this Mortgage or those liens specifically agreed to in writing by Lender, and except for the lien of taxes and assessments not due as further specified in the Right to Contest paragraph.

Right to Contest. Grantors may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantors shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantors have notice of the filing, secure the discharge of the lien, or if satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantors shall defend themselves and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantors shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantors shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantors shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, material men's lien, or other lien could be asserted on account of the work, services, or materials. Grantors will upon the request of Lender furnish to Lender advance assurances satisfactory to Lender that Grantors can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Mortgage:

Maintenance of Insurance. Grantors shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Grantors shall also procure and maintain comprehensive general liability insurance in such coverage amounts as Lender may request with Lender being named as additional insureds in such liability insurance policies. Additionally, Grantors shall maintain such other insurance, including but not limited to hazard, business interruption and boiler insurance as Lender may require. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantors shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage

will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantors or any other person. Should the Real Property be located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantors agree to obtain and maintain Federal Flood Insurance, if available, for the full unpaid principal balance of the loan and any prior liens on the Property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

Application of Proceeds. Grantors shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$1,000.00. Lender may make proof of loss. If Grantors fail to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at Lender's election, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the Indebtedness, payment of any lien affect the Property, or the restoration and repair of the Property. If Lender elects to apply to proceeds to restoration and repair, Grantors shall repair or replace the damaged or destroyed Improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantors from the proceeds for the reasonable cost of repair or restoration if Grantors are not in default under this Mortgage. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender had not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantors as Grantors' interests may appear.

Compliance with Existing Indebtedness. During the period in which any Existing Indebtedness described below is in effect, compliance with the insurance provisions contained in the instrument evidencing such Existing Indebtedness shall constitute compliance with the insurance provisions under this Mortgage, to the extent compliance with the terms of this Mortgage would constitute a duplication of insurance requirement. If any proceeds from the insurance become payable on loss, the provisions in this Mortgage for division of proceeds shall apply only to that portion of the proceeds not payable to the holder of the Existing Indebtedness.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Property or in Grantors fail to comply with any provision of this Mortgage or any Related Documents, including but not limited to Grantors' failure to comply with any obligation to maintain Existing Indebtedness in good standing as required below, or to discharge or pay when due any amounts Grantors are required to discharge or pay under this Mortgage or any Related Documents, Lender on Grantors' behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or place on the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenditures incurred or paid by Lender for such purposes will bear interest as the rate charges under the Note from the date incurred or paid by Lender to the date of repayment by Grantors. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payment at the Note's maturity. The Mortgage also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon default.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Mortgage:

Page 5 of 13

Title. Grantors warrant that: (a) Grantors hold good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantors have the full right, power, and authority to execute and deliver this Mortgage to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantors warrant and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantors' title or the interest of Lender under this Mortgage, Grantors shall defend the action at Grantors' expense. Grantors may be the nominal party in such proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantors will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Compliance With Laws. Grantors warrant that the Property and Grantors' use of the Property complies with all existing applicable laws, ordinances, and regulation of governmental authorities.

Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantors in the Mortgage shall survive the execution and delivery of this Mortgage, shall be continuing in nature, and shall remain in full force and effect until such time as Grantors' Indebtedness shall be paid in full.

EXISTING INDEBTEDNESS. The following provisions concerning Existing Indebtedness are a part of this Mortgage:

Existing Lien. The lien of this Mortgage securing the Indebtedness may be secondary and inferior to an existing lien. Grantors expressly covenant and agree to pay, or see to the payment of, the Existing Indebtedness and to prevent any default on such indebtedness, and default under the instruments evidencing such indebtedness, or any default under any security documents for such indebtedness, or any default under any security documents for such indebtedness.

No Modification. Grantors shall not enter into any agreement with the holder of any mortgage, deed of trust, or any security agreement which has priority over this Mortgage by which that agreement is modified, amended, extended, or renewed without the prior written consent of Lender. Grantors shall neither request nor accept any future advances under any such security agreement without the prior written consent of Lender.

CONDEMNATION. The following provisions relating to condemnation proceedings are a part of this Mortgage:

Proceedings. If any proceeding in condemnation is filed, Grantors shall promptly notify Lender in writing, and Grantors shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantors may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantors will deliver or cause to be delivered to Lender such instruments and documentation as may be requested by Lender from time to time to permit such participation.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the Indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

Subsequent Taxes. If any tax to which this section applied in enacted subsequent to the date of this Mortgage, this even shall have the same effect as an Even of Default, and Lender may exercise any or all of its available remedies for an Event of Default as provided below unless Grantors either (1) pay the tax before it becomes delinquent, or (2) contest the tax as provided above in the Taxes and Liens section and deposits with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender.

SECURITY AGREEMENT; FINANCING STATEMENTS. The following provisions relating to this Mortgage as a security agreement are a part of this Mortgage;

Grantors shall reimburse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantors shall not remove, sever or detach the Personal Property from the Property. Upon default, Grantors shall assemble any Personal Property not affixed to the Property in a manner and at a place reasonably convenient to Grantors and Lender and make it available to Lender within three (3) days after receipt of written demand from Lender to the extent permitted by applicable law.

FURTHER ASSURANCES; ATTORNEY-IN-FACT. The following provisions relating to further assurances and attorney-in-fact are a part of this Mortgage.

Further Assurances. At any time, and from time to time, upon request of Lender, Grantors will make, execute and deliver, or will cause to be made, executed and delivered, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, refilled, or rerecorded, as the case may be, at such times and in such offices and place as Lender may deem appropriate, and any and all such mortgages, deeds or trust, security deeds, security agreements, financing statements, continuation statements, instruments or further assurance, certificated, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectuate, complete, perfect, continue, or preserve (1) Grantors' obligations under the Note, this Mortgage, and the Related Documents, and (2) the liens and security interests created by this Mortgage on the Property, whether now owned or hereafter acquired by Grantors. Unless prohibited

by law or Lender agrees to the contrary in writing, Grantors shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in the paragraph.

Attorney-in-Fact. If Grantors fail to do any of the things referred to in the preceding paragraph, Lender may do so for and in the name of Grantors and at Grantors' expense. For such purposes, Grantors hereby irrevocably appoint Lender as Grantors' attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Lender's sole opinion, to accomplish the matters referred to in the preceding paragraph.

FULL PERFORMANCE. If Grantors pay all the Indebtedness when due, and otherwise performs all the obligations imposed upon Grantors under this Mortgage, Lender shall execute and deliver to Grantors a suitable satisfaction of this Mortgage and suitable statements of termination of any financing state on file evidencing Lender's security interest in the Rents and the Personal Property. Grantors will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time.

REINSTATEMENT OF SECURITY INTEREST. If payment is made by Grantors, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (A) to Grantors' trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (B) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's Property, or (C) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Grantors), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Mortgage and this mortgage shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Mortgage or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantors shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Mortgage.

EVENTS OF DEFAULT. Each of the following, at Lender's option, shall constitute an Event of Default under this Mortgage:

Page 8 of 13

Creditor or Forfeiture Proceedings. Commencement or foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other methods, by any creditor of Grantors or by any governmental agency against any Property securing the Indebtedness. This includes a garnishment of any of Grantors' accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantors as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantors gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in a amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Existing Indebtedness. The payment of any installment of principal or any interest on the Existing Indebtedness is not made within the time required by the promissory not evidencing such indebtedness, or a default occurs under the instrument securing such indebtedness and is not cured during any applicable grace period in such instrument, or any suit or other action is commenced to foreclose any existing lien on the Property.

Breach of Other Agreement. Any breach by Grantors under the terms of any other agreement between Grantor and Lender that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Grantors to Lender, whether existing, now or later.

Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness. In the event of a death, Lender at its option, may, but shall not be required to, permit the guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and in doing so, cure any Event of Default.

Adverse Change. A material adverse change occurs in Grantors' financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

Right to Cure. If any default, other than a default in payment is curable and if Grantors had not been given a notice of a breach of the same provision of this Mortgage within the preceding twelve (12) months, it may be cured if Grantors, after receiving written notice from Lender demanding cure of such default: (1) cure the default within thirty (30) days; or (2) if the cure requires more than thirty (30) days, immediately initiate steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continue and complete all reasonable and necessary steps sufficient to cure the default and thereafter continue and complete all reasonable and necessary steps sufficient to produce compliance as soon as reasonable practical.

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantors to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Grantors would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Grantors, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds,

over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of Rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantors irrevocably designate Lender as Grantors' attorney-in-fact to endorse instruments received in payment thereof in the name of Grantors and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper ground for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgage in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Grantors' interest in all or any part of the Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in the section.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Grantors hereby waive any and all right to have the Property marshaled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

Notice of Sale. Lender shall give Grantors reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of the Personal Property may be made in conjunction with any sale of the Real Property.

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantors under this Mortgage, after Grantors' failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.
