ASSESSMENTS

3. Lessee will pay to Lessor as a condition of the continued right of occupancy of the Apartment, in lawful money of the United States of America, at the office of Lessor, 880 North Lake Shore Drive, Chicago, Illinois, or such other place as Lessor may from time to time designate in writing:

- (a) A regular monthly assessment, which shall be payable in advance on the first day of every calendar month during the term hereof. The Managing Trustees of Lessor shall from time to time establish by resolution the amount of the regular monthly assessments for the Apartment and every other apartment in the Buildings. The Managing Trustees shall notify Lessee in writing not less than sixty (60) days prior to any change in the amount of such monthly assessments, which notice shall specify the first month for which such new monthly assessments shall become effective. The regular monthly assessments shall be levied upon all apartments in the Buildings so that each apartment shall be assessed an amount equal to the number representing that apartment on the Base Assessment Schedule attached hereto, multiplied by the total regular monthly assessment levied upon all apartments in the Buildings.
- (b) Such special assessments as the Managing Trustees may from time to time determine are desirable or necessary for the maintenance, operation, improvement, or repair of the Buildings. Special assessments shall be levied upon all apartments in the Buildings so that each apartment shall be assessed an amount equal to the number representing that apartment on the Base Assessment Schedule attached hereto, multiplied by the total special assessment levied upon all apartments in the Buildings.
- (c) The right to establish the amount of, and to require increases or decreases in, the assessment to be paid by Lessee shall be possessed only by Lessor and shall not pass to any receiver, trustee or creditor of Lessor.

In determining the amount of any monthly or special assessments, the Managing Trustees shall estimate the funds which, in their judgment, will be required by Lessor for the payment of all obligations of Lessor, including, among other things, taxes and assessments of all kinds, water rates, electricity, insurance premiums, operating expenses, the cost of repairs, additions, improvements, alterations and replacements to the Buildings, annual interest and principal payments on mortgage indebtedness, refinancing expense and, if deemed advisable, a reserve fund for such purposes as the Managing Trustees shall determine.

- (d) Lessor's customary charges for services made available by Lessor and ordered by Lessee, including but not limited to maid service, window washing, laundry and valet service, garage services and garage supplies.
- (e) All costs, charges and expenses, including the fees of attorneys, agents and others retained by Lessor, which are established by resolution of the Managing Trustees as standard costs of enforcement of the terms or covenants of the leases for the apartments leased by Lessor, or, if no such standard costs have been established, such actual costs, charges, and expenses as are paid or incurred by Lessor in enforcing any of the terms or covenants of this Lease against Lessee, whether by institution of legal action or otherwise, or which are paid or incurred by Lessor in any litigation, negotiation or transaction in which Lessee causes Lessor or any Managing Trustee to become involved or concerned without the fault of Lessor or such Managing Trustee, all of which sums shall be due and payable upon demand by Lessor.

Notwithstanding the foregoing, in the event that Lessee brings a lawsuit or other legal proceeding against Lessor or any Managing Trustee, or Lessor or any Managing Trustee brings a lawsuit or other legal proceeding against Lessee, the successful party shall be entitled to recover from the other party all costs and expenses, including reasonable attorneys' fees incurred in defending such lawsuit or legal proceeding.

- (f) All other sums required by this Lease to be paid to Lessor by Lessee.

If any of the foregoing sums are not paid on or before thirty (30) days after the same shall become due, Lessee agrees to pay interest thereon from the due date thereof until paid at the prime rate as determined by Wall Street Journal, plus two percent (2%) per annum, which interest is agreed to constitute an addition to the monthly assessment hereunder.

At the time of adoption of this form lease, the Managing Trustees have approved the following charges and procedures for the collection of overdue sums owed by all lessees:

- (i) All sums required to be paid to Lessor and which are not paid on or before thirty (30) days after the same have become due, shall accrue interest from the date due until the date paid at the prime rate as determined by Wall Street Journal, plus two percent (2%) per annum, which interest shall constitute an addition to the monthly assessment and which may accrue further interest and collection charges. Said interest shall be in addition to all other collection charges due hereunder.

Any Lessee who wishes a waiver of such charges must submit his request to the Managing Trustees in care of the building manager in writing and as promptly as possible.

Lessee consents to these charges and collection procedures and to such other reasonable charges and collection procedures as the Managing Trustees may have adopted prior to the execution of this Lease or may adopt hereafter.

OTHER OBLIGATIONS OF LESSOR

4. Lessor, subject to the limitations of liability hereinafter stated, hereby covenants with Lessee as follows:

- (a) Lessee, upon paying the amounts referred to in Paragraph 3 and performing the covenants of Lessee herein set forth, shall at all times during the term hereof be entitled to the use of such facilities in or about the Buildings as may be provided generally for the use of the other tenants of similar apartments therein; provided, however, that Lessor shall have full power to determine the manner of maintaining and operating the Buildings;
- (b) Lessor shall at its own expense maintain and operate the Buildings as first-class apartment buildings and faithfully endeavor to furnish heat to the Apartment when it may be necessary, and an ample supply of hot and cold water; maintain reasonable passenger and freight elevator service and an adequate number of attendants for the proper care and service of the Buildings; allow proper mechanical connections for supplying to Lessee electricity and telephones for use in the Apartment; and use

- (c) Lessor shall keep in good order, condition and repair the foundations, exterior walls, supports, beams, roofs, gutters, basements, sidewalks, fire towers, chimneys, boilers, pumps, tanks, front and rear entrances, main halls, stairways, and elevators. Lessor shall also maintain, repair and replace the main risers, drain pipes and vent stacks for carrying water, air, gas, steam or electricity through the Buildings, all plumbing apparatus intended for the general service of the Buildings, all heating pipes, including those in individual Apartments, and all water pipes (up to and including shut-off valves), to and from the Apartments' washing machines, and kitchen, bathroom and other fixtures, installations and appliances regardless of where the pipes are located, excepting therefrom any rubber hoses to spigots in the walls, said hoses to be considered part of the appliance attached thereto; provided, however, that all pipes connected to water cooled air conditioning systems from the point of branching from the main water feeder pipes to the point of return to building drain pipes, shall be the responsibility of Lessee. All other pipes, conduits and vent stacks coming off the main risers, pipes and vent stacks are the responsibility of Lessee. Any and all damage to piping for which Lessor has agreed to bear responsibility, including but not limited to the main risers, drain pipes, heating and vent stacks, to the extent caused by an act of Lessee, sublessee or any previous Lessee, or any of their respective family members, guests, employees or agents, shall be repaired at the sole cost and expense of Lessee.

- (e) Lessee is responsible for all decorating and furnishings in the Apartment, including, but not limited to, painting, wallpapering, washing, cleaning, paneling, tile, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Such maintenance and use shall be subject to such rules and regulations as Lessor may impose from time to time.

- (f) Lessee shall give Lessor prompt notice of any known disorders or defects requiring repairs to be made to such items for which Lessor is responsible under this Paragraph 4, or to prevent damage to other Apartments or portions of the Buildings. Lessee shall at all reasonable times allow the representatives of Lessor to enter and inspect the Apartment for the purpose of determining the necessity and character of any such repairs and to make the repairs. Upon reasonable notice, Lessee shall permit Lessor or its agents to remove such portions of the walls, floors and ceilings of the Apartment as may be required for the purpose of making such repairs, all portions so removed to be replaced by Lessor at its expense as soon as reasonably can be done and in as similar a condition as possible to that prior to removal.
- (g) All repairs and replacements which Lessor is responsible to make shall be paid for by Lessor, unless rendered necessary by the act, neglect or carelessness of Lessee or any member of his family or his or their guests, employees, or agents, in which event the repairs shall be performed by Lessor and the cost of such repairs shall be borne by Lessee. If damage is caused by a casualty covered by Lessor's insurance, to any Apartment by an element of the Building for which Lessor bears the maintenance responsibility, Lessor will repair all plaster and walls to the final coat of primer in the Apartment. Lessee shall be responsible for all repairs and replacements to decorating and personal property; provided, however, that in the event of negligence by Lessor, Lessor shall be responsible for all damage to repair and/or replace the decorating and/or personal property of Lessee.
- (h) If Lessor shall make any repairs or improvements or do any other work in or about the Buildings, or the Apartment, Lessor will execute such repairs and replacements and other work with due diligence and with as little interference as possible with the use of the Apartment by Lessee. When necessary, Lessor may omit or interrupt the service(s) provided for Lessee until all repairs or improvements shall have been made and completed, without in any manner or respect affecting or modifying the obligations or covenants of Lessee herein contained.
- (i) At such time following each December 31 as the independent public accountants regularly employed by Lessor shall complete their audit of Lessor's books and records for the year ending with such December 31, Lessor shall mail, or cause to be mailed, a copy of the accountants' report or a condensed version thereof to Lessee.
- (j) Lessor shall at all times keep the Buildings insured in a reasonable amount determined by the Managing Trustees against loss or damage by casualties covered by "fire and extended coverage" insurance, shall maintain a reasonable amount of public liability, elevator and boiler insurance, and shall maintain Worker's Compensation insurance and such other insurance as Lessor may determine.

- (k) Lessor shall not be liable to Lessee by reason of any claim that any policy of insurance in force at any time is not reasonable in amounts, the determination of such reasonable amounts to be within Lessor's sole discretion. Lessor shall not be liable to Lessee for failure, for any reason, to secure reimbursement for insurance proceeds for Lessee's benefit under any of the provisions hereof.
- (l) Lessor shall not be obligated to maintain insurance on any portion of the Apartment which it is not responsible to maintain under Paragraph 4(c). Accordingly, Lessee is responsible to insure all furnishings, decorating, improvements and fixtures in the Apartment.
- (m) The foregoing undertakings of Lessor are upon the following express conditions: that there shall be no diminution or abatement of assessments or other amounts required to be paid by Lessee hereunder, and that Lessor shall not be liable in damages for failure to perform such undertakings or for interruption or curtailment of service, when such failure, interruption or curtailment shall be due to accident, alterations or repairs desirable or necessary to be made, or to inability or difficulty in securing supplies or labor, or to some cause other than gross negligence on the part of Lessor; that no diminution or abatement of assessments or other amounts required to be paid by Lessee hereunder, and no other compensation, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Apartment or the Buildings or to its appliances, nor for any space taken to comply with any law, ordinance or order of a government authority, and that the sole liability of Lessor hereunder shall be limited to the cost of making such repairs, replacements or other work.
- (n) Lessor and Lessee agree not to permit anything to be done, brought or kept in the Buildings, or any individual apartment, which will increase the cost or result in the cancellation of any insurance policy on the Buildings or the contents thereof, or increase the fire insurance rate. Neither Lessor nor Lessee shall use or permit the Buildings or any individual apartment to be used for any unlawful purpose. Lessor shall promptly comply with all laws, rules, orders or regulations applicable to apartment buildings made by any municipal, state, or federal authority.

OTHER OBLIGATIONS OF LESSEE

5. Lessee agrees that the character of the occupancy of the Apartment is an especial consideration and inducement for the granting of this Lease and that he will be responsible for the conduct of all persons in or about the Apartment and shall not permit or suffer anything to be done which will obstruct or interfere with the rights of other tenants, or annoy such tenants by unreasonable noises or otherwise, or injure the reputation of the Apartment or the Buildings, or obstruct the public halls or stairways of the Buildings; that he, his family and all persons dwelling or visiting in the Apartment will observe and comply with the House Rules and such

UNOFFICIAL COPY

other and further rules and regulations, whether similar to or different from the present House Rules, as Lessor may from time to time, in its sole discretion deem necessary; that he will not permit or suffer anything to be done, brought, or kept in the Apartment which will vitiate any policy of insurance on the Buildings or the contents thereof, or increase the fire insurance rate thereon, and he shall not use or permit the Apartment to be used for any unlawful purpose, and that he, his family and all persons dwelling or visiting in the Apartment shall promptly comply with all the laws, rules, orders or regulations applicable to the Apartment, made by any municipal, state or federal authority.

Lessee shall be responsible for any claim, damage, or judgment as a result of the occupancy, use or operation of the Apartment, regardless of whether the claim, damage or judgment arose from acts of Lessee, Lessee's family, guests or invitees, or other persons residing in the Apartment, or from the operation of any equipment in the Apartment. The cost to repair such damage shall be the responsibility and obligation of Lessee.

6. Lessee will not use the Apartment or any part thereof, or suffer the same or any part thereof to be used, for any purpose other than as a private residence for Lessee and/or his family, or for a sublessee occupying the same with the consent of Lessor, as herein provided. For purposes of the foregoing sentence, Lessee's "family" shall include his spouse, direct descendants, direct ancestors, siblings, aunts, uncles, nieces, nephews, first cousins, and persons with whom Lessee has formed a domestic partnership. The Apartment shall not be used as a boarding or lodging house, or for a school or to give instructions in music or singing or for any purpose of trade or business or professional entertainment; and none of the rooms shall be offered for rent by placing notices on any door, window or on any other part of the Buildings or of the Apartment, or by advertising, nor shall any room in the Apartment be offered for rent in any manner or be rented without the prior written consent of Lessor.

7. Lessee shall not make or suffer to be made any alterations, improvements or additions in the Apartment or to the exterior or interior of the Buildings without in each case first procuring the written consent thereto of Lessor.

8. Lessee has examined the Apartment prior to and as a condition precedent to his acceptance and execution of this Lease, and Lessee's execution hereof is conclusive evidence of his receipt of the Apartment in good order and repair. Lessee agrees that no representation as to the condition or repair of the Apartment has been made by Lessor which is not expressed herein and that no promise or agreement to alter, remodel, decorate or clean the Apartment, or any part thereof, or to approve any such action on the part of Lessee, has been made by Lessor, either before or at the execution hereof.

Lessee shall keep the Apartment in good order, condition and repair and in a clean and sanitary condition and shall suffer no waste thereon or injury thereto. Lessee will repair all damage in or to the Apartment or outside the Apartment with respect to which Lessee is responsible to maintain under Paragraphs 4 (d) and (e) of this Lease. Lessee shall bear the cost of all damage to any portions of the Buildings or other Apartments caused by elements or fixtures for which

UNOFFICIAL COPY

Lessee is responsible for maintaining or which has been caused by the act, neglect or carelessness of Lessee, sublessee, or any previous Lessee or any of their respective family members, guests, employees or agents. All such repairs shall be of quality and kind equal to the original work. Repairs, alterations, additions or improvements made at any time outside the Apartment or to apparatus serving the entire building shall be the property of Lessor without any compensation to Lessee therefor. In the event of any failure, refusal or negligence of Lessee, after notice in writing, to make such repairs as are required herein to be made by Lessee, Lessor may, at its option, but without any obligation on its part so to do, enter the Apartment for the purpose of making such repairs and any expense thereby incurred by Lessor shall be an additional amount due from Lessee to Lessor hereunder, payable on demand.

9. If Lessee is also the Lessee under a garage stall lease from Lessor demising a garage stall in the garage under the Buildings, any default by Lessee under such garage stall lease shall constitute a default under this Lease which shall empower Lessor, at Lessor's sole option, to exercise the remedies available to it upon the occurrence of any default hereunder.

10. Lessee, upon the termination of this Lease by lapse of time or otherwise, or when Lessor shall be entitled to possession of the Apartment under the provisions hereof, will quit or surrender the Apartment, including all equipment furnished by Lessor, and all additions, alterations and improvements to the Apartment, all in the same good order, condition and repair as on the date of the commencement of the demised term, loss by fire or other casualty and ordinary wear and tear excepted, and Lessee shall promptly deliver to Lessor all keys to locks in or about the Apartment, whether originally furnished to Lessee by Lessor or otherwise procured by Lessee, without any demand or notice whatsoever. If the Apartment is not vacated by Lessee or his sub-lessee when Lessor may become entitled to possession thereof under the provisions hereof, Lessee agrees to pay Lessor, as liquidated damages for the whole time that such possession is withheld, a sum equal to four times the amount of the assessment due and payable during the time of said withholding under the terms of this Lease, prorated for each and every day of such withholding.

SUBLEASE AND ASSIGNMENT PROVISIONS

11. It is expressly understood and agreed that the character of and restrictions upon the occupancy of the Apartment, as hereinbefore expressed and limited, are an especial consideration and inducement for the granting of this Lease, and therefore Lessee shall not assign or attempt to assign this Lease or any part thereof or permit the same to be assigned by operation of law, nor let or sublet all or any part of the Apartment without in each case first obtaining the consent in writing of Lessor to the proposed assignment or subletting, and any attempted assignment or subletting in violation of the provisions herein contained shall be void and shall not vest in the assignee or sublessee any right, title or interest herein or hereunder or in or to Apartment; provided, however, that no such consent shall be required:

UNOFFICIAL COPY

- (a) if Lessee shall make an assignment of this Lease and the Certificate of Beneficial Interest of Lessor owned by Lessee as collateral security for a loan, which collateral assignment shall contain an agreement or provision satisfactory to counsel for Lessor that the assignee shall have no right to occupy the Apartment without Lessor's prior consent in writing, together with such other provisions to secure the limitations hereof on subleases and assignments as counsel for Lessor may require; or
- (b) if Lessee shall, while not in default hereunder, assign this Lease together with said Certificate of Beneficial Interest, to a trustee for the sole benefit of Lessee, his or her spouse, child or children; or
- (c) if Lessee shall die and by virtue of any law of inheritance or of a valid will the ownership of said Certificate of Beneficial Interest and Lessee's interest in this Lease shall be transferred to the surviving spouse, child or children of Lessee or to a trustee appointed under the provisions of the Last Will of Lessee for the benefit of such surviving spouse, child or children.

If Lessor shall consent to any assignment hereof or subleasing hereunder, there shall be no further assignment or subletting without in each case obtaining the express written consent of Lessor, except as herein otherwise provided, and if an assignment is made in accordance with the provisions of this Lease, the assignee shall be subject to the same terms and conditions as to future assignment. Lessor shall have no obligation to consent to any such assignment or subleasing, and Lessor may condition such consent upon such lawful terms as may be required by the Managing Trustees.

12. The permission of Lessor to sublet the Apartment in whole or in part shall not relieve Lessee hereunder of any of his obligations under this Lease but shall only be an approval of the sublessee as an acceptable occupant of the Apartment at the time of the giving of such approval. No such permission shall be granted by Lessor for any period of less than twelve (12) months or for any period or periods aggregating more than twenty-four (24) months as to any Lessee (it being agreed that, in any case in which no consent to assignment of this Lease is required under Paragraph 11 hereof, the assignee shall not be a new "Lessee" for purposes of this Paragraph 12).

13. All subleases shall expressly be made subject to all of the covenants, conditions and provisions of this Lease and upon the termination of this Lease, all subleases shall ipso facto terminate.

14. Since Lessee is entitled to this Lease only by virtue of ownership of one of the Certificates of Beneficial Interest of Lessor, no assignment of this Lease, whether permitted by the terms hereof without the consent of Lessor, or otherwise, shall be valid unless simultaneously with or prior to such assignment the assignee, whether a trustee or otherwise, shall acquire the ownership of said Certificate of Beneficial Interest owned by Lessee. No assignment of this

UNOFFICIAL COPY

Lease shall be permitted unless all debts and obligations of Lessee to Lessor hereunder have been fully paid and unless the assignee shall execute and deliver to Lessor an instrument in writing, in form satisfactory to Lessor, expressly accepting such assignment and agreeing to be bound by all of the covenants and obligations of Lessee hereunder.

Whenever Lessee under the provisions hereof shall be entitled to assign this Lease and shall so assign it and the assignee shall acquire the ownership of Lessee's Certificate of Beneficial Interest of Lessor and deliver to Lessor said instrument in writing, assuming all of the covenants and obligations thereof accruing hereunder, then and in that event, Lessee-assignor shall be forever released and discharged of any and all of the covenants and obligations of this Lease thereafter accruing.

TERMINATION PROVISIONS

15. This Lease and the estate hereby created shall cease, determine and the term hereof come to an end forthwith upon the occurrence of any of the following events:

- (a) In the event the building of which the Apartment is a part shall be injured or damaged by fire or other casualty, to such a substantial extent that in the opinion of the Managing Trustees a continuation of the cooperative plan of operation of such building would not be practicable, unless within thirty (30) days from the settlement of the fire or other insured loss, Lessor or the mortgage trustee or mortgagee, if any there be, shall elect to rebuild the building and give notice of such election within such time to Lessee, in which case Lessor or such mortgage trustee or mortgagee shall rebuild the building with due diligence.
- (b) In the event that the building of which the Apartment is a part, or any part thereof, shall be condemned for public use.
- (c) In the event the 860 Lake Shore Drive Trust shall be terminated, whether by expiration of time or otherwise, or the building of which the Apartment is a part shall be sold in connection with a termination of said Trust.

16. This Lease and the estate hereby created shall, at the option of Lessor, cease, determine and the term hereof come to an end or, at the option of Lessor, Lessee's right to possession of Apartment shall terminate without termination of the term hereof, upon the occurrence of any of the following events:

- (a) In the event Lessee shall at any time during the term of this Lease cease to have standing of record in his name on the books of Lessor the Certificate of Beneficial Interest of Lessor owned by Lessee at the date of the execution of this Lease except in connection with an assignment of this Lease in accordance with the provisions hereof, provided, however, in the event Lessee shall die at any time during the term

UNOFFICIAL COPY

of this Lease, either testate or intestate, and thereupon by virtue of any law of inheritance or of a valid will the ownership of said Certificate of Beneficial Interest shall be transferred, said right of Lessor to terminate this Lease by virtue of the above provision shall not be exercised for a period of at least eighteen (18) months from the date of the death of Lessee to enable the person or persons so acquiring said Certificate of Beneficial Interest to present evidence of ownership satisfactory to Lessor.

- (b) In the event at any time during the term of this Lease (1) Lessee shall be adjudicated a bankrupt under the laws of the United States, or (2) Lessee shall make a general assignment for the benefit of his creditors, or (3) a receiver for the interest of Lessee hereunder or of all of Lessee's property shall be appointed by any court of competent jurisdiction, which appointment shall not be vacated within thirty (30) days after the appointment of such receiver, or (4) Lessee's interest hereunder shall be levied upon by virtue of an execution and offered for sale pursuant thereto, or (5) Lessee shall fail, for a period of fifteen (15) days after written demand therefor, to pay the assessments herein reserved or other monies due hereunder, provided, however, that such demand shall refer specifically to this provision of this Lease and state that this Lease shall be terminated pursuant thereto, or (6) Lessee shall violate any of the other terms, covenants or conditions herein contained to be by Lessee kept and performed (including the House Rules in force from time to time) or fail or refuse to comply with any demand which Lessor by the terms hereof is permitted to make, and such violation or failure or refusal, as the case may be, shall continue for a period of thirty (30) days after written notice thereof to Lessee, provided, however, that such notice shall refer specifically to this provision of this Lease and state that this Lease shall be terminated pursuant thereto, or (7) Lessee shall attempt to assign this Lease or sublet all or any part of the Apartment in violation of the terms hereof, or (8) Lessee shall abandon the Apartment, or (9) Lessee shall fail to surrender and cancel this Lease and execute a new form of lease or to execute an amendment to this Lease, as appropriate, within sixty (60) days after notification by Lessor that the standard provisions of this Lease are being changed pursuant to Paragraph 29 hereof.

Except as otherwise provided, Lessor's exercise of the aforesaid options need not be made as part of the written notices above provided for, nor at or prior to the time of Lessor's recovery of possession of the Apartment from Lessee, and it shall not be a defense to any such notice or to any proceedings instituted to recover such possession that Lessor has not notified Lessee which of said options it proposed to exercise and enforce.

17. Lessee hereby waives any and all notices, except as expressly provided herein, whether required by statute or otherwise, of any default or demand for possession. In the event of a termination of this Lease pursuant to or by virtue of any of the events or contingencies mentioned in Paragraphs 15(a) through 15(c) of this Lease, or in the event of the termination of this Lease or the termination of Lessee's right to possession of the Apartment without

UNOFFICIAL COPY

terminating this Lease, pursuant to or by virtue of any of the events or contingencies mentioned in Paragraphs 16(a) or 16(b) of this Lease, and in any case, upon the service of notice (if any) expressly required thereby and the expiration of the time (if any) therein expressly given for the curing of such default, Lessee agrees to quit and surrender up possession of the Apartment to Lessor, and agrees that the mere retention of possession by Lessee of the Apartment shall constitute a forcible detainer and that it shall be lawful for Lessor, at its election, at any time thereafter and without further demand or notice, whether this Lease be terminated or not, to re-enter the Apartment or any part thereof, with process of law, and remove any and all persons and property therefrom, and Lessor may use such force as may reasonably be necessary in expelling and removing Lessee or other occupants of the Apartment without being liable to indictment, prosecution or damage therefor, and such entry shall not constitute a trespass or forcible entry or detainer, nor shall it cause a forfeiture of assessments due, nor a waiver of any covenant, agreement or promise in this Lease contained to be kept and performed by Lessee.

In the event of re-entry by Lessor under the terms hereof, Lessor may, at its option and without terminating the term hereof, relet the Apartment or any part or parts thereof for such rent and upon such terms as shall be satisfactory to Lessor, and may collect the rents therefor and for the purpose of such reletting may make any decorations, repairs or alterations or additions in and to the Apartment as may in its judgment be necessary and convenient, and is hereby authorized to deduct from the rentals so collected on such reletting, the cost of same as well as any expense of reletting, such as commissions and advertising, and apply the net amount so received pro tanto in payment of the assessment herein reserved. If Lessee sublets the Apartment with the consent of Lessor, and Lessee makes default in the payment of the assessment herein reserved, Lessor may at its option and without terminating this Lease, collect the rent from such sublessee and apply the same pro tanto in payment of the assessment herein reserved. Collection of rents in case of reletting by Lessor or in case of subletting by Lessee shall not be deemed a waiver by Lessor of any covenant herein or a release of Lessee from the performance of the covenants herein contained to be by Lessee performed, and in each case Lessee agrees to pay the deficiency in the rents collected, if any, thereby.

CONTINGENCIES

18. In the event the building of which the Apartment is a part shall be injured or damaged by fire or other casualty, to an extent less than the substantial amount referred to in Paragraph 15(a) hereof, or in the event Lessor or a mortgage trustee or mortgagee elects to repair the building under the provisions of said Paragraph 15(a), then Lessor, or such mortgage trustee or mortgagee, shall, to the extent permitted by law, repair or rebuild the building at the expense of Lessor, such mortgage trustee or mortgagee, as the case may be, so as to conform substantially to the plans and general specifications in accordance with which the building was erected, as promptly as building conditions then prevailing shall permit. During the time that the Apartment shall be rendered untenable by such fire or other casualty, the regular assessments herein reserved shall be abated, but Lessee shall still be liable for any special assessments or other charges which may be levied.

19. Lessee shall be liable to Lessor and/or another Lessee, and their heirs, executors, administrators, successors and permitted assigns, as the case may be, for any claim, damage or judgment entered or arising from the occupancy, use or operation of any portion of or fixture, appliance or other device in the Apartment, whether installed by Lessee or by any prior Lessee of the Apartment, or caused by any occupant, guest or invitee of the Apartment, including but not limited to damage from any pipes, flues, wiring, conduits, fixtures, installations or appliances for which Lessee is responsible pursuant to Paragraph 4(d) or 4(e) herein. This covenant is included herein not only for the protection of Lessor, but also for the protection of the Lessees of the other apartments in the building, and shall be enforceable by them directly against Lessee. Except as otherwise expressly provided for in this Lease, Lessor shall have no liability or responsibility for any damage or loss to Lessee or the Apartment caused by any leaky pipes, faulty plumbing, or other causes from outside the Apartment unless caused solely by the act, omission or negligence of Lessor or its agents or servants.

20. Lessor and its agents shall have the right, but not the obligation, to enter the Apartment in the event of an emergency, without prior notice. Lessor and its agents shall also have the right, but not the obligation, to enter the Apartment to make any repairs which Lessor deems necessary, upon reasonable notice. The Managing Trustees are empowered to determine what constitutes an emergency and what notice is reasonable. If Lessee shall fail or refuse, or not be personally present to open and permit entry into the Apartment when for any reason entry therein shall be necessary or permissible hereunder, Lessor or its agents may forcibly enter the Apartment without rendering Lessor or such agents liable for any claim or cause of action for damages by reason thereof or by reason of the making of repairs after entry (provided that during such entry Lessor shall accord reasonable care to Lessee's property), and without in any manner affecting the obligations and covenants of this Lease. It is, however, expressly understood that the right and authority hereby reserved do not impose, nor does Lessor assume, by reason thereof, any responsibility or liability whatsoever for the care or supervision of any portion of the Apartment.

21. To the extent that Lessor is not reimbursed therefor by proceeds of insurance, and except as otherwise expressly provided in this Lease, Lessee shall at all times during the demised term indemnify and save harmless Lessor from every and all loss, cost and liability whatsoever which may arise against Lessor or be claimed against Lessor by any person or persons or any claimant, for any injuries to person or property or damage of whatsoever kind or character where the injury or damage arises from the use and occupancy of the Apartment by Lessee or those holding under Lessee or arising either wholly or in part from any act or omission of Lessee, sublessee, any previous Lessee, or any of their respective family members, guests, servants, or other persons claiming through or under Lessee. Any sums expended or incurred by Lessor on account thereof, together with all costs, expenses and reasonable attorneys' fees in connection therewith, are hereby agreed to be an additional amount due from Lessee to Lessor hereunder, payable upon demand.

22. If Lessee shall suffer or permit any lien to be filed or recorded against the Buildings or the Apartment, on account of any material furnished or labor or services rendered in the making of any decorations, repairs, restorations or alterations in the Apartment or the Buildings, then when such lien has been filed or recorded, Lessee shall, after notice by Lessor thereof as hereinafter provided, remove said lien or take such other action in respect thereof as Lessor may, in writing, prescribe to protect said Buildings and the Apartment against the same, and if Lessee does not do so, Lessor may at its option pay and discharge the same, and any expenditure of Lessor for said purpose, together with all costs, expenses and reasonable attorneys' fees paid or incurred in connection therewith, is hereby agreed to be an additional amount due from Lessee to Lessor hereunder, payable upon demand.

23. Except to the extent of the proceeds of any insurance which may be carried by Lessor with respect thereto, and except as otherwise expressly provided in this Lease, Lessor shall not be liable for any injury or damage caused by (a) any latent defect in the Buildings, (b) the elements, (c) tenants or other persons, (d) steam, gas, electricity, water, rain or snow which may leak, flow or fall from any part of the Buildings, (e) any defect in any pipes or wiring, (f) the failure of water supply, gas supply or electric current, (g) the falling of any fixture, plaster or stucco. Lessor shall not be liable for the presence of rodents, vermin, water bugs or other insects (nor shall their presence in any way affect this Lease), or for interference with light or other incorporeal hereditaments by anyone other than Lessor. The foregoing enumeration is not intended to be all inclusive, and except as otherwise expressly provided in this Lease, Lessor shall not be liable for any repairs or damage or injury to persons or property in or about the Apartment or the Buildings except to the extent of (h) the cost of making such repairs as are specifically required to be made by Lessor hereunder, or (i) the proceeds of any insurance which may be carried by Lessor with respect thereto.

Lessor shall not be responsible for any package or article left with, or entrusted to, an employee or agent of Lessor, except to the extent of the proceeds of any insurance which may be carried by Lessor with respect thereto.

If Lessor shall furnish to Lessee or any other person, as appurtenant to the Apartment, any storage space, use of laundry or any other facility outside of the Apartment, such person does so at his or her own risk and upon the express stipulation that Lessor shall not be liable for any loss of property therein, or any damage or injury whatever to person or property, except to the extent of the proceeds of any insurance which may be carried by Lessor with respect thereto.

Lessor shall not be liable to Lessee or to any other person claiming through or under Lessee for any damage or injury arising from any act, omission or negligence of co-tenants or other persons, or occupants of the Buildings or of adjoining or contiguous property. Except to the extent of any proceeds of insurance which may be carried by Lessor, and except as otherwise expressly provided for in this Lease, Lessor shall not be liable for any act, omission, or negligence by its agents or servants, all claims for damage, injury or interference referred to in this Paragraph 23 being hereby expressly waived and released by Lessee.

UNOFFICIAL COPY

The terms of this Paragraph 23 are solely for the benefit of Lessor and are not intended to relieve any insurance company of any obligation which it might otherwise have to either of the parties hereto.

24. This Lease and the interest of Lessee, his spouse, heirs, executors, administrators and assigns, in the Apartment shall at all times and under all circumstances be and remain subject and subordinate to the lien of each, every and all mortgages or trust deeds upon the Buildings and their improvements and the indebtedness and charges thereby secured to be paid according to the respective terms thereof whether such mortgage or mortgages, trust deed or trust deeds now exist or shall be hereafter created.

Lessee, for himself and all persons claiming by, through or under him, further covenant and agrees with Lessor that upon the making, executing and delivering by Lessor of any such mortgage, trust deed or agreement, Lessee, his spouse, and all persons rightfully claiming any estate or interest in or to the Apartment by, through or under Lessee, shall from time to time and at all times, at the request of Lessor or at the request of such mortgagee, trustee, or party to any such agreement, execute all such conveyances, assignments, releases, including the release and waiver of the right of homestead, or further assurances for the purpose of more fully subordinating to the lien of such mortgagee, trustee, or party to any such agreement, all the right, title and interest herein granted and demised to Lessee, as Lessor or any said mortgagee, trustee, or party to any such agreement shall require and as shall be tendered to be done and executed; and in pursuance thereof Lessee hereby irrevocably constitutes any attorney of any court of record, attorney for him and in his name and stead to execute such conveyances, releases, including the release and waiver of the right of homestead, assignments, agreements or further assurances, and such instruments or other documents for Lessee as in the judgment of such attorney in fact may be necessary or desirable to carry out and effect the purposes herein set forth, and Lessee hereby ratifies and confirms all that said attorney may lawfully do by virtue hereof.

Nothing in this Paragraph 24 or elsewhere in this Lease contained shall be construed to impose any liability upon Lessee, his spouse, executors, administrators, or assigns under any such mortgages or trust deeds or the indebtedness secured thereby.

GENERAL PROVISIONS

25. For the protection of all Certificate Holders, Lessor is hereby given and shall have at all times until the payment in full of all assessments and other sums due hereunder, a first and valid lien upon the interest of Lessee hereunder, and upon the Certificate of Beneficial Interest of Lessor owned by Lessee, to secure the payment of any and all sums which may at any time become due to Lessor hereunder, which lien may, at the option of Lessor, be foreclosed in equity or in any other lawful manner, at any time when such sum or any portion thereof shall become overdue hereunder; and in the event of any such foreclosure, a receiver may, at the option of

Lessor, be appointed with the usual powers of receivers in equity to take possession of any or all of the property covered by such lien and relet all or such portion thereof as such receiver shall, pursuant to order of court, see fit. The Certificate of Beneficial Interest of Lessor owned by Lessee is hereby continuously and irrevocably pledged by Lessee to Lessor as security for the payment from time to time and as often as the same may become due and payable of any and all obligations of Lessee to Lessor hereunder. Lessor shall have and it is hereby irrevocably given the right to sell said Certificate of Beneficial Interest in the event of a default by Lessee in the payment of any sum or sums due and owing by Lessee to Lessor pursuant to any provisions of this Lease and the continuance of any such default for a period of sixty (60) days after written notice from Lessor to Lessee specifying such default. Said Certificate of Beneficial Interest may be sold by Lessor, at public or private sale, for cash or upon such terms of credit as to Lessor shall deem reasonable and proper, and with or without surrender of said Certificate by Lessee, upon not less than five (5) days' written notice by Lessor to Lessee of the time and place of said sale. In the event of a sale of the Certificate without a surrender thereof by Lessee, a new Certificate shall be issued to the purchaser and the Certificate held by Lessee shall be declared and be deemed canceled, and such cancellation shall be noted in the books of Lessor. At any such sale, Lessor or its agents may bid for and purchase such Certificate of Beneficial Interest.

An appropriate legend evidencing the lien of Lessor upon said Certificate of Beneficial Interest shall appear either on the face or reverse side of said Certificate.

26. Any notice which Lessor may give to Lessee hereunder shall be sufficient if (a) personally served on Lessee or any member of his family above the age of fifteen (15) years or if (b) mailed by Lessor to Lessee by United States mail, postage prepaid, addressed to Lessee at such address as Lessee shall theretofore have furnished to Lessor in writing, or if no such address shall have been furnished Lessor, then at the Apartment, and the giving or serving of such notice or demand in either of the ways above specified shall constitute a good and sufficient notice or demand for any and all purposes, whether under the terms and provisions hereof or otherwise. Lessee consents hereby to service of legal process from Lessor by mailing a copy of said process to Lessee at his last address known to Lessor or its agents and by slipping a copy of the process under the entry door of the Apartment or otherwise delivering a copy of the process into the Apartment, or by such other means as may be provided by law.

27. The failure of Lessor to insist in any one or more instances upon a strict performance of any of the covenants of this Lease, or to exercise any option herein contained or the waiver of any breach or covenant, shall not be construed as a waiver of any succeeding breach of such covenant or a relinquishment for the future of such option, but the same shall continue and remain in full force and effect. The receipt by Lessor of any assessment from Lessee or of any payment from any subtenant to be applied toward assessments due to Lessor, with or without knowledge of the breach of any covenant hereof, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts after each breach shall not be deemed a waiver of such breach, and none of the covenants herein contained shall be waived, modified, or forfeited by any act of any collector, employee, or agent of Lessor or in any other manner except by the action of Lessor in writing. All such waivers,

UNOFFICIAL COPY

modifications or forfeiture by Lessor, and all written consents granted by Lessor under the terms of this Lease, shall be valid only if executed by not less than three of the Managing Trustees of Lessor.

Lessor may pursue any of its remedies in this Lease provided, or which may be allowed at law or in equity, either separately or concurrently, and any and all of its rights and remedies are cumulative and not alternative, and shall not be exhausted by the exercise thereof on one or more occasions. It is also covenanted and agreed by Lessee that after the service of notice of the commencement of suit, or after final judgment for the possession of the Apartment, Lessor may collect and receive any sum then due for assessments or otherwise, and the receipt of such sum shall not waive nor affect such notice, suit, judgment, or any other right of Lessor.

All rights and remedies of Lessor under this Lease, or that may be provided by law, may be exercised by Lessor in the name of 860 Lake Shore Drive Trust, and all legal proceedings for the enforcement of any such rights or remedies, including distress for rent, forcible detainer, petition for the appointment of a receiver and any other legal or equitable proceedings may be commenced and prosecuted to final judgment and execution by Lessor solely in the name of 860 Lake Shore Drive Trust, without the necessity of joining the Trustee or Managing Trustees as parties thereto or of proving the authority for the bringing of such action in the name of 860 Lake Shore Drive Trust. Lessee conclusively agrees that Lessor has full power and authority to execute this Lease and to make and perform the agreements herein contained, and Lessee expressly stipulates that any rights or remedies available to Lessor either by the terms of this Lease or otherwise, may be enforced by Lessor in the name of 860 Lake Shore Drive Trust without the necessity of joining any other person or party in connection therewith.

28. All covenants and agreements, conditions, and undertakings in this Lease contained, shall extend and inure to and be binding upon Lessor and Lessee, and their heirs, executors, administrators, successors and permitted assigns, as the case may be, the same as if they were in every case named and expressed, and wherever in this Lease reference is made to Lessor or Lessee, it shall be held to include and apply to their heirs, legal representatives, predecessors, successors or permitted assigns, as the case may be, the same as if in each and every case so expressed and although the above terms are expressed in the singular number, they shall nevertheless be taken to apply to the persons appearing as the actual lessees hereunder, whether one or more, male or female.

29. In the event that the standard provisions of all of the leases given by Lessor to the tenants of the building of which the Apartment forms a part shall be changed by Lessor in accordance with the provisions of the agreement establishing the 860 Lake Shore Drive Trust, Lessee covenants that he will, at the option of Lessor and within sixty (60) days after Lessor has given written demand therefor, surrender and cancel this Lease and will execute a new form of lease containing such changed standard provisions for the balance of the demised term or execute an amendment to this Lease containing such changed standard provisions, as requested by Lessor.

30. The invalidity of any one or more phrases, clauses, sentences, or paragraphs hereof shall not affect the remaining portions of this indenture, or any part thereof, all of said phrases, clauses, sentences, or paragraphs of this indenture being inserted conditionally upon their being valid in law, and in the event that any one or more of the phrases, clauses, sentences, or paragraphs continued herein should be held invalid, this indenture shall be construed as if such invalid phrases, clauses, sentences, or paragraphs had not been inserted. The headings in this Lease are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Lease or any provision hereof.

31. This Lease includes all the changes which Lessor has made in the standard provisions of prior leases given by Lessor to the tenants (including Lessee) of the building of which Apartment forms a part. Any prior lease of the Apartment shall automatically terminate and be superseded hereby without the necessity for formal cancellation of such prior lease or for notice from either party to the other. The provisions hereof shall become effective at the commencement of the term hereof, except that the provisions of Paragraphs 3 and 23 hereof shall apply and be effective as to all claims existing and actions pending at the commencement of the term hereof, as well as to claims arising subsequent thereto, and except that any rights of possession existing, and any sums payable to Lessor under the provisions of any prior lease shall not be affected hereby.

32. Notwithstanding any other provision hereof, this Lease is executed subject to the terms of the Trust Agreement establishing the 860 Lake Shore Drive Trust, as amended from time to time, including amendments which may be instituted subsequent to the execution of this Lease, and in the event of any inconsistency or contradiction between the terms hereof and the terms of said Trust Agreement, the terms of the Trust Agreement shall govern.

SIGNATURES

33. This Agreement is executed on behalf of 860 Lake Shore Drive Trust at the direction of the Managing Trustees of said Trust who have given such direction not personally but as Managing Trustees under the terms of that certain Trust Agreement dated April 1, 1949, creating the 860 Lake Shore Drive Trust, as amended; and it is expressly understood and agreed between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the covenants, undertakings, and agreements herein made on behalf of Lessor are made and intended not as personal covenants, undertakings, and agreements of the Managing Trustees, the Trustee under said Trust, or the Certificate Holders, individually or collectively, or for the purpose of binding them or any of them personally, but this Agreement is executed and delivered at the direction of the Managing Trustees solely in the exercise of the powers conferred upon them as such Managing Trustees, and no personal liability or personal responsibility is assumed by, nor shall at any time be asserted or enforced against them, on account thereof or on account of any covenant, undertaking, or agreement herein contained, either expressed or implied, all

such personal liability, if any, being hereby expressly waived and released by the parties hereto and by all persons claiming by, through or under said parties.

IN WITNESS WHEREOF, the parties hereto have executed this Amended and Restated Apartment Lease on the day and year first above written.
