I. RECITALS

1.01 Note. Pursuant to that certain Loan and Security Agreement dated the date of this Mortgage entered into by and among Assignee; Daniel Kravetz, Morton Geller, Anthony Fornelli and Frank Tufano (who with Assignor are hereinafter collectively referred to as "Borrowers") and Assignor (said Loan and Security Agreement as may be amended or restated from time to time shall be hereinafter referred to as the "Loan Agreement"), that certain Note (said Note as may from time to time be amended, modified, substituted, restated, renewed and/or extended shall hereinafter be referred to as the "Note") in the principal amount of \$875,000.00 payable along with interest as specified in the Note has been, or is being, contemporaneously executed and delivered by Borrowers to Assignee. The Note contemplates a variable rate of interest.

1.02 This Assignment. To induce Mortgagee to both enter into the Loan Agreement and make the loan which is the subject of the Note and as security for the repayment of the Note and payment and performance of all other indebtedness, obligations and liabilities of Borrowers to Assignee, howsoever created, arising or evidenced and whether now existing or hereafter arising including, but not limited to, under the Loan Agreement and any document entered into

or given pursuant to the Loan Agreement (all of the indebtedness, liabilities and obligations referenced in this Section 1.02 shall be collectively referred to as the "Obligations"), Assignor has agreed to execute and deliver to Assignee this Assignment. This Assignment is given as equal security for all of the Obligations without preference or priority of any part of the Obligations by reason of priority time or of the negotiation thereof or otherwise.

This Assignment is given to secure the Loan as evidenced and witnessed by the Note and secures not only the indebtedness from Borrowers existing on the date hereof, but all such future advances whether such advances are obligatory or to be made at the option of the Assignee or otherwise as are made within twenty (20) years from the date hereof to the same extent as if such future advances were made on the date of the execution of this Assignment although there may be no indebtedness outstanding at the time any advance is made. The lien of this Assignment as to third persons without actual notice thereof shall be valid as to all indebtedness and future advances from the time this Assignment is filed for record in the Office of the Recorder of Deeds of Cook County. The total amount of indebtedness that may be secured by this Assignment may increase or decrease from time to time, but the total unpaid balances of the Note secured at any one time shall not exceed the maximum principal amount of the aggregate of the Note (as amended, extended, substituted, restated, replaced or renewed from time to time) plus interest thereon and any disbursements made by the Assignee for the payment of taxes, special assessments or insurance on the above described real estate with interest on such disbursements.

 - (vi) Assignor has not waived, reduced, excused, discounted or otherwise discharged or compromised any obligation, including, but not limited to, the obligation to pay rent, under such Lease;
- (d) Assignor has not heretofore made any other assignment of its entire or any part of its interest in and to any or all of the Leases or any or all of the rents, issues, income or profits assigned hereunder which is now outstanding or enforceable or entered into any agreement to subordinate any of the Leases or Assignor's right to receive any of the rents, issues, income or profits assigned hereunder which is now outstanding or enforceable; and
- (e) Assignor has not heretofore executed any instrument or performed any act which may or might prevent Assignee

from operating under any of the terms and provisions hereof or which would limit Assignee in such operation.

3.02. Covenants of Assignor. Assignor covenants and agrees that, so long as this Assignment shall be in effect:

- (a) Assignor shall observe and perform all of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by Assignor, and shall not do or suffer to be done anything to materially impair the security thereof (i) to release the liability of any tenant thereunder, (ii) to permit any tenant thereunder to withhold the payment of rent or to make monetary advances and offset the same against future rentals, (iii) to permit any tenant thereunder to claim a total or partial eviction or (iv) to permit any tenant thereunder to terminate or cancel any Lease;
- (b) Assignor shall not collect any of the rents, issues, income or profits assigned hereunder more than thirty (30) days in advance of the time when the same shall become due except for security or similar deposits;
- (c) Assignor shall not hereafter make any other assignment of its entire or any part of its interest in or to any or all Leases or any or all rents, issues, income or profits assigned hereunder without the prior written consent of Assignee;
- (d) Assignor shall not hereafter agree to subordinate any of the Leases or its right to receive any of the rents, issues, income or profits assigned hereunder to any mortgage or other encumbrance now or hereafter affecting the Premises;
- (e) Assignor shall not, except either (i) with the prior written consent of Assignee or (ii) for arms-length transactions entered into upon fair market terms, agree, enter into or consent to any new lease or any extension, modification, assignment, cancellation or termination of any then existing lease or sublease or occupancy agreement affecting the Property;
- (f) Assignor shall not alter, modify or change the terms of any guaranty of any lease, or cancel or terminate any such guaranty or do or suffer to be done anything which would terminate any such guaranty as a matter of law without the prior written consent of Assignee;

- (g) Assignor shall not waive, or excuse the obligation to pay, rent under any Lease if such waiver or excuse is not consistent with good business and property management practices;
- (h) Assignor shall enforce the Lease and all rights and remedies of Assignor thereunder in case of default thereunder by any tenant if consistent with good business and property management practices;
- (i) Assignor shall, at its sole cost and expense, appear in and defend any and all actions and proceedings arising under, growing out of or in any manner connected with, any Lease or the obligations, duties or liabilities of Assignor or any tenant or guarantor thereunder, and shall pay all costs and expenses of Assignee, including attorneys' and paralegals' fees, in any such action or proceeding in which Assignee may appear;

So long as Assignor is not in default hereunder, Assignor shall have the right to collect at the time, but not more than thirty (30) days in advance of the date provided for the payment thereof, all rents, issues, income and profits assigned hereunder and to retain, use and enjoy the same. Assignee shall have the right to notify the tenants under the Leases of the existence of this Assignment at any time.

IV. DEFAULTS AND REMEDIES

4.01 Events of Default. Each of the following shall constitute an "Event of Default" for purposes of this Assignment:

- (a) Any Borrower or Assignor shall default in the payment when due of any amount due and owing to Assignee under the Note;

- (b) Except for a Default set forth in clause (a) above, Default in the payment of any of the other Obligations;
- (c) Any representation or warranty made by Assignor in this Assignment shall at any time prove to have been incorrect in any material respect when made;
- (d) Assignor shall default in the performance or observance of any term, covenant, condition or agreement on its part to be performed or observed under the Documents (not constituting a Default under any other clause of this Section 4.01 of this Agreement); or
- (e) Any Default or Event of Default (howsoever such terms are defined) under the Loan Agreement, the Note or any of the Documents (as defined in the Loan Agreement) shall occur.

4.02. Rights and Remedies upon Default. At any time upon or following the occurrence of any one or more Events of Default under this Assignment, Assignee may, at its option and without any obligation to do so, without in any way waiving such Event or Events of Default, without notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby and without releasing Assignor from any obligation hereunder:

- (a) Declare all the Obligations, including, but not limited to, the unpaid balance of the principal sum of the Note together with all accrued and unpaid interest thereon immediately due and payable;
- (b) Enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem necessary or proper with full power to make from time to time all alterations, renovations, repairs or replacements thereto and thereof as may seem proper to Assignee, to make, enforce, modify and accept the surrender of Leases, to obtain and evict tenants, to fix or modify rents and to do any other act which Assignee deems necessary or proper;
- (c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all Assignor's rights therein and thereunder, provided that, for such purpose, this

Assignment shall constitute an authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to Assignee without proof of default hereunder upon receipt from Assignee of written notice to pay thereafter all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder and provided further that Assignor will facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to Assignee, provided that any action taken by Assignee under this paragraph shall not result in additional liability of Assignor to third parties;

- (d) Make any payment or do any act required herein of Assignor in such manner and to such extent as Assignee may deem necessary, and any amount so paid by Assignee shall become immediately due and payable by Assignor with interest thereon until paid at the highest "Default Rate" as defined in the Note which evidences the loans and shall be secured by this Assignment; and
- (e) Exercise all other rights and remedies of Assignee pursuant to this Assignment and under applicable law.

All rights and remedies of Assignee pursuant to this Assignment shall be and are severable and cumulative.

4.03. Application of Proceeds. All sums collected and received by Assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more Events of Default under this Assignment shall be applied as follows:

- (a) First, to reimbursement of Assignee for any and all expenses of taking and retaining possession of the Premises; of managing the Premises and collecting the rents, issues, income and profits thereof, including, but not limited to, salaries, fees and wages of a managing agent and such other employees as Assignee may deem reasonably necessary and proper and reasonable attorneys' fees; operating and maintaining the Premises, including, but not limited to, taxes, charges, claims, assessments, water rents, sewer rents, other liens and premiums for any insurance

- (f) Sixth, to payment of the unpaid balance of the principal sum of the Obligations; and
- (g) Seventh, any balance remaining to Assignor, its successors and assigns.

4.04. Limitation of Assignee's Liability. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises following the occurrence of any one or more Events of Default under the provisions hereof or from any other act or omission of Assignee in managing, operating or maintaining the Premises following the occurrence of any one or more Events of Default under the provisions hereof unless such loss is caused by the willful misconduct or gross negligence of Assignee. Assignee shall not be obligated to observe, perform or discharge, nor does Assignee hereby undertake to observe, perform or discharge, any covenant, term, condition or agreement contained in any Lease to be observed or performed by Assignor or any obligation, duty or liability of Assignor under or by reason of this Assignment. Assignor shall and does hereby agree to indemnify Assignee for, and to hold Assignee harmless of and from, any and all liability, loss or damage which Assignee may or might incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants,

terms, conditions and agreements contained in any Lease except for Assignee's negligence. Should Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment or in the defense of any such claim or demand, the amount thereof including costs, expenses and attorneys' fees and paralegals' fees shall become immediately due and payable by Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not operate to place responsibility for the care, control, management or repair of the Premises or for the carrying out of any of the covenants, terms, conditions and agreements contained in any Lease upon Assignee nor shall it operate to make Assignee responsible or liable for any waste committed upon the Premises by any tenant, occupant or other party or for any dangerous or defective condition of the Premises or for any negligence (except gross negligence) in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, occupant, licensee, employee or stranger to any of their property.

5.04 Severability. If any provision of this Assignment or any paragraph, sentence, clause, phrase or word or the application thereof in any circumstance is held invalid, the validity of the remainder of this Assignment shall be construed as if such invalid part were never included herein.

5.05 Non-Waiver. Unless expressly provided in this Assignment to the contrary, no consent or waiver, express or implied, by Assignee to or of any breach or default by Assignor in the performance by Assignor of any obligations contained herein shall be deemed a consent to, or waiver by, Assignee of such performance in any other instance or any other obligations hereunder.

5.06 Headings. The headings of sections and paragraphs in this Assignment are for convenience or reference only and shall not be construed in any way to limit or define the content, scope or intent of the provisions hereof.

6.01 Exculpation. This Assignment is executed by Assignor, not personally but as Trustee as aforesaid, in the exercise of the power and authority conferred and fixed in it as such Trustee, and it is expressly understood and agreed that nothing herein contained shall be constituted as creating any liability on Assignor as trustee aforesaid or on Assignor personally to pay the Obligations or any interest that may accrue thereon, or any indebtedness accruing hereunder or to perform any covenant either express or implied herein contained, all such liability on Assignor, if any, being expressly waived by Assignee and by every person now or hereafter claiming any right or security hereunder.
