September 1, 1998

FOR VALUE RECEIVED, Brian E. Basic and Carol A. Basic and Marquette National Bank, as Trustee under Trust Agreement dated June 18, 1977 and known as Trust Number 7873, jointly and severally, if more than one, (the "Borrower") promises to pay to the order of The First National Bank of Chicago, (the "Bank"), the principal sum of Two Hundred Thirty Seven Thousand Five Hundred Fifty Three and 47/100 Dollars (\$237,553.47) payable at its office in Chicago, Illinois in lawful money of the United States bearing interest from time to time as hereunder provided. Monthly payments on account of this Note shall be made in equal monthly installments representing principal and interest as provided below and shall be applied first to interest with the balance to principal.

Monthly payments on account of this Note are to be made in such amounts as are appropriate to amortize the original principal balance, by the level rate amortization method, over a term of 300 months. Payments on account of this Note shall be made as follows:

(a) On October 1, 1998 and on the first day of each month thereafter to and including August 1, 2003, there shall be paid \$1,763.23 which shall be applied first to interest at the rate of 7.55% per annum and the balance to principal.

(b) On September 1, 2003 ("Maturity Date"), the principal balance together with all accrued interest and all other amounts due hereunder shall be paid.

All interest on this promissory note shall be calculated on the basis of a 360-day year and shall be charged for the actual number of days elapsed. The Borrower shall have the right from time to time upon 2 days' notice in writing to the Bank to prepay the unpaid balance of this note or in the inverse order of the maturity thereof any installment or installments due hereunder, prior to the expressed maturity thereof by paying, in addition to the principal amount of such prepayment, the interest accrued on the amount prepaid, and the applicable Prepayment Premium. Prepayments shall not affect the duty of Borrower to pay all installments when due or change the amount of such installments and shall not affect or impair the right of Bank to pursue all remedies available to Bank under this Note. The Prepayment Premium shall apply to any payments, voluntary or involuntary, including those made after acceleration of maturity of the Note.

"Prepayment Premium" means an amount equal to Three (3%) percent of the amount prepaid during year One.

After maturity or upon an event of default, interest shall accrue at the rate of 30% per annum in excess of the rate which would have been in effect according to the terms of this Note, not fully paid. Interest shall be computed on the basis of a 360 day year and charged for the actual number of days elapsed. The Borrower agrees to pay reasonable attorneys' fees, costs and expenses incurred by the Bank in the collection and enforcement of this Note.

Without limiting the provisions of the succeeding paragraphs, in the event any payment of principal and interest is not paid within ten (10) days after the date the same is due, the undersigned promises to pay a "Late Charge" of five (5%) percent of the amount so overdue to defray the expense incident to handling any such delinquent payment or payments.

This Note and any renewals and extensions hereof and any other liabilities and obligations of the undersigned to the Bank are secured pursuant to the below described agreements as each such agreement may be amended, modified or restated from time to time hereafter.
