2. Payment Information: You can obtain advances of credit for an additional 5 years from the original 5 year term on your Home Equity Loan. This period is called the "draw period". At our option, we may renew or extend the draw period. After the draw period ends the repayment period will begin. During the draw period you will be required to make a monthly payment which is equal to the

accrued finance charges, also called interest. You will make 59 of these payments. You will then be required to pay the entire balance owing in a single balloon payment. If you pay only the interest that is owing each month you will not repay any of the principal balance during the plan. Unless otherwise required by applicable law, we are under no obligation to refinance the balloon payment at that time. You may be required to make payments out of other assets you own or find a lender, which may be us, willing to lend you the money. If you refinance the balloon with us, you may have to pay some or all of the closing costs.

3. Periodic Rate and Corresponding Annual Percentage Rate: We will determine the periodic rate and the corresponding annual percentage rate as follows. We start with an independent index, (the "Index"), which is the Wall Street Journal Prime Rate. When a range of rates has been published the highest rate will be used. We will use the index value on January 1st, April 1st, July 1st and October 1st to make any annual percentage rate change. To determine the periodic rate that will apply to your account, we add a margin in the amount of 0.00% to the value of the Index. Then we divide this sum by the number of days in a year (365). To obtain the annual percentage rate we will multiply the periodic rate by the number of days in a year (365). This result is the annual percentage rate.

The annual percentage rate can change quarterly on January 1st, April 1st, July 1st and October 1st. There is no limit on the amount by which the annual percentage rate can change during any one year period. The maximum ANNUAL PERCENTAGE RATE that can apply is 16% or the maximum permitted by law, whichever is less.

WHEREAS, the parties desire to restate the modification terms of said loan so that there shall be no misunderstanding;

This agreement and terms contained herein shall replace and supersede only the terms of the above described Note and Mortgage which are expressly modified herein. All the remaining terms of the Open End Home Equity Credit Agreement and Truth in Lending Disclosure and Addendum, and the Revolving Credit Mortgage shall remain in full force and effect and the same are hereby reaffirmed and incorporated by reference herein as if fully restated.

IN WITNESS WHEREOF, this Loan Modification Agreement has been executed this 27th day of November, 2007
