**PROPERTY DAMAGE INSURANCE.** The following provisions relating to insuring the Property are a part of this Mortgage.

**Maintenance of Insurance.** Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance for the full unpaid principal balance of the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

**Application of Proceeds.** Grantor shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$5,000.00. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at its election, apply the proceeds to the reduction of the Indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed Improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Mortgage. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor.

**Unexpired Insurance at Sale.** Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Mortgage at any trustee's sale or other sale held under the provisions of this Mortgage, or at any foreclosure sale of such Property.

**Compliance with Existing Indebtedness.** During the period in which any Existing Indebtedness described below is in effect, compliance with the insurance provisions contained in the instrument evidencing such Existing Indebtedness shall constitute compliance with the insurance provisions under this Mortgage, to the extent compliance with the terms of this Mortgage would constitute a duplication of insurance requirement. If any proceeds from the insurance become payable on loss, the provisions in this Mortgage for division of proceeds shall apply only to that portion of the proceeds not payable to the holder of the Existing Indebtedness.

**EXPENDITURES BY LENDER.** If Grantor fails to comply with any provision of this Mortgage, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate provided for in the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the credit line and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Credit Agreement, or (c) be treated as a balloon payment which will be due and payable at the Credit Agreement's maturity. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

**WARRANTY; DEFENSE OF TITLE.** The following provisions relating to ownership of the Property are a part of this Mortgage.

**Title.** Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

**Defense of Title.** Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under this Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

**Compliance With Laws.** Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

Other action is requested by Lender to perfect and continue Lender's security interest in the Rents and Personal Property. In addition to recording this Mortgage in the real property records, Lender may, at any time and without further authorization from Granter, file executed counterparts, copies or reproductions of this mortgage as a financing statement. Granter shall remituse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Granter shall assemble the Personal Property in a manner and after receipt of written demand from Lender.

Addressees. The mailing addresses of Granter (debtor) and Lender (secured party), from which information concerning the security interest granted by this Mortgage may be obtained (each as required by the Uniform Commercial Code), are as stated on the first page of this Mortgage.

**FURTHER ASSURANCES; ATTORNEY-IN-FACT.** The following provisions relating to further assurances and attorney-in-fact are a part of this Mortgage.

Further Assurances. At any time, and from time to time, upon request of Lender, Granter will make, execute and deliver, or will cause to be made, executed or recorded, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, refiled, or reentered, as the case may be, at such times and in such offices and places as Lender may deem appropriate, any and all such mortgages, deeds of trust, security deeds, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable to effectuate, complete, continue, or preserve (a) the obligations of Granter and Borrower in order to further assure, finance, and other documents as may, in the sole opinion of Lender, be necessary or desirable to further secure the Credit Agreement, and the Rented Documents, and (b) the lines and security under the Credit Agreement, this Mortgage, and the Rented Documents, and Borrows.

**Taxes.** The following all or any part of the indebtedness secured by this Mortgage shall constitute taxes to which this section applies: (a) a specific tax upon this type of which Borrower is authorized to require from debtor from payments on the indebtedness secured by this type of Mortgage; (c) a tax on this type of Mortgage chargeable against the Lender or the holder of the Credit Agreement; (d) a specific tax on all or any portion of the indebtedness or on payments of principal and interest made by Borrower.

Mortgagee or upon all or any part of the indebtedness secured by this Mortgage: (b) a specific tax upon this type of Mortgage all or any part of which this section applies to which this section applies: (a) a specific tax upon this type of Mortgage shall be liable to pay the indebtedness secured by this Mortgage.

**APPLICABILITY OF NET PROCEEDS.** If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the indebtedness or the repair or restoration of all real property. The net proceeds of the award shall mean the award after payment of all reasonable expenses, and attorney fees incurred by Lender in connection with the condemnation. Proceedings, and attorney fees incurred by Lender in connection with the condemnation, if any proceeding in connection with the condemnation is filed, Granter shall promptly notify Lender in writing, and Granter shall proceed such steps as may be necessary to defend the action and obtain the award. Granter may do whatever is necessary to take such steps as may be necessary to defend the action and obtain the award. Granter may do such proceeding in such party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Granter will deliver or cause to be delivered to Lender such instruments as may be requested by it from time to permit such participation.

**IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES.** The following provisions relating to governmental taxes, fees and charges are a part of this Mortgage:

**Current Taxes, Fees and Charges.** Upon request by Lender, Granter shall execute such documents in addition to this Mortgage and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Granter shall reimburse Lender for all taxes, as described below, together with all expenses incurred in recording or continuing this Mortgage, including without limitation all taxes, fees, documentary stamps, and other charges for registering this Mortgage.

**EXISTING LIEN.** The Lien of this Mortgagage securing the Indebtedness may be secondary and inferior to an existing lien. Grantor expressly covenants and agrees to pay, or see to the payment of, the Existing Indebtedness and to prevent any default on such Indebtedness, any default under the instruments evidencing such Indebtedness, or any default under any security documents for such Indebtedness.

**No Modification.** Grantor shall not enter into any agreement with the holder of any mortgagee, deed of trust, or other security agreement which has priority over this Mortgage by which that agreement is modified, amended, extended, or renewed without the prior written consent of Lender. **CONDENMATION.** The following provisions relating to condemnation of the Property are a part of this Mortgage.

**EXISTING INDEBTEDNESS.** The following provisions concerning existing indebtedness (the "Existing Indebtedness") are a part of this Mortgage.

interests created by this Mortgage on the Property, whether now owned or hereafter acquired by Grantor. Unless prohibited by law or agreed to the contrary by Lender in writing, Grantor shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in this paragraph.

**Attorney-in-Fact.** If Grantor fails to do any of the things referred to in the preceding paragraph, Lender may do so for and in the name of Grantor and at Grantor's expense. For such purposes, Grantor hereby irrevocably appoints Lender as Grantor's attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Lender's sole opinion, to accomplish the matters referred to in the preceding paragraph.

**FULL PERFORMANCE.** If Borrower pays all the Indebtedness when due, terminates the credit line account, and otherwise performs all the obligations imposed upon Grantor under this Mortgage, Lender shall execute and deliver to Grantor a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Personal Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time. If, however, payment is made by Borrower, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (a) to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (b) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (c) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Borrower), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Mortgage and this Mortgage shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Mortgage or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Mortgage.

**DEFAULT.** Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Mortgage: (a) Grantor commits fraud or makes a material misrepresentation at any time in connection with the credit line account. This can include, for example, a false statement about Grantor's income, assets, liabilities, or any other aspects of Grantor's financial condition. (b) Grantor does not meet the repayment terms of the credit line account. (c) Grantor's action or inaction adversely affects the collateral for the credit line account or Lender's rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a lien on the dwelling without Lender's permission, foreclosure by the holder of another lien, or the use of funds or the dwelling for prohibited purposes.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Lender shall have the right at its option without notice to Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

**UCC Remedies.** With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

**Collect Rents.** Lender shall have the right, without notice to Grantor or Borrower, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

**Mortgagee in Possession.** Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law.
