This Agreement made and entered into this 28th day of September, 2006 by and between the **VILLAGE OF MOUNT PROSPECT**, Cook County, Illinois (hereinafter referred to as the "VILLAGE") and **Mario Picicco, Jr. and Gilda Picicco**, individually, as the owners (hereinafter for convenience referred to as the "OWNER") of the property commonly known as 225 South Leonard, Arlington Heights, Illinois 60005 (hereinafter sometimes referred to as the "SUBJECT REALTY").

WITNESSETH:

WHEREAS, notwithstanding the Arlington Heights common address for the SUBJECT REALTY, the SUBJECT REALTY is situated in the VILLAGE (of Mount Prospect); and

WHEREAS, the OWNER has paid for and constructed and installed certain water main(s) along White Oak Street between Prairie Avenue to the east and South Leonard Lane to the west and along South Leonard Lane between 227 South Leonard Lane to the north and White Oak Street to the south, as more specifically described and set forth in the Engineering Plans prepared by I.G. parcels to the extent permitted by law provided that the OWNER indemnifies and holds harmless the VILLAGE in connection therewith;

NOW, THEREFORE, in pursuance of authority granted by law, and based upon other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and further in consideration of the terms and conditions set forth below, the parties hereto agree as follows:

Section 1. The OWNER represents and warrants to the VILLAGE as follows:

A. That the OWNER has previously constructed the Project to service the real estate legally described on **EXHIBIT A** attached hereto and made a part hereof, as though fully set forth herein (the said real estate is sometimes hereinafter called the "SUBJECT REALTY").

B. In order to service the development of the SUBJECT REALTY with watermain service, and in conjunction with the request of the VILLAGE and applicable law, OWNER has constructed, installed and paid for the construction and installation of the Project to serve the SUBJECT REALTY, which was constructed within the location(s) identified above. The Project has been sized and designed to service each parcel in the Area Served (hereinafter sometimes referred to as the "Service Area" and/or the "Recapture Area") as identified on **EXHIBIT B** attached hereto and hereby made a part hereof.

C. The area that said Project is capable of servicing, and will benefit, exceeds that of the SUBJECT REALTY and encompasses the general area of parcels identified on **EXHIBIT B** as the Area Served (hereinafter sometimes referred to as the "Service Area" and/or the "Recapture Area"). Such Service Area consists of nine (9) common

addresses, nine (9) lots, nine (9) permanent index numbers (individually a "parcel" and collectively the "parcels"), inclusive of the SUBJECT REALTY, and with total dimension for all nine (9) parcels of approximately within the said Service Area.

D. That such Project shall benefit the property described on **EXHIBIT B** in addition to the SUBJECT REALTY, subject to the provisions hereof.

Section 2: COSTS:

A. The VILLAGE agrees that in order to provide for reimbursement to the OWNER of the cost of the construction of the Project (which cost of construction, as documented by OWNER to VILLAGE, is currently estimated to be Ninety-Two Thousand, Nine Hundred and Sixty-Two and 82/100 (\$92,962.82) Dollars with Eighty-Two Thousand, Six Hundred and Thirty-Three and 62/100 (\$82,633.62) Dollars, being the portion subject to recapture hereunder, as more fully set forth in **EXHIBIT C** attached hereto and made a part hereof), as a result of benefits to the parcels located in the Recapture Area (as described on **EXHIBIT B**), the VILLAGE will, to the extent the same is permitted by law, require, as a condition to the VILLAGE's approval of any plat of subdivision or building permit or notice to proceed or to the VILLAGE's permitting any connection to and use of the Project or the VILLAGE's water system relating to or benefiting any parcels lying within the Recapture Area, the owner or owners of said parcels in the Recapture Area to pay to the OWNER a recapture or special connection fee when and as collected, in the current amount of Ten Thousand, Three Hundred and Twenty-Nine and 20/100 (\$10,329.20) Dollars per parcel in the Recapture Area (as described on **EXHIBIT B**), and further such recapture or special connection fee shall include interest applied annually at a rate equal to and commensurate with the interest rate -- six (6%) percent per annum -- being paid by OWNER to its lender which advanced the costs of

UNOFFICIAL COPY

construction to OWNER. Such interest shall be compounded as of the date of execution of this Agreement, and annually thereafter as of December 31 of each year. Such interest shall commence accruing as of the date of execution of this Agreement and shall be added annually, or prorated with a per diem interest factor for payments received during the year, as of January 1 of each year.

B. It is understood that the above recapture amounts **do not include** the sum of Eight Thousand Seven Hundred and Eighty and No/100 (\$8,780.00) Dollars deposited by OWNER as and for a bond posted by OWNER with the VILLAGE, which monies shall be refunded directly and exclusively to OWNER by the VILLAGE separate and apart from the recapture amounts herein set forth as provided by Section 15.802 of the Mount Prospect Village Code, and the other eight (8) affected parcel owners set forth on **EXHIBITS B and C** attached hereto shall have no right, title or interest whatsoever with respect thereto.

C. It is further understood that the above recapture amounts **do not include** any costs to be incurred and/or sums to be expended by the other eight (8) affected parcel owners set forth on **EXHIBITS B and C** attached hereto vis-à-vis landscaping their respective parcels in connection with any construction on said parcels, or any one of them, in furtherance of this Agreement. Rather, the costs of any landscaping work shall be borne exclusively by the said other eight (8) affected parcel owners relative to their respective parcels.

Section 3: That a recapture fee/special connection charge for the owner of any parcel of real estate in the Recapture Area shall be established by ordinance by the VILLAGE in conformance with the provisions of Section 2 of this Agreement.

Section 4: It is further understood and agreed that if this Recapture Agreement or the recapture ordinance or the recapture fee/special connection fee to be established pursuant to this

UNOFFICIAL COPY

Agreement are challenged by legal action, that the OWNER will assume the defense of such litigation and pay for all costs and expenses, including witness fees and reasonable attorney's fees and expenses, and OWNER shall indemnify and hold harmless the VILLAGE for any judgment or settlement, and all other costs and expenses of any kind whatsoever charged against or incurred by the VILLAGE in any way directly or indirectly related to any claim, cause of action or lawsuit so brought.

If this Recapture Agreement, the recapture ordinance and/or the recapture fees/special connection fees are held invalid by a court of competent jurisdiction, the OWNER agrees that the VILLAGE need not appeal such decision and shall not have any further obligation to try in any manner to recapture any costs hereunder or under any separate agreement or ordinance, and shall not be obligated to pay any further monies to OWNER for any reason connected with the Project, this Recapture Agreement or said recapture ordinance, and/or special connection fees.

Section 5: This Agreement may be recorded at the expense of the OWNER, with the office of the Recorder of Deeds of Cook County, Illinois.

Section 6: VILLAGE agrees that it will provide for the payment of the appropriate recapture amounts and/or recapture fees/special connection fees, including interest, required hereunder in any annexation agreement involving any parcels within the Service Area annexing to the VILLAGE.

Section 7: VILLAGE agrees that it will require the payment of all recapture amounts and/or recapture fees/special connection fees, including interest, required hereunder, under the following procedures. When a benefited parcel owner seeks approval of development of the parcel of the benefited parcel owner and/or connection to the Project or the VILLAGE's water system, the VILLAGE shall notify the party seeking such approval and/or connection that there

is a recapture due, the amount of the recapture, and require the petitioner to arrange for a direct payment of the recapture amount and/or special connection charge to VILLAGE, which in turn will reimburse such amount to the OWNER. It is agreed that the VILLAGE will use its best efforts to collect all such recapture amounts due and owing, but it is further agreed that VILLAGE need not take any legal action to collect the same. The VILLAGE agrees that the OWNER may take such legal action in its own name and/or in the name of the VILLAGE, but the OWNER must pay all court costs, expenses, attorney fees and all other costs relating to the same. It is agreed that the OWNER is an express third party beneficiary under this Agreement.

Section 8: The amount of recapture provided for herein, and any recapture fees/special connection fees to be provided for pursuant to the provisions hereof, shall be in addition to any and all fees customarily required by VILLAGE ordinances from any benefited parcel within the Recapture Area.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals, as applicable, pursuant to lawful authority, this 21st day of ~~September~~, 2006.
